

SETTLEMENT AGREEMENT AND RELEASE

This Settlement Agreement and Release (“Agreement”) between Environmental Research Center, Inc. (“ERC”) and Beverly International Nutrition, Inc. (“Beverly International Nutrition”) is effective on the date on which it is fully executed by the Parties and signature pages have been exchanged by counsel (“Effective Date”). The “Compliance Date” means a date 45 days following the “Effective Date.” ERC and Beverly International Nutrition are referred to individually as a “Party” and collectively as the “Parties.” The Parties agree as follows:

1. This matter arises out of the Notices of Violation of California Health & Safety Code §25249.5, *et seq.* (also known as “Proposition 65”) that ERC served on Beverly International Nutrition on June 13, 2025, June 24, 2025, July 10, 2025, and August 1, 2025 (the “Notices”) with regard to the following products identified below (referred to as the “Covered Products”):

- **Beverly International Up-Lift Tart Cherry – Alleged Lead**
- **Beverly International PBP Plant-Based Protein Vanilla Protein Shake Mix – Perfluorooctanoic Acid (PFOA), Alleged Lead**
- **Beverly International Ultra 40 Beef Liver Made with 100% Argentine Beef Liver – Alleged Perfluorooctane Sulfonate (PFOS)**
- **Beverly International Mass Maker Ultra High-Potency Lean Weight Gainer Naturally & Artificially Flavored Delicious Vanilla Dietary Supplement – Alleged Lead**

Beverly International Nutrition expressly denies that the Covered Products contain any Prop. 65 chemicals at levels requiring a warning, but prefers to resolve this matter amicably, rather than engage in litigation.

All of the Covered Products, with the exception of the product called Beverly International Ultra 40 Beef Liver Made with 100% Argentine Beef Liver, may also be referred to herein as “Lead Covered Products.” The product called Beverly International PBP Plant-Based Protein Vanilla Protein Shake Mix may also be referred to as “PFOA Covered Product.” The product called Beverly International Ultra 40 Beef Liver Made with 100% Argentine Beef Liver may also be referred to herein as “PFOS Covered Product.”

2. The Parties enter into this Agreement in order to fully resolve all claims, demands, and allegations regarding the Notices and for the purpose of avoiding prolonged litigation. Nothing in this Agreement shall be construed as an admission of the Parties of any fact, issue of law, or violation of law, nor shall compliance with this Agreement constitute or be construed as an admission by the Parties of any fact, issue of law or violation of law. Nothing in this Agreement or any document referred to shall be construed as giving rise to any presumption or inference of admission or concession by the Parties as to any fault, wrongdoing or liability. This Section shall not diminish or otherwise affect the obligations, responsibilities, and duties of the Parties under this Agreement.

Initials RR

SETTLEMENT AGREEMENT AND RELEASE

3. INJUNCTIVE RELIEF, REFORMULATION, TESTING AND WARNINGS

In consideration of the following covenants and conditions contained in this Agreement, the Parties have provided the releases as set forth in Section 6 below:

3.1 Beginning on the Compliance Date, Beverly International Nutrition shall be permanently enjoined from manufacturing for sale in the State of California, "Distributing into the State of California," or directly selling in the State of California, any Lead Covered Product which exposes a person to a "Daily Lead Exposure Level" of more than 0.5 micrograms of lead per day and/or any PFOA Covered Product which exposes a person to a detectible level of PFOA and/or any PFOS Covered Product which exposes a person to a detectible level of PFOS per day unless such Covered Product meets the warning requirements under Section 3.2 (using the test methods specified herein). Covered Products already in the Stream of Commerce on the Compliance Date are expressly subject to the release set forth in Paragraph 6.2. For purposes of this Agreement, the term "Stream of Commerce" means that the Covered Products have been manufactured and labeled for sale and are no longer in the possession of or under the control of Beverly International Nutrition.

3.1.1 As used in this Agreement, the term "Distributing/Distribute into the State of California" shall mean to directly ship a Covered Product into California for sale in California or to sell a Covered Product to a distributor that Beverly International Nutrition knows or has reason to know will sell the Covered Product in California.

3.1.2 For purposes of this Agreement, the "Daily Lead Exposure Level," shall be measured in micrograms, and shall be calculated using the following formula: micrograms of lead¹ per gram of product, multiplied by grams of product per serving of the product (using the largest serving size appearing on the product label), multiplied by servings of the product per day (using the largest number of recommended daily servings appearing on the label), which equals micrograms of lead exposure per day. If the label contains no recommended daily servings, then the number of recommended daily servings shall be one.

3.2 Clear and Reasonable Warnings

If Beverly International Nutrition is required to provide a warning pursuant to Section 3.1, any one of the following warning options must be utilized ("Warning"):

OPTION 1:

WARNING: Consuming this product can expose you to chemicals including [lead and lead compounds] [and/or] [perfluorooctanoic acid] [and/or] [perfluorooctane sulfonate] which is [are] known to the State of California to cause [cancer and] birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food.

¹ All references to "lead" herein also include lead compounds.

Initials RR

OPTION 2:

WARNING: Can expose you to [lead and lead compounds] [and/or] [perfluorooctanoic acid] [and/or] [perfluorooctane sulfonate], a carcinogen and reproductive toxicant. See www.P65Warnings.ca.gov/food.

OPTION 3:

WARNING: Risk of cancer and reproductive harm from exposure to [lead and lead compounds] [and/or] [perfluorooctanoic acid] [and/or] [perfluorooctane sulfonate]. See www.P65Warnings.ca.gov/food.

The Warning shall begin either with the word “**WARNING**,” as indicated above, or the words “**CA WARNING**” or “**CALIFORNIA WARNING**,” in all capital letters and bold print. Where a warning is being provided for more than one endpoint (cancer and reproductive toxicity) the warning must include the name of one or more chemicals for each endpoint, unless the named chemical is listed as known to cause both cancer and reproductive toxicity and has been so identified in the warning. As identified in the brackets, the warning shall appropriately reflect whether there is lead (for the Lead Covered Products), PFOA (for the PFOA Covered Product), or PFOS (for the PFOS Covered Product); however, Beverly International Nutrition may identify different chemicals than those referenced herein if Beverly International Nutrition has reason to believe that another Proposition 65 chemical is present at a level that may require a warning. If there is a chemical present at a level that requires a cancer warning, the chemical requiring the cancer warning shall always be identified.

The Warning shall be securely affixed to or printed upon the label of any Covered Product, and it must be set off from other surrounding information and enclosed in a box. In addition, for any Covered Product that Beverly International Nutrition is Distributing into the State of California over the internet, the Warning shall be provided either (1) on the Covered Product’s primary display page by including the Warning or a clearly marked hyperlink, using the word “**WARNING**” or the words “**CA WARNING**” or “**CALIFORNIA WARNING**” in all capital and bold letters, that links to a page prominently displaying the Warning without content that detracts from the Warning or (2) by otherwise prominently displaying the warning to the purchaser prior to completing the purchase. If the Warning is provided on the checkout page when a California delivery address is indicated for any purchase of any Covered Product, an asterisk or other identifying method must be utilized to identify which products on the checkout page are subject to the Warning. A Warning is not prominently displayed if the purchaser has to search for it in the general content of the website.

Starting on the Compliance Date, Beverly International Nutrition shall instruct downstream retailers and distributors of Covered Products (collectively “Third Party Seller(s)”) to include a website warning consistent with these requirements. Specifically, Beverly International Nutrition must (a) notify the Third-Party Seller and/or its authorized agent, in writing, of the Third-Party Seller’s duty to provide a website warning as part of the condition of sale of the Covered Product to California consumers, and (b) comply with 27 C.C.R. § 25600.2

Initials RR

(2025) including, but not limited to, by providing the information required by 27 C.C.R. § 25600.2 (2025), including the warning language required by this Agreement for Covered Products sold on the internet to California consumers, to any such Third-Party Seller (or its authorized agent). The written notice required by this Section shall instruct the Third-Party Seller that it is responsible for providing the Warning on its website for Covered Products sold over the internet to California consumers and that the Warning shall be provided with such conspicuousness, as compared with other words, statements or designs, as to render the Warning likely to be seen, read, and understood by an ordinary individual prior to sale. Confirmation of receipt of the written notice and any renewed written notices must be received electronically or in writing from the Third-Party Seller, or its authorized agent, to which Beverly International Nutrition sent the written notice. If Beverly International Nutrition is unable to obtain such confirmation of receipt, Beverly International Nutrition shall confirm delivery of the notice and retain such confirmation of delivery in written or electronic form for at least one year.

The Warning shall be prominently displayed with such conspicuousness as compared with other words, statements, designs or devices on the label, labeling, or sign, or on the website, as to render the Warning likely to be seen, read, and understood by an ordinary individual under customary conditions of purchase or use. If Beverly International Nutrition utilizes either the Option 2 or Option 3 Warning, the Warning must be in at least six (6) point type. No statements intended to or likely to have the effect of diminishing the impact of, or reducing the clarity of, the Warning on the average lay person shall accompany the Warning. Further, no statements may accompany the Warning that state or imply that the source of the listed chemical has an impact on or results in a less harmful effect of the listed chemical.

Where a sign or label used to provide the Warning for a Covered Product includes consumer information about the Covered Product in a language other than English, the Warning must also be provided in that language in addition to English.

For purposes of this Agreement, the term “label” means a display of written, printed or graphic material that is printed on or affixed to a Covered Product or its immediate container or wrapper.

3.3 Conforming Covered Products

A Conforming Lead Covered Product is a Lead Covered Product for which the “Daily Lead Exposure Level” is no greater than 0.5 micrograms of lead per day as determined by the exposure methodology set forth in Section 3.1.2 and the quality control methodology described in Section 3.4, and that is not known by Beverly International Nutrition to contain other chemicals that violate Proposition 65’s safe harbor thresholds. A Conforming PFOA Covered Product is a PFOA Covered Product that does not contain any detectable level of PFOA, and that is not known by Beverly International Nutrition to contain other chemicals that violate Proposition 65’s safe harbor thresholds. A Conforming PFOS Covered Product is a PFOS Covered Product that does not contain any detectable level of PFOS, and that is not known by Beverly International Nutrition to contain other chemicals that violate Proposition 65’s safe harbor thresholds.

Initials RR 

3.4 Testing and Quality Control Methodology

3.4.1 Subject to Section 3.4.7, beginning within one year of the Effective Date through three years after the Effective Date (the “ERC Testing Duration”), Beverly International Nutrition shall arrange for lead and PFOA and PFOS testing of the Covered Products at least once a year for a minimum of the ERC Testing Duration by arranging for testing of two (2) randomly selected samples of the Covered Products, in the form intended for sale to the end-user, which Beverly International Nutrition intends to Distribute into the State of California. If tests conducted pursuant to this Section demonstrate that no Warning is required for the Covered Products through the end of the ERC Testing Duration, then the testing requirements of this Section will no longer be required as to the Covered Products.

3.4.2 For purposes of measuring the “Daily Lead Exposure Level,” the highest lead detection result of the two (2) randomly selected samples of the Covered Products will be controlling.

3.4.3 All testing pursuant to this Agreement shall be performed using a laboratory method that complies with the performance and quality control factors appropriate for the method used, including limit of quantification, sensitivity, accuracy and precision that meets the following criteria: Inductively Coupled Plasma-Mass Spectrometry (“ICP-MS”) achieving a limit of quantification of less than or equal to 0.005 mg/kg for lead and Liquid Chromatography-Tandem Mass Spectrometry (LC-MS/MS) achieving a limit of quantification of less than or equal to 0.080 ng/g for PFOA and/or 0.452 ng/g for PFOS. For lead assessments, AOAC 2013.06 or AOC 2015.01 may be used. Beverly may also meet and confer with Plaintiff to identify and agree upon alternative reasonable testing and analytical methods.

3.4.4 All testing pursuant to this Agreement shall be performed by an independent third-party laboratory certified by the California Environmental Laboratory Accreditation Program (“ELAP”), or an independent third-party laboratory that is registered with the United States Food & Drug Administration, USDA, or EPA. The laboratory testing for PFAS shall additionally be accredited under ISO 17025 for EPA 1633 for PFAS.

3.4.5 Nothing in this Agreement shall limit Beverly International Nutrition’s ability to conduct, or require that others conduct, additional testing of the Covered Products, including the raw materials used in their manufacture.

3.4.6 Within thirty (30) days of ERC’s written request, Beverly International Nutrition shall deliver lab reports obtained pursuant to Section 3.4, and related documentation, to ERC. Beverly International Nutrition shall retain all such lab reports and related documentation for a period of three years from the date of each test. Any request by ERC for lab reports and related documentation shall be made prior to the expiration of the four-year time period identified in Section 3.4.

3.4.7 The testing and reporting requirements of Section 3.4 do not apply to any Covered Product for which Beverly International Nutrition has provided the Warning specified

Initials RR 

in Section 3.2 continuously and uninterrupted after the Compliance Date; however, in the event Beverly International Nutrition ceases to provide the Warning specified in Section 3.2, it may only do so after it has tested such Covered Product in compliance with Sections 3.4.3 and 3.4.4, and Beverly International Nutrition shall be required to comply with the testing requirements of Section 3.4 immediately after ceasing to provide the Warning unless Beverly International Nutrition can show to the satisfaction of ERC that the cessation in providing the Warning was a temporary error that was resolved when discovered.

3.5 Nothing in Section 3 of this Agreement shall prevent or preclude ERC from obtaining and relying upon its own testing for purposes of enforcement, so long as such testing meets the requirements of Sections 3.4.3 and 3.4.4. Nothing in Section 3.4 of this Agreement is intended by either Party to set a precedent for the level of lead, PFOA, PFOS, or other chemicals that is permissible in consumer products under Proposition 65.

4. Beverly International Nutrition shall make a total payment of \$40,000.00 ("Total Settlement Amount") to ERC in three periodic payments (the "Periodic Payments") according to the following payment schedule ("Due Dates"):

- Payment 1 -- \$13,333.34 within 5 days of the Effective Date (the first Due Date)
- Payment 2 -- \$13,333.33 within 35 days of the Effective Date (the second Due Date)
- Payment 3 -- \$13,333.33 within 65 days of the Effective Date (the third Due Date)

Beverly International shall make these Periodic Payments by wire transfer to ERC's account, for which ERC will give Beverly International the necessary account information. The Total Settlement Amount shall be allocated as follows:

a. \$2,000.00 shall be considered a civil penalty pursuant to California Health and Safety Code §25249.7(b)(1). ERC shall remit 75% (\$1,500.00) of the civil penalty to the Office of Environmental Health Hazard Assessment ("OEHHA") for deposit in the Safe Drinking Water and Toxic Enforcement Fund in accordance with California Health and Safety Code §25249.12(c). ERC will retain the remaining 25% (\$500.00) of the civil penalty.

b. \$5,031.19 shall be considered a reimbursement to ERC for its costs incurred as a result of bringing this matter to Beverly International Nutrition's attention and negotiating a settlement.

c. \$9,449.12 shall be distributed to Michael Freund & Associates as reimbursement of ERC's attorney fees, while \$23,519.69 shall be distributed to ERC for its in-house legal fees.

d. In the event that Beverly International Nutrition fails to remit, in full, any of the Periodic Payments owed under Section 4 of this Agreement on or before the applicable Due Date, Beverly International Nutrition shall be deemed to be in material breach of its obligations under this Agreement. ERC shall provide written notice of the delinquency to Beverly International Nutrition via electronic mail. If Beverly International Nutrition fails to deliver the delinquent payment within five days from the written notice, the Total Settlement Amount, less

Initials RR 

any amounts previously paid pursuant to Section 4, shall become immediately due and payable and shall accrue interest at the statutory judgment interest rate provided in the Code of Civil Procedure section 685.010, and any release provisions in Section 6 that are for the benefit of Beverly International Nutrition and/or the Released Parties (as defined in Section 6.1) shall be suspended and waived during the period of time that transpires until the Total Settlement Amount is paid in full. Additionally, Beverly International Nutrition agrees to pay ERC's reasonable attorneys' fees and costs for any efforts to collect any payment(s) due under this Agreement.

5. Except as expressly set forth in Section 4, the Parties shall bear their own costs, expenses, and attorneys' fees related to the Notices.

6. Binding Effect; Claims Covered and Released

6.1. This Agreement is a full, final, and binding resolution between ERC, on behalf of itself, and Beverly International Nutrition and its respective officers, directors, shareholders, employees, agents, owners, parent companies, subsidiaries, divisions, suppliers, franchisees, licensees, customers (not including private label customers of Beverly International Nutrition, if any), distributors, wholesalers, retailers, online marketplaces, e-commerce platforms, and all other upstream and downstream entities in the distribution chain of any Covered Product, and the predecessors, successors, and assigns of any of them (collectively, "Released Parties").

6.2 ERC, on behalf of itself only, hereby fully releases and discharges the Released Parties from any and all claims, actions, causes of action, suits, demands, liabilities, damages, penalties, fees, costs, and expenses asserted, or that could have been asserted from the handling, use, or consumption of the Covered Products, as to any alleged violation of Proposition 65 or its implementing regulations arising from the failure to provide Proposition 65 warnings on the Lead Covered Products regarding lead and/or on the PFOA Covered Product regarding PFOA and/or on the PFOS Covered Product regarding PFOS up to and including the Compliance Date.

6.3 ERC, on its own behalf only, and Beverly International Nutrition on its own behalf only, further waive and release any and all claims they may have against each other for all actions or statements made or undertaken in the course of seeking or opposing enforcement of Proposition 65 in connection with the Notices up to and including the Compliance Date, provided, however, that nothing in Section 6 shall affect or limit any Party's right to seek to enforce the terms of this Agreement.

6.4 It is possible that other claims not known to the Parties, arising out of the facts alleged in the Notices, and relating to the Covered Products, will develop or be discovered. ERC, on behalf of itself only, and Beverly International Nutrition, on behalf of itself only, acknowledge that this Agreement is expressly intended to cover and include all such claims up to and including the Compliance Date, including all rights of action therefor. ERC and Beverly International Nutrition acknowledge that the claims released in Sections 6.2 and 6.3 above may include unknown claims, and the Parties nevertheless waive California Civil Code section 1542

Initials RR

as to any such unknown claims. California Civil Code section 1542 reads as follows:

(i) A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

ERC, on behalf of itself only, and Beverly International Nutrition, on behalf of itself only, acknowledge and understand the significance and consequences of this specific waiver of California Civil Code section 1542.

6.5 Compliance with the terms of this Agreement shall be deemed to constitute compliance with Proposition 65 by any of the Released Parties regarding alleged exposures to lead in the Lead Covered Products and/or PFOA in the PFOA Covered Product and/or PFOS in the PFOS Covered Product as set forth in the Notices.

6.6 Nothing in this Agreement is intended to apply to any occupational or environmental exposures arising under Proposition 65, nor shall it apply to any of Beverly International Nutrition's products other than the Covered Products.

7. Nothing herein shall be construed as diminishing Beverly International Nutrition's continuing obligations to comply with Proposition 65.

8. All notices required to be given to either Party to this Agreement by the other shall be in writing and sent to the following agents listed below via first-class mail, or via electronic mail where required. Courtesy copies of notices sent via first-class mail may also be sent via email.

9. After executing this Agreement, ERC will submit to the California Attorney General a Report of Settlement consistent with California Health and Safety Code §25249.7(f). In addition, ERC will provide to the California Attorney General a signed copy of this Agreement. The Parties acknowledge and agree that the Parties shall provide as much information as is requested by the California Attorney General, or any other governmental agency, regarding the Notices, the settlement, and this Agreement.

10. This Agreement contains the entire agreement between the Parties with regard to settlement of the Notices, and supersedes all prior or contemporaneous agreements or understandings, written or oral, with regard to the Notices as set forth in this Agreement. This Agreement may be amended or modified as to injunctive terms only in whole or in part at any time only by an agreement in writing executed by the Parties.

11. This Agreement shall be binding upon and shall inure to the benefit of the Parties and their respective owners, principals, shareholders, members, managers, officers, directors, employees, agents, successors, and assigns.

12. No inference, assumption or presumption shall be drawn, and no provision of this Agreement shall be construed against any of the Parties, based upon the fact that one of the Parties and/or one of the Parties' attorneys prepared and/or drafted all or any portion of this Agreement. It is conclusively presumed that the Parties participated equally in the preparation and drafting of this Agreement.

13. If any provision, term, or section of this Agreement is found to be invalid, illegal, or unenforceable, then all remaining provisions, terms, or sections shall continue in full force and effect and remain binding on the Parties. If any provision, term, or section of this Agreement is determined to be unenforceable, then such provision, term, or section may be modified so that the unenforceable provision, term, or section is enforceable to the greatest extent possible; provided, however, that if such invalid, illegal, or unenforceable provision, term, or section

Initials RR

materially and adversely affects the essential rights, obligations, or consideration of either Party under this Agreement, the Parties shall negotiate in good faith to replace the affected provision with a valid and enforceable provision that preserves, to the maximum extent possible, the original intent of the Parties. If the Parties are unable to agree on a replacement provision within a reasonable period of time, either Party may terminate this Agreement, subject to the other Party's right to seek judicial intervention, including but not limited to, filing an action for breach (or anticipatory breach) of the Agreement or for other relief available to that Party as a result of the termination of the Agreement.

14. This Agreement shall be deemed to have been entered into in the State of California and governed and interpreted by the laws of the State of California, regardless of the physical locations of the individuals executing this Agreement at the time of execution.

15. The Parties acknowledge by signing this Agreement that they have a right to consult an attorney and that they have either consulted their attorney(s) with respect to the Notices and the terms and conditions of this Agreement or have made the decision not to consult with an attorney regarding the Notices and the terms and conditions of this Agreement. The Parties further acknowledge that they fully understand this Agreement and the effect of signing and executing this Agreement.

16. Any legal action to enforce this Agreement shall be brought in the county of Alameda of the State of California. ERC shall be entitled to recover its reasonable attorneys' fees and costs that are necessary and required to enforce the Agreement pursuant to California Code of Civil Procedure section 1021.5.

17. This Agreement may be signed in counterparts, and each counterpart, as well as any facsimile, e-mail, copy of this Agreement, or any other counterpart, shall be deemed to be an original.

18. Each of the individuals who execute this Agreement represents and warrants they have the authority to execute this document and bind the respective Parties to the terms and conditions of this Agreement, and have read, understand, and agree to all the terms and conditions in this Agreement.

19. In the event that the Office of Environmental Health Hazard Assessment ("OEHHA") promulgates one or more final and binding regulations requiring or permitting Proposition 65 warning text and/or methods of transmission, specifically applicable to the Covered Products and the chemicals at issue, which are different from those set forth in this Agreement, Beverly International Nutrition shall be entitled to use, at its discretion, such other warning text and/or method of transmission without being deemed presumptively in breach of this Agreement, subject to ERC's right to seek judicial intervention challenging the applicability of OEHHA's regulation to this Agreement, the Covered Products, and/or the chemicals at issue and challenging Beverly International Nutrition's right to cease complying with the terms of this Agreement, including but not limited to, filing an action for breach (or anticipatory breach) of the Agreement or for other relief available to ERC. If final and binding regulations or legislation

Initials RR

are enacted providing that Proposition 65 warnings as the Covered Products are no longer required, a lack of warning will not thereafter be considered a presumptive breach of this Agreement, subject to ERC's right to seek judicial intervention challenging the applicability such final regulation or legislation to this Agreement, the Covered Products, and/or the chemicals at issue and challenging Beverly International Nutrition's right to cease complying with the terms of this Agreement, including but not limited to, filing an action for breach (or anticipatory breach) of the Agreement or for other relief available to ERC.

20. If ERC alleges that any Covered Product fails to qualify as a Conforming Covered Product (for which ERC alleges that no Warning has been provided), then ERC shall inform Beverly International Nutrition in a reasonably prompt manner of its test results, including information sufficient to permit Beverly International Nutrition to identify the Covered Products at issue. Beverly International Nutrition shall, within thirty (30) days following such notice, either (1) bring the Covered Products into compliance and provide sufficient documentation of same to ERC or (2) provide ERC with testing information from an independent third-party laboratory meeting the requirements of Sections 3.4.3 and 3.4.4 and any other necessary information or documentation demonstrating Beverly International Nutrition's compliance with the Agreement. The Parties shall first attempt to resolve the matter prior to ERC taking any further legal action.
