

FIRST AMENDMENT TO SETTLEMENT AND RELEASE AGREEMENT

(Correction of Spanish-Language Warning – Section 2.2(a))

This First Amendment to Settlement and Release Agreement (this “Amendment”) is entered into by and between Center for Consumer Safety, LLC (“CCS”) and Grupo La Moderna, S.A. de C.V. (“La Moderna,” and together with CCS, the “Parties”), and amends that certain Settlement and Release Agreement between the Parties having an Effective Date of June 3, 2026 (the “Settlement Agreement”), a true and correct copy of which is attached hereto as Attachment 1. Capitalized terms used but not otherwise defined in this Amendment have the meanings given to them in the Settlement Agreement. Pursuant to Section 8 of the Settlement Agreement, this Amendment shall be effective as of the Effective Date of the Settlement Agreement.

RECITALS

A. The Parties entered into the Settlement Agreement to resolve the allegations set forth in the 60-Day Notice of Violation dated August 15, 2025 (the “Notice”) concerning alleged exposure to lead in connection with the Product.

B. Section 2.2(a) of the Settlement Agreement sets forth the clear and reasonable warning to be provided for the Product, consisting of an English-language warning statement and a Spanish-language warning statement.

C. By email dated June 5, 2026, a Deputy Attorney General of the State of California, with respect to Proposition 65 Notice No. 2025-3153, advised the Parties that the Spanish-language warning statement in Section 2.2(a) omits language corresponding to the English phrase “known to the State of California,” and requested that the Parties revise the Settlement Agreement to correct the omission.

D. La Moderna has advised that Product bearing the Spanish-language warning statement as originally set forth in Section 2.2(a) has already been manufactured.

E. The Parties desire to amend the Settlement Agreement to correct the Spanish-language warning statement and to address Product bearing the original warning statement, on the terms set forth below.

NOW, THEREFORE, in consideration of the mutual covenants set forth herein and in the Settlement Agreement, the Parties agree as follows:

1. Correction of Spanish-Language Warning.

Section 2.2(a) of the Settlement Agreement is amended solely as follows: in the Spanish-language warning statement, the words “sabe que causan” are deleted and replaced with “conocido por el Estado de California como causante de.” No other change is made to Section

2.2(a), to the English-language warning statement, or to any other provision of the Settlement Agreement. As so amended, the Spanish-language warning statement reads:

“ADVERTENCIA:” [or] “CA ADVERTENCIA:” [or] “CALIFORNIA ADVERTENCIA:” El consume de este product puede exponerle conocido por el Estado de California como causante de defectos de Nacimiento u otro daño reproductivo. Para más información, visite www.P65Warnings.ca.gov/food.

2. Product Bearing the Original Warning; Implementation.

(a) Confirmation of Scope.

The Parties confirm that Product bearing the Spanish-language warning statement as set forth in Section 2.2(a) of the Settlement Agreement prior to this Amendment (the “Original Warning”) constitutes “Product” and “Covered Product” within the meaning of the Settlement Agreement. Nothing in this Amendment shall be construed to create, revive, or expand any claim, or to narrow any release, with respect to such Product.

(b) Implementation of Corrected Warning.

La Moderna shall cause the Spanish-language warning statement set forth in Section 1 of this Amendment (the “Corrected Warning”) to appear on Product manufactured or labeled on or after the **sixtieth (60th)** day following the date on which this Amendment is fully executed by the Parties.

(c) Sell-Through and Protection of Existing Inventory.

Product manufactured or labeled with the Original Warning before the date specified in Section 2(b) (the “Existing Inventory”) shall be treated as Product already in the stream of commerce as of the Effective Date for all purposes of Section 2.6 of the Settlement Agreement, and shall be subject to the releases set forth in Section 4 of the Settlement Agreement to the same extent as Product distributed or sold as of the Effective Date. La Moderna and the Releasees may continue to manufacture (through the date specified in Section 2(b)), sell, distribute, and otherwise dispose of the Existing Inventory without restriction under the Settlement Agreement. As between the Parties, none of the manufacture or labeling of the Existing Inventory with the Original Warning, nor its sale, distribution, or other disposition — whether occurring before or after the Effective Date or the date specified in Section 2(b) — shall constitute a breach of the Settlement Agreement or give rise to any claim, and CCS, on behalf of itself and the Releasers, covenants not to sue and releases La Moderna and the Releasees from any such claim, whether arising under Proposition 65 or otherwise.

3. No Other Modifications.

Except as expressly amended by this Amendment, the Settlement Agreement remains in full force and effect in accordance with its terms, and nothing in this Amendment shall be construed

to void, supersede, replace, or rescind the Settlement Agreement. In the event of any conflict between this Amendment and the Settlement Agreement, this Amendment shall control with respect to the subject matter hereof. The Settlement Agreement is attached hereto as Attachment 1 and is incorporated herein by this reference, and this Amendment together with the Settlement Agreement shall constitute a single, integrated agreement between the Parties.

4. Counterparts; Electronic Signatures.

Nothing in this Agreement shall be construed as an admission by La Moderna of any fact, finding, conclusion, issue of law, or violation of law, nor shall compliance with this Agreement constitute or be construed as an admission by La Moderna of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by La Moderna. EXHIBIT A

1.0 SETTLEMENT AGREEMENT

BETWEEN
CONSUMER ADVOCACY GROUP, INC.
AND
GRUPO LA MODERNA S.A.B. DE C.V.

Consumer Advocacy Group, Inc. (“CAG”) and Grupo La Moderna S.A.B. de C.V. (hereto referred to as “LA MODERNA”), (CAG and LA MODERNA collectively referred to as, the “Parties”) enter into this agreement (“Settlement Agreement”) for the purpose of avoiding prolonged and costly litigation to settle CAG’s allegations that LA MODERNA violated Proposition 65. The effective date of this Settlement Agreement shall be the last date upon which it is fully executed by all Parties hereto (the “Effective Date”).

2.0 Introduction

2.1 CAG is a California-based entity that seeks to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer and industrial products. LA MODERNA previously sold, at various times, Cooking Ingredients, including but not limited to “TRES ESTRELLAS® RICE Flour “Harina de ARROZ”; “ENRICHED”; NET WT 17.6 OZ (1.1 LB) 500g; MANUFACTURED BY: MOLINOS DEL SUDESTE, S.A. DE C.V. BOULEVARD ISIDRO FABELÁ NORTE 1000 COL. TLACOPA C.P. TOLUCA MEXICO; “UCP: 6 13522 02100

4” (“RICE FLOUR”) (RICE FLOUR referred to throughout as the “Covered Product”). The Covered Product is limited to those sold by LA MODERNA only.

2.2 CAG alleges (and LA MODERNA disputes) the that Covered Product contains Lead and that LA MODERNA did not provide a required warning in compliance with the California Safe Drinking Water and Toxic Enforcement Act (*Cal. Health & Safety Code* § 25249.5, *et seq.* (“Proposition 65”)).

2.3 On February 27, 1987, the Governor of California added Lead to the list of chemicals known to the State to cause reproductive toxicity, developmental, female, male, and on October 1, 1992, the Governor added Lead and Lead compounds to the list of chemicals known to the State to cause cancer. These additions took place more than twenty (20) months before CAG served its “Sixty-Day Notice of Intent To Sue For Violations Of The Safe Drinking Water And Toxic Enforcement Act of 1986” which is further described below.

2.4 Lead is referred to hereafter as the “Listed Chemical”.

2.5 On or about January 23, 2015, CAG served, LA MODERNA, Fabrica de Galletas La Moderna S.A. de C.V., Productos Alimenticios La Moderna S.A. de C.V. and certain relevant public enforcement agencies with documents entitled “Sixty-Day Notice Of Intent To Sue For Violations Of The Safe Drinking Water And Toxic Enforcement Act of 1986” regarding the Covered Product containing the Listed Chemical.

2.6 The Sixty-Day Notices above (referred to as the “Notices”) alleged that the Noticed parties violated Proposition 65 by failing to warn consumers in California that use of Covered Product exposed persons to the Listed Chemical.

2.7 The Parties enter into this Settlement Agreement to settle disputed claims between the Parties and to resolve and moot the allegations CAG presented to the Noticed parties concerning the Covered Product's compliance with Proposition 65 (the "Dispute") based on the terms set forth below.

2.8 By execution of this Settlement Agreement, the Parties do not admit any facts or conclusions of law, including, but not limited to, any facts or conclusions of law regarding any violation of Proposition 65, or any other statutory, regulatory, common law, or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by the Parties of any fact, conclusion of law, issue of law, or violation of law. Nothing in this Settlement Agreement, nor compliance with its terms, shall constitute or be construed, considered, offered, or admitted as evidence of an admission or evidence of fault, wrongdoing, or liability by LA MODERNA or the Noticed parties or their respective officers, directors, employees, or parents, subsidiaries or affiliated corporations, in any administrative or judicial proceeding or litigation in any court, agency, or forum. Except for the allegations settled and compromised, nothing in this Settlement Agreement shall prejudice, waive, or impair any right, remedy, argument, or defense that CAG, LA MODERNA or the Noticed parties may have against one another in any other legal proceeding as to allegations unrelated to the Dispute or claims released herein.

3.0 Release

This Settlement Agreement is a full, final, and binding resolution between CAG, acting in its individual capacity, on the one hand, and (a) LA MODERNA, and its

owners, parents, subsidiaries, affiliates, sister and related companies, employees, shareholders, officers, directors, insurers, attorneys, predecessors, successors, and assigns (collectively “Releasees”) and (b) all entities to whom Releasees directly or indirectly provide, distribute, or sell the Covered Product, including but not limited to the Noticed parties and other distributors, wholesalers, customers, retailers, franchisees, cooperative members, and licensees (“Downstream Releasees”), on the other hand, of any violation(s) or claimed violation(s) of Proposition 65 or any statutory or common law claim that has been, could have been or may in the future be asserted against the Releasees and Downstream Releasees regarding exposing persons to the Listed Chemical and the failure to warn about exposure to the Listed Chemical arising only in connection with the Covered Product manufactured, shipped, and/or otherwise distributed by LA MODERNA or the Releasees prior to the Effective Date, even if sold by Downstream Releasees after the Effective Date. The Covered Product is limited to those manufactured, distributed or sold by LA MODERNA and Releasees only. CAG, its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives and releases, with respect to the Covered Product, all rights to institute or participate in, directly or indirectly, any form of legal action, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses (including, but not limited to, investigation fees, expert fees, and attorneys’ fees) (collectively “Claims”), against Releasees and/or Downstream Releasees that arise under Proposition 65 or any other statutory or common law

claims that were or could have been asserted in respect of any Covered Product manufactured, distributed or sold by LA MODERNA or its Releasees up to the Effective Date, including without limitation to the extent that such claims relate to Releasees' and/or Downstream Releasees' alleged exposure of persons to the Listed Chemical contained in the Covered Product or any failure by Releasees and Downstream Releasees to warn about exposures to the Listed Chemical contained in the Covered Product.

CAG acknowledges that it is familiar with Section 1542 of Civil Code, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.
