### 1.1 Parties

This Settlement Agreement is entered into by and between Dennis Johnson (“Johnson”) and Accutime Watch Corp. (“Accutime”). Johnson and Accutime shall each be referred to as a “Party” and collectively as the “Parties.” Johnson is an individual residing in the State of California who seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products. Johnson alleges that Accutime is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code section 25249.6 *et seq.* (“Proposition 65”).

### 1.2 General Allegations

Johnson alleges that Accutime manufactures, sells, and distributes for sale in California, Hairclips Decorated With PVC containing the phthalate chemical di(2-ethylhexyl) phthalate (“DEHP”). Johnson alleges that Accutime failed to provide the health hazard warning required by Proposition 65 for exposures to DEHP.

### 1.3 Product Description

The products covered by this Settlement Agreement are hair clips decorated with PVC including, but not limited to, the *Hello Kitty Watch Gift Set; UPC: 0 30506 64152 0*, manufactured, sold, or distributed for sale in California by Accutime (hereinafter the “Products”).

### 1.4 Notice of Violation

On August 29, 2025, Johnson served Accutime, Penney OpCo LLC, and the requisite public enforcement agencies with a 60-Day Notice of Violation (“Notice”), alleging that the notice recipients violated Proposition 65 by failing to warn their

customers and consumers in California of the health hazards associated with exposures to DEHP from the Products. No public enforcer has commenced and is diligently prosecuting the allegations set forth in the Notice.

### **1.5 No Admission**

Accutime denies the material, factual, and legal allegations contained in the Notice and maintains that all of the products that it has sold and distributed in California, including the Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Accutime of any fact, finding, conclusion, issue of law, or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Accutime of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Accutime. This Section shall not, however, diminish or otherwise affect Accutime's obligations, responsibilities, and duties under this Settlement Agreement.

### **1.6 Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean February 2, 2026.

## **2. INJUNCTIVE RELIEF**

### **2.2 Reformulation Standards**

"Reformulated Products" are defined as those Products containing DEHP in concentrations less than 0.1 percent (1,000 parts per million) when analyzed pursuant to

U.S. Environmental Protection Agency testing methodologies 3580A and 8270C, or any other methodologies utilized by federal or state agencies for the purpose of determining the DEHP content in a solid substance.

The symbol must be in a size no smaller than the height of the word “**WARNING:**”.

### **2.3.2 Method of Transmission**

**Product Labeling.** Accutime shall affix one of the foregoing warning statements to the packaging, labeling or directly to a specific Product. The warning statement shall be affixed to the Product, Products’ packaging or labeling and placed with

such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase or use. Where the short-form warning statement is provided on the label, the entire warning must be in a type size no smaller than the largest type size used for other consumer information on the product label. In no case shall the short-form warning statement appear in a type size smaller than six-point type.

**Internet.** In addition to the product labeling, where Accutime offers Products to California customers via its own proprietary internet website or any third-party website over which Accutime has control, Accutime shall provide a clear and reasonable internet web page warning to customers located in California. The warning statement shall appear either: (i) on the same web page on which a Product is displayed and/or described; (ii) on the same page as the price for the Product; or (iii) on one or more web pages displayed to a California purchaser prior to completion of the checkout process. Alternatively, the warning statement shall be provided using a clearly marked hyperlink using the word “WARNING” on the product display page, or by otherwise prominently displaying the warning to the purchaser prior to completing the purchase. If the product label warning is provided using the short-form warning statement, the warning provided on the website may use the same content. A warning is not prominently displayed if the purchaser must search for it in the general content of the website. Where Accutime does not have control over the content of third-party internet sellers, Accutime shall provide such sellers with written notice, in accordance with Title 27, California Code of Regulation, Section 25600.2, of their warning obligations. **Catalog.** In addition to the product labeling, if Accutime sells Products via its own proprietary catalog or any third-party catalogue over which Accutime has control, to customers located in California, one of the foregoing warnings statements must also be provided in the catalog in a manner that clearly associates it with the *specific* item being purchased. The catalog warning statement shall be placed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase. If a short-form warning is being provided on the label, the warning provided in the catalog may use the same content. Where Accutime does not have control over the content of third-party catalog sellers, Accutime shall provide such sellers with written notice, in accordance with Title 27, California Code of Regulation, Section 25600.2, of their warning obligations. Third-party catalog sellers who receive notice pursuant to Section 25600.2 and fail to provide a clear and reasonable Proposition 65 warning pursuant to this section, shall not be deemed in compliance with this Settlement Agreement and shall not receive any benefit or protection afforded hereunder.

#### **3.1 Civil Penalty Payment**

Pursuant to Health and Safety Code section 25249.7(b)(2), and as consideration for the releases contained in Sections 4.1 and 4.2 below, Accutime agrees to pay \$800 in civil penalties no later than the Effective Date. The penalty payment will be allocated in accordance with California Health and Safety Code section 25249.12(c)(1) & (d), with 75% of the penalty amount remitted to the California Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty amount paid to Johnson. The Parties acknowledge that Johnson and his counsel offered to resolve this dispute without reaching terms on the amount of fees and costs to be reimbursed to his counsel, thereby leaving the issue to be resolved after the material terms of the agreement had been settled. Shortly after the other settlement terms had been reached, Accutime expressed a desire to resolve Johnson’s fees and costs. The Parties reached an accord on the compensation due to Johnson’s counsel under general contract principles and the private attorney general doctrine codified at Code of Civil Procedure section 1021.5 for all work performed in this matter. Under these legal principles, Accutime agrees to pay, no later than the Effective Date, \$11,700, in the form of a check made payable to “Voorhees & Bailey, LLP,” for all fees and costs incurred investigating, bringing this matter to the attention of Accutime’s management, and negotiating a settlement.

#### **3.3 Payment Address and Tax Documentation**

All checks under this Settlement Agreement shall be delivered to the following address and shall, thereafter, be delivered by Johnson to the respective payees:

Voorhees & Bailey, LLP

##### **4.2 Johnson’s Individual Release of Claims**

Johnson, in his individual capacity only and not in his representative capacity, provides a release herein which shall be effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses, attorneys’ fees, damages, losses, claims, liabilities, and demands of Johnson of any nature, character, or kind, whether known or unknown, suspected or unsuspected, arising out of alleged or actual exposures to DEHP in the Products manufactured, imported, distributed, or sold by Accutime prior to the Effective Date. The Parties further

understand and agree that this Section 4.2 release shall not extend upstream to any entities that manufactured the Products, or any component parts thereof, or any distributors or suppliers who sold the Products, or any component parts thereof to Accutime.
