

## SETTLEMENT AND RELEASE AGREEMENT

### 1. **INTRODUCTION**

#### 1.1. **Berj Parseghian and Snacklins, inc.:**

This Settlement Agreement is entered into by and between Berj Parseghian ("Parseghian"), represented by his attorneys KJT Law Group, LLP on the one hand, and Snacklins, Inc. ("SNACKLINS"), on the other hand, with Parseghian and SNACKLINS collectively referred to as the "Parties."

#### 1.2. **General Allegations**

Parseghian alleges that SNACKLINS manufactured and distributed and offered for sale products in the State of California, which contain Lead, and that such sales have not been accompanied by Proposition 65 warnings. Lead is listed under Proposition 65 as a chemical known to the State of California to cause cancer and birth defects or other reproductive harm.

#### 1.3. **Product Description**

The products covered by this Settlement Agreement is: Snacklins chips, including but not limited to: Snacklins – Made with Real Vegetables – Garden Variety; UPC #: 8 50046 48504 6, that SNACKLINS has sold, offered for sale, manufactured, or distributed in California and that contain lead. All such items shall be referred to herein as the "Covered Product."

#### 1.4. **Notice of Violation**

On September 10, 2025, Parseghian served SNACKLINS and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with documents entitled "60-Day Notice of Violation" ("Notice") that provided SNACKLINS and such public enforcers with notice that SNACKLINS was allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and

customers that the Covered Product exposed users in California to lead. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

1.5. **No Admission**

The Parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning SNACKLINS's compliance with Proposition 65. Specifically, SNACKLINS denies the material factual and legal allegations contained in Parseghian's Notice and maintains that all products that it has placed for sale and distribution in California, including the Covered Product, have been and are in compliance with Proposition 65 or any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by SNACKLINS of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by SNACKLINS of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by SNACKLINS. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of SNACKLINS under this Settlement Agreement.

1.6. **Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

2. **INJUNCTIVE RELIEF: WARNINGS AND REFORMULATION**

Beginning on the Effective Date, SNACKLINS shall be permanently enjoined from manufacturing for sale in the State of California, "Distributing into the State of California," or directly selling in the State of California, any Covered Product that expose a person to a "Daily

Lead Exposure Level” of more than 0.5 micrograms of Lead per day, unless it meets the warning requirements under Section 2.2.

As used in this Settlement Agreement, the term "Distributing into the State of California" shall mean to directly ship a Covered Product into California for sale in California or to sell a Covered Product to a distributor that SNACKLINS knows or has reason to know will sell the Covered Product in California. The injunctive relief in Section 2 does not apply to any Covered Product that has left the possession, and is no longer under the control of SNACKLINS prior to the Compliance Date and all claims as to such Covered Product is released in this Settlement Agreement.

For purposes of this Settlement Agreement, "Daily Lead Exposure Level" shall be measured in micrograms, and shall be calculated using the following formula: micrograms of lead per gram of product, multiplied by grams of product per serving of the product as stated on the label, multiplied by servings of the product per day stated on the label, which equals micrograms of lead exposure per day. If the label contains no recommended daily servings, then the number of recommended daily servings shall be one.

## 2.2 Clear and Reasonable Warnings

If SNACKLINS is required to provide a warning pursuant to Section 2.1, one of the following warnings must be utilized ("Warning").

For purposes of this Settlement Agreement, the term "label" means a display of written, printed or graphic material that is printed on or affixed to a Covered Product or its immediate container or wrapper. The warning must be set off from other surrounding information, enclosed in a box. If consumer information on the package is in a foreign language, the warning must also be provided in the foreign language. In addition, for any Covered Product sold over the internet, the Warning shall appear on the checkout page in full text or through a clearly marked hyperlink using the word "WARNING" in all capital and bold letters when a California delivery address is indicated for any purchase of any Covered Product. If a hyperlink is used, the hyperlink must go directly to a page prominently displaying either the Option 1 Warning, the Option 2 Warning, the Option 3 Warning, or the Option 4 Warning without content that detracts from the Warning. An asterisk or other identifying method must be utilized to identify which products on the checkout page are subject to the Warning.
