

PROPOSITION 65 SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 The Parties

This Settlement Agreement (“**Agreement**”) is entered into by and between Keep America Safe and Beautiful (“**KASB**”) and Eko Health, Inc. (“**Eko**”), with KASB and Eko each individually referred to as a “**Party**” and, collectively, the “**Parties.**” KASB is a California-based non-profit organization proceeding in the public interest pursuant to California Health & Safety Code § 25249.7(d) to ensure that chemicals known to the State of California to cause cancer, birth defects or other reproductive harm are disclosed in or eliminated from consumer products sold in California. Eko is a person in the course of doing business for purposes of California Health & Safety Code § 25249.11(b).

1.2 Consumer Product Description

KASB alleges that Eko manufactures, imports, sells, and distributes for sale in California stethoscopes containing di(2-ethylhexyl)phthalate (“**DEHP**”), including, but not limited to, *Eko CORE 2 Stethoscope Earpiece Tubing, SKU CAC206*, without providing the health hazard warning that KASB alleges is required by California Health & Safety Code § 25249.5 *et seq.* (“**Proposition 65**”). Stethoscopes are referred to hereinafter as the “**Products.**” DEHP is listed pursuant to Proposition 65 as a chemical known to the State of California to cause cancer and birth defects or other reproductive harm.

1.3 Notice of Violation

On September 11, 2025, KASB served Eko, the California Attorney General, and the requisite public enforcement agencies with a 60-Day Notice of Violation (“**Notice**”), alleging Eko violated Proposition 65 by failing to warn its customers and consumers in California that its Products can expose users to DEHP. No public enforcer has commenced and is diligently prosecuting an action to enforce the allegations in the Notice.

1.4 No Admission

Eko denies the factual and legal allegations contained in the Notice and maintains that all products it has sold or distributed for sale in California, including the Products, have been, and are, in compliance with all laws. Nothing in this Agreement shall constitute or be construed as, nor shall compliance with this Agreement constitute or be construed as, an admission by Eko of any fact, finding, conclusion of law, issue of law, or violation of law. This section shall not, however, diminish or otherwise affect Eko's obligations, responsibilities, and duties under this Agreement.

1.5 Effective Date

For purposes of this Agreement, "**Effective Date**" shall mean the date this Agreement is fully executed by all Parties.

2. INJUNCTIVE RELIEF: REFORMULATION

2.1 Reformulation Commitment

Whereas Eko has discontinued any manufacturing, importing, selling, or distribution of the *Eko CORE 2 Stethoscope Earpiece Tubing, SKU CAC206*, in or into California.

Commencing on the Effective Date and continuing thereafter, all Products Eko manufactures, imports, sells, ships, or distributes for sale in or into California, shall meet the Reformulation Standard for Reformulated Products, as defined by Section 2.2.

2.2 Reformulation Standard

For purposes of this Agreement, "Reformulated Products" are defined as Products which, if they contain DEHP, contain such chemical in a maximum concentration of less than 0.1 percent (1,000 parts per million) when analyzed by a laboratory certified or accredited by the State of California, the United States Food and Drug Administration/Environmental Protection Agency, the National Environmental Laboratory Accreditation Program, or a member accreditation body of the International Laboratory Accreditation Cooperation. For purposes of compliance with this reformulation standard, testing samples shall be prepared and extracted using Consumer Product Safety Commission ("**CPSC**") methodology CPSC-CH-C1001.09.3 and analyzed using U.S. Environmental Protection Agency methodology 8270D, or

other methodologies utilized by federal or state government agencies to determine phthalate content in a solid substance.

2.3 Customer Notification

No later than four weeks after the Effective Date, Eko shall send a letter, electronic or otherwise (“**Notification Letter**”) to each customer in California to which it supplied the Eko CORE 2 Stethoscope Earpiece Tubing, SKU CAC206 between September 11, 2024 and September 11, 2025 other than Lance Nguyen. The Notification Letter shall (1) advise the recipient that they may request a full refund and (2) explain that the following warning statement was inadvertently omitted from the original shipping package:

⚠️WARNING [or] CA WARNING [or] CALIFORNIA WARNING: This product can expose you to di(2-ethylhexyl)phthalate (DEHP), which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

The foregoing warning must print the word “**WARNING:**” in all capital letters and in bold font. The warning symbol to the left of the word “**WARNING:**” must be a black exclamation point in a yellow equilateral triangle with a black outline. The entire warning shall appear in at least 6-point type.

3. MONETARY SETTLEMENT TERMS

3.1 Civil Penalty

Pursuant to Health and Safety Code § 25249.7(b), Eko agrees to pay a civil penalty of \$1,000 within fourteen (14) business days of the Effective Date. Eko’s civil penalty payment will be allocated according to Health and Safety Code §§ 25249.12(c)(1) and (d), with seventy-five percent (75%) of the penalty paid to the California Office of Environmental Health Hazard Assessment (“**OEHHA**”), and the remaining twenty-five percent (25%) retained by KASB. Eko shall issue its payment in two checks made payable to: (a) “**OEHHA**” in the amount of \$750; and (b) “**Seven Hills LLP in Trust for Keep America Safe and Beautiful**” in the amount of

\$250. KASB's counsel shall deliver to OEHHA and KASB their respective portion of the penalty payment.

3.2 Reimbursement of Attorneys' Fees and Costs

KASB and its counsel offered to resolve the allegations in the Notice without reaching terms on the amount of reimbursement of attorneys' fees and costs. Shortly after the Parties finalized the other material settlement terms, they negotiated and reached an accord on the amount of reimbursement to be paid to KASB's counsel, under general contract principles and the private attorney general doctrine, codified at California Code of Civil Procedure § 1021.5, for all work performed through the mutual execution and reporting of this Agreement to the Office of the California Attorney General. Within fourteen (14) business days of the Effective Date, Eko agrees to issue a check in the amount of \$15,900 payable to "Seven Hills LLP" for all fees and costs incurred investigating, bringing this matter to Eko's attention, negotiating a settlement in the public interest, and reporting its terms to Office of the California Attorney General pursuant to Section 9.

3.3 Payments

All payments payable and due under this Agreement shall be delivered to KASB's counsel at following address:

Seven Hills LLP
Attn: Laralei Paras

4. CLAIMS COVERED AND RELEASED

4.1 KASB's Release of Eko

This Agreement is a full, final and binding resolution between KASB, as an individual and *not* on behalf of the public, and Eko, of any violation of Proposition 65 that was or could have been asserted by KASB on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees, against Eko and each entity to whom Eko directly or indirectly distributes or sells Products, including, but not limited to, downstream distributors,

wholesalers, customers, retailers, franchisees, cooperative members, and licensees (collectively, “**Releasees**”), based on their alleged failure to warn under Proposition 65 about alleged exposures to DEHP contained in the Products that were manufactured, distributed, sold and/or offered for sale by Eko in California before the Effective Date, as alleged in the Notice.

In further consideration of the promises and agreements herein contained, KASB as an individual and *not* on behalf of the public, on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives all of KASB’s rights to institute or participate in, directly or indirectly, any form of legal action and releases all claims that KASB may have, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses including, but not exclusively, investigation fees, expert fees, and attorneys’ fees arising under Proposition 65 with respect to DEHP in the Products manufactured, distributed, sold and/or offered for sale by Eko, before the Effective Date (collectively, “**Claims**”), against Eko and Releasees.

The Parties further understand and agree that this Section 4.1 release shall neither extend (a) upstream to any entities that manufactured the Products or any component parts thereof, or any distributors or suppliers who sold the Products or any component parts thereof to Eko, nor (b) to Releasees who have been instructed by Eko pursuant to Section 2.3 to provide a warning on Products that are not Reformulated Products and have failed to do so. Nothing in this Section affects KASB’s right to commence or prosecute an action under Proposition 65 against a Releasee that does not involve Eko’s Products.

4.2 Eko’s Release of KASB

Eko, on behalf of itself, its past and current agents, representatives, attorneys, successors, and assignees, hereby waives any and all claims against KASB and its attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by KASB and its attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter with

respect to the Products.
