

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between CalSafe Research Center, Inc. ("CRC"), on the one hand, and Organic By Nature, Inc. dba Pure Plant Products & Purium Health Products ("OBN") on the other hand, with CRC and OBN each individually referred to as a "Party" and collectively as the "Parties."

1.2 General Allegations

CRC alleges that OBN sells and/or distributes in California certain products, specified in Section 1.3 below, containing lead without a warning as required by Health and Safety Code §§ 25249.5 *et seq.* ("Proposition 65"). Lead is listed pursuant to Proposition 65 as a chemical known to cause cancer and birth defects or other reproductive harm. OBN denies these allegations.

1.3 Product Descriptions

The products covered by this Settlement Agreement are defined as "Pure Planet, Best of Greens (UPC# 764934527032)", "Pure Planet, Organic Power Beets Rapid Recovery Fuel (UPC# X764934871302)" and "Pure Planet, Spirulina Powder (UPC# 091401863516) and any future formulation or repackaged version of these three products (the "Products") that contain lead and that are manufactured, sold or distributed for sale in California by OBN.

1.4 Notice of Violation

On September 12, 2025, CRC served a 60-Day Notice of Violation ("the Notice") on OBN, the California Attorney General and the other requisite public enforcers, alleging that OBN and others violated Proposition 65 when they failed to warn consumers in California of the alleged exposures to lead from the Products.

To the best of the Parties' knowledge, no public enforcer has commenced and is diligently prosecuting an action to enforce the violations alleged in the Notice.

1.5 No Admission

OBN denies the material, factual and legal allegations in the Notice and maintains that all of the products it sold and/or distributed for sale in California, including the Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by OBN or any of its officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, customers, suppliers, distributors, wholesalers, or retailers of any fact, finding, conclusion, issue of law or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by OBN or any of its officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, customers, suppliers, distributors, wholesalers, or retailers of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by OBN. This Section shall not, however, diminish or otherwise affect OBN's obligations, responsibilities, and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

2. INJUNCTIVE RELIEF

2.1 Clear and Reasonable Warnings

Beginning on the Effective Date, OBN shall be permanently enjoined from manufacturing for sale in the State of California, "Distributing into the State of California," or directly selling in the State of California, Products that expose a person to an exposure level of more than 0.5 micrograms of lead per serving, with serving size measured by the serving size specified on the label of the Products, unless it meets the warning requirements under Section 2.2.

As used in this Settlement Agreement, the term "Distributing into the State of California" shall mean to directly ship the Products into California for sale in California or to sell the Products to a distributor that OBN knows or has reason to know will sell the Products in California.

2.2 General Warning Requirements

OBN agrees that each warning shall be prominently placed with such conspicuousness, as compared with other words, statements, designs, or devices, as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user understands to which *specific* Product the warning applies, so as to minimize the risk of consumer confusion.

For the purposes of this Settlement Agreement, a clear and reasonable warning for the Products shall consist of a warning affixed to the packaging, label, tag, or directly to each of the Products sold or distributed in California by OBN that contains one of the following statements:

- 1) **WARNING:** Consuming this product can expose you to lead, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food.

OBN may, at its option, use the words "CA WARNING:" or "CALIFORNIA WARNING:" instead of the word "WARNING:".

- 2) **WARNING:** Risk of reproductive harm from exposure to lead. See www.P65Warnings.ca.gov/food.

or

WARNING: Can expose you to lead, a reproductive toxicant. See www.P65Warnings.ca.gov/food.

- 3) **WARNING:** Reproductive Harm – Lead. www.P65Warnings.ca.gov/food. This warning option may only be used through January 1, 2028.

OBN may, at its option, use the words "CA WARNING:" or "CALIFORNIA WARNING:"

instead of the word "WARNING:".

The warning shall be offset in a box with black outline.

For internet purchases, the warning must also be provided by including either the warning or a clearly marked hyperlink using the word "WARNING" or "CA WARNING" or "CALIFORNIA WARNING" on the Product display page, or by otherwise prominently displaying the warning to the purchaser prior to completing the purchase. A pre-checkout interstitial or cart-page warning displayed prior to purchase completion satisfies this requirement in addition to product page placement.

For Products that OBN provides for a downstream entity to sell on the internet, OBN shall include an instruction that the entity comply with the warning requirements of this section.

Where a consumer product sign, label or shelf tag used to provide a warning includes consumer information in language(s) other than English, the warning must also be provided in the other language(s) in addition to English.

(i) Changes in Warning Regulations or Statutes

In the event that the Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting warning text and/or methods of transmission different than those set forth above, OBN shall be entitled to use, at its discretion, such other warning text and/or method of transmission without being deemed in breach of this Settlement Agreement. If regulations or legislation are enacted or issued providing that a Proposition 65 warning for the Products is no longer required, a lack of warning will not thereafter be a breach of this Settlement Agreement.

2.3 Grace Period for Existing Inventory of Products

The injunctive requirements of Section 2 shall not apply to Products that are already in the stream of commerce as of the Effective Date, which Products are expressly subject to the releases provided in Section 4.1.

2.4 Compliance

Compliance with the warnings provisions of this section constitutes a clear and reasonable warning for purposes of Prop 65 as to lead exposure from the Products.

2.5 Notice and Cure

Before CRC can claim breach of the provisions in Section 2.0, CRC must provide 30 day written notice of the alleged breach of the injunctive provisions and an opportunity for OBN to cure.

3. MONETARY SETTLEMENT TERMS

3.1 Total Settlement Payment

In full satisfaction of all potential civil penalties, attorneys' fees, and costs, OBN shall make a total settlement payment of Fourteen Thousand Dollars (**\$14,000.00**) ("Total Settlement Amount"). The Total Settlement Amount shall be apportioned into a Civil Penalty and Attorney's Fees and Costs as set forth in Sections 3.2 and 3.3 below.

3.2 Civil Penalty Payment

Pursuant to Health and Safety Code § 25249.7(b)(2), and in settlement of all claims alleged in the Notice or referred to in this Settlement Agreement, OBN agrees to pay One Thousand Four Hundred Dollars (\$1,400.00) in civil penalties. The penalty payment will be allocated in accordance with California Health and Safety Code §§ 25249.12(c)(1) & (d), with 75% of the penalty amount paid to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty amount retained by CRC. Within ten (10) days of the Effective Date, OBN shall issue a check to "OEHHA" in the amount of One Thousand and Fifty Dollars (\$1,050.00) and shall, pursuant to the instructions below, wire to CRC the amount of Three Hundred and Fifty Dollars (\$350.00).

All payments owed to OEHHA (EIN: 68-0284486) pursuant to this Section shall be delivered directly to OEHHA (Memo Line "Prop 65 Penalties") at the following addresses:

4. CLAIMS COVERED AND RELEASED

4.1 CRC's Release of OBN

CRC, acting on its own behalf and not on behalf of the public, fully releases and discharges OBN and its respective officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, customers, suppliers, distributors, insurers, claims administrators, (the "OBN Releasees") and all entities to which OBN Releasees directly or indirectly distribute or sell the Product, and any other distributors, wholesalers, customers, retailers, franchisees, licensors, and licensees, (collectively, the "Released Parties" and individually, a "Released Party"). CRC, on behalf of itself and its officers, directors, shareholders, employees, agents, parent companies, subsidiaries and divisions hereby fully releases and discharges the Released Parties from any and all claims, actions, causes of action, suits, demands, liabilities, damages, penalties, fees, costs, and expenses asserted, or that could have been asserted based on or related to the handling, use, sale, distribution or consumption of the Products in California, as to any alleged violation of Proposition 65 or its implementing regulations in relation to the Products, including without limitation any failure to provide Proposition 65 warnings on the Products with respect to exposures to lead through the effective date and any other lead-based Proposition 65 claim against any Pure Planet or Purium product through the Effective Date.

4.2 OBN's Release of CRC

OBN on behalf of its past and current agents, representatives, attorneys, successors and assignees hereby waives any and all claims against CRC and its attorneys and other representatives, for any and all actions taken, or statements made by CRC and its attorneys and other representatives, whether in the course of investigating claims, otherwise seeking to enforce Proposition 65 against it in this matter, or with respect to the Products.

4.3 California Civil Code Section 1542

It is possible that other claims not known to the Parties, arising out of the Notice or relating to the Products, will develop or be discovered. CRC on behalf of itself only, and OBN on behalf of itself only, acknowledge that this Settlement Agreement is expressly intended to cover and include all such claims up through and including the Effective Date, including all rights of action, therefore. CRC and

OBN acknowledge that the claims released in Sections 4.1 and 4.2 above may include unknown claims and nevertheless waive California Civil Code section 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

5. SEVERABILITY

In the event that any of the provisions of this Settlement Agreement are held by a court of competent jurisdiction to be unenforceable, the validity of the remaining enforceable provisions shall not be adversely affected.

6. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the laws of the State of California, without regard to its conflicts of law principals.

7. NOTICE

When any Party is entitled to receive any notice under this Settlement Agreement, the notice shall be sent by first class mail or electronic mail to the address set forth in this paragraph. Any Party may modify the person and address to whom the notice is to be sent by sending the other Party notice by certified mail, return receipt requested.
