

SETTLEMENT AND RELEASE AGREEMENT

1. INTRODUCTION

1.1. Clean Product Advocates, LLC and Beaver Street Fisheries

This settlement and release agreement ("Settlement Agreement") is entered into by and between Clean Products Advocates, LLC ("CPA"), on the one hand, and Beaver Street Fisheries, LLC (formerly known as Beaver Street Fisheries, Inc.) ("Beaver Street Fisheries"), on the other hand, with CPA and Beaver Street Fisheries each referred to herein as a "Party" and collectively referred to herein as the "Parties."

1.2. General Allegations

CPA alleges that Beaver Street Fisheries manufactured and/or distributed and offered for sale in the State of California "Marketside Wild Caught Mahi Mahi" (UPC# 194346135783) ("Covered Product(s)") containing Lead, and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* and its implementing regulations ("Proposition 65"). California has identified and listed Lead under Proposition 65 as a chemical known to the State of California to cause cancer and birth defects or other reproductive harm.

1.3. Product Description

The products that are covered by this Settlement Agreement are defined as Marketside Wild Caught Mahi Mahi (UPC# 194346135783) that Beaver Street Fisheries has manufactured, imported, sold, offered for sale or distributed for resale in California. All such items shall be referred to herein as the "Products."

1.4. Notice of Violation

On or about September 28, 2025, CPA served Walmart Inc. and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled "60-Day Notice of Violation" ("Notice") that provided Walmart Inc. and/or Beaver Street Fisheries and such public enforcers with notice that Walmart Inc. and Beaver Street Fisheries were allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed users in California to Lead. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

1.5. No Admission

The Parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning Beaver Street Fisheries and/or Walmart Inc.'s alleged non-

compliance with Proposition 65. Beaver Street Fisheries denies the material factual and legal allegations contained in CPA's Notice and maintains that all products that it has manufactured for sale and/or distribution in California, including the Products, have been and are in compliance with Proposition 65 or any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by Beaver Street Fisheries of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Beaver Street Fisheries of any fact, binding, conclusion, issue of law, or violation of law, such being specifically denied by Beaver Street Fisheries on its behalf. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of Beaver Street Fisheries under this Settlement Agreement.

1.6. Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed by both Parties and a fully executed copy is delivered to Beaver Street Fisheries.

2. INJUNCTIVE RELIEF: REFORMULATION AND WARNINGS

As of the Effective Date, Beaver Street Fisheries, at its sole discretion, agrees to (a) cease selling, offering for sale or distributing the Products in California, (b) manufacture, import, or otherwise source for authorized sale in California only Reformulated Products, as defined pursuant to Section 2.1 below, or (c) provide a clear and reasonable Proposition 65 warning on the Products pursuant to Section 2.2 below. Except as provided in the release provisions of Section 5 below, nothing in this Settlement Agreement, including the injunctive relief provisions in Section 2, apply to Walmart Inc., Wal-Mart.com USA, LLC, Wal-Mart Stores East, Inc., Wal-Mart Stores East, LP, Walmart Apollo, LLC, or any other Walmart related entity.

2.1. Reformulation Standards

The Products shall be deemed to comply with Proposition 65 with regard to Lead and be exempt from any Proposition 65 warning requirements for Lead in the Products if the exposure does not exceed 0.5 micrograms of Lead per day as calculated below ("Reformulated Products").

For the Purpose of this Agreement, the amount of Lead a person is exposed to from the Covered Product shall be calculated using the following formula: micrograms of Lead per gram of product, multiplied by grams of product per serving of the product (using the largest serving size appearing on the product label), multiplied by servings of the product per day (using the largest number of servings in recommended dosage appearing on the product label), which equals micrograms of Lead exposure per day.

Products that were supplied or contracted to be supplied to third parties, including but not limited to Walmart Inc., by Beaver Street Fisheries prior to 6 months after the Effective Date, shall be deemed exempted from the requirements of this Section 2 and shall be permitted to be sold as previously manufactured, packaged and labeled.

2.2. Warning Option

Products that do not meet the warning exemption standard set forth in Section 2.1 above shall be accompanied by a warning as described in Section 2.3 below. This warning requirement shall only be required as to Products that are manufactured, distributed, marketed, imported, sold, shipped for sale or offered for sale to consumers by Beaver Street Fisheries in the State of California. No Proposition 65 warning shall be required for any Products that are supplied or contracted to be supplied to third parties, including but not limited to Walmart Inc., by Beaver Street Fisheries prior to 6 months after the Effective Date, and all such Products are hereby deemed to be exempt from Proposition 65 enforcement.

2.3. Warning Language

A clear and reasonable exposure Warning must be provided for Covered Product(s) with Violative Daily Exposure Level that Beaver Street Fisheries distributes into the State of California after the Compliance Date. The Warning shall consist of either the Standard Warning (under 2.3.1. (a)) or the Short-Form Warning (under 2.3.1. (b)).

- e. be enclosed in a box with a black, bold border.

2.3.3. Online/Internet Warning. If Beaver Street Fisheries sells Covered Products via internet websites to customers located in California and it has the ability to control the display of warnings on such websites, a warning meets the requirements of this subarticle if it complies with the content requirements of Section 25603 and the warning must also be provided using one or more of the following methods:

(a) a warning on the product display page, or

(b) a clearly marked hyperlink using the word “**WARNING**” or the words “**CA WARNING**” or “**CALIFORNIA WARNING**” on the product display page that links to the warning, or

(c) an otherwise prominently displayed warning provided to the purchaser prior to completing the purchase. If the warning is provided using the short-form warning label content pursuant to Section 25602(a)(4), the warning provided on the website may use the same content. For purposes of this subsection, the warning is not prominently displayed if the purchaser must search for it in the general content of the website.

2.3.4 FOREIGN LANGUAGE - Where a sign, labeling, or label, as defined in Section 25600.1, is used to provide a warning that includes consumer information about a product in a language other than English, the warning must also be provided in that language in addition to English.
