

SETTLEMENT AGREEMENT

1. INTRODUCTION

This Settlement Agreement is entered into between Mercury Policy Project, a Project of the Tides Center (“**MPP**”), and Walmart Inc. (“**Walmart**”). MPP and Walmart are referred to each individually as a “Party” and collectively as the “Parties.” This Settlement Agreement sets forth the agreement and obligations of the Parties for resolving MPP’s September 30, 2025, Proposition 65 Sixty-Day Notice of Violation to Walmart concerning skin lightening, whitening, and brightening creams containing 1 part per million (“**ppm**”) or more of mercury or mercury compounds.

2. DEFINITIONS

“**Proposition 65**” means the Safe Drinking Water and Toxic Enforcement Act of 1986, codified as California Health and Safety Code section 25249.6 *et seq.*

“**Mercury**” means mercury and mercury compounds, which was listed as a developmental and reproductive toxicant under Proposition 65 on July 1, 1990.

“**SLPs**” means any cream product that is sold, labeled, or advertised as a “skin whitening,” “skin brightening,” or “skin lightening” agent or product. SLPs are divided into “Group 1 Products” and “Group 2 Products,” as defined below.

“**Group 1 Product**” means any cream product that is sold, labeled, or advertised as “skin whitening” or “skin lightening.”

“**Group 2 Product**” means any cream product that is sold, labeled, or advertised as “skin brightening.”

“**Covered Products**” means SLPs containing Mercury in amounts greater than 1 ppm including, but not limited to, “Known Covered Products,” as defined below.

“**Known Covered Products**” means the SLPs identified in the document attached hereto as **Exhibit A** and the SLPs identified **Table 1**, below.

<u>TABLE 1</u>

“**Effective Date**” means the date this Settlement Agreement is executed by the Parties, which shall have the same legal effect as the term “Subject to Settlement” under California Code of Regulations, title 11, section 3001, subdivision (a).

“**NOE**” means a Notice of Exceedance from MPP to Walmart for a “Later Covered Sale,” as defined below.

“**Later Covered Sale**” means the sale of a Covered Product to a customer in California on Walmart.com that occurs within 2.5 years (913 days) from the Effective Date.

“**Notice**” means the September 30, 2025, Proposition 65 Sixty Day Notice of Violation that MPP served on Walmart.

“**Claims**” means claims, actions, suits, demands, liabilities, damages, penalties, fees (including but not limited to attorneys’ fees, investigator fees, and expert fees), costs, and expenses.

“**MPP Releasors**” means MPP on its own behalf and on behalf of its past, current, and future agents, representatives, attorneys, successors and assigns.

“**MPP Releasees**” means MPP and the Tides Center and each of their past, current, and future attorneys, agents, employers, funders, and other representatives.

“**Walmart Releasors**” means Walmart, on its own behalf and on behalf of its past, current, and future agents, representatives, attorneys, successors, and assignees.

“**Walmart Releasees**” means Walmart and its past, current, and future parents, subsidiaries, affiliated entities under common ownership, directors, officers, members, managers, agents, representatives, employees, attorneys, shareholders, insurers, beneficiaries, successors, and assignees.

3. **BACKGROUND**

3.1 Allegations by MPP

MPP is a 501(c)(3) organization and contends it is serving the interest of the general public through its dedication to, among other causes, promoting policies to eliminate the use of Mercury, reducing human exposure to Mercury, and advancing safe consumer products that do not contain Mercury. MPP works to bring manufacturers and whole industries into compliance with Proposition 65 to eliminate consumer and environmental exposure to Mercury.

MPP alleges that Walmart is a person in the course of doing business for purposes of Proposition 65.

MPP alleges that Walmart has sold to consumers in California through Walmart.com Covered Products--SLPs containing Mercury in amounts greater than 1 ppm--without first providing a clear and reasonable health hazard warning required under Proposition 65. Mercury is included on the list maintained by the State of California of chemicals recognized by the State to be reproductive and developmental toxins.¹ Separately, the federal Food and Drug Administration considers “any cosmetic containing mercury” (unless it is intended for use only around the eye) to be “adulterated” if the product contains one ppm or more of mercury. (21 C.F.R. §700.13 (d)(2).) An adulterated cosmetic is prohibited under federal law. (21 U.S.C. §331 (a)-(c).) Further, California considers a substance “hazardous waste” if it contains 20 milligrams per kilogram (20 parts per million) or more of mercury. (Cal. Code Regs., tit. 22, § 66261.20, subd. (a); *id.* at § 66261.24, subd. (a)(2)(A).)

MPP alleges that Mercury exposure occurs through three main routes: ingestion, inhalation, or dermal absorption. MPP alleges that exposure to Mercury in SLPs results from the

¹ See <https://oehha.ca.gov/proposition-65/chemicals/mercury-and-mercury-compounds>.

acquisition, purchase, storage, consumption, or reasonably foreseeable use of the SLPs. MPP alleges that (1) ingestion may occur post-application of the products due to insufficient hand washing prior to eating or preparing food or touching of the mouth; (2) inhalation may occur due to the significant amount of Mercury vapor produced by use of these SLPs, which can affect all household members; and (3) dermal absorption may occur as these SLPs are designed and specifically marketed for direct contact with skin. MPP contends that these exposures occur in residences and businesses throughout California where the SLPs are used.

3.2 No Admission

Walmart denies the material, factual, and legal allegations contained in the Notice and maintains that it has complied with all laws applicable to such allegations. Nothing in this Settlement Agreement shall be construed as an admission by Walmart of any fact, finding, conclusion, issue of law, or violation of law. Nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Walmart of any fact, finding, conclusion, issue of law, or violation of law, each having been expressly denied by Walmart. This section shall not, however, diminish or otherwise affect Walmart's obligations, responsibilities, and duties under this Settlement Agreement.

3.3 Notice of Violation

On September 30, 2025, MPP served Walmart and the California Attorney General with the Notice. The Notice alleged that Walmart had violated Proposition 65 by failing to sufficiently warn consumers in California of the purported health hazards associated with exposures to Mercury in Covered Products. To the best of MPP's knowledge, MPP contends that no public enforcer has commenced or is otherwise prosecuting an action to enforce the violations alleged in the Notice.

4. DISCLOSURE OF REQUESTED INFORMATION

Walmart states that, to the best of its knowledge and upon information and belief, it has undertaken a good faith effort to search and produce the following information requested by MPP: (1) sales into California from September 30, 2024, through present for each Known Covered Product, and (2) the names and contact information for Walmart.com third-party Marketplace sellers of each of the Known Covered Products sold into California from September 30, 2024, through the present.

MPP represents that as of the Effective Date, to the best of its knowledge, Walmart has produced the information described in the preceding paragraph and that MPP does not believe that any requested information is missing, incomplete, or has been withheld.

5. INJUNCTIVE RELIEF

5.1 Removal of Products from Walmart Website

Walmart affirms that it has removed all Known Covered Products for sale and/or distribution on Walmart.com, and taken steps to prevent the sale into California of Known Covered Products that may appear for sale on Walmart.com (e.g., deploying search term and/or image rules to prevent the sale into California of Known Covered Products). Walmart agrees, upon it identifying a Covered Product in the future, to remove the Covered Product from its website within five (5) business days, or otherwise implement a rule to prevent the sale of the Covered Product into California.

5.2 Removal of Group 1 Products

Walmart affirms that it has removed all Group 1 Products for sale and/or distribution on Walmart.com, and taken steps to prevent the sale of Group 1 Products that may appear for sale on Walmart.com (e.g., deploying search term and/or image rules to prevent the sale of Group 1

Products). Walmart agrees, upon it identifying a Group 1 Product in the future, to remove the Group 1 Product from its website within five (5) business days, or otherwise implement a rule to prevent the sale of the Group 1 Product.

5.3 Skin Lightening Products Page

Within thirty-days (30) of the Effective Date, Walmart agrees to create a link on its *Prohibited Products Policy, Cosmetics Products* webpage to another webpage embedded within its Marketplace Learn webpage explaining that (1) Walmart bans the sale of cosmetics containing Mercury; (2) Walmart bans the sale of Group 1 Products; (3) Walmart subjects Group 2 Products to enhanced vetting (as described in Section 5.4); and (4) include external URLs for webpages where Walmart.com third-party Marketplace sellers, vendors, retailers, and/or manufacturers can find lists of SLPs containing Mercury, which shall include at a minimum, each of the following, with any updated links:

- a) U.S. Food & Drug Administration: <https://www.fda.gov/consumers/health-fraud-scams/skin-products-containing-mercury-and-or-hydroquinone>.
- b) Minnesota Department of Health: <https://www.health.state.mn.us/communities/environment/skin/docs/testedprds.pdf>.
- c) California Department of Public Health: <https://www.cdph.ca.gov/Programs/CDC/DCDC/DEOD/EBID/CPE/Pages/CreamsTested4Mercury.aspx>.
- d) New York City Department of Health: <https://www.nyc.gov/site/doh/health/health-topics/mercury-in-soaps-and-creams.page>.

5.4 Enhanced Vetting for Group 2 Products

Within six months (180 days) of the Effective Date, Walmart will implement a protocol through the Walmart.com Marketplace seller onboarding process that requires any new Walmart.com third-party Marketplace seller seeking to list a Group 2 Product for sale on Walmart's Marketplace platform to indicate to Walmart whether the product is a Group 2 Product, and, if so, affirmatively attest that: (1) the Group 2 Product does not contain Mercury

above one ppm; (2) the seller has obtained laboratory testing demonstrating that the Group 2 Product does not contain Mercury above 1 ppm; (3) the seller will furnish such laboratory testing to Walmart upon Walmart's request; and (4) the seller has read the Skin Lightening Products Website described in Section 5.3 and accessed and read each of the linked websites listing products of concern.

5.5 Later Covered Sales

If, during the time period in which this Section's terms are in effect, MPP identifies a Later Covered Sale, then the following steps shall be taken:

5.5.1 Notice of Exceedance

MPP shall send Walmart an NOE for any identified Later Covered Sale that sets forth the basis for the alleged violation, which shall include:

- a) the name of the Covered Product
- b) a link to the webpage for the Covered Product on Walmart.com.
- c) for Covered Products that are not Known Covered Products, (a) test results, reflecting samples taken from the Covered Product establishing Mercury in amounts greater than 1 ppm, or (b) information from a Public Health Agency showing Mercury present in the Covered Product at or above 1 ppm.

MPP shall send the NOE in accordance with Section 15.

5.5.2 Removal During Investigation

Walmart will remove from Walmart.com any SLP alleged by MPP to be a Covered Product in an NOE within three (3) business days, and will treat the SLP in the NOE as a Known Covered Product unless and until credible test results show the subject of the NOE is not a Covered Product.

5.5.3 Remedies for Resolving NOE

Unless, within fifteen (15) business days of receipt of the NOE, Walmart shows MPP through test results that the specified Covered Product in question is not a Known Covered Product or does not contain Mercury in amounts greater than 1 ppm, Walmart shall no later than fifteen (15) business days after receipt of an NOE provide written verification to counsel for MPP confirming that Walmart has removed the Covered Product from Walmart.com in accordance with Section 5.5.2, which MPP can verify through review of the webpage for the Covered Product. If Walmart does so, then MPP shall not be entitled to seek or recover civil penalties, and MPP and its counsel shall not be entitled to recovery or reimbursement of attorney's fees and/or costs for the Duration (defined in Section 5.7) of this Settlement Agreement, or any other available remedies arising from or related to NOEs associated with Covered Products or the alleged breach or violation of this Settlement Agreement.

However, if Walmart *does not* show MPP through test results that the specified Covered Product in question is not a Known Covered Product or does not contain Mercury in amounts greater than 1 ppm, or *does not* provide written verification to counsel for MPP confirming that Walmart has removed the Covered Product from Walmart.com in accordance with Section 5.5.2, in each case within the timeframes specified in the preceding paragraph, then Walmart shall furnish to MPP: (1) payment of four-hundred-dollars (\$400.00) as a stipulated civil penalty for each unit of Covered Product sold since the Effective Date that is the subject of the NOE, which shall be allocated in accordance with California Health & Safety Code section 25249.12, subdivisions (c)(1) and (d), (2) reimbursement of the purchase, shipping, testing, storage, and postage and delivery expenses incurred by MPP and MPP's counsel in identifying the Covered Product, and (3) payment of one-hundred-dollars (\$100.00) in attorney's fees to MPP's counsel.

Payments and verification shall be delivered as specified in **Exhibits B and C**, and delivered no later than thirty (30) business days after receipt of the NOE. If Walmart remains in full compliance with this paragraph, MPP shall not be entitled to seek or recover any additional civil penalties, and MPP and its counsel shall not be entitled to recovery or reimbursement of any additional attorney's fees and/or costs (other than those amounts discussed in the preceding paragraph) for the Duration (defined in Section 5.7) of this Settlement Agreement, or any other available remedies arising from or related to NOEs associated with Covered Products or the alleged breach or violation of this Settlement Agreement.

5.6 Mutual Aid

The Parties share a commitment to preventing the sale of Covered Products into California. To achieve that end, Walmart agrees to readily provide to MPP, upon request and during the Duration of this Settlement Agreement: (1) the name and contact information for Walmart.com third-party Marketplace sellers of Known Covered Products during the two years prior to the Effective Date and during the Duration of this Agreement, and (2) the number of units of Known Covered Products sold in California by Walmart.com third-party Marketplace sellers during the two years prior to the Effective Date and during the Duration of this Agreement, to the extent such information is in Walmart's the possession, custody, or control. MPP agrees to readily provide Walmart with notification of any update to Exhibit A, upon request during the term of this Settlement Agreement.

5.7 Duration

The injunctive terms of this Section 5 shall remain in effect for 2.5 years (913 days) from the Effective Date.

6. MONETARY PAYMENTS

6.1 Civil Penalty Payments for Sales Prior to Effective Date

Walmart, in accordance with Health & Safety Code section 25249.7, subdivision (b)(1) and (2) and in settlement of all claims alleged in the Notice or referred to in this Settlement Agreement, agrees to pay: eighty-hundred-fifty-thousand (\$850,000) in civil penalties for the sale of Known Covered Products into California from September 30, 2024, through the Effective Date.

Penalty payments will be allocated in accordance with California Health & Safety Code section 25249.12, subdivisions (c)(1) and (d), with 75% of the amount paid to the California Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty amount retained by MPP, due thirty (30) days after the Effective Date, delivered as specified in **Exhibit B**.

6.2 Reimbursement of Attorneys’ Fees and Costs

The Parties reached an agreement on the compensation due to MPP and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, Walmart agrees to pay three-hundred thousand (\$300,000) to MPP and its counsel for all fees and costs incurred in investigating, bringing this matter to the attention of Walmart, and negotiating a settlement. Attorney’s Fees and Costs shall be payable to Greenfire Law, PC, due thirty (30) days after the Effective Date, delivered as specified in **Exhibit B**.

7. CLAIMS COVERED AND RELEASED

7.1 MPP Release of Walmart

This Settlement Agreement is a full, final, and binding resolution between MPP and Walmart for all Claims that can or could have been asserted by MPP Releasers, against Walmart

Releasees, for any alleged violations of Proposition 65 arising from sales of Known Covered Products up through and including the Effective Date which were disclosed to MPP.

In further consideration of the commitments and action to be taken agreed to in this Settlement Agreement, MPP Releasors hereby covenant not to sue and waive any and all rights they may have to commence or participate in either directly or indirectly, any form of legal action and releases all Claims they may have including, without limitation, all actions and causes of action in law and in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses or expenses including, but not exclusively, investigation fees, expert fees, and attorney's fees against any of the Walmart Releasees of any nature, character, or kind, whether known or unknown, suspected or unsuspected, limited to and arising out of the alleged or actual exposure to Mercury from the sale, distribution, and/or use of the Known Covered Products up through and including the Effective Date for sales disclosed to MPP.

MPP Releasees do not include any other party in the chain of commerce, including without limitation, any third-party seller listing SLPs on Walmart's Marketplace platform, or any manufacturer or distributor other than Walmart itself of the SLPs. It does not extend to sales of Known Covered Products which were not disclosed to MPP.

7.2 Walmart Release of MPP

Walmart Releasors hereby waive any and all claims against MPP Releasees for any and all actions taken or statements made against MPP and its attorneys and other representatives, whether in the course of investigating claims, otherwise seeking to enforce Proposition 65 against it in this matter, or relating to the Covered Products up through and including the Effective Date.

7.3 Section 1542 Waiver

It is possible that other claims not known to the Parties related to the Known Covered Products for which sales were disclosed to MPP will hereafter be discovered or developed. MPP, on behalf of itself only, and Walmart acknowledge that this Settlement Agreement is expressly intended to cover and include all such claims as to the Known Covered Products for which sales were disclosed to MPP through and including the Effective Date, including all rights of action therefor. The Parties acknowledge that the Claims released in Sections 7.1 and 7.2 may include unknown claims, defenses, and counter claims, and nevertheless the Walmart Releasers intend to release such claims against the MPP Releasees and the MPP Releasers intend to release such claims against the Walmart Releasees, with respect to the Known Covered Products for which sales were disclosed to MPP, and in doing so, each waives California Civil Code section 1542, which reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

MPP and Walmart each acknowledge and understand the significance and consequences of this specific waiver under California Civil Code section 1542.

8. COMPLIANCE WITH HEALTH & SAFETY CODE SECTION 25249.7,

SUBDIVISION (f)

MPP and its attorneys agree to comply with the reporting form requirements referenced in California Health & Safety Code section 25249.7, subdivision (f) and California Code of Regulations title 11, section 3003, subdivision (c) within five (5) days after the Effective Date.

9. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California.

10. ENFORCEMENT

If MPP must take action to enforce this Settlement Agreement, the parties agree that MPP may seek to recover its reasonable attorney's fees under Code of Civil Procedure section 1021.5 and costs, which Walmart may oppose. Any action to enforce the terms of this Settlement Agreement or for attorney's fees and costs shall be taken in San Francisco Superior Court.

11. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any provision of this Settlement Agreement is held by a court to be unenforceable, the validity of the remaining provisions shall not be adversely affected.

12. MODIFICATION

This Settlement Agreement may be modified only by written agreement of the Parties.

13. ENTIRE AGREEMENT

This Settlement Agreement contains the sole and entire agreement and understanding of the Parties with respect to the entire subject matter hereof, and any and all prior discussions, negotiations, commitments and understandings related hereto. No representations, oral or otherwise, express or implied, other than those contained herein have been made by any party hereto. No other agreements not specifically referred to herein, oral or otherwise, shall be deemed to exist or to bind any of the Parties.

14. COUNTERPARTS; FACSIMILE AND ELECTRONIC SIGNATURE

This Settlement Agreement may be executed in counterparts and by facsimile or portable document format (PDF) signature, each of which shall be deemed an original, and all of which when taken together shall constitute one and the same document.

15. NOTICE

Unless specified herein, all correspondence and notice required to be provided pursuant to this Settlement Agreement shall be in writing and sent by: (a) personal delivery; (b) first-class, registered or certified mail, return receipt requested; (d) e-mail with receipt confirmed; or (e) a recognized overnight courier on any Party by the other at the addresses listed in **Exhibit B**. Where hard copy delivery is elected, courtesy copies of all such communications shall also be sent via electronic mail to the e-mail addresses listed in **Exhibit B**.

Any Party may, from time to time, specify in writing to the other a change of address to which all notices and other communications shall be sent.

16. AUTHORIZATION

The undersigned are authorized to execute this Settlement Agreement on behalf of their respective Parties and have read, understood, and agree to all of the terms and conditions of this Settlement Agreement.
