*Attorneys for Mercury Policy Project*

**SUPERIOR COURT OF THE STATE OF CALIFORNIA**

**FOR THE COUNTY OF SAN FRANCISCO**

MERCURY POLICY PROJECT, a Project of the Tides Center, a 501(c)(3) nonprofit corporation,

Plaintiff,

vs.

Beauty Experts, Inc.; and DOES 1-20. inclusive,

Defendants.

Case No.: CGC-26-633645

**[PROPOSED] CONSENT JUDGEMENT**

Judge: Ethan P. Schulman
Dept: 304

Action Filed: February 2, 2026
Trial Date: June 07, 2027

## 1. INTRODUCTION

### 1.1 Parties

This settlement agreement ("Settlement Agreement") is entered into by and between Mercury Policy Project, a Project of the Tides Center ("MPP") and Beauty Experts, Inc. dba "bexpertsusa" ("Settling Entity") with MPP and the Settling Entity referred to collectively as the "Parties."

MPP is a 501(c)(3) non-profit dedicated to, among other causes, promoting policies to eliminate mercury use, reducing human exposure to mercury, and advancing safe consumer products that do not contain and are not contaminated by mercury or mercury compounds.

Settling Entity is a person in the course of doing business with ten (10) or more employees. Settling entity purchases, stores, and then sells and/or distributes certain SLPs and other cosmetic products directly from its website at www.bexpertsusa.com and numerous online marketplaces.

## 2. Allegations

### 2.1 General Allegations

MPP alleges that Settling Entity has offered for sale and distribution and/or sells or distributes in California certain SLPs that contain mercury and mercury compounds ("Mercury"). Mercury is listed under California Health & Safety Code section 25249.5, et seq. ("Proposition 65") as a chemical known to the State of California to cause birth defects or other reproductive harm. And under Proposition 65, persons in the course of doing business must provide California consumers a clear and reasonable warning prior to exposure to mercury, which MPP alleges Settling Entity knowingly and intentionally failed to do.

Additionally, cosmetics containing Mercury are considered adulterated and the sales and/or distribution of adulterated cosmetics in California is prohibited under California's Sherman Food, Drug, and Cosmetic Law ("Sherman Act"). MPP alleges Settling Entity violated the Sherman Act. Furthermore, the products at issue in this case do not list Mercury as an ingredient, and so consumers are misled as to their content. MPP claims Settling Entity violated Business & Professions Code section 17200 et seq. ("Unfair Competition Law" or "UCL") by engaging in

unlawful, unfair, and fraudulent business practices by selling and/or distributing SLPs containing Mercury in California in violation of the Sherman Act.

**2.2 Product Description**

The products covered by this Settlement Agreement are SLPs that contain more than 1 part per million Mercury ("Covered Products") and are offered for sale and/or distribution and sold and/or distributed by Settling Entity to consumers in California, including, but not limited to, the Covered Products listed in **Exhibit A** ("Known Covered Products").

**2.3 Proposition 65 Notice of Violation**

MPP served the Settling Entity and the requisite public enforcement agencies with a 60-Day Notice of Violation on September 30, 2025. The Notice alleged that Settling Entity violated Proposition 65 when it knowingly and intentionally exposed consumers in California to Mercury in the Covered Products without first providing a clear and reasonable warning. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

**2.4 No Admission of Liability**

The Settling Entity denies the material, factual, and legal allegations contained in the Notice and the operative complaint in this case ("Complaint") and maintains that its actions at all times in California have been lawful. The Settling Entity, nonetheless, has agreed to this Settlement Agreement to avoid the costs and uncertainty associated with litigation. Nothing in this Settlement Agreement shall be construed as either a waiver or admission of the Settling Entity or any of its owners, subsidiaries, affiliates, past and current agents, directors, officers, employees, representatives, attorneys, successors, assignees, and/or anyone else acting on their behalf, of any fact, finding, issue of law or violation of law, in this or any other matter, nor shall compliance with this Settlement Agreement constitute or be construed as an admission of the Settling Entity of any fact, finding, conclusion, issue of law or violation of law. This subsection shall not, however, diminish or otherwise affect the obligations, responsibilities, and duties of either party under this Settlement Agreement.

### 2.5 Consent to Jurisdiction and Venue

The Parties will file this executed Settlement Agreement as their proposed judgment in this case. For purposes of the Settlement Agreement, the Parties stipulate that this court has jurisdiction over the Settling Entity for the claims asserted in the Complaint, that venue is proper in the County of San Francisco, and that the court has jurisdiction to approve, enter, and oversee the enforcement of this Settlement Agreement in the form of a consent judgment as a full and final binding resolution of all claims which were or could have been raised in this case based on the facts alleged in the Complaint and in the Notice.

### 2.6 Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date on which the substantive terms of this Settlement Agreement are entered by this court as a judgment of the court ("Consent Judgment").

## 3. Warranty of Settling Entity

Settling Entity hereby states that it has undertaken a good faith effort to search and produce to MPP the following information requested by MPP: (1) all sales or distribution of Known Covered Products into California by Settling Entity from February 2, 2025, through present for each Known Covered Product, and (2) the names and contact information for all other entities in the chain of commerce for any Known Covered Products.

This disclosure term is material and if later it is found that Beauty Experts in fact did not disclose all information pertaining to these warranties, then that shall be considered a material breach of the Parties' agreement and a violation of this Consent Judgment, and this court shall reopen the civil penalty amount to take into consideration additional penalties and injunctive relief for any previously undisclosed sales of Known Covered Products.

Settling Entity further warrants that it has, as of the date it signed this Settlement Agreement, ceased the sale and/or distribution of all Known Covered Products within its possession or control in California, and has no intention to resume sale or distribution of Known Covered Products in California.

## 4. Injunctive Relief

### 4.1 Cessation of Sales and Distribution

Beginning on the Effective Date, the Settling Entity is hereby ordered, for the Term of the Agreement (defined below, section 14) to cease offering Covered Products for sale and/or distribution in California.

### 4.2 Duty to Investigate

Prior to offering for sale or distribution any SLP in California during the Term of the Agreement, Settling Entity will make best efforts to first ensure that the SLP is not a Covered Product, including checking that the SLP in question is not listed as a Covered Product by any of the following, updating the URL as necessary:

1. U.S. Food & Drug Administration: https://www.fda.gov/consumers/health-fraud-scams/skin-products-containing-mercury-andor-hydroquinone;
2. Minnesota Department of Health: https://www.health.state.mn.us/communities/environment/skin/docs/testedprds.pdf
3. California Department of Public Health https://www.cdph.ca.gov/Programs/CCDPHP/DEODC/EHIB/CPE/Pages/CreamsTested4Mercury.aspx;
4. New York City Department of Health: https://www.nyc.gov/site/doh/health/health-topics/mercury-in-soaps-and-creams.page; and
5. Zero Mercury Working Group: https://www.zeromercury.org/

## 5. Payments

### 5.1 Proposition 65 Civil Penalties

Settling Entity, will pay $50,000 to resolve claims for civil penalties asserted by MPP in the Complaint. These funds will be allocated in accordance with Health & Safety Code section 25249.12, as set forth in Exhibit C.

### 5.2 Outreach, Monitoring, and Public Education

Settling Entity will pay an Alternative Settlement Payment of $10,000 to MPP, pursuant to Code of Regulations, Title 11, section 3204, for future costs monitoring online marketplaces for sales of the covered products to consumers in California. This monitoring includes sampling of products to ensure compliance with mercury health and safety regulations. The Alternative Settlement payment funds will also be used for future costs of public outreach and education about the hazards of Mercury and Mercury-containing products.

### 5.3 Reimbursement of Attorneys' Fees and Costs

Settling Entity will pay $39,462.28 to counsel for MPP, Greenfire Law, PC, to cover attorneys' fees and costs through the Effective Date.

### 5.4 Timing and Method of Payment

MPP's counsel shall provide Settling Entity with the following Payment Information: (a) current W-9 form(s); and (b) payment instructions for both MPP and Greenfire Law, PC, no later than seven (7) days after the Effective Date. The payments due pursuant to this section 5 will be delivered in the manner and by the deadlines specified in Exhibit C.

## 6. Claims Covered and Released

### 6.1 Public Release of Settling Entity

It is the Parties' intention that the Consent Judgment shall have preclusive effect such that no other actions by private enforcers, whether purporting to act in his, her, or its interests or the public interest shall be permitted to pursue and take any action with respect to any violation of Proposition 65 against the Settling Entity based upon the failure to warn of exposure to Mercury resulting from the Known Covered Products prior to the Effective Date. During the Term of the Agreement, the Settling Entity's compliance with the terms of the Consent Judgment constitutes Settling Entity's compliance with Proposition 65 with regard to exposure to Mercury from the Known Covered Products.

This release extends only to private enforcers, not to the California Attorney General or any other public enforcer.

This release extends only to the sale or distribution of units of Known Covered Products which were disclosed to MPP Releasing Parties.

**6.2 MPP Release of Settling Entity**

This Settlement Agreement is the full, final, and binding resolution between MPP and the Settling Entity for any and all claims made in Complaint pertaining to the sale and/or distribution in California of Known Covered Products prior to the Effective Date. MPP, acting on its own behalf and on behalf of its respective owners, principals, shareholders, officers, directors, employees, parents, subsidiaries, and its past and current agents, representatives, attorneys, successors and/or assignees ("MPP Releasing Parties"), fully releases and discharges Settling Entity, and its respective officers, directors, shareholders, employees, agents, parent companies, subsidiaries, division, affiliates, franchisees, and licensees, as well as all affiliated entities under common ownership ("Settling Entity Released Parties") from any and all claims, actions, causes of action, suits, demands, liabilities, damages, penalties, fees, costs, and expenses asserted, or that could have been asserted by the Releasing Parties against the Settling Entity Released Parties based on the allegations made in the Complaint for the offering for sale and distribution, sale, distribution, or use of any Known Covered Product in California prior to the Effective Date.

Settling Entity Released Parties does not include any person or entity that is an upstream manufacturer or distributor of the Known Covered Products, or any downstream reseller of the Known Covered Products (e.g., any person or entity who purchased the Products from the Settling Entity Released Parties for the purpose of sale to others in California).

**6.3 Settling Entity Release of MPP**

The Settling Entity, in exchange for dismissal of this case against the Settling Entity, on behalf of itself, its owners, principals, shareholders, officers directors, employees, parents, subsidiaries, and past and current agents, representatives, attorneys, successors, and assignees, hereby waives any and all claims against MPP and its officers, directors, employees, contractors, agents, members, attorneys, and other representatives ("MPP Released Parties"), for any and all

actions taken or statements made by the MPP Released Parties related to MPP's prosecution of this action against Settling Entity.

**6.4 No Assignment or Knowledge of Other Claims**

Each Party represents and warrants that neither they nor their agents or attorneys have assigned or otherwise transferred, or attempted to assign, or transfer, any claim or claims against the other party.

**7. Court Approval**

Both Parties agree to participate in good faith to obtain approval of this Settlement Agreement and will take no action to discourage this court's approval of the Consent Judgment. MPP shall comply with the reporting requirements referenced in Health & Safety Code section 25249.7, subdivision (f) and promptly bring a Motion for Approval of the Consent Judgment after this Settlement Agreement is executed.

The Consent Judgment shall not be effective until approved and entered by the court and shall be null and void if, for any reason, it is not approved by the court on substantially the same terms as the Settlement Agreement. In the Event that the court fails to enter Consent Judgment on such terms, the Parties agree to meet and confer on how to proceed and if such agreement is not reached within 30 days, the case shall proceed on its normal course.

Neither Party will appeal the Consent Judgment if entered with substantially the same terms as proposed to the court in this Settlement Agreement. In the event the Attorney General of the State of California appeals the Consent Judgment, and the Consent Judgment is then reversed or vacated, the parties shall meet and confer as to whether to modify the terms of the Consent Judgment. If the Parties do not jointly agree on a course of action to take, the case shall proceed on its normal course on the trial court's calendar.

**8. Severability**

If any of the provisions of this Settlement Agreement are deemed by a court to be unenforceable, the validity of the enforceable provisions remaining shall not be adversely affected.

**9. Modification**

This Settlement Agreement may be modified only by a written agreement of the Parties and approval of this court.

**10. Entire Agreement**

This Settlement Agreement contains the sole and entire agreement and understanding of the Parties and any and all prior negotiations and understandings related hereto shall be deemed to have been merged within it. No representations or terms of agreement other than those contained herein exist or have been made by any Party with respect to the other Party or the subject matter hereof. No representations, oral or otherwise, express or implied, other than those specifically referred to in this Settlement Agreement have been made, or relied on, by any Party.

**11. Counterparts, Facsimile and PDF Signatures**

This Settlement Agreement may be executed in counterparts and by facsimile or portable document format (PDF) signature, each of which shall be deemed an original and, all of which, when taken together, shall constitute one and the same document.

**12. Interpretation**

No inference, assumption or presumption shall be drawn and no provision of this Settlement Agreement shall be construed against any Party, based upon the fact that one of the Parties and/or their counsel prepared or drafted any portion of this Settlement Agreement. It is conclusively presumed that the Parties participated equally in the drafting of this Settlement Agreement.

**13. Governing Law and Enforcement**

The terms of this Settlement Agreement shall be governed by the laws of the State of California. Nothing in this Settlement Agreement shall be interpreted to relieve the Settling Entity from any obligation to comply with any applicable state or federal law.

**14. Retention of Jurisdiction/Term of Agreement**

The court shall retain jurisdiction over this matter to implement or modify the Consent Judgment for two years and six months from the Effective Date, which period of time shall also be considered the "Term of the Agreement." If MPP moves successfully to enforce the terms of

Consent Judgment during the Term of the Agreement, then MPP shall be entitled to recover its reasonable attorney's fees and costs, and the court may impose civil penalties for any sales or distribution of Covered Products not disclosed prior to execution of the Settlement Agreement, if the court concludes doing so would be in the public interest.

**15. Notice**

Unless specified herein, all correspondence and notices provided pursuant to this Settlement Agreement shall be in writing and: (a) personally delivered; (b) sent by first class (registered or certified mail) return receipt requested; or (c) sent by overnight courier; and (d) electronically transmitted to one party by the other party at the addresses listed in **Exhibit B**.

Any party, from time to time, may specify in writing to the other party a change of address to which all notices and other communications shall be sent.

**16. Authorization**

The undersigned are authorized to execute this Settlement Agreement and have read, understood, and agreed to all of the terms and conditions contained herein.
