

SETTLEMENT AND RELEASE AGREEMENT

1. INTRODUCTION

1.1. Clean Product Advocates, LLC and Mariani Packing Co Inc.

This Settlement Agreement is entered into by and between Clean Products Advocates, LLC ("CPA"), on the one hand, and Mariani Packing Co Inc. ("Mariani"), on the other hand, with CPA and Mariani collectively referred to as the "Parties."

1.2. General Allegations

CPA alleges that Walmart Inc. ("Walmart") manufactured and distributed and offered for sale in the State of California "Great Value Dried Apricots" ("Product(s)") containing Lead, and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* and its implementing regulations ("Proposition 65"). California has identified and listed Lead under Proposition 65 as a chemical known to the State of California to cause cancer and birth defects or other reproductive harm.

1.3. Product Description

The products that are covered by this Settlement Agreement are defined as Great Value Dried Apricots that Mariani has manufactured, imported, sold, offered for sale or distributed in California. All such items shall be referred to herein as the "Products."

1.4. Notice of Violation

On 10/08/2025 CPA served Walmart Inc. and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled "60-Day Notice of Violation" ("Notice") that provided Walmart and such public enforcers with notice that Walmart was allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed users in California to Lead. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

1.5. No Admission

The Parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning Mariani's compliance with Proposition 65. Mariani denies the material factual and legal allegations contained in CPA's Notice and maintains that all products that it has manufactured for sale and distribution in California, including the Products, have been and are in compliance with Proposition 65 or any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by Mariani of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Mariani of any

fact, binding, conclusion, issue of law, or violation of law, such being specifically denied by Mariani on its behalf. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of Mariani under this Settlement Agreement.

1.6. Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

2. INJUNCTIVE RELIEF: REFORMULATION AND WARNINGS

As of the Effective Date, Mariani, at its sole discretion, agrees to either (a) cease selling, offering for sale or distributing the Products in California, (b) manufacture, import, or otherwise source for authorized sale in California only Reformulated Products, as defined pursuant to Section 2.1 below, or (c) provide a clear and reasonable Proposition 65 warning on the Products pursuant to Section 2.2 below.

2.1. Reformulation Standards

The Products shall be deemed to comply with Proposition 65 with regard to Lead and be exempt from any Proposition 65 warning requirements for Lead in the Products if the exposure does not exceed 0.5 micrograms of Lead per day as calculated below ("Reformulated Products").

For the Purpose of this Agreement, the amount of Lead a person is exposed to from the Products shall be calculated using the following formula: micrograms of Lead per gram of product, multiplied by grams of product per serving of the product (using the largest serving size appearing on the product label), which equals micrograms of Lead exposure per day. If after the Effective Date a California Court holds that it is required or allowed under Proposition 65 to calculate food-based exposures using a different frequency than specified in Section 2.1 (i.e., other than a single recommended serving size per day), Mariani may demand CPA stipulate to modify this Settlement Agreement to use the Court-approved frequency for purposes of Section 2.1. If regulations or legislation are enacted or issued providing that a Proposition 65 warning for the Products is no longer required, a lack of warning will not thereafter be a breach of this Settlement Agreement.

Products that were supplied or contracted to be supplied to third parties by Mariani prior to 9 months after the Effective Date shall be deemed exempted from the requirements of this Section 2 and shall be permitted to be sold through as previously manufactured, packaged and labeled.

2.2. Warning Option

Products that do not meet the warning exemption standard set forth in Section 2.1 above shall be accompanied by a warning as described in Section 2.3 below. This warning requirement shall only be required as to Products that are manufactured, distributed, marketed, imported, sold, shipped for sale or offered for sale to consumers by Mariani in the State of California. No

Proposition 65 warning shall be required for any Products that are supplied or contracted to be supplied to third parties by Mariani prior to 6 months after the Effective Date, and all such Products are hereby deemed to be exempt from Proposition 65 enforcement.

2.3. Warning Language

2.3.1. A clear and reasonable exposure Warning must be provided for Product(s) that do not qualify as Reformulated Products under Section 2.1 and that Mariani distributes into the State of California after the Compliance Date. The Warning shall consist of either the Standard Warning (under 2.3.1. (a)) or the Short-Form Warning (under 2.3.1. (b)).

a. Standard Warning. The Standard Warning shall consist of the statement:

WARNING [or] CA WARNING [or] CALIFORNIA WARNING: Consuming this product can expose you to chemicals including Lead, which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food

or

b. Short-Form Warning. The Short-Form Warning shall consist of either of the statements below:

WARNING [or] CA WARNING [or] CALIFORNIA WARNING: Risk of cancer and reproductive harm from exposure to Lead. See www.P65Warnings.ca.gov/food

or

WARNING [or] CA WARNING [or] CALIFORNIA WARNING: Can expose you to Lead, a carcinogen and reproductive toxicant. See www.P65Warnings.ca.gov/food

The font size of the Short-Form warning must be a minimum of 6 points, and it cannot be smaller than the largest size font used for Consumer Information.

Warning language on products manufactured on or after **January 1, 2028** must use the Short-Form Warning requirements outlined in Section 25603(b)(3) and must include at least one chemical name for each applicable endpoint (cancer and/or reproductive toxicity).

2.3.2. Print Warning. Standard Warning or Short-Form Warning provided pursuant to Section 2.3 in print form must:

- a. contain the word **“WARNING”** [or] **“CA WARNING”** [or] **“CALIFORNIA WARNING”** in all capital letters, in bold font, followed by a colon;
- b. be affixed to or printed on the Products’ label, or on a placard, shelf tag, sign or electronic device;
- c. be displayed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase or use;
- d. be set off from other surrounding information;
- e. be enclosed in a box with a black, bold border.

2.3.3. Online/Internet Warning. If Mariani sells Products via internet websites that Mariani owns, operates, or controls to customers located in California, a warning meets the requirements of this subarticle if it complies with the content requirements of Section 25603 and the warning must also be provided using one or more of the following methods:

(a) a warning on the product display page, or

(b) a clearly marked hyperlink using the word **“WARNING”** or the words **“CA WARNING”** or **“CALIFORNIA WARNING”** on the product display page that links to the warning, or

(c) an otherwise prominently displayed warning provided to the purchaser prior to completing the purchase. If the warning is provided using the short-form warning label content pursuant to Section 25602(a)(4), the warning provided on the website may use the same content. For purposes of this subsection, the warning is not prominently displayed if the purchaser must search for it in the general content of the website.

2.3.4. To the extent Mariani does not own, operate, or control a third-party seller’s website, Mariani’s obligations shall be limited to providing notice in accordance with Title 27, California Code of Regulations, Section 25600.2, if applicable. Any Releasee or third-party internet seller that has been provided notice in accordance with applicable law shall remain a Releasee under Section 5 regardless of whether that third-party seller thereafter provides a warning.

2.3.5. For internet purchases made before January 1, 2028, a retail seller is not responsible under Section 25600.2(e)(4) for conspicuously posting or displaying the new warning online until 60 calendar days after the retailer receives a warning or a written notice under Section 25600.2(b) and (c) which updates a short-form warning compliant with Section 25603(c) with content compliant with Section 25603(b).

2.3.6 FOREIGN LANGUAGE - Where a sign, labeling, or label, as defined in Section 25600.1, is used to provide a warning that includes consumer information about a product in a language other than English, the warning must also be provided in that language in addition to English.

It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Products will develop or be discovered. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable by reason of law generally, or as to the Products, then Mariani shall have no further obligations pursuant to this Settlement Agreement. In the event the California Office of Health Hazard Assessment adopts a regulation or safe use determination, or issues an interpretive guideline that exempts Products from meeting the requirements of Proposition 65; or if lead cases are permanently enjoined by a court of competent jurisdiction; or if Proposition 65 is determined to be preempted by federal law or a burden on First Amendment rights with respect to lead in Products or products substantially similar to Products, then Mariani may seek relief from the injunctive obligations imposed by this Settlement Agreement to the extent any Products are so affected by modifying the agreement via the mechanisms set forth in Section 10.
