

## SETTLEMENT AGREEMENT

### **1. INTRODUCTION**

#### **1.1 Parties**

This Settlement Agreement is entered into by and between CalSafe Research Center, Inc. ("CRC"), on the one hand, and Nutrex Research ("Nutrex") on the other hand, with CRC and Nutrex each individually referred to as a "Party" and collectively as the "Parties."

#### **1.2 General Allegations**

CRC alleges that Nutrex sells and/or distributes in California certain products, specified in Section 1.3 below, containing lead without a warning as required by Health and Safety Code §§ 25249.5 *et seq.* ("Proposition 65"). Lead is listed pursuant to Proposition 65 as a chemical known to cause cancer and birth defects or other reproductive harm. Nutrex denies these allegations.

#### **1.3 Product Descriptions**

The products covered by this Settlement Agreement are defined as, and expressly limited to Nutrex's Outlift line of nutritional powders, including, but not limited to, the following: Outlift Burn Clinically Dosed Fat Burning Pre-Workout - Red, White, & 'Merica (UPC# 850046504525) and Outlift Clinical Clinically Dosed All-In-One Pre-Workout - Miami Vice (UPC# 850046504921) (collectively, the "Products") that contain lead and that are manufactured, sold or distributed for sale in California by Nutrex.

#### **1.4 Notice of Violation**

On October 24, 2025, CRC served a 60-Day Notice of Violation ("the Notice") on Nutrex, the California Attorney General and the other requisite public enforcers, alleging that Nutrex and others violated Proposition 65 when they failed to warn consumers in California of the alleged exposures to lead from the Products.

To the best of the Parties' knowledge, no public enforcer has commenced and is diligently prosecuting an action to enforce the violations alleged in the Notice.

#### **1.5 No Admission**

Nutrex denies the material, factual and legal allegations in the Notice and maintains that all of the products it sold and/or distributed for sale in California, including the Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Nutrex or any of its officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, customers, suppliers, distributors, wholesalers, or retailers of any fact, finding, conclusion, issue of law or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Nutrex or any of its officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, customers, suppliers, distributors, wholesalers, or retailers of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Nutrex. This Section shall not, however, diminish or otherwise affect Nutrex's obligations, responsibilities, and duties under this Settlement Agreement.

#### **1.6 Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

## 2. INJUNCTIVE RELIEF

### 2.1 Clear and Reasonable Warnings

Beginning on the Effective Date, Nutrex shall be permanently enjoined from manufacturing for sale in the State of California, "Distributing into the State of California," or directly selling in the State of California, Products that expose a person to an exposure level of more than 0.5 micrograms of lead per serving, with serving size measured by the serving size specified on the label of the Products, unless it meets the warning requirements under Section 2.2.

As used in this Settlement Agreement, the term "Distributing into the State of California" shall mean to directly ship the Products into California for sale in California or to sell the Products to a distributor that Nutrex knows or has reason to know will sell the Products in California.

### 2.2 General Warning Requirements

If Nutrex decides to provide a warning instead of modifying the Products to ensure compliance with Section 2.1 of this Agreement, each warning shall be prominently placed with such conspicuousness, as compared with other words, statements, designs, or devices, as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user understands to which *specific* Product the warning applies, so as to minimize the risk of consumer confusion.

For the purposes of this Settlement Agreement, a clear and reasonable warning for the Products shall consist of a warning affixed to the packaging, label, tag, or directly to each of the Products sold or distributed in California by Nutrex that contains one of the following statements:

- 1) **WARNING:** Consuming this product can expose you to lead, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov/food](http://www.P65Warnings.ca.gov/food).

Nutrex may, at its option, use the words "CA WARNING:" or "CALIFORNIA WARNING:" instead of the word "WARNING:".

- 2) **WARNING:** Risk of cancer and reproductive harm from exposure to lead. See [www.P65Warnings.ca.gov/food](http://www.P65Warnings.ca.gov/food).

or

**WARNING:** Can expose you to lead, a carcinogen and reproductive toxicant. See [www.P65Warnings.ca.gov/food](http://www.P65Warnings.ca.gov/food).

Nutrex may, at its option, use the words "CA WARNING:" or "CALIFORNIA WARNING:" instead of the word "WARNING:".

The warning shall be offset in a box with black outline.

For internet purchases, the warning must also be provided by including either the warning or a clearly marked hyperlink using the word "WARNING" or "CA WARNING" or "CALIFORNIA

**WARNING”** on the Product display page, or by otherwise prominently displaying the warning to the purchaser prior to completing the purchase.

For Products that Nutrex provides for a downstream entity to sell on the internet, Nutrex shall include an instruction that the entity comply with the warning requirements of this section.

Where a consumer product sign, label or shelf tag used to provide a warning includes consumer information in language(s) other than English, the warning must also be provided in the other language(s) in addition to English.

(i) Changes in Warning Regulations or Statutes

In the event that the Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting warning text and/or methods of transmission different than those set forth above, Nutrex shall be entitled to use, at its discretion, such other warning text and/or method of transmission without being deemed in breach of this Settlement Agreement. If regulations or legislation are enacted or issued providing that a Proposition 65 warning for the Products is no longer required, a lack of warning will not thereafter be a breach of this Settlement Agreement.

**2.3 Grace Period for Existing Inventory of Products**

The requirements of Section 2 shall not apply to Products that have already been manufactured or are otherwise already in the stream of commerce for a period of six (6) months from the Effective Date, which Products are expressly subject to the releases provided in Section 4.1.

**3. MONETARY SETTLEMENT TERMS**

**3.1 Total Settlement Payment**

In full satisfaction of all potential civil penalties, attorneys’ fees, and costs, Nutrex shall make a total settlement payment of Fifteen Thousand Dollars (**\$15,000.00**) (the “Total Settlement Amount”). The Total Settlement Amount shall be apportioned into a Civil Penalty and Attorney’s Fees and Costs as set forth in Sections 3.2 and 3.3 below.

**3.2 Civil Penalty Payment And Attorneys’ Fees and Costs**

Pursuant to Health and Safety Code§ 25249.7(b)(2), and in settlement of all claims alleged in the Notice or referred to in this Settlement Agreement, Nutrex agrees to pay One Thousand Five Hundred Dollars (**\$1,500.00**) in civil penalties. The penalty payment will be allocated in accordance with California Health and Safety Code§§ 25249.12(c)(1) & (d), with 75% of the penalty amount paid to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty amount retained by CRC. The Parties also reached an accord on the compensation due to CRC and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, Nutrex agrees to pay Thirteen Thousand Five Hundred Dollars (**\$13,500.00**) to CRC and its counsel for all fees and costs incurred in investigating, bringing this matter to the attention of Nutrex, and negotiating a settlement. Within ten (10) days of the Effective Date, Nutrex, or its counsel on Nutrex’s behalf, shall send the Total Settlement Amount (which amount includes both the civil penalty payment and compensation for attorneys’ fees and costs) to CRC’s counsel in accordance with the wire instructions below. CRC shall then ensure that all amounts due to OEHHA and CRC are provided in accordance with the requirements of this Agreement.

The Total Settlement Payment owed to CRC shall be sent via wire to:

**4. CLAIMS COVERED AND RELEASED**

**4.1 CRC's Release of Nutrex**

CRC, acting on its own behalf and not on behalf of the public, fully releases and discharges Nutrex and its respective officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, customers, suppliers, distributors (the "Nutrex Releasees") and all entities to which Nutrex Releasees directly or indirectly distribute or sell the Products, and any other distributors, wholesalers, customers, retailers, franchisees, licensors, and licensees, (collectively, the "Released Parties" and individually, a "Released Party"). CRC, on behalf of itself and its officers, directors, shareholders, employees, agents, parent companies, subsidiaries and divisions hereby fully releases and discharges the Released Parties from any and all claims, actions, causes of action, suits, demands, liabilities, damages, penalties, fees, costs, and expenses asserted, or that could have been asserted based on or related to the handling, use, sale, distribution or consumption of the Products in California, as to any alleged violation of Proposition 65 or its implementing regulations in relation to the Product, including without limitation any failure to provide Proposition 65 warnings on the Products with respect to exposures to lead.

**4.2 Nutrex's Release of CRC**

Nutrex on behalf of its past and current agents, representatives, attorneys, successors and assignees hereby waives any and all claims against CRC and its attorneys and other representatives, for any and all actions taken, or statements made by CRC and its attorneys and other representatives, whether in the course of investigating claims, otherwise seeking to enforce Proposition 65 against it in this matter, or with respect to the Products.

**4.3 California Civil Code Section 1542**

It is possible that other claims not known to the Parties, arising out of the Notice or relating to the Products, will develop or be discovered. CRC on behalf of itself only, and Nutrex on behalf of itself

only, acknowledge that this Settlement Agreement is expressly intended to cover and include all such claims up through and including the Effective Date, including all rights of action therefore. CRC and Nutrex acknowledge that the claims released in Sections 4.1 and 4.2 above may include unknown claims, and nevertheless waive California Civil Code section 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

**4.4 No Assignment or Transfer of Claims**

CRC represents and warrants that: (i) it owns the claims that are the subject of CRC's release as set forth in this Agreement (the "Released Claims"); (ii) no other person or entity has any interest in the Released Claims; (iii) it has not sold, assigned, conveyed or otherwise transferred any Released Claim or demand against Nutrex, or any Released Claim or demand against any of the other Nutrex Releasees; and (iv) it has the sole and exclusive right to settle and release such Released Claims. CRC represents and warrants that, to the best of its knowledge, information and belief, it has no actual or potential claims against Nutrex and/or the Nutrex Releasees that are not included in the release granted herein.

**4.5 Attestation of Counsel**

The counsel for CRC at Manning Law, APC represent and warrant on behalf of themselves, and all others acting on their behalf, that they (i) have not been retained by any other individuals or entities with claims against Nutrex, (ii) are not presently aware of any other individuals or entities who have or may have claims against Nutrex, and (iii) are not presently aware of, nor been informed of, any other person, or attorney who intends to bring litigation against Nutrex related to the Released Claims.

**5. SEVERABILITY**

In the event that any of the provisions of this Settlement Agreement are held by a court of competent jurisdiction to be unenforceable, the validity of the remaining enforceable provisions shall not be adversely affected.

**6. GOVERNING LAW**

The terms of this Settlement Agreement shall be governed by the laws of the State of California, without regard to its conflicts of law principals.

**7. NOTICE**

When any Party is entitled to receive any notice under this Settlement Agreement, the notice shall be sent by first class mail or electronic mail to the address set forth in this paragraph. Any Party may modify the person and address to whom the notice is to be sent by sending the other Party notice by certified mail, return receipt requested.
