

## SETTLEMENT AGREEMENT

### **1. INTRODUCTION**

#### **1.1 Parties**

This Settlement Agreement is entered into by and between CalSafe Research Center, Inc. ("CRC"), on the one hand, and Livingood Daily, Inc. ("Livingood") on the other hand, with CRC and Livingood each individually referred to as a "Party" and collectively as the "Parties."

#### **1.2 General Allegations**

CRC alleges that Livingood manufactures, sells and/or distributes in the State of California certain products, specified in Section 1.3 below, containing lead without a clear and reasonable warning as required by Health and Safety Code §§ 25249.5 *et seq.* ("Proposition 65"). Lead is listed pursuant to Proposition 65 as a chemical known to cause cancer and birth defects or other reproductive harm. Livingood denies these allegations.

#### **1.3 Product Descriptions**

The products covered by this Settlement Agreement are defined as, and expressly limited to powder drink mixes including but not limited to "Livingood Daily, Instant Collagen Coffee + Moringa - Vanilla (UPC# 198715645644)" and "Livingood Daily, Original Greens + Superfood (UPC# 769894373637)" (collectively "Products") that are manufactured, sold and/or distributed for sale in the State of California by Livingood.

#### **1.4 Notice of Violation**

On or about October 31, 2025, CRC served a 60-Day Notice of Violation ("the Notice") on Livingood, the California Attorney General and the other requisite public enforcers, alleging that Livingood and others violated Proposition 65 by failing to warn consumers in the State of California of the alleged exposures to lead from the Products.

To the best of the Parties' knowledge, no public enforcer has commenced and is diligently prosecuting an action to enforce the violations alleged in the Notice.

#### **1.5 No Admission**

Livingood denies the material, factual and legal allegations in the Notice and maintains that all of the products it manufactures, sells, sold and/or distributed for sale in the State of California, including the Products, have been, and are, in compliance with all laws. Livingood maintains that it has not knowingly distributed, imported, manufactured, sold or caused to be distributed, imported, manufactured or sold Products in the State of California in violation of Proposition 65. Nothing in this Settlement Agreement shall be construed as an admission by Livingood or any of its officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, customers, suppliers, distributors, wholesalers, marketplace hosts, or retailers of any fact, finding, conclusion, issue of law or violation of law, and compliance with this Settlement Agreement shall not constitute or be construed as an admission by Livingood or any of its officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, customers, suppliers, distributors, wholesalers, marketplace hosts, or retailers of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Livingood. This Section shall not, however, diminish or otherwise affect Livingood's obligations, responsibilities, and duties under this Settlement Agreement.

### **1.6 Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed by the Parties.

### **1.7 Compliance Date**

For purposes of this Settlement Agreement, the term "Compliance Date" shall mean ninety (90) days after the Effective Date.

## **2. INJUNCTIVE RELIEF**

### **2.1 Clear and Reasonable Warnings**

Beginning on the Effective Date, Livingood shall be permanently enjoined from manufacturing for sale in the State of California, "Distributing into the State of California," or directly selling in the State of California, Products that expose a person to an exposure level of more than 0.5 micrograms of lead per serving with serving size measured by the serving size specified on the label of the Products, unless the Products meet the warning requirements set forth under Section 2.2.

As used in this Settlement Agreement, the term "Distributing into the State of California" shall mean to directly ship the Products into the State of California for sale in California or to sell the Products to a distributor that Livingood knows will sell the Products in the State of California.

### **2.2 General Warning Requirements**

Livingood agrees that, if a warning is required on certain Products, the warning shall be prominently placed with such conspicuousness, as compared with other words, statements, designs, or devices, as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Where required, each warning shall be provided in a manner such that the consumer or user understands to which specific Product the warning applies, so as to minimize the risk of consumer confusion.

For purposes of this Settlement Agreement, a clear and reasonable warning for the Products shall consist of a warning affixed to the packaging, label, tag, or directly to Products sold or distributed in the State of California by Livingood that contains one of the following statements:

- 1) **WARNING:** Consuming this product can expose you to lead, which is known to the State of California to cause [cancer and] birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov/food](http://www.P65Warnings.ca.gov/food).

or

- 2) **WARNING:** Risk of [cancer and] reproductive harm from exposure to lead. See [www.P65Warnings.ca.gov/food](http://www.P65Warnings.ca.gov/food).

or

**WARNING:** Can expose you to lead, [a carcinogen and] reproductive toxicant. See [www.P65Warnings.ca.gov/food](http://www.P65Warnings.ca.gov/food).

Livingood may, at its option, use the words “**CA WARNING:**” or “**CALIFORNIA WARNING:**” instead of the word “**WARNING:**” for any or all of the above warning options.

The warning shall be offset in a box with a black outline.

For internet purchases sold directly by Livingood to consumers in California, when a warning is required under the terms of this Settlement Agreement, the warning must also be provided by including either the warning or a clearly marked hyperlink using the word “**WARNING**” or “**CA WARNING**” or “**CALIFORNIA WARNING**” on the Products’ display page, or by otherwise prominently displaying the warning to the purchaser prior to completing the purchase of the Products.

For Products that require a warning under the terms of this Settlement Agreement and that Livingood distributes to a downstream entity it knows will sell the Products on the internet to consumers in the State of California, Livingood shall include an instruction that the entity comply with the warning requirements of this section.

Where a consumer product sign, label or shelf tag used to provide a warning includes consumer information in language(s) other than English, the warning must also be provided in the other language(s) in addition to English. Livingood may also comply with the terms of this Settlement Agreement by providing warnings as specified in the Proposition 65 regulations applicable to the Products and chemical at issue in effect as of the Effective Date and as may be amended in the future and from time to time.

#### **(i) Changes in Warning Regulations or Statutes**

In the event that the Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting warning text and/or methods of transmission different than those set forth above, Livingood shall be entitled to use, at its discretion, such other warning text and/or method of transmission without being deemed in breach of this Settlement Agreement. If regulations or legislation are enacted or issued providing that a Proposition 65 warning for the Products is no longer required, a lack of warning will not thereafter be a breach of this Settlement Agreement.

### **2.3 Grace Period for Existing Inventory of Products**

The injunctive requirements of Section 2 shall not apply to Products that are already in the stream of commerce as of the Compliance Date, which Products are expressly subject to the releases provided in Section 4.1 of this Settlement Agreement. For the avoidance of doubt, Products “already in the stream of commerce” specifically include, but are not limited to, Products in the process of manufacture.

## **3. MONETARY SETTLEMENT TERMS**

### **3.1 Total Settlement Payment**

In full satisfaction of all potential civil penalties, attorneys’ fees, and costs, Livingood shall make a total settlement payment of fifteen thousand seven hundred and fifty dollars (**\$15,750.00**) (“Total Settlement Amount”). The Total Settlement Amount shall be apportioned into Civil Penalties and Attorney’s Fees and Costs as set forth in Sections 3.2 and 3.3 below.

### **3.2 Civil Penalty Payment**

Pursuant to Health and Safety Code § 25249.7(b)(2), and in settlement of all claims alleged in the Notice or referred to in this Settlement Agreement, Livingood agrees to pay one thousand five hundred and seventy-five dollars (**\$1,575.00**) in civil penalties. The penalty payment will be allocated in accordance with California Health and Safety Code §§ 25249.12(c)(1) & (d), with 75% of the penalty amount paid to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty amount retained by CRC. Within thirty (30) days of the Effective Date, Livingood shall issue a check to "OEHHA" in the amount of one thousand one hundred and eighty-one dollars and twenty-five cents (**\$1,181.25**) and shall, pursuant to the instructions below, wire to CRC the amount of three hundred and ninety-three dollars and seventy-five cents (**\$393.75**).

## **4. CLAIMS COVERED AND RELEASED**

### **4.1 CRC's Release of Livingood**

This Settlement Agreement is a full, final, and binding resolution of all claims between CRC, on its own behalf and not on behalf of the public, and Livingood for all claims that can or could have been asserted by CRC, on its own behalf, on behalf of its past and current agents, representatives, attorneys, successors, officers, directors, shareholders, employees, agents, parent companies, subsidiaries, affiliates, divisions and assignees (collectively "Releasers"). CRC, acting on its own behalf and not on behalf of the public, fully releases and discharges Livingood and its respective officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, customers, suppliers, distributors (the "Livingood Releasees") and all entities to which Livingood Releasees directly or indirectly distribute or sell the Products, and any other distributors, wholesalers, customers, retailers, marketplace hosts, packagers, franchisees, licensors, and licensees (collectively, the "Released Parties" and individually, a "Released Party"). CRC, on behalf of itself and Releasers fully releases and discharges the Livingood Releasees and Released Parties from any and all claims, actions, causes of action, suits, demands, liabilities, damages, penalties, fees, costs, and expenses asserted, or that could have been asserted based on or related to the handling, use, sale, distribution or consumption of the Products in the State of California, as to any alleged violation of Proposition 65 or its implementing regulations in relation to the Products, including without limitation any failure to provide Proposition 65 warnings on the Products with respect to exposures to lead.

### **4.2 Livingood's Release of CRC**

Livingood on behalf of its past and current agents, representatives, attorneys, successors and assignees hereby waives any and all claims against CRC and its attorneys and other representatives, for any and all actions taken, or statements made by CRC and its attorneys and other representatives, whether in the course of investigating claims, otherwise seeking to enforce Proposition 65 against it in this matter.

### **4.3 California Civil Code Section 1542**

It is possible that other claims not known to the Parties, arising out of the Notice or relating to the Products, will develop or be discovered. CRC on behalf of itself only, and Livingood on behalf of itself only, acknowledge that this Settlement Agreement is expressly intended to cover and include all such claims up through and including the Effective Date, including all rights of action therefore. CRC and Livingood acknowledge that the claims released in Sections 4.1 and 4.2 above may include unknown

claims, and nevertheless waive California Civil Code section 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

**5. PUBLIC BENEFIT**

It is Livingood's understanding that the commitments it has agreed to herein, and actions to be taken by Livingood under this Settlement Agreement confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of Livingood that to the extent any other private party serves a notice and/or initiates an action alleging a violation of Proposition 65 with respect to Livingood's alleged failure to provide a warning concerning actual or alleged exposure to lead prior to use of the Products it has manufactured, distributed, sold, or offered for sale in the State of California, or will manufacture, distribute, sell, or offer for sale in the State of California, such private party action would not confer a significant benefit on the general public as to those Products addressed in this Settlement Agreement, provided that Livingood is in material compliance with this Settlement Agreement

**6. SEVERABILITY**

In the event that any of the provisions of this Settlement Agreement are held by a court of competent jurisdiction to be unenforceable, the validity of the remaining enforceable provisions shall not be adversely affected.

**7. GOVERNING LAW**

The terms of this Settlement Agreement shall be governed by the laws of the State of California, without regard to its conflicts of law principals.

**8. NOTICE**

When any Party is entitled to receive any notice under this Settlement Agreement, the notice shall be sent by first class mail or electronic mail to the address set forth in this paragraph. Any Party may modify the person and address to whom the notice is to be sent by sending the other Party notice by certified mail, return receipt requested. Said change shall take effect on the date the return receipt is signed by the Party receiving the change.

**13. INTERPRETATION**

No inference, assumption or presumption shall be drawn, and no provision of this Settlement Agreement shall be construed against any Party, based upon the fact that one of the Parties and/or their counsel prepared or drafted any portion of this Settlement Agreement. The Parties waive the provisions of Civil Code § 1654. It is conclusively presumed that the Parties participated equally in the drafting of this Settlement Agreement.
