**SETTLEMENT AGREEMENT**

**1. INTRODUCTION**

**1.1. The Parties**

This Settlement Agreement is entered into by and between Pure.Clean.Healthy LLC (“PCH”), on the one hand, and JYC Enterprise, Inc., on the other hand, with PCH and JYC Enterprise, Inc. collectively referred to as the “Parties.” PCH is a California limited liability that seeks to promote awareness of exposure to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer products. PCH alleges that JYC Enterprise, Inc. is an entity doing business in the State of California for the purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, Health & Safety Code § 25249.6, et seq. (“Proposition 65”).

**1.2. General Allegations**

PCH alleges that JYC Enterprise, Inc. has exposed individuals to the chemical lead from its sales in the State of California of Imperial Garden Shrimp Egg Roll without first providing a clear and reasonable warning pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* and its implementing regulations (“Proposition 65”). Lead is listed pursuant to Proposition 65 as a chemical known to the State of California to cause cancer, birth defects or other reproductive harm.

**1.3. Product Description**

The products that are covered by this Settlement Agreement are specifically defined as, and limited to, the *Imperial Garden Shrimp Egg Rolls* that JYC Enterprise, Inc. has manufactured, imported, sold, offered for sale or distributed in California. All such items shall be referred to herein as the “Covered Product”.

**1.4. Notice of Violation**

On 11/03/2025 PCH served JYC Enterprise, Inc. and Dollar Tree Stores, Inc. and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled "60-Day Notice of Violation" ("Notice") that provided JYC Enterprise, Inc. and such public enforcers with notice that JYC Enterprise, Inc. was allegedly in violation of California Health & Safety Code section 25249.6 for failing to provide a clear and reasonable warning that the Covered Product exposed users in California to lead. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

**1.5. No Admission**

The Parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning JYC Enterprise, Inc.’s compliance with Proposition 65.

# **TORCH & STONE LAW, APC**

4171 Ball Road, Suite 172 ♦ Cypress, CA 90630 ♦ (714) 356-2645

JYC Enterprise, Inc. denies the material, factual, and legal allegations contained in the Notice and maintains that all of the products that it has sold and distributed in California, including the Covered Product, have been, and are, in compliance with all laws, including Proposition 65. Nothing in this Settlement Agreement shall be construed as an admission by JYC Enterprise, Inc. of any fact, finding, conclusion, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by JYC Enterprise, Inc. of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by JYC Enterprise, Inc.. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of JYC Enterprise, Inc. under this Settlement Agreement.

## **1.6. Effective Date**

For purposes of this Settlement Agreement, the term “Effective Date” shall mean the date this Settlement Agreement is last executed by the Parties.

## **1.7 Compliance Date**

For purposes of this Settlement, the term “Compliance Date” means 60 days from the Effective Date.

## **2. INJUNCTIVE RELIEF: REFORMULATION AND WARNINGS**

As of the Compliance Date, JYC Enterprise, Inc. shall not manufacture, import, distribute, sell, or offer the Covered Product in California unless: (a) the Covered Product is Reformulated Covered Product pursuant to Section 2.1; or (b) the Covered Product is labeled with a clear and reasonable warning pursuant to Sections 2.2 and 2.3. The warning requirements set forth in Sections 2.2 and 2.3 shall not apply to any Reformulated Covered Product pursuant to Section 2.1 nor to any Covered Product manufactured prior to the Compliance Date. The Parties agree and intent that JYC Enterprise, Inc.’s compliance with the terms of this Settlement Agreement shall constitute compliance with Proposition 65 with respect to exposures to lead from the Covered Product.

### **2.1. Reformulated Covered Product**

“Reformulated Covered Product” is defined as a Covered Product that exposes a person to a “Daily Lead Exposure Level” of 0.5 micrograms or less of lead based on a single serving per day unless such. The “Daily Lead Exposure Level” shall be calculated by multiplying the recommended serving size on Covered Product by the concentration of lead in Covered Product. As used in this Section 2, “distributed for sale in CA” means to directly ship Covered Products into California or to sell Covered Products to a distributor JYC Enterprise, Inc. knows will sell Covered Products into California.

### **2.2. Warnings**

To the extent that Covered Product manufactured, imported, or otherwise acquired by JYC Enterprise, Inc. after the Compliance Date do not meet the standard for Reformulated Products,

# TORCH & STONE LAW, APC

a clear and reasonable warning shall be provided, as set forth herein. There shall be no obligation for JYC Enterprise, Inc. to provide an exposure warning for Covered Product that entered the stream of commerce prior to the Compliance Date, and the Section 5 release applies to all such Covered Product, as they have been included in the calculation of civil penalties due pursuant to Section 3.1

## 2.3. Warning Language

(d) Foreign Language. Where a sign, labeling, or label, as defined in Cal. Code Regs Tit. 27, § 25600.1, is used to provide a warning that includes consumer information about a product in a language other than English, the warning must also be provided in that language in addition to English.

The Parties recognize that these are not the exclusive methods of providing a warning under Proposition 65 and its implementing regulations. JYC Enterprise, Inc. shall be deemed to be in compliance with the warning requirements of this Settlement Agreement by either adhering to this Section 2.3 or by complying with the Proposition 65 warning requirements adopted by the State of California Office of Environmental Health Hazard Assessment (“OEHHA”) as of or after the Effective Date.
