

## **SETTLEMENT AGREEMENT**

### **1. INTRODUCTION**

#### **1.1 Parties**

This Settlement Agreement is entered into by and between Environmental Health Advocates, Inc. (“EHA”), on the one hand, and Ogura Flour Milling Co., Ltd. (“Ogura”), on the other hand, with EHA and Ogura each individually referred to as a “Party” and collectively as the “Parties.” EHA is a corporation in the State of California serving in the interest of the general public by seeking to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products. EHA alleges that Ogura is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code § 25249.6 *et seq.* (“Proposition 65”).

#### **1.2 General Allegations**

EHA alleges that Ogura manufactures, sells, and/or distributes for sale in California, soba noodles products that contain lead and that it does so without first providing the health hazard warning required by Proposition 65. Lead is listed pursuant to Proposition 65 as a chemical known to cause reproductive harm.

#### **1.3 Product Description**

The products covered by this Settlement Agreement are defined as, and expressly limited to Koyo Organic Soba Noodles (“Covered Products”), that are manufactured, sold and/or distributed for sale in California by Ogura.

#### **1.4 Notice of Violation**

On or around November 7, 2025, EHA served Ogura, the California Attorney General, and certain other public enforcement agencies with a 60-Day Notice of Violation of Proposition 65 (“Notice”). The Notice alleged that Ogura had violated Proposition 65 by failing to sufficiently warn consumers in California of the health hazards associated with exposures to lead contained in Covered Products.

To the best of the Parties' knowledge, no public enforcer has commenced or is otherwise prosecuting an action to enforce the violations alleged in the Notice.

### **1.5 No Admission**

Ogura denies the material, factual, and legal allegations in the Notice and maintains that all of the products it manufactured, sold and/or distributed for sale in California, including Covered Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Ogura of any fact, finding, conclusion, issue of law or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Ogura of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Ogura. This Section shall not, however, diminish or otherwise affect Ogura's obligations, responsibilities, and duties under this Settlement Agreement.

### **1.6 Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is executed by the Parties.

### **1.7 Compliance Date**

For purposes of this Settlement Agreement, the term "Compliance Date" means 60 days from the Effective Date.

## **2. INJUNCTIVE RELIEF**

### **2.1 Reformulation Standard**

Beginning on or before the Compliance Date, Ogura shall be permanently enjoined from manufacturing, distributing, or directly selling in the State of California, any Covered Product that exposes a person to a "Daily Lead Exposure Level" of more than 0.5 micrograms of Lead based on a single serving per day unless such Covered Products comply with the warning requirements of Section 2.2. The "Daily Lead Exposure Level" shall be calculated by multiplying the recommended serving size of the Covered Products by the concentration of lead in Covered Products. As used in this Section 2, "distributed for sale in California" means to directly ship Covered Products into California or to sell Covered Products to a distributor Ogura knows will

sell Covered Products in California. If after the Effective Date regulations are promulgated, statutes are enacted, or a court judgment is entered allowing for the application of a naturally occurring allowance for lead in the calculation of daily exposure on account of one or more ingredients in the Covered Products, Ogura shall be entitled to apply that naturally occurring allowance for purposes of calculating the Daily Lead Exposure Level.

## 2.2 General Warning Requirements

Commencing on the Compliance Date, Ogura agrees any Covered Product sold that was not reformulated pursuant to paragraph 2.1 shall contain a Proposition 65 warning. Ogura agrees that each warning shall be prominently placed with such conspicuousness, as compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user understands to which *specific* Covered Products the warning applies, so as to minimize the risk of consumer confusion.

For purposes of this Settlement Agreement, a clear and reasonable warning for the Covered Products shall consist of a warning affixed to the packaging, label, tag, directly to each Covered Products sold in California by Ogura, or on a placard, shelf tag, sign or electronic device or automatic process that contains one of the following statements:

1) **“WARNING:” [or] “CA WARNING:” [or] “CALIFORNIA WARNING:”**: Consuming this product can expose you to lead, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov/food](http://www.P65Warnings.ca.gov/food).

**OR**

2) **“WARNING:” [or] “CA WARNING:” [or] “CALIFORNIA WARNING:”** Risk of reproductive harm from exposure to lead. See [www.P65Warnings.ca.gov/food](http://www.P65Warnings.ca.gov/food).

**SHORT FORM**

**OR**

**SHORT FORM**

**3) “WARNING:” [or] “CA WARNING:” [or] “CALIFORNIA WARNING:” Can expose you to lead, a reproductive toxicant. See [www.P65Warnings.ca.gov/food](http://www.P65Warnings.ca.gov/food).**

**OR**

**SHORT FORM ON  
A PRODUCT  
MANUFACTURED/  
LABELED PRIOR  
TO 1/1/28,  
REGARDLESS OF  
DATE OF SALE**

**4) WARNING: Reproductive Harm – [www.P65Warnings.ca.gov/food](http://www.P65Warnings.ca.gov/food).**

Pursuant to Cal. Code Regs. Tit. 27, Section 25607.1, where the warning is provided on the food product label, it must be set off from other surrounding information and enclosed in a box. Where a specific food product sign, label, placard, or shelf tag is used to provide a warning, it must be displayed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual prior to sale. In no case shall a warning statement appear in a type size smaller than 6-point type. Where a sign, labeling, or label as defined in Section 25600.1 is used to provide a warning that includes consumer information about a product in a language other than English, the warning must also be provided in that language in addition to English. Alternatively, the content and method of transmission may be provided in any form as authorized by Proposition 65 law or regulation effective on or after the Effective Date.

As set forth in Cal. Code Regs. Tit. 27, § 25602(b), to the extent Covered Products are sold online, a warning that complies with the content requirements of Cal. Code Regs Tit. 27, § 25603 must be provided via of the following methods: (1) A warning on the product display page; (2) A clearly marked hyperlink using the word “WARNING” or the words “CA WARNING” or “CALIFORNIA WARNING” on the product display page that links to the warning; or (3) An otherwise prominently displayed warning provided to the purchaser prior to completing the

purchase. If a warning is provided using the short-form label content pursuant to Section 25602(a)(4), the warning provided on the website may use the same content. For purposes of this section, a warning is not prominently displayed if the purchaser must search for it in the general content of the website. For internet purchases made prior to January 1, 2028, a retail seller is not responsible under Section 25600.2(e)(4) for conspicuously posting or displaying the new warning online until 60 calendar days after the retailer receives a warning or a written notice under Section 25600.2(b) and (c) which updates a short-form warning compliant with Section 25603(c) with content compliant with Section 25603(b). These requirements extend to any websites under the exclusive control of Ogura where Covered Products are sold into California. In addition, if Ogura has actual knowledge that a third-party website is offering Covered Products for sale in California, Ogura shall instruct any third-party website to which it directly sells its Covered Products to include the same online warning, as set forth above, as a condition of selling the Covered Products in California.

There shall be no obligation for Ogura to provide a warning for Covered Products that enter the stream of commerce prior to the Compliance Date, and the Section 4 release applies to all such Covered Products. For the avoidance of doubt, Covered Products in the stream of commerce specifically include, but are not limited to, Covered Products in the process of manufacture.

(i) Changes in Warning Regulations or Statutes

In the event that the Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting Proposition 65 warning text and/or methods of transmission applicable to the Covered Products and the chemical at issue, which are different than those set forth above, Ogura shall be entitled to use, at its discretion, such other warning text and/or method of transmission without being deemed in breach of this Agreement. If regulations or legislation are enacted providing that Proposition 65 warnings as to lead in this product are no longer required, a lack of warning by Ogura will not thereafter be a breach of this Agreement.

### **2.3 Grace Period for Existing Inventory of Covered Products**

The injunctive requirements of Section 2 shall not apply to Covered Products that are already in the stream of commerce as of the Compliance Date, which Covered Products are expressly subject to the releases provided in Section 4.1. For the avoidance of doubt, Covered Products in the stream of commerce specifically include, but are not limited to, Covered Products in the process of manufacture or otherwise in the custody of Ogura after manufacturing.

### **3. MONETARY SETTLEMENT TERMS**

#### **3.1 Civil Penalty Payment**

Pursuant to Health and Safety Code § 25249.7(b)(2), and in settlement of all claims alleged in the Notice or referred to in this Settlement Agreement, Ogura agrees to pay two thousand dollars (\$2,000.00) in civil penalties. The penalty payment will be allocated in accordance with California Health and Safety Code §§ 25249.12(c)(1) & (d), with 75% of the penalty amount paid to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty amount retained by EHA. Ogura shall issue two separate checks for the initial civil penalty payment to (a) "OEHHA" and (b) Environmental Health Advocates, Inc. as follows:

### **3.2 Attorney Fees and Costs**

The Parties reached an accord on the compensation due to EHA and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, Ogura agrees to pay eighteen thousand dollars (\$18,000.00) to EHA and its counsel for all fees and costs incurred in investigating, bringing this matter to the attention of Ogura, and negotiating a settlement. The eighteen thousand dollars (\$18,000.00) is due thirty (30) days after the Effective Date.

All payments required under this Section shall be made payable to Entorno Law, LLP and delivered to:

### **3.3 Tax Documentation**

Ogura agrees to provide a completed IRS 1099 for its payments to, and EHA agrees to provide IRS W-9 forms for, each of the payees under this Settlement Agreement. The Parties acknowledge that Ogura cannot issue any settlement payments pursuant to Section 3.1 and 3.2 above until after Ogura receives the requisite W-9 forms from EHA's counsel.

#### **4. CLAIMS COVERED AND RELEASED**

##### **4.1 EHA's Release of Ogura**

This Settlement Agreement is a full, final, and binding resolution of all claims between EHA, on its own behalf, and Ogura for all claims that can or could have been asserted by EHA, on its own behalf, on behalf of its past and current agents, representatives, attorneys, successors and assignees, against Ogura and each of its respective parents, subsidiaries, affiliated entities under common ownership, directors, officers, members, employees, attorneys, and any entity, including, but not limited to each entity to whom Ogura directly or indirectly distributes or sells the Covered Products, including, but not limited to, its downstream distributors, wholesalers, customers, retailers (including but not limited to Jimbo's Natural Family, Inc.), franchisees, cooperative members and licensees ("Releasees"), based on the failure to warn about exposures to lead required under Proposition 65 in the Covered Products manufactured, sold or distributed for sale in California by Ogura on or before the Compliance Date, as alleged in the Notice, or for any other reason.

In further consideration of the promises and agreements herein contained, EHA on its own behalf, on behalf of its past and current agents, representatives, attorneys, successors and assignees hereby waives any and all rights it may have to institute or participate in, directly or indirectly, any form of legal action and releases all claims against Ogura and Releasees including, without limitation, all actions and causes of action, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses or expenses including, but not exclusively, investigation fees, expert fees and attorney fees arising under Proposition 65 with respect to the alleged or actual failure to warn about exposures to lead required under Proposition 65 in the Covered Products manufactured, distributed, sold or offered for sale by Ogura, on or before the Compliance Date.

##### **4.2 Ogura's Release of EHA**

Ogura, on its own behalf and on behalf of its past and current agents, representatives, attorneys, successors, and assignees, hereby waives any and all claims against EHA and its attorneys and other representatives, for any and all actions taken or statements made by EHA and

its attorneys and other representatives, whether in the course of investigating claims, otherwise seeking to enforce Proposition 65 against it in this matter, or with respect to the Covered Products.

#### **4.3 California Civil Code Section 1542**

It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Covered Products will develop or be discovered. EHA on behalf of itself only, on one hand, and Ogura on behalf of itself only, on the other hand, acknowledge that this Settlement Agreement is expressly intended to cover and include all such claims up through the Effective Date. The Parties acknowledge that the claims released in Sections 4.1 and 4.2 may include unknown claims, and nevertheless waive California Civil Code section 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

**A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.**

EHA and Ogura each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

#### **5. PUBLIC BENEFIT**

It is Ogura's understanding that the commitments it has agreed to herein, and actions to be taken by Ogura under this Settlement Agreement confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of Ogura that to the extent any other private party serves a notice and/or initiates an action alleging a violation of Proposition 65 with respect to Ogura's alleged failure to provide a warning concerning actual or alleged exposure to lead prior to use of the Covered Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit

on the general public as to those Covered Products addressed in this Settlement Agreement, provided that Ogura is in material compliance with this Settlement Agreement.

**6. SEVERABILITY**

If, subsequent to the execution of this Settlement Agreement, any provision of this Settlement Agreement is held by a court to be unenforceable, the validity of the remaining provisions shall not be adversely affected.

**7. GOVERNING LAW**

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California.

**8. ENFORCEMENT**

In any action to enforce the terms of this Settlement Agreement, the prevailing party shall be entitled to its reasonable attorneys' fees and costs.

**9. NOTICE**

Unless specified herein, all correspondence and notice required to be provided pursuant to this Settlement Agreement shall be in writing and sent by: (a) personal delivery; (b) first-class, registered or certified mail, return receipt requested; or (c) a recognized overnight courier on any Party by the other at the following addresses:

**10. COUNTERPARTS; FACSIMILE SIGNATURES**
