

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between Environmental Health Advocates, Inc. (“EHA”), on the one hand, and My Obvi, Inc. (“My Obvi”), on the other hand, with EHA and My Obvi each individually referred to as a “Party” and collectively as the “Parties.” EHA is a corporation in the State of California serving in the interest of the general public by seeking to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products. EHA alleges that My Obvi is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code § 25249.6 *et seq.* (“Proposition 65”).

1.2 General Allegations

EHA alleges that My Obvi manufactures, sells, and/or distributes for sale in California, preworkout powder products that contain lead and that it does so without first providing the health hazard warning required by Proposition 65. Lead is listed pursuant to Proposition 65 as a chemical known to cause reproductive toxicity. My Obvi denies these allegations.

1.3 Product Description

The products covered by this Settlement Agreement are defined as, and expressly limited to My Obvi preworkout powder, including but not limited to Obvi Collagen Pre Peach Mango (“Covered Products”), that are manufactured, sold and/or distributed for sale in California by My Obvi.

1.4 Notice of Violation

On or around November 14, 2025, EHA served My Obvi, the California Attorney General, and certain other public enforcement agencies with a 60-Day Notice of Violation of Proposition 65 (“Notice”). The Notice alleged that My Obvi had violated Proposition 65 by failing to sufficiently warn consumers in California of the health hazards associated with exposures to lead contained in Covered Products.

To the best of the parties' knowledge, no public enforcer has commenced or is otherwise prosecuting an action to enforce the violations alleged in the Notice.

1.5 No Admission

My Obvi denies the material, factual, and legal allegations in the Notice and maintains that all of the products it sold and/or distributed for sale in California, including Covered Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as or used by any person or tribunal to argue an admission by My Obvi or any of its officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, customers, suppliers, distributors, wholesalers, or retailers of any fact, finding, conclusion, issue of law or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by My Obvi or any of its officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, customers, suppliers, distributors, wholesalers, or retailers of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by My Obvi. This Section shall not, however, diminish or otherwise affect My Obvi's obligations, responsibilities, and duties as expressly set forth herein. My Obvi maintains that it has not knowingly manufactured, or caused to be manufactured, the Product for sale in California in violation of Proposition 65

1.6 Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is executed by the Parties.

1.7 Compliance Date

For purposes of this Settlement, the term "Compliance Date" means 30 days from the Effective Date.

2. INJUNCTIVE RELIEF

2.1 Reformulation Standard

Beginning on or before the Compliance Date, My Obvi shall be permanently enjoined from

manufacturing, distributing, or directly selling in the State of California, any Covered Product that exposes a person to a “Daily Lead Exposure Level” of more than 0.5 micrograms of Lead per labeled serving per day unless such Covered Products comply with the warning requirements of Section 2.2. The “Daily Lead Exposure Level” shall be calculated by multiplying the recommended serving size in Covered Product by the concentration of lead in Covered Products. As used in this Section 2, “distributed for sale in CA” means to directly ship Covered Products into California or to sell Covered Products to a distributor My Obvi knows will sell Covered Products in California.

2.2 General Warning Requirements

Commencing on the Compliance Date, My Obvi agrees any Covered Product sold that was not reformulated pursuant to paragraph 2.1 shall contain a Proposition 65 warning. My Obvi agrees that each warning shall be prominently placed with such conspicuousness, as compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user understands to which *specific* Covered Products the warning applies, so as to minimize the risk of consumer confusion.

For purposes of this Settlement Agreement, a clear and reasonable warning for the Covered Products shall consist of a warning affixed to the packaging, label, tag, insert, shelf sign, point-of-sale signage, electronic display at retail or directly to each Covered Products sold in California by My Obvi, or on a placard, shelf tag, sign or electronic device or automatic process that contains one of the following statements:

- 1) **“WARNING:”** [or] **“CA WARNING:”** [or] **“CALIFORNIA WARNING:”**: Consuming this product can expose you to lead, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food.

OR

SHORT FORM

2) **“WARNING:” [or] “CA WARNING:” [or] “CALIFORNIA WARNING:”** Risk of reproductive harm from exposure to lead. See www.P65Warnings.ca.gov/food.

OR

SHORT FORM

3) **“WARNING:” [or] “CA WARNING:” [or] “CALIFORNIA WARNING:”** Can expose you to lead, a reproductive toxicant. See www.P65Warnings.ca.gov/food.

OR

**SHORT FORM ON
A PRODUCT
MANUFACTURED/
LABELED PRIOR
TO 1/1/28,
REGARDLESS OF
DATE OF SALE**

4) **WARNING:** Reproductive Harm –
www.P65Warnings.ca.gov/food.

Pursuant to Section 25607.1, where the warning is provided on the food product label, it must be set off from other surrounding information and enclosed in a box. Where a specific food product sign, label, placard, or shelf tag is used to provide a warning, it must be displayed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual prior to sale. In no case shall a warning statement appear in a type size smaller than 6-point type. Where a sign, labeling, or label as defined in Section 25600.1 is used to provide a warning that includes consumer information about a product in a language other than English, warnings may be provided in English alone or in such other languages as reasonably necessary to communicate the warning in the ordinary course of business. Non-material variances in formatting, font, placement, or outline (including absence of a black-outlined box) shall not constitute a breach if the warning is reasonably calculated to be read and understood.

As set forth in Cal. Code Regs. Tit. 27, § 25602(b), to the extent Covered Products are sold online, a warning that complies with the content requirements of Cal. Code Regs Tit. 27, § 25603 must be provided via of the following methods: (1) A warning on the product display page; (2) A clearly marked hyperlink or pop-up prior to checkout using the word “WARNING” or the words “CA WARNING” or “CALIFORNIA WARNING” on the product display page that links to the warning; or (3) An otherwise prominently displayed warning provided to the purchaser prior to completing the purchase. If a warning is provided using the short-form label content pursuant to Section 25602(a)(4), the warning provided on the website may use the same content. For purposes of this section, a warning is not prominently displayed if the purchaser must search for it in the general content of the website. For internet purchases made prior to 1/1/28, a retail seller is not responsible under Section 25600.2(e)(4) for conspicuously posting or displaying the new warning online until 60 calendar days after the retailer receives a warning or a written notice under Section 25600.2(b) and (c) which updates a short-form warning compliant with Section 25603(c) with content compliant with Section 25603(b). These requirements extend to any websites under the exclusive control of My Obvi where Covered Products are sold into California. In addition, My Obvi shall instruct any third-party website to which it directly sells its Covered Products to include the same online warning, as set forth above, as a condition of selling the Covered Products in California.

There shall be no obligation for My Obvi to provide a warning for Covered Products that entered the stream of commerce prior to the Compliance Date, and the Section 4 release applies to all such Covered Products.

(i) Changes in Warning Regulations or Statutes

The Parties agree that My Obvi shall be deemed to be in compliance with the Settlement Agreement by either adhering to §2 of this Settlement Agreement or by complying with warning regulations adopted by the State of California’s Office of Environmental Health Hazard Assessment (“OEHHA”) applicable to the Product and exposure at issue. In the event that the OEHHA promulgates one or more regulations requiring or permitting Proposition 65 warning text

and/or methods of transmission applicable to the Covered Products and the chemical at issue, which are different than those set forth above, My Obvi shall be entitled to use, at its discretion, such other warning text and/or method of transmission without being deemed in breach of this Agreement. If regulations or legislation are enacted, or a court decision issued providing that Proposition 65 warnings as to lead in this product are no longer required, or modifies the warning content or methods, a lack of warning or modification of the warning by My Obvi will not thereafter be a breach of this Agreement.

2.3 Grace Period for Existing Inventory of Covered Products

The injunctive requirements of Section 2 shall not apply to Covered Products that are already manufactured as of the Compliance Date, which Covered Products are expressly subject to the releases provided in Section 4.1. For the avoidance of doubt, Covered Products in the stream of commerce specifically include, but are not limited to, Covered Products in the process of manufacture.

3. MONETARY SETTLEMENT TERMS

3.1 Civil Penalty Payment

Pursuant to Health and Safety Code § 25249.7(b)(2), and in settlement of all claims alleged in the Notice or referred to in this Settlement Agreement, My Obvi agrees to pay two thousand dollars (\$2,000.00) in civil penalties. The penalty payment will be allocated in accordance with California Health and Safety Code §§ 25249.12(c)(1) & (d), with 75% of the penalty amount paid to the California Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty amount retained by EHA. Under these legal principles, My Obvi agrees to pay nineteen thousand dollars (\$19,000.00) to EHA and its counsel for all fees and costs incurred in investigating, bringing this matter to the attention of My Obvi, and negotiating a settlement. The nineteen thousand dollars (\$19,000.00) shall be made payable to Entorno Law, LLP according to the following payment plan:

The Parties acknowledge that My Obvi cannot issue any settlement payments pursuant to Section 3.1 and 3.2 above until after My Obvi receives the requisite W-9 forms from EHA's counsel.

4. CLAIMS COVERED AND RELEASED

4.1 EHA's Release of My Obvi

This Settlement Agreement is a full, final, and binding resolution of all claims between EHA, on its own behalf, and My Obvi for all claims that can or could have been asserted by EHA, on its own behalf, on behalf of its past and current agents, representatives, attorneys, successors and assignees, against My Obvi and each of its respective parents, subsidiaries, affiliated entities under common ownership, manufacturers, retailers, directors, officers, members, employees,

attorneys, and any entity, including, but not limited to each entity to whom My Obvi directly or indirectly distributes or sells the Covered Products, including, but not limited to, its downstream distributors, wholesalers, customers, retailers, franchisees, cooperative members and licensees, including but not limited to Sprouts Farmers Market, Inc., its parents, subsidiaries, and affiliated entities - ("Releasees"), based on the failure to warn about exposures to lead required under Proposition 65 in the Covered Products manufactured, sold or distributed for sale in California by My Obvi that could have been asserted through the Effective Date, as alleged in the Notice, or for any other reason.

In further consideration of the promises and agreements herein contained, EHA on its own behalf, on behalf of its past and current agents, representatives, attorneys, successors and assignees hereby waives any and all rights it may have to institute or participate in, directly or indirectly, any form of legal action and releases all claims against My Obvi and Releasees including, without limitation, all actions and causes of action, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses or expenses including, but not exclusively, investigation fees, expert fees and attorney fees arising under Proposition 65 with respect to the alleged or actual failure to warn about exposures to lead required under Proposition 65 in the Covered Products manufactured, distributed, sold or offered for sale by My Obvi, before the Effective Date including all obligations, expenses (including without limitation all attorneys' fees, expert fees, and investigation fees, and costs) damages, losses, liabilities and demands against any of the Released Parties of any nature, character or kind, whether known or unknown, suspected or unsuspected, limited to and arising out of the alleged or actual exposure to lead from use of the Covered Products.

4.2 My Obvi's Release of EHA

My Obvi, on its own behalf and on behalf of its past and current agents, representatives, attorneys, successors, and assignees, hereby waives any and all claims against EHA and its attorneys and other representatives, for any and all actions taken or statements made by EHA and its attorneys and other representatives, whether in the course of investigating claims, otherwise seeking to enforce Proposition 65 against it in this matter, or with respect to the Covered Products

up to the Effective Date. No other claims or rights are released, and My Obvi expressly preserves claims relating to any breach of this Agreement, or for conduct unrelated to the present action.

4.3 California Civil Code Section 1542

It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Covered Products will develop or be discovered. EHA on behalf of itself only, on one hand, and My Obvi on behalf of itself only, on the other hand, acknowledge that this Settlement Agreement is expressly intended to cover and include all such claims up through the Effective Date. The Parties acknowledge that the claims released in Sections 4.1 and 4.2 may include unknown claims, and nevertheless waive California Civil Code section 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

EHA and My Obvi each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

5. PUBLIC BENEFIT

It is My Obvi's understanding that the commitments it has agreed to herein, and actions to be taken by My Obvi under this Settlement Agreement confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of My Obvi that to the extent any other private party serves a notice and/or initiates an action alleging a violation of Proposition 65 with respect to My Obvi's alleged failure to provide a warning concerning actual or alleged exposure to lead prior to use of the Covered Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Covered Products addressed in this

Settlement Agreement, provided that My Obvi is in material compliance with this Settlement Agreement.

6. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any provision of this Settlement Agreement is held by a court to be unenforceable, the validity of the remaining provisions shall not be adversely affected.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California.

8. ENFORCEMENT

In any action to enforce the terms of this Settlement Agreement, the prevailing party shall be entitled to its reasonable attorneys' fees and costs.

9. NOTICE

Unless specified herein, all correspondence and notice required to be provided pursuant to this Settlement Agreement shall be in writing and sent by: (a) personal delivery; (b) first-class, registered or certified mail, return receipt requested; or (c) a recognized overnight courier on any Party by the other at the following addresses:

10. COUNTERPARTS; FACSIMILE SIGNATURES

This Settlement Agreement may be executed in counterparts and by facsimile or portable document format (PDF) signature, each of which shall be deemed an original, and all of which, when taken together, shall constitute one and the same document.

11. COMPLIANCE WITH HEALTH & SAFETY CODE § 25249.7(f)

EHA and its attorneys agree to comply with the reporting form requirements referenced in California Health and Safety Code § 25249.7(f).

12. MODIFICATION

This Settlement Agreement may be modified only by written agreement of the Parties.

13. AUTHORIZATION

The undersigned are authorized to execute this Settlement Agreement on behalf of their respective Parties and have read, understood, and agree to all of the terms and conditions of this Settlement Agreement.

14. ENTIRE AGREEMENT

_____ This Settlement Agreement contains the sole and entire agreement and understanding of the Parties and any and all prior negotiations and understandings related hereto shall be deemed to have been merged within it. No representations, oral or otherwise, express or implied, other than those specifically referred to in this Settlement Agreement have been made by, or relied on, any Party. EHA represents and warrants that it has not assigned, sold, transferred, or otherwise disposed of any of the claims or other matters that are being released herein. EHA and its attorneys further represent and warrant to My Obvi that neither EHA nor its attorneys represent or know of any other specific individuals who intend to make demands or bring litigation based on the subject matter asserted in the Notice Letter and that there is no ongoing investigation to find such a client(s)
