

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 The Parties. This Settlement Agreement is entered into by and between Gabriel Espinoza (“Espinoza”) and Rosanna Imports, Inc. (“Rosanna Imports”). Together, Espinoza and Rosanna Imports are collectively referred to as the “Parties.” Espinoza is an individual who resides in the State of California, and seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer products. Espinoza alleges that Rosanna Imports is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, Health & Safety Code § 25249.6, et seq. (“Proposition 65”).

1.2 General Allegations. Espinoza alleges that Rosanna Imports has exposed individuals to Lead and lead compounds (collectively, “Lead”) from its sales of (a) Ceramic Tabletop Kitchen Accessory, and (b) *Rosanna*™ Ceramic Pasta Design Butter Dishes without first providing users and consumers of the product with a clear and reasonable health hazard exposure warning as required pursuant to Proposition 65. Lead is listed pursuant to Proposition 65 as a chemical known to the State of California to cause cancer and birth defects or other reproductive harm.

1.3 Product Description. The products covered by this Settlement Agreement are (a) Ceramic Tabletop Kitchen Accessory, and (b) *Rosanna*™ Ceramic Pasta Design Butter Dishes (collectively, the “Products” and each a “Product”) that have been imported, distributed, offered for sale and/or sold in California by Rosanna Imports that expose users to Lead.

1.4 Notices of Violation. On or about October 17, 2025, Espinoza alleges he served The TJX Companies, Inc., The TJX Companies, Inc. dba HomeGoods, HomeGoods, LLC (collectively “TJX”) and various public enforcement agencies with a document entitled “Notice of Violation of California Health & Safety Code § 25249.6, et seq.” (the “October Notice”). The October Notice provided TJX and such others, including public enforcers, with notice that alleged that TJX was in violation of California Health & Safety Code § 25249.6, for failing to warn California consumers and customers that use of the Ceramic Tabletop Kitchen Accessories may expose them to Lead. To the

best of the Parties' knowledge, no public enforcer has diligently prosecuted the allegations set forth in the October Notice.

On or about November 19, 2025, Espinoza alleges he served Rosanna Imports, TJX, and various public enforcement agencies with a document entitled "Notice of Violation of California Health & Safety Code § 25249.6, et seq." (the "November Notice"). The November Notice provided Rosanna Imports and such others, including public enforcers, with notice that alleged that Rosanna Imports was in violation of California Health & Safety Code § 25249.6, for failing to warn California consumers and customers that use of the *Rosanna*TM Ceramic Pasta Design Butter Dishes may expose them to Lead. To the best of the Parties' knowledge, no public enforcer has diligently prosecuted the allegations set forth in the November Notice.

On or about May 1, 2026, Espinoza alleges he served Rosanna Imports and various public enforcement agencies with a document entitled "Notice of Violation of California Health & Safety Code § 25249.6, et seq." (the "May Notice"). The May Notice provided Rosanna Imports and such others, including public enforcers, with notice that alleged that Rosanna Imports was in violation of California Health & Safety Code § 25249.6, for failing to warn California consumers and customers that use of the Ceramic Tabletop Kitchen Accessories may expose them to Lead. To the best of the Parties' knowledge, no public enforcer has diligently prosecuted the allegations set forth in the May Notice.

The October Notice, November Notice, and May Notice are collectively referred to herein as, the "Notices."

1.5 No Admission. Rosanna Imports denies the material factual and legal allegations contained in the Notices and maintains that, to the best of its knowledge, all products that are or have been sold and distributed in California, including the Products, have been and are in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Rosanna Imports of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Rosanna Imports of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Rosanna Imports.

However, this § 1.5 shall not diminish or otherwise affect the obligations, responsibilities and duties under this Settlement Agreement. Notwithstanding the allegations in the Notices, Rosanna Imports maintains that it has not knowingly sold, or caused to be sold, the Products for sale in California in violation of Proposition 65.

1.6 Effective Date. For purposes of this Settlement Agreement, the term “Effective Date” shall mean the date this Agreement is last executed by the Parties, and the signature pages have been exchanged between the Parties. The “Compliance Date” shall be a date sixty 60 days after the Effective Date.

2. INJUNCTIVE RELIEF: REFORMULATION AND/OR WARNINGS

2.1 Reformulation of Products. Commencing on the Compliance Date, and continuing thereafter, Products that Rosanna Imports directly manufactures, imports, distributes, sells, or offers for sale in California shall either be: (a) reformulated Products pursuant to § 2.2, below; or (b) labeled with a clear and reasonable exposure warning pursuant to §§ 2.3 - 2.4, below. For purposes of this Settlement Agreement, a “Reformulated Product” is a Product that is in compliance with the standard set forth in § 2.2, below. The warning requirement set forth in §§ 2.3 - 2.4 shall not apply to any Reformulated Product.

2.2 Reformulation Standard. “Reformulated Products” shall mean Products that produce a wipe test result no higher than 1 microgram (μg) of lead when analyzed pursuant to NIOSH method no. 9100 and (b) contain no more than 90 parts per million (“ppm”) lead in any decoration, colored artwork, designs and/or marking on the surface of the Covered Products when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3050B or equivalent methodologies utilized by federal or state agencies for the purpose of determining lead content in a solid substance.

2.3 Clear and Reasonable Warning. Commencing on the Compliance Date, and continuing thereafter, a clear and reasonable exposure warning as set forth in this §§ 2.3 and 2.4 must be provided for all Products that are not Reformulated Products that Rosanna Imports manufacturers, imports, distributes, sells, or offers for sale in California or to distributors or retailers Rosanna Imports knows sell into California. There shall be no obligation for Rosanna Imports to provide an exposure

warning for Products that entered its inventory or the stream of commerce prior to the Compliance Date. There shall be no obligation to provide a warning for Products that contain Lead in an amount below the Safe Harbor Levels established for Lead pursuant to Proposition 65. The warning shall consist of either the **Warning** or **Alternative Warning** described in §§ 2.3(a) or (b), respectively:

(a) **Warning.** The “Warning” shall consist of the statement:

 **WARNING:** This product can expose you to chemicals including Lead and lead compounds, which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

(b) **Alternative Warning:** Rosanna Imports may, but is not required to, use the alternative short-form warning as set forth in this § 2.3(b) (“**Alternative Warning**”) for Products manufactured and labeled prior to January 1, 2028 as follows:

 **WARNING:** Cancer and Reproductive Harm - www.P65Warnings.ca.gov.

2.4 A Warning or Alternative Warning provided pursuant to § 2.3 must print the word “**WARNING,**” “**CA WARNING,**” or “**CALIFORNIA WARNING**” in all capital letters and in bold font, followed by a colon. The warning symbol to the left of the word “**WARNING,**” “**CA WARNING,**” or “**CALIFORNIA WARNING**” must be a black exclamation point in a yellow equilateral triangle with a black outline, except that if the sign or label for the Products does not use the color yellow, the symbol may be in black and white. The symbol must be in a size no smaller than the height of the word “**WARNING,**” “**CA WARNING**” or “**CALIFORNIA WARNING.**” The **Warning** or **Alternative Warning** shall be affixed to or printed on the Products’ packaging or labeling, or on a placard, shelf tag, sign or electronic device or automatic process only if such electronic device or automatic process provides the **Warning** or **Alternative Warning** without the purchaser having to seek it out, provided that the **Warning** or **Alternative Warning** is displayed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase or use. A **Warning** or **Alternative Warning** provided via an electronic device or automatic process does not apply to internet purchases, which are subject to the provisions of Section 25602(b). The **Warning** or **Alternative Warning** may be contained in the same section of the packaging or labeling, that states

other safety warnings, if any, concerning the use of the Product and shall be at least the same size as those other safety warnings. If “consumer information,” as that term is defined in Title 27, California Code of Regulations, Section 25600.1(c) as it may be amended from time to time, is provided in a non-English language, Rosanna Imports shall provide the **Warning** or **Alternative Warning** in the foreign language in accordance with applicable warning regulations adopted by the State of California’s Office of Environmental Health Hazard Assessment (“OEHHA”). An **Alternative Warning** on a Product manufactured and labeled after January 1, 2028 shall be provided in accordance with Title 27, California Code of Regulations, § 25603(b).

In addition to affixing the **Warning** or **Alternative Warning** to the Product’s packaging or labeling, the **Warning** or **Alternative Warning** shall be posted on websites where Rosanna Imports knowingly offers Products for sale to consumers in California. The requirements of this Section shall be satisfied if the **Warning** or **Alternative Warning**, or a clearly marked hyperlink using the word “**WARNING**,” “**CA WARNING**,” or “**CALIFORNIA WARNING**” appears on the product display page, or by otherwise prominently displaying the warning to the purchaser prior to completing the purchase. To comply with this Section, Rosanna Imports shall (a) post the **Warning** or **Alternative Warning** on its own website and, if it has the ability to do so, on the websites of its known third-party internet sellers; and (b) if it does not have the ability to post the **Warning** or **Alternative Warning** on the websites of its known third-party internet sellers, provide such sellers with written notice in accordance with Title 27, California Code of Regulations, Section 25600.2. Third-party internet sellers of the Product that have been provided with written notice in accordance with Title 27, California Code of Regulations, Section 25600.2 are not released in Section 5 of this Agreement if they fail to meet the warning requirements of this Section.

2.5 Compliance with Warning Regulations. The Parties agree that Rosanna Imports shall be deemed to be in compliance with this Settlement Agreement by either adhering to § 2 of this Settlement Agreement or by complying with warning regulations adopted by the State of California’s OEHHA applicable to the Product and the exposure at issue following the Compliance Date.

2.6 Most Favored Nations. The Parties agree that compliance with any reformulation standard or protocol established by a Proposition 65 settlement agreement for Lead exposures approved by the Attorney General of California and/or any California court shall be deemed compliance with this Settlement Agreement. For Products that comply with any such reformulation standard or protocol, Rosanna Imports shall have no obligation to provide a warning pursuant to Section 2.3.

3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE § 25249.7(b)

In settlement of all the claims referred to in this Settlement Agreement, Rosanna Imports shall pay \$500.00 as a Civil Penalty in accordance with this Section. The Civil Penalty payment(s) shall be delivered to the addresses identified in § 3.2, below

4. **REIMBURSEMENT OF FEES AND COSTS**

The Parties acknowledge that Espinoza and his counsel offered to reach preliminary agreement on the material terms of this dispute before reaching terms on the amount of fees and costs to be reimbursed to them. The Parties thereafter reached an accord on the compensation due to Espinoza and his counsel under general contract principles and the private attorney general doctrine and principles codified at California Code of Civil Procedure § 1021.5, for all work performed through

the mutual execution of this agreement. Under these legal principles, Rosanna Imports shall reimburse Espinoza's counsel \$9,000.00 for fees and costs incurred as a result of investigating and bringing this matter to the attention of Rosanna Imports, and negotiating a settlement in the public interest. Within fifteen (15) business days of the Effective Date, Rosanna Imports shall issue a check payable to "Brodsky Smith" in the amount of \$9,000.00 for delivery to the address identified in § 3.2(a)(i), above.

5. RELEASE OF ALL CLAIMS

5.1 Release of Rosanna Imports and Downstream Customers and Entities. This Settlement Agreement is a full, final and binding resolution between Espinoza, acting on his own behalf, and Rosanna Imports, of any violation of Proposition 65 that was or could have been asserted by Espinoza or on behalf of his past and current agents, representatives, attorneys, successors, and/or assigns ("Releasers") for failure to provide warnings for alleged exposures to Lead from use of the Products, and Releasers hereby release any such claims against Rosanna Imports and its parents, subsidiaries, affiliated entities, shareholders, marketplaces, directors, officers, agents, employees, attorneys, successors and assignees, and each entity to whom Rosanna Imports directly or indirectly distributes or sells the Products, including but not limited to, downstream distributors, wholesalers, online marketplaces, customers, retailers, including but not limited to TJX, its respective subsidiaries, affiliates and parents, franchisees, cooperative members and licensees (collectively, the "Releasees"), from all claims for violations of Proposition 65 through the Compliance Date based on exposure to Lead from use of the Products. This release shall also cover any Products that are in inventory or the stream of commerce as of the Compliance Date.

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to §§ 3 and 4 above, Espinoza, on behalf of himself, his past and current agents, representatives, attorneys, successors and/or assignees, hereby covenants not to sue and waives any right to institute, participate in, directly or indirectly, any form of legal action and releases all claims that he may have, including without limitation, all actions and causes of action in law and in equity, all obligations, expenses (including without limitation all attorneys' fees, expert fees, and investigation fees, and costs), damages, losses, liabilities and demands against any of the Releasees of

any nature, character, or kind, whether known or unknown, suspected or unsuspected, limited to and arising out of the alleged or actual exposure to Lead from use of the Products.

5.2 Rosanna Imports' Release of Espinoza. Rosanna Imports, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waives any and all claims against Espinoza, his attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Espinoza and/or his attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter or with respect to exposure to lead from the Products.

5.3 California Civil Code § 1542. It is possible that other claims not known to the Parties arising out of the facts alleged in the Notices and relating to the Products will develop or be discovered. Espinoza on behalf of himself only, on one hand, and Rosanna Imports, on the other hand, acknowledge that this Agreement is expressly intended to cover and include all such claims up through the Compliance Date, including all rights of action therefor. The Parties acknowledge that the claims released in §§ 5.1 and 5.2, above, may include unknown claims, and nevertheless waive California Civil Code § 1542 as to any such unknown claims. California Civil Code § 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HER OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Espinoza and Rosanna Imports each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

5.4 Deemed Compliance with Proposition 65. The Parties agree that compliance by Rosanna Imports with this Settlement Agreement constitutes compliance by Rosanna Imports with Proposition 65 with respect to exposure to Lead from use of the Products.

5.5. Public Benefit. It is Rosanna Imports' understanding that the commitments it has agreed to herein, and actions to be taken by Rosanna Imports under this Settlement Agreement, would confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and

Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of Rosanna Imports that to the extent any other private party initiates an action alleging a violation of Proposition 65 with respect to Rosanna Imports's failure to provide a warning concerning exposure to Lead prior to use of the Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Products addressed in this Settlement Agreement, provided that Rosanna Imports is in material compliance with this Settlement Agreement.

6. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any of the provisions of this Settlement Agreement are deemed by a court to be unenforceable, the validity of the enforceable provisions remaining shall not be adversely affected but only to the extent the deletion of the provision deemed unenforceable does not materially affect, or otherwise result in the effect of the Settlement Agreement being contrary to the intent of the Parties in entering into this Settlement Agreement. If the unenforceable provision is material to this Settlement Agreement, the Parties shall in good faith negotiate a lawful and enforceable provision that most closely reflects the Parties' original intent, and if they are unable to do so, either Party may terminate this Settlement Agreement upon written notice.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the law of the State of California and apply within the State of California.

8. NOTICES

Unless specified herein, all correspondence and notices required to be provided pursuant to this Settlement Agreement shall be in writing and personally delivered or sent by: (i) first-class (registered or certified mail) return receipt requested; or (ii) overnight or two-day courier on any party by the other party to the following addresses:

Los Angeles, CA 90067

For Espinoza:

Two Bala Plaza, Suite 805
Bala Cynwyd, PA 19004

Either party, from time to time, may specify in writing to the other party a change of address to which all notices and other communications shall be sent.

9. COUNTERPARTS: SIGNATURES

This Settlement Agreement may be executed in counterparts and by facsimile or .pdf signature, each of which shall be deemed an original, and all of which, when taken together, shall constitute one and the same document.

10. COMPLIANCE WITH HEALTH & SAFETY CODE § 25249.7(f)

Espinoza agrees to comply with the reporting requirements referenced in Health & Safety Code § 25249.7(f).

11. MODIFICATION

This Settlement Agreement may be modified only by a written agreement of the Parties.

12. ENTIRE AGREEMENT

This Settlement Agreement contains the sole and entire agreement of the Parties and any and all prior negotiations and understandings related hereto shall be deemed to have been merged within it. No representations or terms of agreement other than those contained herein exist or have been made by any Party with respect to the other Party or the subject matter hereof.

13. NOTICE AND OPPORTUNITY TO CURE

13.1 Enforcement. A Party may enforce any of the terms and conditions of this Settlement Agreement only for Products that Rosanna Imports and/or Releasees directly manufacture, import, distribute, sell, or offer for sale in California after the Compliance Date that Espinoza or his representatives have tested and certified that the Products do not comply with Section 2 of this

Settlement Agreement. Such enforcement may commence only after a Party first provides sixty (60) days written notice to the Party allegedly failing to comply with the terms and conditions of this Settlement Agreement and attempts to resolve such Party's failure to comply in an open and good faith manner.

13.2 Notice of Violation. Prior to bringing any proceeding to enforce the terms of this Settlement Agreement, Espinoza shall provide a written notice of violation ("NOV") to Rosanna Imports that includes information sufficient for them to be able to understand and correct the violation.

13.3 Determining Date of Sale. Within thirty (30) days of receipt of the NOV with the above information, Rosanna Imports shall first provide information showing whether the Products were shipped by Rosanna Imports for sale in California before the Compliance Date. If so, no further action will be taken by Espinoza.

13.4 Contesting the NOV. If the Products were shipped after the Compliance Date, Rosanna Imports may produce information, if any, supporting compliance with the applicable warnings sections of this Settlement Agreement. Rosanna Imports will provide documentation it asserts show it did not knowingly and intentionally sell the Products in California without warnings.

13.5 Non-Contest and Corrective Action. If Rosanna Imports elects not to contest the NOV, or if Espinoza, based on the Parties' good faith meet and confer attempts, does not agree Rosanna Imports has met its burden to successfully contest the NOV, the Parties shall then meet and confer on any corrective action by Rosanna Imports. Rosanna Imports shall then confirm to Espinoza all steps it will take to ensure the Products comply with the terms of this Settlement Agreement. Upon receiving such notification from Rosanna Imports confirming the corrective action, Espinoza shall take no further action regarding the alleged violation against Rosanna Imports.

14. REPRESENTATIONS AND WARRANTIES

Espinoza and his counsel, on behalf of themselves, counsel's law firm, and all other lawyers co-advising on this matter represent and warrant that they (i) are unaware of any additional perceived claims against the Releasees outside of those addressed in this Settlement Agreement; (ii) are unaware of, and have not been informed of, any other individual, plaintiff, class member, entity, or attorney

that intends to bring a claim against the Releasees, including, but not limited to, any claim regarding any Releasees' products and/or any claim related to Prop. 65; and (iii) have no present intention to solicit others to initiate claims against the Releasees. Espinoza and his counsel further represent and warrant that they have not assigned or otherwise transferred, or attempted to assign or transfer, any perceived claims against the Releasees.

15. AUTHORIZATION

The undersigned are authorized to execute this Settlement Agreement and have read, understood and agree to all of the terms and conditions contained of this Settlement Agreement.
