

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 The Parties. This Settlement Agreement is entered into by and between Precila Balabbo (“Balabbo”) and Manicaretti, Inc. (“Manicaretti”). Together, Balabbo and Manicaretti are collectively referred to as the “Parties.” Balabbo is an individual who resides in the State of California, and seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer products. Balabbo alleges that Manicaretti is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, Health & Safety Code § 25249.5, et seq. (“Proposition 65”).

1.2 General Allegations. Balabbo alleges that Manicaretti has exposed individuals to lead from its sales of Rustichella D’Abruzzo brown rice gluten free spaghetti, UPC # 793232227207 without first providing users and consumers of the product with a clear and reasonable health hazard exposure warning as required pursuant to Proposition 65. Lead is listed pursuant to Proposition 65 as a chemical known to the State of California to cause cancer and birth defects or other reproductive harm.

1.3 Product Description. The products covered by this Settlement Agreement are Rustichella D’Abruzzo brown rice gluten free spaghetti, UPC # 793232227207 (the “Products”) that have been imported, distributed, offered for sale and/or sold in California by Manicaretti that expose consumers to lead.

1.4 Notice of Violation. On November 24, 2025, Balabbo served Nowhere IP LLC, Nowhere IP LLC dba Erewhon, Nowhere Partners, LLC, Nowhere Holdco, LLC (collectively, “Erewhon”), Rustichella D’Abruzzo S.P.A., Manicaretti, and various public enforcement agencies with a document entitled “60-Day Notice of Violation of California Safe Drinking Water and Toxic Enforcement Act” (the “Notice”). The Notice provided Manicaretti and such others, including public enforcers, with notice that alleged that Manicaretti was in violation of California Health & Safety Code § 25249.6, for failing to warn California consumers and customers that use of the Products will

expose them to lead. No public enforcer has diligently prosecuted the allegations set forth in the Notice.

1.5 No Admission. Manicaretti denies the material factual and legal allegations contained in the Notice and maintains that, to the best of its knowledge, the Products have been and are in compliance with Proposition 65. Nothing in this Settlement Agreement shall be construed as an admission by Manicaretti of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Manicaretti of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Manicaretti. However, this § 1.5 shall not diminish or otherwise affect the obligations, responsibilities and duties under this Settlement Agreement.

1.6 Effective Date. For purposes of this Settlement Agreement, the term “Effective Date” shall mean the date this Agreement is last executed by the Parties.

2. INJUNCTIVE RELIEF: REFORMULATION AND/OR WARNINGS

2.1 Reformulation of Products. Commencing within sixty (60) days after the Effective Date, and continuing thereafter, Manicaretti shall not directly manufacture, import, distribute, sell, or offer for sale in California Products that are not either: (a) reformulated Products pursuant to § 2.2, below; or (b) labeled with a clear and reasonable exposure warning pursuant to §§ 2.3 - 2.4, below. For purposes of this Settlement Agreement, a “Reformulated Product” is a Product that is in compliance with the standard set forth in § 2.2, below. The warning requirement set forth in §§ 2.3 - 2.4 shall not apply to any Reformulated Product. Notwithstanding any other term of this Settlement Agreement, Products manufactured, imported, distributed, sold, or offered for sale in California prior to sixty (60) days after the Effective Date shall be subject to the release of liability in § 5 below without regard to when such Products are distributed, sold, or offered for sale in California.

2.2 Reformulation Standard. “Reformulated Products” shall mean Products that expose a person to an exposure level of less than 0.5 micrograms of lead per day. For the purpose of this Agreement, the amount of lead a person is exposed to from a Product shall be calculated using the following formula: micrograms of lead per gram of Product, multiplied by grams of Product per

serving size of the Product (using the serving size appearing on the Product label or an average of the serving sizes if more than one serving size appears on the label), multiplied by servings of the Product per day (which for the Product shall be one (1)). Any testing to determine micrograms of lead per gram of Product shall be conducted by Anresco Laboratories' San Francisco location (1375 Van Dyke Ave., San Francisco, CA 94124) or, if Anresco Laboratories' San Francisco location is unable to perform the testing, a lab mutually agreed upon by the Parties.

2.3 Clear and Reasonable Warning. Commencing within sixty (60) days after the Effective Date, and continuing thereafter, a clear and reasonable exposure warning as set forth in this §§ 2.3 and 2.4 must be provided for all Products that Manicaretti directly manufacturers, imports, distributes, sells, or offers for sale in California that is not a Reformulated Product. There shall be no obligation for Manicaretti to provide an exposure warning for Products that entered the stream of commerce before or within sixty (60) days after the Effective Date. The warning shall consist of either the **Warning** or **Alternative Warning** described in §§ 2.3(a) or (b), respectively:

(a) **Warning.** The "Warning" shall consist of the statement:

CA WARNING: Consuming this product can expose you to chemicals including lead, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food.

(b) **Alternative Warning:** Manicaretti may, but is not required to, use the alternative short-form warning as set forth in this § 2.3(b) ("**Alternative Warning**") as follows:

CA WARNING: Risk of cancer and reproductive harm from exposure to lead. See www.P65Warnings.ca.gov/food.

2.4 A Warning or Alternative Warning provided pursuant to § 2.3 must print the word "**WARNING:**" or the words "**CA WARNING:**" or "**CALIFORNIA WARNING:**" in all capital letters and in bold font, followed by a colon. The **Warning** or **Alternative Warning** shall be affixed to or printed on the Products' packaging or labeling, or on a placard, shelf tag, sign, or via electronic device or automatic process only if such electronic device or automatic process provides the **Warning** or **Alternative Warning** without the purchaser having to seek it out, provided that the **Warning** or **Alternative Warning** is displayed with such conspicuousness, as compared with other words,

statements, or designs as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase or use. A **Warning** or **Alternative Warning** provided via an electronic device or automatic process does not apply to internet purchases, which are subject to the provisions of Title 27, California Code of Regulations, Section (“Section”) 25602(b). The **Warning** or **Alternative Warning** may be contained in the same section of the packaging, labeling, or instruction booklet that states other safety warnings, if any, concerning the use of the Product and shall be at least the same size as those other safety warnings. Where the **Warning** or **Alternative Warning** is provided on the food product label, it must be set off from other surrounding information, and Manicaretti shall enclose the **Warning** or **Alternative Warning** in a box and comply with the content requirements specified in Section 25607.2. If “consumer information,” as that term is defined in Title 27, California Code of Regulations, Section 25600.1(c) as it may be amended from time to time, is provided in a foreign language, Manicaretti shall provide the **Warning** or **Alternative Warning** in that foreign language in accordance with applicable warning regulations adopted by the State of California’s Office of Environmental Health Hazard Assessment (“OEHHA”).

In addition to affixing the **Warning** or **Alternative Warning** to the Product’s packaging or labeling, the **Warning** or **Alternative Warning** shall be posted on websites where Manicaretti offers Products for sale to consumers in California. The requirements of this Section shall be satisfied if the **Warning** or **Alternative Warning**, or a clearly marked hyperlink using the word “**WARNING**,” “**CA WARNING**,” or “**CALIFORNIA WARNING**” appears on the product display page, or by otherwise prominently displaying the warning to the purchaser prior to completing the purchase. To comply with this Section, Manicaretti shall (a) post the **Warning** or **Alternative Warning** on its own website and, if it has the ability to do so, on the websites of its third-party internet sellers; and (b) if it does not have the ability to post the **Warning** or **Alternative Warning** on the websites of its third-party internet sellers, provide such sellers with written notice in accordance with Section 25600.2. Third-party internet sellers of the Product that have been provided with written notice in accordance with Section 25600.2 are not released in § 5 of this Settlement Agreement if they fail to meet the warning requirements of this Section.

2.5 Compliance with Warning Regulations. The Parties agree that Manicaretti shall be deemed to be in compliance with this Settlement Agreement by either adhering to § 2 of this Settlement Agreement or by complying with warning regulations adopted by OEHHA applicable to the Product and the exposure at issue.

3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE § 25249.7(b)

In settlement of all the claims referred to in this Settlement Agreement, Manicaretti shall pay \$1,000.00 as a Civil Penalty in accordance with this § 3. The Civil Penalty payment shall be allocated in accordance with California Health & Safety Code §§ 25249.12(c)(1) and (d), with 75% of the Penalty remitted to OEHHA and the remaining 25% of the Penalty remitted to Balabbo. The Civil Penalty payment(s) shall be delivered to the addresses identified in § 3.2, below

3.1 Civil Penalty. Within fifteen (15) business days of the Effective Date, Manicaretti shall issue two (2) separate checks for the Civil Penalty payment to (a) “OEHHA” in the amount of \$750.00; and to (b) “Precila Balabbo” in the amount of \$250.00. 4. REIMBURSEMENT OF FEES AND COSTS

The Parties acknowledge that Balabbo and her counsel offered to reach preliminary agreement on the material terms of this dispute before reaching terms on the amount of fees and costs to be reimbursed to them. The Parties thereafter reached an accord on the compensation due to Balabbo and her counsel under general contract principles and the private attorney general doctrine and principles codified at California Code of Civil Procedure § 1021.5, for all work performed through the mutual execution of this Settlement Agreement. Under these legal principles, Manicaretti shall reimburse Balabbo's counsel for fees and costs incurred as a result of investigating and bringing this matter to

the attention of Manicaretti, and negotiating a settlement in the public interest. Within fifteen (15) business days of the Effective Date, Manicaretti shall issue a check payable to “Brodsky Smith” in the amount of \$16,500.00 for delivery to the address identified in § 3.2(a)(i), above.

5. RELEASE OF ALL CLAIMS

5.1 Release of Manicaretti, the Manufacturer, and Downstream Customers and Entities. This Settlement Agreement is a full, final and binding resolution between Balabbo, acting on her own behalf, and Manicaretti, of any violation of Proposition 65 that was or could have been asserted by Balabbo or on behalf of her past and current agents, representatives, attorneys, successors, and/or assigns (“Releasers”) for failure to provide warnings for alleged exposures to lead from use of the Products, and Releasers hereby release any such claims against Manicaretti and its parents, subsidiaries, affiliated entities, shareholders, marketplaces, directors, officers, agents, employees, attorneys, successors and assignees; the manufacturer, Rustichella D’Abruzzo S.P.A., and its parents, subsidiaries, affiliated entities, shareholders, marketplaces, directors, officers, agents, employees, attorneys, successors and assignees; and each entity to whom Manicaretti directly or indirectly distributes or sells the Products, including but not limited to, downstream distributors, wholesalers, customers, retailers, including but not limited to Erewhon, its respective subsidiaries, affiliates and parents, franchisees, cooperative members and licensees (collectively, the “Releasees”), from all claims for violations of Proposition 65 before the Effective Date or within sixty (60) days after the Effective Date based on exposure to lead from use of the Products.

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to §§ 3 and 4 above, Balabbo, on behalf of herself, her past and current agents, representatives, attorneys, successors and/or assignees, hereby covenants not to sue and waives any right to institute, participate in, directly or indirectly, any form of legal action and releases all claims that she may have, including without limitation, all actions and causes of action in law and in equity, all obligations, expenses (including without limitation all attorneys’ fees, expert fees, and investigation fees, and costs), damages, losses, liabilities and demands against any of the Releasees of

any nature, character, or kind, whether known or unknown, suspected or unsuspected, limited to and arising out of the alleged or actual exposure to lead from use of the Products.

5.2 Manicaretti's Release of Balabbo. Manicaretti, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waives any and all claims against Balabbo, her attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Balabbo and/or her attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter or with respect to exposure to lead from the Products.

5.3 California Civil Code § 1542. It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Products will develop or be discovered. Balabbo on behalf of herself only, on one hand, and Manicaretti, on the other hand, acknowledge that this Agreement is expressly intended to cover and include all such claims up through sixty (60) days after the Effective Date, including all rights of action therefor. The Parties acknowledge that the claims released in §§ 5.1 and 5.2, above, may include unknown claims, and nevertheless waive California Civil Code § 1542 as to any such unknown claims. California Civil Code § 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Balabbo and Manicaretti each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

5.4 Deemed Compliance with Proposition 65. The Parties agree that compliance by Manicaretti with this Settlement Agreement constitutes compliance with Proposition 65 with respect to exposure to lead from use of the Products.

6. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any of the provisions of this Settlement Agreement are deemed by a court to be unenforceable, the validity of the enforceable

provisions remaining shall not be adversely affected but only to the extent the deletion of the provision deemed unenforceable does not materially affect, or otherwise result in the effect of the Settlement Agreement being contrary to the intent of the Parties in entering into this Settlement Agreement.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California.
