

# SETTLEMENT AND RELEASE AGREEMENT

## 1. INTRODUCTION

### 1.1. Clean Product Advocates, LLC and conSup America, Inc.

This Settlement Agreement is entered into by and between Clean Products Advocates, LLC ("CPA") on the one hand, and conSup America, Inc. ("conSup") and ALDI Inc. ("ALDI"), on the other hand, with CPA, conSup, and ALDI collectively referred to as the "Parties."

### 1.2. General Allegations

CPA alleges that conSup and ALDI manufactured and distributed and offered for sale in the State of California "Deutsche Küche Fall Harvest Veg Soup" (Covered Product(s)) containing Lead, and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* and its implementing regulations ("Proposition 65"). California has identified and listed Lead under Proposition 65 as a chemical known to the State of California to cause cancer and birth defects or other reproductive harm.

### 1.3. Product Description

The products that are covered by this Settlement Agreement are defined as Deutsche Küche Soups, including but not limited to Deutsche Küche Fall Harvest Veg Soup that conSup and ALDI have manufactured, imported, sold, offered for sale or distributed in California. All such items shall be referred to herein as the "Products."

### 1.4. Notice of Violation

On 12/15/2025 CPA served ALDI and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled "60-Day Notice of Violation" ("Notice") that provided ALDI and such public enforcers with notice that ALDI was allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed users in California to Lead. conSup has agreed to defend and indemnify ALDI regarding the claims asserted in the Notice. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

### 1.5. No Admission

The Parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning conSup's and ALDI's compliance with Proposition 65. conSup and ALDI deny each and every material factual and legal allegations contained in CPA's

Notice and maintain that all products that they have manufactured for sale and distribution in California, including the Products, have been and are in compliance with Proposition 65 or any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by conSup or ALDI of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by conSup or ALDI of any fact, binding, conclusion, issue of law, or violation of law, such being specifically denied by conSup and ALDI on their behalf. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of conSup or ALDI under this Settlement Agreement.

### **1.6. Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed by the Parties.

## **2. INJUNCTIVE RELIEF: REFORMULATION AND WARNINGS**

Within 90 days of the Effective Date, conSup and ALDI, at their sole discretion, agree to either (a) cease selling, offering for sale or distributing the Products in California, (b) manufacture, import, or otherwise source for authorized sale in California only Reformulated Products, as defined pursuant to Section 2.1 below, or (c) provide a clear and reasonable Proposition 65 warning on the Products pursuant to Section 2.2 below.

### **2.1. Reformulation Standards**

The Products shall be deemed to comply with Proposition 65 with regard to Lead and be exempt from any Proposition 65 warning requirements for Lead in the Products if the exposure does not exceed 0.5 micrograms of Lead per day as calculated below ("Reformulated Products").

For the Purpose of this Agreement, the amount of Lead a person is exposed to from the Covered Product shall be calculated using the following formula: micrograms of Lead per gram of product, multiplied by grams of product per serving of the product (using the largest serving size appearing on the product label), multiplied by servings of the product per day (using the largest number of servings recommended on the product label), which equals micrograms of Lead exposure per day.

Products that were supplied or contracted to be supplied to third parties by conSup prior to 6 months after the Effective Date shall be deemed exempted from the requirements of this Section 2, shall be subject to the release in section 5.1 and shall be permitted to be sold through as previously manufactured, packaged and labeled.

### **2.2. Warning Option**

Commencing 90 days after the Effective Date, ALDI agrees any Product sold that was not reformulated pursuant to paragraph 2.1 shall contain a Proposition 65 warning. ALDI agrees

the warning shall comply with the safe harbor provisions of Proposition 65 for food, including 27 C.C.R. § 25607.1-.2. The content and method of transmission shall be provided in any form as authorized by Proposition 65 law or regulation effective on or after the Effective Date. **2.3.**
