

SETTLEMENT AGREEMENT AND RELEASE

The Chemical Toxin Working Group Inc. dba Healthy Living Foundation Inc. (“HLF”), Advanced RX LLC enter into this Settlement Agreement and Release (“Agreement”). Advanced RX LLC are referred to as “Company.” HLF and Company are referred to individually as a “Party” and collectively as the “Parties.” The Parties agree as follows.

Introduction

The “Matter” arises out of the Notices of Violation of California Health & Safety Code section 25249.5 et seq. (“Proposition 65”) that HLF served concerning Advanced RX LLC on January 9, 2026 (California Attorney General No. 2026-00111) and May 8, 2026 (California Attorney General No. 2026-02183) (collectively, the “Notices”). In the Notices, HLF alleges that Puregen Labs Cinnamon 600 mg per capsule dietary supplement, including the 1-bottle, 2-bottle, and 3-bottle configurations (collectively, the “Covered Product”), requires a Proposition 65 warning for lead and lead compounds (“Lead”).

The Parties enter into this Agreement to resolve the claims, demands, and allegations regarding the Notices and to avoid prolonged litigation. Nothing in this Agreement shall be construed as an admission by any Party of any fact, issue of law, wrongdoing, liability, or violation of law, nor shall compliance with this Agreement constitute or be construed as any such admission or concession. Company denies the allegations in the Notices and contends that it has not violated Proposition 65. This Agreement is the product of negotiation and compromise and is accepted by the Parties solely for purposes of settling, compromising, and resolving claims and issues disputed in the Matter.

Compliance with this Agreement shall not constitute or be construed as an admission or concession.

1. Definitions

1.1. “Effective Date” means the date on which the last Party executes this Agreement.

1.2. “Online Compliance Date” means the date that is ten (10) calendar days after the Effective Date.

1.3. “Compliance Date” means the date that is thirty (30) calendar days after the Effective Date.

1.4. “Expose” and “Exposure” are used as defined in California Code of Regulations, title 27, section 25102(i), and include causing a person to ingest or otherwise come into contact with a Proposition 65-listed chemical.

1.5. “Daily Exposure Level” means the micrograms of Lead per gram of the Covered Product, multiplied by grams per serving using the largest serving size stated on the label, multiplied by the largest number of recommended daily servings stated on the label or in Company's marketing materials. If neither states a recommended number of daily servings, one serving per day shall be used.

1.6. “Violative Daily Exposure Level” means an Exposure to more than 0.5 micrograms of Lead per day.

1.7. “Consumer Information” has the meaning stated in California Code of Regulations, title 27, section 25600.1(c), and includes warnings, directions for use, ingredient lists, and nutritional information. It does not include a brand name, product name, company name, place of manufacture, or product advertising.

1.8. “Warning” means a warning that complies with Section 2.3 of this Agreement.

1.9. “Warning Symbol” means a black exclamation point in a yellow equilateral triangle with a bold black outline; if the sign or label is not printed using the color yellow, the symbol may be printed in black and white.

1.10. “Reformulated Product” means a Covered Product whose ingredients, sourcing, formulation, or manufacturing methods have been changed so that the product does not cause a Violative Daily Exposure Level.

1.11. “Distributor” means any person or entity that buys, distributes, markets, or sells a Covered Product.

1.12. “Reasonably Foreseeable” means that a reasonable inquiry would reveal that a Distributor could sell a Covered Product in California, including because the Distributor sells products online, by telephone, through an application, by mail order, or from a warehouse or retail establishment in California.

1.13. “Distribute into the State of California” means directly or indirectly to sell a Covered Product in California; to ship a Covered Product for sale in California; or to sell a Covered Product to a Distributor that Company knows, or for which it is Reasonably Foreseeable, will sell the Covered Product in California.

2. Company’s Duties

2.1. Product Restraint. Beginning on the Effective Date, Company shall not Distribute into the State of California a Covered Product that causes a Violative Daily Exposure Level unless the Covered Product complies with the Warning requirements of this Agreement. Any Covered Product Company Distributes into the State of California after the Compliance Date shall either (a) qualify as a Reformulated Product or (b) comply with Section 2.3.

2.2. Testing

2.2.1. Section 2.2 does not apply to a Covered Product for which Company provides the Warning.

2.2.2. Before Company first Distributes into the State of California a Reformulated Product without a Warning, Company shall complete the testing required by this Section.

2.2.3. Company shall randomly select and test three samples of the Reformulated Product from different lot numbers or, if fewer than three lots are available, from as many lots as are available. In deciding whether a Warning is required, Company shall use the highest measured Daily Exposure Level.

2.2.4. Testing shall be performed by an independent third-party laboratory accredited to test food or dietary supplements for Lead. The laboratory shall use inductively coupled plasma mass

spectrometry (ICP-MS), or another scientifically valid method agreed to in writing by the Parties, with a limit of quantification sufficient to determine compliance with Section 1.6.

2.2.5. Testing shall be repeated at least once each year for as long as Company Distributes the Reformulated Product into the State of California without a Warning. Annual testing may cease if Company provides the Warning or no longer Distributes the Covered Product into the State of California.

2.2.6. HLF reserves the right to test the Covered Product and, subject to the releases and enforcement procedures in this Agreement, to assert claims arising from a failure to comply with this Agreement.

2.3. Warning

2.3.1. A clear and reasonable Warning shall be provided for each Covered Product that Company Distributes into the State of California after the applicable compliance date if the Covered Product causes a Violative Daily Exposure Level. Company may use then-current California Proposition 65 warning language and methods. Company may use one of the following Warning statements.

Long-Form Warning: WARNING: Consuming this product can expose you to lead, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food.

Legacy Short-Form Warning for a product manufactured and labeled before January 1, 2028: WARNING: Cancer and Reproductive Harm – www.P65Warnings.ca.gov/food.

Chemical-Specific Short-Form Warning: WARNING: Risk of cancer and reproductive harm from exposure to lead. See www.P65Warnings.ca.gov/food.

2.3.2. A print Warning shall: (a) contain the signal words required by applicable law in all capital letters and bold print; (b) for a short-form Warning, display the Warning Symbol to the left of the signal words in a size no smaller than the height of those words; (c) appear in a type size no smaller than the largest type size used for other Consumer Information and in no case smaller than 6-point type; (d) be affixed to or printed on the Covered Product, its label, the shipping box, or other immediate packaging, or provided on a placard, shelf tag, sign, or electronic device as authorized by applicable law; (e) be conspicuous and likely to be seen, read, and understood by an ordinary consumer under customary conditions of purchase or use; (f) be set off from surrounding information; and (g) be enclosed in a box with a bold black border.

2.3.3. If Consumer Information concerning a Covered Product is provided in a language other than English, Company shall also provide the Warning in that language in addition to English.

2.3.4. Online/Internet Warning. No later than the Online Compliance Date, Company shall ensure that each Covered Product offered for delivery to a California address through a website, online marketplace, application, catalog, or other electronic sales channel controlled by Company displays the Warning before purchase. The Warning shall appear either (a) on the Covered Product's display page, (b) through a clearly marked hyperlink using the word "WARNING," "CA WARNING," or "CALIFORNIA WARNING" on that display page, or (c) otherwise prominently to the purchaser before the purchase is completed. The purchaser shall not be required to search for the Warning in general website content; the warning shall be displayed not lower than the product description.

2.3.5. An online Warning shall be displayed so that an ordinary consumer can see it without scrolling past the Covered Product's image or price, shall be clearly associated with the Covered Product, and shall link to www.P65Warnings.ca.gov/food. If a short-form Warning is used online, the word "WARNING" shall be clickable and shall link to the corresponding full Warning text. The Warning page shall not contain any other information than the warning text.

2.3.6. Third-Party Sales Channels. No later than the Online Compliance Date, Company shall send the written Notice to Distributors and Retailers attached as Exhibit A to all Distributors, fulfillment providers, marketplaces, or retailers through which a Covered Product may be sold or shipped to a California address. Company shall instruct each recipient not to sell the Covered Product into California without the Warning. Company shall provide HLF copies of the notices at HLF's request and shall obtain written or electronic confirmation of receipt from each recipient. Company's obligation as to Distributors or Retailers shall be satisfied by providing Distributors' or Retailers' authorized agents with the written notice, product identification, and internet warning materials required by 27 CCR § 25600.2(b)–(c) (as written in Exhibit A) and obtaining written or electronic confirmation of receipt. After that documented compliance, Company will not be liable under this Agreement solely for such Distributors and Retailers' independent failure to post or maintain the warning.

3. Settlement Payments

3.1. In satisfaction of all claims for civil penalties and attorneys' fees, costs, and investigative expenses related to the Notices, Company shall pay a total of \$128,000 (the "Settlement Amount") within ten (10) calendar days after the Effective Date by wire transfer to HLF's counsel trust account. HLF's counsel shall provide the necessary payment instructions no later than two business days after the Effective Date and, upon request, a completed Form W-9. The Settlement Amount shall be allocated as follows.

3.2. \$ 14, 500 shall be considered a civil penalty. HLF shall remit seventy-five percent (75%) of the civil penalty to the Safe Drinking Water and Toxic Enforcement Fund administered by the California Office of Environmental Health Hazard Assessment in accordance with Proposition 65.

3.3. \$ 113,500 shall be considered reimbursement of HLF's reasonable attorneys' fees, costs, and investigative expenses related to the Matter.

3.4. Except as expressly stated in this Section and in Section 8, each Party shall bear its own costs, expenses, and attorneys' fees related to the Matter.

4. Binding Effect; Claims Covered and Released

4.1. Upon Company's full and timely performance of Sections 2 and 3, this Agreement is a full, final, and binding resolution between HLF and Company of alleged Proposition 65 violations identified in the Notices concerning Exposure to Lead from the Covered Product. HLF, on behalf of itself and its principals, officers, directors, employees, parents, subsidiaries, executors, administrators, attorneys, successors, and assigns (collectively, "Releasors"), releases Boris Lopata individually, Advanced RX LLC, BML Online, PPuregen Labs, and their respective successors in interest, and past and present owners, shareholders, directors, officers, employees, attorneys, insurers, representatives, members, licensees, successors, and assigns, together with each upstream manufacturer, downstream distributor, wholesaler, customer, retailer, fulfillment provider, and marketplace that directly or indirectly manufactured, bought, distributed, marketed, fulfilled, or sold the Covered Product (collectively, "Released Parties"), from claims for failure to warn for Exposure to Lead from the Covered Product that were or could have been asserted in the Notices and that arose from January 9, 2025 through the Effective Date.

4.2. HLF, on its own behalf only, and Company, on its own behalf only, further release claims against each other for actions or statements made in seeking or opposing enforcement of Proposition 65 in connection with the Notices.

4.3. HLF, on its own behalf only, and Company, on its own behalf only, acknowledge that the releases in Sections 4.1 and 4.2 may include unknown claims within their express scope, and waive California Civil Code section 1542 and any law of similar effect only as to those released claims. California Civil Code section 1542 states:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

4.4. If HLF alleges that Company has failed to comply with this Agreement, HLF shall provide Company thirty (30) days' advance written notice before filing an enforcement action concerning the alleged noncompliance. The notice shall identify the Covered Product and, when available, provide the relevant testing result, lot number, purchase information, and photographs. The Parties shall meet and confer in good faith during the notice period. Company has a right to cure the alleged violation within the notice period. If the alleged noncompliance is not resolved, HLF may seek all relief available.

4.5. The release in Section 4.1 does not apply to any Distributor or retailer that fails to provide an internet Warning as required by Section 2.3 after receiving the Notice to Distributors and Retailers.

4.6. No release extends to a product other than the Covered Product, a chemical other than Lead, an Exposure occurring after the Effective Date.

5. Modification

5.1. This Agreement contains the entire agreement between the Parties concerning settlement of the Matter and supersedes all prior or contemporaneous agreements or understandings concerning that settlement.

5.2. Except as stated in this Section, this Agreement may be modified only by a writing signed by the Parties.

5.3. If a future Proposition 65 regulation establishes a naturally occurring allowance for Lead in the Covered Product, or another change in law materially affects this Agreement, Company may notify HLF of its requested modification and the Parties shall meet and confer in good faith.

5.4. If the Parties cannot resolve a dispute concerning modification, either Party may present the dispute to a court of competent jurisdiction.

6. Successors and Assigns

This Agreement is binding upon and shall inure to the benefit of the Parties and their respective owners, principals, shareholders, members, managers, officers, directors, employees, successors, and assigns.

7. Construction and Governing Law

7.1. No inference, assumption, or presumption shall be drawn, and no provision shall be construed against a Party, based on which Party or attorney prepared any portion of this Agreement. The Parties are deemed to have participated equally in its preparation.

7.2. This Agreement shall be deemed entered in California and shall be governed and interpreted under California law.

7.3. Each Party acknowledges the right to consult counsel, has consulted counsel or knowingly elected not to do so, and understands this Agreement and the effect of executing it.

8. Enforcement; Venue; Attorneys' Fees

Any action to enforce this Agreement may be brought in a California state court of competent jurisdiction. In an action brought to enforce this Agreement, the prevailing Party shall be entitled to recover its reasonable attorneys' fees and costs.

9. Counterparts and Electronic Signatures

This Agreement may be executed in counterparts. Each counterpart, electronic signature, email copy, or copy stored through cloud software shall be deemed an original, and all counterparts together shall constitute one instrument.

10. Notices

All notices required under this Agreement shall be in writing and sent by email to the following recipients:

EXHIBIT A
NOTICE TO DISTRIBUTORS AND RETAILERS

Advanced RX LLC provides this Notice concerning possible violations of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code section 25249.5 et seq. (“Proposition 65”), arising from Lead in Puregen Labs Cinnamon 600 mg per capsule dietary supplement, including the 1-bottle, 2-bottle, and 3-bottle configurations (collectively, the “Covered Product”).

1. Notice

- Consumption of the Covered Product may result in an Exposure to Lead that requires a Proposition 65 warning.
- For any Covered Product sold by you or a downstream distributor, customer, marketplace, or retailer in or to California, you or that purchaser must provide the Warning specified below before sale.
- For any Covered Product you sell to another purchaser that may resell into California, you must provide this Notice and obtain confirmation of receipt.

2. Content Requirements

Required Warning: WARNING: Consuming this product can expose you to lead, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food.

3. Method of Transmission

For an internet sale, the Warning must appear before purchase: (a) on the primary display page for the Covered Product; (b) through a clearly marked hyperlink using “WARNING,” “CA WARNING,” or “CALIFORNIA WARNING” on that page; or (c) otherwise prominently during checkout and clearly associated with the Covered Product. A purchaser may not be required to search for the Warning in general website content. The Warning must also accompany the Covered Product as required by the Settlement Agreement and applicable law.

4. Confirmation of Receipt

Please confirm receipt within thirty (30) days, electronically or by returning a signed copy below. By acknowledging receipt, you confirm that the Warning will be posted for California sales in accordance with these specifications and that you will use this Notice to notify downstream purchasers.
