

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between Environmental Health Advocates, Inc. (“EHA”), on the one hand, and MyForest Foods Co. (“MyForest Foods”), on the other hand, with EHA and MyForest Foods each individually referred to as a “Party” and collectively as the “Parties.” EHA is a corporation in the State of California serving in the interest of the general public by seeking to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products. EHA alleges that MyForest Foods is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code § 25249.6 *et seq.* (“Proposition 65”).

1.2 General Allegations

EHA alleges that MyForest Foods manufactures, sells, and/or distributes for sale in California, plant-based meat products that contains cadmium and that it does so without first providing the health hazard warning required by Proposition 65. Cadmium is listed pursuant to Proposition 65 as a chemical known to cause reproductive toxicity.

1.3 Product Description

The products covered by this Settlement Agreement are defined as, and expressly limited to MyPulledPork-Original Recipe (“Covered Products”), that are manufactured, sold and/or distributed for sale in California by MyForest Foods.

1.4 Notice of Violation

On or around January 23, 2026, EHA served MyForest Foods, the California Attorney General, and certain other public enforcement agencies with a 60-Day Notice of Violation of Proposition 65 (“Notice”). The Notice alleged that MyForest Foods had violated Proposition 65 by failing to sufficiently warn consumers in California of the health hazards associated with exposures to cadmium contained in Covered Products.

To the best of the parties' knowledge, no public enforcer has commenced or is otherwise prosecuting an action to enforce the violations alleged in the Notice.

1.5 No Admission

MyForest Foods denies the material, factual, and legal allegations in the Notice and maintains that all of the products it sold and/or distributed for sale in California, including Covered Products, have been, and are, in compliance with all laws, including any applicable statutory, regulatory, common law, or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by MyForest Foods of any fact, finding, conclusion, issue of law or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by MyForest Foods of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by MyForest Foods. This Section shall not, however, diminish or otherwise affect MyForest Foods's obligations, responsibilities, and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is executed by the Parties.

1.7 Compliance Date

For purposes of this Settlement, the term "Compliance Date" means sixty (60) days from the Effective Date.

2. COMPLIANCE COVENANTS

2.1 Compliance Provision

Beginning on or before the Compliance Date, and continuing thereafter, Covered Products that MyForest Foods directly manufactures, imports, distributes, sells, or offers for sale in California shall either be: (a) Compliant Products pursuant to Section 2.2 below; or (b) labeled with a warning pursuant to Section 2.3 below. The warning requirement set forth in Section 2.3 below shall not apply to any Compliant Product

2.2 Standard for Compliant Products

“Compliant Products” shall mean Covered Products that expose a person to an exposure level of less than 4.1 micrograms of cadmium per day. For purposes of this Settlement Agreement, the amount of cadmium a person is exposed to from a Covered Product shall be calculated using the following formula: micrograms of cadmium per gram of Covered Product, multiplied by grams of the Covered Product per recommended serving size, which equates to micrograms of cadmium exposure per eating occasion.

2.3 General Warning Requirements

Commencing on the Compliance Date, MyForest Foods agrees any Covered Product sold that is not a Compliant Product shall contain a Proposition 65 warning. MyForest Foods agrees that each warning shall be prominently placed with such conspicuousness, as compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user understands to which *specific* Covered Products the warning applies, so as to minimize the risk of consumer confusion.

For purposes of this Settlement Agreement, a clear and reasonable warning for the Covered Products shall consist of a warning affixed to the packaging, label, tag, directly to each Covered Products sold in California by MyForest Foods, or on a placard, shelf tag, sign or electronic device or automatic process that contains an appropriate warning under the applicable law including, without limitation, one of the following statements:

1) **“WARNING:”** [or] **“CA WARNING:”** [or] **“CALIFORNIA WARNING:”**: Consuming this product can expose you to cadmium, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food.

3) “WARNING:” [or] “CA WARNING:” [or] “CALIFORNIA WARNING:” Can expose you to cadmium, a reproductive toxicant. See www.P65Warnings.ca.gov/food.

**SHORT FORM ON
A PRODUCT
MANUFACTURED/
LABELED PRIOR
TO 1/1/28,
REGARDLESS OF
DATE OF SALE**

4) WARNING: Reproductive Harm – www.P65Warnings.ca.gov/food.

Pursuant to Section 25607.1, where the warning is provided on the food product label, it must be set off from other surrounding information and enclosed in a box. Where a specific food product sign, label, placard, or shelf tag is used to provide a warning, it must be displayed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual prior to sale. In no case shall a warning statement appear in a type size smaller than 6-point type. Where a sign, labeling, or label as defined in Section 25600.1 is used to provide a warning that includes consumer information about a product in a language other than English, the warning must also be provided in that language in addition to English.

As set forth in Cal. Code Regs. Tit. 27, § 25602(b), to the extent Covered Products are sold online, a warning that complies with the content requirements of Cal. Code Regs Tit. 27, § 25603 must be provided via of the following methods: (1) A warning on the product display page; (2) A

clearly marked hyperlink using the word “WARNING” or the words “CA WARNING” or “CALIFORNIA WARNING” on the product display page that links to the warning; or (3) An otherwise prominently displayed warning provided to the purchaser prior to completing the purchase. If a warning is provided using the short-form label content pursuant to Section 25602(a)(4), the warning provided on the website may use the same content. For purposes of this section, a warning is not prominently displayed if the purchaser must search for it in the general content of the website. For internet purchases made prior to 1/1/28, a retail seller is not responsible under Section 25600.2(e)(4) for conspicuously posting or displaying the new warning online until 60 calendar days after the retailer receives a warning or a written notice under Section 25600.2(b) and (c) which updates a short-form warning compliant with Section 25603(c) with content compliant with Section 25603(b). These requirements extend to any websites under the exclusive control of MyForest Foods where Covered Products are sold into California. In addition, MyForest Foods shall instruct any third-party website to which it directly sells its Covered Products to include the same online warning, as set forth above, as a condition of selling the Covered Products in California.

There shall be no obligation for MyForest Foods to provide a warning for Covered Products that entered the stream of commerce prior to the Effective Date, and the Section 4 release applies to all such Covered Products.

(i) Changes in Warning Regulations or Statutes

In the event that the Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting Proposition 65 warning text and/or methods of transmission applicable to the Covered Products and the chemical at issue, which are different than those set forth above, MyForest Foods shall be entitled to use, at its discretion, such other warning text and/or method of transmission without being deemed in breach of this Agreement. If regulations or legislation are enacted providing that Proposition 65 warnings as to cadmium in this product are no longer required, a lack of warning by MyForest Foods will not thereafter be a breach of this Agreement.

2.4 Grace Period for Existing Inventory of Covered Products

The requirements of Section 2 shall not apply to Covered Products that are already in the stream of commerce as of the Effective Date, which Covered Products are expressly subject to the releases provided in Section 4.1. For the avoidance of doubt, Covered Products in the stream of commerce specifically include, but are not limited to, Covered Products in the process of manufacture.

3. MONETARY SETTLEMENT TERMS

3.1 Civil Penalty Payment

Pursuant to Health and Safety Code § 25249.7(b)(2), and in settlement of all claims alleged in the Notice or referred to in this Settlement Agreement, MyForest Foods agrees to pay two thousand dollars (\$2,000.00) in civil penalties. The penalty payment will be allocated in accordance with California Health and Safety Code §§ 25249.12(c)(1) & (d), with 75% of the penalty amount paid to the California Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty amount retained by EHA. MyForest Foods shall issue two separate checks for the initial civil penalty payment to (a) “OEHHA” and (b) Environmental Health Advocates, Inc. as follows:

3.2 Attorney Fees and Costs

The Parties reached an accord on the compensation due to EHA and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, MyForest Foods agrees to pay nineteen thousand dollars (\$19,000.00) to EHA and its counsel for all fees and costs incurred in investigating, bringing this matter to the attention of MyForest Foods, and negotiating a settlement. The nineteen thousand (\$19,000.00) is due fourteen (14) days after the Effective Date.

All payments required under this Section shall be made payable to Entorno Law, LLP and delivered to:

3.3 Tax Documentation

MyForest Foods agrees to provide a completed IRS 1099 for its payments to, and EHA agrees to provide IRS W-9 forms for, each of the payees under this Settlement Agreement. The

Parties acknowledge that MyForest Foods cannot issue any settlement payments pursuant to Section 3.1 and 3.2 above until after MyForest Foods receives the requisite W-9 forms from EHA's counsel.

4. CLAIMS COVERED AND RELEASED

4.1 EHA's Release of MyForest Foods

This Settlement Agreement is a full, final, and binding resolution of all claims between EHA, on its own behalf, and MyForest Foods for all claims that can or could have been asserted by EHA, on its own behalf, on behalf of its past and current agents, representatives, attorneys, successors and assignees, against (a) MyForest Foods; (b) MyForest Foods's parents, subsidiaries, affiliated entities under common ownership, successor companies, and their respective directors, officers, members, employees, attorneys, representatives, shareholders, agents; and (c) each and every supplier of any ingredient or any component of the Covered Products or packaging; and (d) any entity, including, but not limited to each entity to whom MyForest Foods directly or indirectly distributes or sells the Covered Products, including, but not limited to, its downstream distributors, wholesalers, customers, retailers, franchisees, cooperative members and licensees ("Releasees"), based on the failure to warn about exposures to cadmium required under Proposition 65 in the Covered Products manufactured, sold or distributed for sale in California by MyForest Foods before the Compliance Date, as alleged in the Notice, or for any other reason.

In further consideration of the promises and agreements herein contained, EHA on its own behalf, on behalf of its past and current agents, representatives, attorneys, successors and assignees hereby waives any and all rights it may have to institute or participate in, directly or indirectly, any form of legal action and releases all claims against MyForest Foods and Releasees including, without limitation, all actions and causes of action, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses or expenses including, but not exclusively, investigation fees, expert fees and attorney fees arising under Proposition 65 with respect to the alleged or actual failure to warn about exposures to cadmium required under Proposition 65 in the Covered Products manufactured, distributed, sold or offered for sale by MyForest Foods, before the Compliance

Date.

4.2 MyForest Foods's Release of EHA

MyForest Foods, on its own behalf and on behalf of its past and current agents, representatives, attorneys, successors, and assignees, hereby waives any and all claims against EHA and its attorneys and other representatives, for any and all actions taken or statements made by EHA and its attorneys and other representatives, whether in the course of investigating claims, otherwise seeking to enforce Proposition 65 against it in this matter, or with respect to the Covered Products.

4.3 California Civil Code Section 1542

It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Covered Products will develop or be discovered. EHA on behalf of itself only, on one hand, and MyForest Foods on behalf of itself only, on the other hand, acknowledge that this Settlement Agreement is expressly intended to cover and include all such claims up through the Effective Date. The Parties acknowledge that the claims released in Sections 4.1 and 4.2 may include unknown claims, and nevertheless waive California Civil Code section 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

EHA and MyForest Foods each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

5. PUBLIC BENEFIT

It is MyForest Foods's understanding that the commitments it has agreed to herein, and actions to be taken by MyForest Foods under this Settlement Agreement confer a significant

benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of MyForest Foods that to the extent any other private party serves a notice and/or initiates an action alleging a violation of Proposition 65 with respect to MyForest Foods's alleged failure to provide a warning concerning actual or alleged exposure to cadmium prior to use of the Covered Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Covered Products addressed in this Settlement Agreement, provided that MyForest Foods is in material compliance with this Settlement Agreement.

6. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any provision of this Settlement Agreement is held by a court to be unenforceable, the validity of the remaining provisions shall not be adversely affected.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California.

8. ENFORCEMENT

In any action to enforce the terms of this Settlement Agreement, the prevailing party shall be entitled to its reasonable attorneys' fees and costs.

9. NOTICE

Unless specified herein, all correspondence and notice required to be provided pursuant to this Settlement Agreement shall be in writing and sent by: (a) personal delivery; (b) first-class, registered or certified mail, return receipt requested; or (c) a recognized overnight courier on any Party by the other at the following addresses:

10. COUNTERPARTS; FACSIMILE SIGNATURES

This Settlement Agreement may be executed in counterparts and by facsimile or portable document format (PDF) signature, each of which shall be deemed an original, and all of which, when taken together, shall constitute one and the same document.
