

SETTLEMENT AND RELEASE AGREEMENT

1. INTRODUCTION

1.1. Clean Product Advocates, LLC and Burnette Foods, Inc.

This Settlement Agreement is entered into by and between Clean Products Advocates, LLC ("CPA"), on the one hand, and Burnette Foods, Inc. ("Burnette Foods"), on the other hand, with CPA and Burnette Foods collectively referred to as the "Parties."

1.2. General Allegations

CPA alleges that Burnette Foods manufactured and distributed and offered for sale in the State of California "Mothers Maid Apple Filling Or Topping" containing Lead, and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* and its implementing regulations ("Proposition 65"). California has identified and listed Lead under Proposition 65 as a chemical known to the State of California to cause cancer and birth defects or other reproductive harm.

1.3. Product Description

The products that are covered by this Settlement Agreement are defined as "Mothers Maid Apple Filling Or Topping" that Burnette Foods has manufactured, imported, sold, offered for sale or distributed in California (herein referred to as the "Products" or "Covered Products.").

1.4. Notice of Violation

On 01/23/2026 CPA served Burnette Foods; Dollar Tree Stores, Inc. and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled "60-Day Notice of Violation" ("Notice") that provided Burnette Foods and such public enforcers with notice that Burnette Foods was allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products could expose users in California to Lead. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

1.5. No Admission

The Parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning Burnette Foods's compliance with Proposition 65. Burnette Foods denies the material factual and legal allegations contained in CPA's Notice and maintains that all products that it has manufactured for sale and distribution in California, including the Products, have been and are in compliance with Proposition 65 or any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by Burnette Foods of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Burnette Foods of any fact, binding, conclusion, issue of law, or violation of law, such being

specifically denied by Burnette Foods on its behalf. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of Burnette Foods under this Settlement Agreement.

1.6. Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed. "Compliance Date" shall mean the date that is one hundred eighty (180) days after the Effective Date.

2. INJUNCTIVE RELIEF: REFORMULATION AND WARNINGS

As of the Effective Date, Burnette Foods, at its sole discretion, agrees to either (a) cease selling, offering for sale or distributing the Products in California, (b) manufacture, import, or otherwise source for authorized sale in California only Reformulated Products, as defined pursuant to Section 2.1 below, or (c) provide a clear and reasonable Proposition 65 warning on the Products pursuant to Section 2.2 below.

2.1. Reformulation Standards

The Products shall be deemed to comply with Proposition 65 with regard to Lead and be exempt from any Proposition 65 warning requirements for Lead in the Products if the exposure does not exceed 0.5 micrograms of Lead per day as calculated below ("Reformulated Products").

For the Purpose of this Agreement, the amount of Lead a person is exposed to from the Covered Product shall be calculated using the following formula: micrograms of Lead per gram of product, multiplied by grams of product per serving of the product (using the largest serving size appearing on the product label), multiplied by servings of the product per day (using the largest number of servings recommended on the product label), which equals micrograms of Lead exposure per day.

Products that were supplied or contracted to be supplied to third parties by Burnette Foods prior to the Compliance Date shall be deemed exempted from the requirements of this Section 2 and shall be permitted to be sold through as previously manufactured, packaged and labeled, and any such Products in the stream of commerce as of the Compliance Date may continue to be sold by Burnette Foods and its downstream distributors and retailers until such inventory is exhausted.

2.2. Warning Option

Products that do not meet the warning exemption standard set forth in Section 2.1 above shall be accompanied by a warning as described in Section 2.3 below. This warning requirement shall only be required as to Products that are manufactured, distributed, marketed, imported, sold, shipped for sale or offered for sale to consumers by Burnette Foods in the State of California on or after the Compliance Date. No Proposition 65 warning shall be required for any Products that are supplied or contracted to be supplied to third parties by Burnette Foods prior to the Compliance Date, and all such Products are hereby deemed to be exempt from Proposition 65 enforcement.

Any Products in the stream of commerce as of the Compliance Date may continue to be sold by Burnette Foods and its downstream distributors and retailers until such inventory is exhausted.

2.3. Warning Language

For purposes of this subsection, the warning is not prominently displayed if the purchaser must search for it in the general content of the website.

2.3.4. For internet purchases made before January 1, 2028, an authorized retail seller is not responsible under Section 25600.2(e)(4) for conspicuously posting or displaying the new warning online until 60 calendar days after the retailer receives a warning or a written notice under Section 25600.2(b) and (c) which updates a short-form warning compliant with Section 25603(c) with content compliant with Section 25603(b).

2.3.5 FOREIGN LANGUAGE - Where a sign, labeling, or label, as defined in Section 25600.1, is used to provide a warning that includes consumer information about a product in a language other than English, the warning must also be provided in that language in addition to English.
