SETTLEMENT AND RELEASE AGREEMENT

1. INTRODUCTION

1.1. Clean Product Advocates, LLC and Aldi Foods, Inc.

This Settlement Agreement is entered into by and between Clean Products Advocates, LLC ("CPA"), on the one hand, and ALDI, Inc. d/b/a ALDI Foods, Inc. (“ALDI”), on the other hand, with CPA and ALDI each individually referred to as a “Party” and collectively referred to as the "Parties."

1.2. General Allegations

CPA alleges that ALDI manufactured and distributed and offered for sale in the State of California certain products, specified in Section 1.3, below containing Cadmium and/or Lead , and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* ("Proposition 65"). California has identified and listed cadmium and lead under Proposition 65 as chemicals known to the State of California to cause cancer, birth defects, or other reproductive harm.

1.3. Product Description

The product covered by this Settlement Agreement is defined as “Specially Selected Crabs” (UPC# 4061463793034)” (the “Product” or “Covered Product”) that ALDI has manufactured, imported, sold, offered for sale or distributed in California.

1.4. Notice of Violation

On or about January 27, 2026 CPA served ALDI Foods, Inc.; ALDI, Inc. and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled "60-Day Notice of Violation" ("Notice") that provided ALDI and such public enforcers with notice that ALDI was allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed users in California to Cadmium and/or Lead. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

1.5. No Admission

The Parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning ALDI’s compliance with Proposition 65. ALDI denies the material factual and legal allegations contained in CPA’s Notice and maintains that all products that it has manufactured for sale and distribution in California, including the Products,

have been and are in compliance with Proposition 65 or any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by ALDI of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by ALDI of any fact, binding, conclusion, issue of law, or violation of law, such being specifically denied by ALDI on its behalf. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of ALDI under this Settlement Agreement.

1.6. Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

2. INJUNCTIVE RELIEF: REFORMULATION AND WARNINGS

As of the Effective Date, ALDI, at its sole discretion, agrees to either (a) cease selling, offering for sale or distributing the Products in California, (b) manufacture, import, or otherwise source for authorized sale in California only Reformulated Products, as defined pursuant to Section 2.1 below, or (c) provide a clear and reasonable Proposition 65 warning on the Products pursuant to Section 2.2 below.

2.1. Reformulation Standards

The Products shall be deemed to comply with Proposition 65 with regard to Cadmium and be exempt from any Proposition 65 warning requirements for Cadmium in the Products if the exposure does not exceed 4.1 micrograms of Cadmium per day as calculated below (“Reformulated Products”).

The Products shall be deemed to comply with Proposition 65 with regard to Lead and be exempt from any Proposition 65 warning requirements for Lead in the Products if the exposure does not exceed 0.5 micrograms of Lead per day as calculated below (“Reformulated Products”).

For purposes of this Agreement, a person’s daily exposure to Cadmium shall be calculated as follows: micrograms of Cadmium per gram of product, multiplied by the grams of product per serving (using the largest serving size stated on the product label), multiplied by the number of servings per day (using the highest number of servings recommended on the product label), which equals micrograms of Cadmium exposure per day.

For purposes of this Agreement, a person’s daily exposure to Lead shall be calculated in the same manner: micrograms of Lead per gram of product, multiplied by the grams of product per serving (using the largest serving size stated on the product label), multiplied by the number of servings per day (using the highest number of servings recommended on the product label), which equals micrograms of Lead exposure per day.

Products that were supplied or contracted to be supplied from third parties to ALDI prior to 12 months after the Effective Date, hereafter referred to as the "Compliance Date", shall be deemed exempted from the requirements of this Section 2 and shall be permitted to be sold through as previously manufactured, packaged and labeled.

2.2. Warning Option

Products that do not meet the warning exemption standard set forth in Section 2.1 above shall be accompanied by a warning as described in Section 2.3 below. This warning requirement shall only be required as to Products that are manufactured, distributed, marketed, imported, sold, shipped for sale or offered for sale to consumers by ALDI in the State of California. No Proposition 65 warning shall be required for any Products that are supplied or contracted to be supplied to third parties by ALDI prior to the Compliance Date, and all such Products are hereby deemed to be exempt from Proposition 65 enforcement.

2.3. General Warning Requirements

2.3.1. A clear and reasonable exposure Warning must be provided for Covered Product(s) that do not qualify as Reformulated Products under Section 2.1 and that ALDI distributes into the State of California after the Compliance Date. The Warning shall consist of the Standard Warning (under 2.3.1. (a)) as identified below, or the Short-Form Warning (under 2.3.1. (b)).

a. Standard Warning. The Standard Warning shall consist of the statement:

> **WARNING**: Consuming this product can expose you to chemicals including lead and cadmium, which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food

b. Short Form Warning.

WARNING: Risk of cancer and reproductive harm from exposure to lead and lead compounds. See www.P65Warnings.ca.gov/food.

or

WARNING: Can expose you to lead and lead compounds, a carcinogen and reproductive toxicant. See www.P65Warnings.ca.gov/food.

ALDI may, at its option, use the words "**CA WARNING:**" or "**CALIFORNIA WARNING:**" instead of the word "**WARNING:**".

The font size of the Short-Form warning must be a minimum of 6 points, and it cannot be smaller than the largest size font used for Consumer Information.

c. Changes in Warning Regulations or Statutes

The warning requirements set forth herein are recognized by the Parties as not being the exclusive manner of providing a warning for the Products. Warnings may be provided as specified in the Prop. 65 regulations, in effect as of the Effective Date and/or as amended in the future. In the event that the State of California and/or the Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting warning text and/or methods of transmission different than those set forth above, ALDI shall be entitled to use, at its discretion, such other warning text and/or method of transmission without being deemed in breach of this Settlement Agreement. If regulations or legislation are enacted or issued providing that a Proposition 65 warning for the Products is no longer required, a lack of warning will not thereafter be a breach of this Settlement Agreement.

Warning language on products manufactured on or after **January 1, 2028** must use the Short-Form Warning requirements outlined in Section 25603(b)(3) and must include at least one chemical name for each applicable endpoint (cancer and/or reproductive toxicity).

2.3.2. Label or Shelf Tag Warning. The Standard Warning provided pursuant to Section 2.3 must:

a. contain the word "**WARNING**:" or the words "**CA WARNING:**" or "**CALIFORNIA WARNING:**" in all capital letters, in bold font, followed by a colon;
b. be affixed to or printed on the Products' label, or on a placard, shelf tag, sign or electronic device;
c. be displayed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase or use;
d. be set off from other surrounding information;
e. be enclosed in a box with a black, bold border.

2.3.3. Online/Internet Warning. If ALDI sells a Covered Product via internet websites to customers located in California, a warning meets the requirements of this subarticle if it complies with the content requirements of Section 25603 and the warning must also be provided using one or more of the following methods:

(a) a warning on the product display page, or

(b) a clearly marked hyperlink using the word "**WARNING**" or the words "**CA WARNING**" or "**CALIFORNIA WARNING**" on the product display page that links to the warning, or

(c) an otherwise prominently displayed warning provided to the purchaser prior to completing the purchase. If the warning is provided using the short-form warning label content pursuant to Section 25602(a)(4), the warning provided on the website may use the same content. For purposes of this subsection, the warning is not prominently displayed if the purchaser must search for it in the general content of the website.

2.3.4. For internet purchases made before January 1, 2028, a retail seller is not responsible under Section 25600.2(e)(4) for conspicuously posting or displaying the new warning online until 60 calendar days after the retailer receives a warning or a written notice under Section 25600.2(b) and (c) which updates a short-form warning compliant with Section 25603(c) with content compliant with Section 25603(b).

2.3.5 FOREIGN LANGUAGE - Where a sign, labeling, or label, as defined in Section 25600.1, is used to provide a warning that includes consumer information about a product in a language other than English, the warning must also be provided in that language in addition to English.
