

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 The Parties. This Settlement Agreement is entered into by and between Gabriel Espinoza (“Espinoza”) and Hakubaku USA, Inc. (“Hakubaku”). Together, Espinoza and Hakubaku are collectively referred to as the “Parties.” Espinoza is an individual who resides in the State of California, and seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer products. Espinoza alleges that Hakubaku is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, Health & Safety Code § 25249.6, et seq. (“Proposition 65”).

1.2 General Allegations. Espinoza alleges that Hakubaku has exposed individuals to lead from its sales of Hakubaku miso ramens, UPC # 8 60007 84305 1 without first providing users and consumers of the product with a clear and reasonable health hazard exposure warning as required pursuant to Proposition 65. Lead is listed pursuant to Proposition 65 as a chemical known to the State of California to cause cancer and birth defects or other reproductive harm.

1.3 Product Description. The products covered by this Settlement Agreement are Hakubaku miso ramens, UPC # 8 60007 84305 1 (the “Products”) that have been imported, distributed, offered for sale and/or sold in California by Hakubaku that expose consumers to lead.

1.4 Notice of Violation. On January 29, 2026, Espinoza served World Market, LLC, Cost Plus World Market, LLC, World Market Management Services, LLC (collectively “World Market”), Hakubaku, and various public enforcement agencies with a document entitled “Notice of Violation of California Health & Safety Code § 25249.6, et seq.” (the “Notice”). The Notice provided Hakubaku, and such others, including public enforcers, with notice that alleged that Hakubaku was in violation of California Health & Safety Code § 25249.6, for failing to warn California consumers and customers that use of the Products will expose them to lead. No public enforcer has diligently prosecuted the allegations set forth in the Notice.

1.5 No Admission. Hakubaku denies the material factual and legal allegations contained in the Notice and maintains that, to the best of its knowledge, all products that are or have been sold and distributed in California, including the Products, have been and are in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Hakubaku of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Hakubaku of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Hakubaku. However, this § 1.5 shall not diminish or otherwise affect the obligations, responsibilities and duties under this Settlement Agreement. Notwithstanding the allegations in the Notice, Hakubaku maintains that it has not knowingly manufactured, or caused to be manufactured, the Products for sale in California in violation of Proposition 65.

1.6 Effective Date. For purposes of this Settlement Agreement, the term “Effective Date” shall mean the date this Agreement is last executed by the Parties.

2. INJUNCTIVE RELIEF: REFORMULATION AND/OR WARNINGS

2.1 Reformulation of Products. Commencing within ninety (90) days after the Effective Date, and continuing thereafter, Products that Hakubaku directly manufactures, imports, distributes, sells, or offers for sale in California shall either be: (a) in compliance with Proposition 65; (b) reformulated Products pursuant to § 2.2, below; or (c) labeled with a clear and reasonable exposure warning pursuant to §§ 2.3 - 2.4, below. For purposes of this Settlement Agreement, a “Reformulated Product” is a Product that is in compliance with the standard set forth in § 2.2, below. The warning requirement set forth in §§ 2.3 - 2.4 shall not apply to any Reformulated Product.

2.2 Reformulation Standard. “Reformulated Products” shall mean Products that expose a person to an exposure level of no more than 0.5 micrograms of lead per day. For the purpose of this Agreement, the amount of lead a person is exposed to from a Product shall be calculated using the following formula: micrograms of lead per gram of Product, multiplied by grams of Product per serving size of the Product (using the largest serving size appearing on the Product label), multiplied by servings of the Product per day (using the largest number of servings in a recommended dosage

appearing on the label), which equates to micrograms of lead exposure per day. If the Product label contains no recommended daily servings, then the number of recommended daily servings shall be one (1).

2.3 Clear and Reasonable Warning. Commencing within 90 days after the Effective Date, and continuing thereafter, a clear and reasonable exposure warning as set forth in this §§ 2.3 and 2.4 must be provided for all Products that Hakubaku manufacturers, imports, distributes, sells, or offers for sale in California that is not a Reformulated Product or otherwise in compliance with Proposition 65. There shall be no obligation for Hakubaku to provide an exposure warning for Products that entered the stream of commerce within 90 days after the Effective Date. The warning shall consist of either the **Warning** or **Alternative Warning** described in §§ 2.3(a) or (b), respectively:

(a) **Warning.** The “Warning” shall consist of the statement:

CA WARNING: Consuming this product can expose you to chemicals including lead, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food.

(b) **Alternative Warning:** Hakubaku may, but is not required to, use the alternative short-form warning as set forth in this § 2.3(b) (“**Alternative Warning**”) as follows:

CA WARNING: Risk of cancer and reproductive harm from exposure to lead. See www.P65Warnings.ca.gov/food.

2.4 A Warning or Alternative Warning provided pursuant to § 2.3 must print the word “**WARNING:**” in all capital letters and in bold font, followed by a colon. The **Warning** or **Alternative Warning** shall be affixed to or printed on the Products’ packaging or labeling, or on a placard, shelf tag, sign or electronic device or automatic process only if such electronic device or automatic process provides the **Warning** or **Alternative Warning** without the purchaser having to seek it out, provided that the **Warning** or **Alternative Warning** is displayed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase or use. A **Warning** or **Alternative Warning** provided via an electronic device or automatic process does not apply to

internet purchases, which are subject to the provisions of Section 25602(b). The **Warning** or **Alternative Warning** may be contained in the same section of the packaging, labeling, or instruction booklet that states other safety warnings, if any, concerning the use of the Product and shall be at least the same size as those other safety warnings. Where the **Warning** or **Alternative Warning** is provided on the food product label, it must be set off from other surrounding information, and Hakubaku shall enclose the **Warning** or **Alternative Warning** in a black box and comply with the content requirements specified in Section 25607.2. If “consumer information,” as that term is defined in Title 27, California Code of Regulations, Section 25600.1(c) as it may be amended from time to time, is provided in a foreign language, Hakubaku shall provide the **Warning** or **Alternative Warning** in the foreign language in accordance with applicable warning regulations adopted by the State of California’s Office of Environmental Health Hazard Assessment (“OEHHA”).

In addition to affixing the **Warning** or **Alternative Warning** to the Product’s packaging or labeling, the **Warning** or **Alternative Warning** shall be posted on websites where Hakubaku offers Products for sale to consumers in California. The requirements of this Section shall be satisfied if the **Warning** or **Alternative Warning**, or a clearly marked hyperlink using the word “**WARNING**,” appears on the product display page, or by otherwise prominently displaying the warning to the purchaser prior to completing the purchase. To comply with this Section, Hakubaku shall (a) post the **Warning** or **Alternative Warning** on its own website and, if it has the ability to do so, on the websites of its third-party internet sellers; and (b) if it does not have the ability to post the **Warning** or **Alternative Warning** on the websites of third-party internet sellers, provide direct resellers with written notice in accordance with Title 27, California Code of Regulations, Section 25600.2. Third-party internet sellers of the Product that have been provided with written notice in accordance with Title 27, California Code of Regulations, Section 25600.2 are not released in Section 5 of this Agreement if they fail to meet the warning requirements of this Section.

2.5 Compliance with Warning Regulations. The Parties agree that Hakubaku shall be deemed to be in compliance with this Settlement Agreement by either adhering to § 2 of this

Settlement Agreement or by complying with warning regulations adopted by the State of California's OEHHA applicable to the Product and the exposure at issue.

3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE § 25249.7(b)

In settlement of all the claims referred to in this Settlement Agreement, Hakubaku shall pay \$1,000.00 as a Civil Penalty in accordance with this Section. The Civil Penalty payment shall be allocated in accordance with California Health & Safety Code §§ 25249.12(c)(1) and (d), with 75% of the Penalty remitted to OEHHA and the remaining 25% of the Penalty remitted to Espinoza. The Civil Penalty payment(s) shall be delivered to the addresses identified in § 3.2, below

3.1 Civil Penalty. Within thirty (30) calendar days of the Effective Date, Hakubaku shall issue two (2) separate checks for the Civil Penalty payment to (a) "OEHHA" in the amount of \$750.00; and to (b) "Gabriel Espinoza" in the amount of \$250.00. 4. **REIMBURSEMENT OF FEES AND COSTS**

The Parties acknowledge that Espinoza and his counsel offered to reach preliminary agreement on the material terms of this dispute before reaching terms on the amount of fees and costs to be reimbursed to them. The Parties thereafter reached an accord on the compensation due to Espinoza and his counsel under general contract principles and the private attorney general doctrine and principles codified at California Code of Civil Procedure § 1021.5, for all work performed through the mutual execution of this agreement. Under these legal principles, Hakubaku shall reimburse Espinoza's counsel for fees and costs incurred as a result of investigating and bringing this matter to the attention of Hakubaku, and negotiating a settlement in the public interest. Within thirty (30)

calendar days of the Effective Date, Hakubaku shall issue a check payable to “Brodsky Smith” in the amount of \$18,500.00 for delivery to the address identified in § 3.2(a)(i), above.

5. RELEASE OF ALL CLAIMS

5.1 Release of Hakubaku and Downstream Customers and Entities. This Settlement Agreement is a full, final and binding resolution between Espinoza, acting on his own behalf, and Hakubaku, of any violation of Proposition 65 that was or could have been asserted by Espinoza or on behalf of his past and current agents, representatives, attorneys, successors, and/or assigns (“Releasers”) for failure to provide warnings for alleged exposures to lead from use of the Products, and Releasers hereby release any such claims against Hakubaku and its parents, subsidiaries, affiliated entities, shareholders, marketplaces, directors, officers, agents, employees, attorneys, successors and assignees, and each entity to whom Hakubaku directly or indirectly distributes or sells the Products, including but not limited to, upstream suppliers, downstream distributors, wholesalers, customers, retailers, including but not limited to World Market, its respective subsidiaries, affiliates and parents, franchisees, cooperative members and licensees (collectively, the “Releasees”), from all claims for violations of Proposition 65 before the Effective Date or within 90 days after the Effective Date based on exposure to lead from use of the Products.

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to §§ 3 and 4 above, Espinoza, on behalf of himself, his past and current agents, representatives, attorneys, successors and/or assignees, hereby covenants not to sue and waives any right to institute, participate in, directly or indirectly, any form of legal action and releases all claims that he may have, including without limitation, all actions and causes of action in law and in equity, all obligations, expenses (including without limitation all attorneys’ fees, expert fees, and investigation fees, and costs), damages, losses, liabilities and demands against any of the Releasees of any nature, character, or kind, whether known or unknown, suspected or unsuspected, limited to and arising out of the alleged or actual exposure to lead from use of the Products.

5.2 Hakubaku’s Release of Espinoza. Hakubaku, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waives any and all claims

against Espinoza, his attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Espinoza and/or his attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter or with respect to exposure to lead from the Products.

5.3 California Civil Code § 1542. It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Products will develop or be discovered. Espinoza on behalf of himself only, on one hand, and Hakubaku, on the other hand, acknowledge that this Agreement is expressly intended to cover and include all such claims up through 90 days after the Effective Date, including all rights of action therefor. The Parties acknowledge that the claims released in §§ 5.1 and 5.2, above, may include unknown claims, and nevertheless waive California Civil Code § 1542 as to any such unknown claims. California Civil Code § 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Espinoza and Hakubaku each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

5.4 Deemed Compliance with Proposition 65. The Parties agree that compliance by Hakubaku with this Settlement Agreement constitutes compliance with Proposition 65 with respect to exposure to lead from use of the Products.

5.5 Safe Harbor. Espinoza shall not file any action against Hakubaku for ninety (90) days following the Effective Date of this Agreement, to allow Hakubaku sufficient time to evaluate any corrective action to address Espinoza's claims. Hakubaku affirms and Espinoza and his counsel acknowledge that nothing in this Agreement shall require Hakubaku to modify the packaging, marketing, advertising or labeling of any of Hakubaku's products, including without limitation the Products.

5.6 Certification of Non-Existence of Claims by Espinoza. Espinoza represents and warrants that he is the sole party entitled to settle the claims that are the subject of the Notice and, except for the claims articulated in the above-referenced Notice, Espinoza does not have any other claims or any other charges, lawsuits, or claims of any kind against the Releasees. Espinoza further represents and warrants that, except for the claims articulated in the above-referenced Notice, he is not aware of any individuals who have contacted or retained Espinoza or his counsel to discuss, contemplate, or commence litigation or any other proceedings against any of the Releasees, or who have expressed interest in commencing litigation or any other proceedings against any of the Releasees.

5.7 Certification of Non-Existence of Claims by Counsel. Brodsky & Smith (i) has not been retained by any other person or entity with claims against Hakubaku concerning alleged violations of Proposition 65; (ii) is unaware of any other person or entity who has or may have claims, or who intends to bring any claim, against Hakubaku concerning alleged violations of Proposition 65 relating to the Products; (iii) is unaware of any other attorney who intends to bring a claim against Hakubaku concerning alleged violations of Proposition 65 relating to this or other Hakubaku products (outside the Notice that may have been issued and made public on the Proposition 65 website where constructive notice may be implied), (iv) does not currently intend to bring any other claim against Hakubaku concerning this or other Hakubaku products; and (v) has no present intent to encourage any other person or entity to contact any other attorney regarding any claims against Hakubaku concerning this or other Hakubaku products. For the avoidance of doubt, the above representations are intended to comply with ER 5.6 of the California Rules of Professional Conduct and are not intended to, nor shall they be construed to, restrict Brodsky Smith from practicing law.

6. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any of the provisions of this Settlement Agreement, other than the releases contained in §§ 5.1 and 5.2 hereof, are deemed by a court to be unenforceable, the validity of the enforceable provisions remaining shall not be adversely affected but only to the extent the deletion of the provision deemed unenforceable does not materially

affect, or otherwise result in the effect of the Settlement Agreement being contrary to the intent of the Parties in entering into this Settlement Agreement.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the law of the State of California and apply within the State of California.
