

## SETTLEMENT AGREEMENT

### **1. INTRODUCTION**

#### **1.1 Parties**

This Settlement Agreement is entered into by and between CalSafe Research Center, Inc. ("CRC"), on the one hand, and True Nutrition Company, a California corporation ("True Nutrition") on the other hand, with CRC and True Nutrition each individually referred to as a "Party" and collectively as the "Parties."

#### **1.2 General Allegations**

CRC alleges that True Nutrition sells and/or distributes in California certain products, specified in Section 1.3 below, containing lead without a warning as required by Health and Safety Code §§ 25249.5 *et seq.* ("Proposition 65"). Lead is listed pursuant to Proposition 65 as a chemical known to cause cancer and birth defects or other reproductive harm. True Nutrition denies these allegations.

#### **1.3 Product Descriptions**

The product covered by this Settlement Agreement is defined as, and expressly limited to "Nanowell, Bitter Melon Concentrated Mix (UPC# 601955533164)" (the "Product") that contains lead and that is manufactured, sold or distributed for sale in California by True Nutrition.

#### **1.4 Notice of Violation**

On February 6, 2026, CRC served a 60-Day Notice of Violation ("the Notice") on True Nutrition, the California Attorney General and the other requisite public enforcers, alleging that True Nutrition and others violated Proposition 65 when they failed to warn consumers in California of the alleged exposures to lead from the Product.

To the best of the Parties' knowledge, no public enforcer has commenced and is diligently prosecuting an action to enforce the violations alleged in the Notice.

#### **1.5 No Admission**

True Nutrition denies the material, factual and legal allegations in the Notice and maintains that all of the products it sold and/or distributed for sale in California, including the Product, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by True Nutrition or any of its officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, customers, suppliers, distributors, wholesalers, or retailers of any fact, finding, conclusion, issue of law or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by True Nutrition or any of its officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, customers, suppliers, distributors, wholesalers, or retailers of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by True Nutrition. This Section shall not, however, diminish or otherwise affect True Nutrition's obligations, responsibilities, and duties under this Settlement Agreement.

#### **1.6 Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

## 2. INJUNCTIVE RELIEF

### 2.1 Clear and Reasonable Warnings

Beginning on the Effective Date, True Nutrition shall be permanently enjoined from manufacturing for sale in the State of California, "Distributing into the State of California," or directly selling in the State of California, the Product that exposes a person to an exposure level of more than 0.5 micrograms of lead per day, calculated based on the maximum number of servings per day recommended on the label of the Product, unless it meets the warning requirements under Section 2.2.

As used in this Settlement Agreement, the term "Distributing into the State of California" shall mean to directly ship the Product into California for sale in California or to sell the Product to a distributor that True Nutrition knows or has reason to know will sell the Product in California.

### 2.2 General Warning Requirements

True Nutrition agrees that each warning shall be prominently placed with such conspicuousness, as compared with other words, statements, designs, or devices, as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user understands to which *specific* Product the warning applies, so as to minimize the risk of consumer confusion.

For the purposes of this Settlement Agreement, a clear and reasonable warning for the Product shall consist of a warning affixed to the packaging, label, tag, or directly to each of the Product sold or distributed in California by True Nutrition that contains one of the following statements:

- 1) **WARNING:** Consuming this product can expose you to lead, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov/food](http://www.P65Warnings.ca.gov/food).

True Nutrition may, at its option, use the words "**CA WARNING:**" or "**CALIFORNIA WARNING:**" instead of the word "**WARNING:**".

- 2) **WARNING:** Risk of cancer and reproductive harm from exposure to lead. See [www.P65Warnings.ca.gov/food](http://www.P65Warnings.ca.gov/food).

or

**WARNING:** Can expose you to lead, a carcinogen and reproductive toxicant. See [www.P65Warnings.ca.gov/food](http://www.P65Warnings.ca.gov/food).

True Nutrition may, at its option, use the words "**CA WARNING:**" or "**CALIFORNIA WARNING:**" instead of the word "**WARNING:**".

The warning shall be offset in a box with black outline.

For internet purchases, the warning must also be provided by including either the warning or a clearly marked hyperlink using the word "**WARNING**" or "**CA WARNING**" or "**CALIFORNIA WARNING**" on the Product display page, or by otherwise prominently displaying the warning to the

purchaser prior to completing the purchase.

For Product that True Nutrition provides for a downstream entity to sell on the internet, True Nutrition shall include an instruction that the entity comply with the warning requirements of this section.

Where a consumer product sign, label or shelf tag used to provide a warning includes consumer information in language(s) other than English, the warning must also be provided in the other language(s) in addition to English.

(i) Changes in Warning Regulations or Statutes

In the event that the Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting warning text and/or methods of transmission different than those set forth above, True Nutrition shall be entitled to use, at its discretion, such other warning text and/or method of transmission without being deemed in breach of this Settlement Agreement. If regulations or legislation are enacted or issued providing that a Proposition 65 warning for the Product is no longer required, a lack of warning will not thereafter be a breach of this Settlement Agreement.

**2.3 Grace Period for Existing Inventory of Products**

The injunctive requirements of Section 2 shall not apply to Product that is already in the stream of commerce as of the Effective Date, which Product is expressly subject to the releases provided in Section 4.1.

**3. MONETARY SETTLEMENT TERMS**

**3.1 Total Settlement Payment**

In full satisfaction of all potential civil penalties, attorneys' fees, and costs, True Nutrition shall make a total settlement payment of Fifteen Thousand Dollars (**\$15,000.00**) ("Total Settlement Amount"). The Total Settlement Amount shall be apportioned into a Civil Penalty and Attorney's Fees and Costs as set forth in Sections 3.2 and 3.3 below. The Total Settlement Amount shall be paid in five (5) equal monthly installments of Three Thousand Dollars (\$3,000.00) each: the first installment shall be due within fourteen (14) days of the Effective Date, and the remaining four (4) installments shall be due within thirty (30), sixty (60), ninety (90), and one hundred twenty (120) days of the first installment, respectively.

**3.2 Civil Penalty Payment**

Pursuant to Health and Safety Code§ 25249.7(b)(2), and in settlement of all claims alleged in the Notice or referred to in this Settlement Agreement, True Nutrition agrees to pay One Thousand Five Hundred Dollars (**\$1,500.00**) in civil penalties. The penalty payment will be allocated in accordance with California Health and Safety Code§§ 25249.12(c)(1) & (d), with 75% of the penalty amount paid to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty amount retained by CRC. Within ten (10) days of the Effective Date, True Nutrition shall issue a check to "OEHHA" in the amount of One Thousand One Hundred Twenty-Five Dollars (**\$1,125.00**) and shall, pursuant to the instructions below, wire to CRC the amount of Three Hundred Seventy-Five Dollars (**\$375.00**).

The Parties acknowledge that True Nutrition cannot issue any settlement payments pursuant to Section 3 above until after True Nutrition receives the requisite W-9 forms from CRC's counsel.

## **4. CLAIMS COVERED AND RELEASED**

### **4.1 CRC's Release of True Nutrition**

CRC, acting on its own behalf and not on behalf of the public, fully releases and discharges True Nutrition and its respective officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, downstream customers, downstream suppliers, downstream distributors (the "True Nutrition Releasees") and all entities to which True Nutrition Releasees directly or indirectly distribute or sell the Product, and any other distributors, wholesalers, customers, retailers, franchisees, licensors, and licensees, (collectively, the "Released Parties" and individually, a "Released Party"). CRC, on behalf of itself and its officers, directors, shareholders, employees, agents, parent companies, subsidiaries and divisions hereby fully releases and discharges the Released Parties from any and all claims, actions, causes of action, suits, demands, liabilities, damages, penalties, fees, costs, and expenses asserted, or that could have been asserted based on or related to the handling, use, sale, distribution or consumption of the Product in California, as to any alleged violation of Proposition 65 or its implementing regulations in relation to the Product, including without limitation any failure to provide Proposition 65 warnings on the Product with respect to exposures to lead.

CRC and True Nutrition acknowledge that the claims released in Sections 4.1 and 4.2 above may include unknown claims, and nevertheless waive California Civil Code section 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.
