

PROPOSITION 65 SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 The Parties

This Settlement Agreement (“**Agreement**”) is entered into by and between Blue Sky Forever (“**BSF**”) and CCS Switch, LLC (“**CCS**”), with BSF and CCS each individually referred to as a “**Party**” and, collectively, the “**Parties.**” BSF is a California-based non-profit organization proceeding in the public interest pursuant to California Health & Safety Code § 25249.7(d) to ensure that chemicals known to the State of California to cause cancer, birth defects or other reproductive harm are disclosed in or eliminated from consumer products sold in California. CCS is a person in the course of doing business for purposes of California Health & Safety Code § 25249.11(b).

1.2 Consumer Product Description

BSF alleges that CCS manufactures, imports, sells, and distributes for sale in California wallets with vinyl components containing di(2-ethylhexyl)phthalate (“**DEHP**”) including, but not limited to, *CCS Cheap Skates Chain Wallet – Black, SKU: BQ7F821*, without providing the health hazard warning that BSF alleges is required by California Health & Safety Code § 25249.5 *et seq.* (“**Proposition 65**”). Wallets with vinyl components are referred to collectively hereinafter as the “**Products.**” DEHP is listed pursuant to Proposition 65 as a chemical known to the State of California to cause cancer and birth defects or other reproductive harm.

1.3 Notice of Violation

On February 10, 2026, BSF served CCS, the California Attorney General, and the requisite public enforcement agencies with a 60-Day Notice of Violation (“**Notice**”), alleging CCS violated Proposition 65 by failing to warn its customers and consumers in California that its Products can expose users to DEHP. No public enforcer has commenced and is diligently prosecuting an action to enforce the allegations in the Notice.

1.4 No Admission

CCS denies the factual and legal allegations contained in the Notice and maintains that all products it has sold or distributed for sale in California, including the Products, have been, and are, in compliance with all laws. Nothing in this Agreement shall constitute or be construed as, nor shall compliance with this Agreement constitute or be construed as, an admission by CCS of any fact, finding, conclusion of law, issue of law, or violation of law. This section shall not, however, diminish or otherwise affect CCS's obligations, responsibilities, and duties under this Agreement.

1.5 Effective Date

For purposes of this Agreement, "**Effective Date**" shall mean the date this Agreement is fully executed by all Parties.

2. INJUNCTIVE RELIEF: REFORMULATION OR WARNINGS

2.1 Commitment to Reformulate or Warn

Commencing on the Effective Date and continuing thereafter, all Products CCS manufactures, imports, sells, ships, or distributes for sale in or into California, directly or through one or more third party retailers or e-commerce marketplaces, shall meet the Reformulation Standard for Reformulated Products, as defined by Section 2.2, or be accompanied by a clear and reasonable warning pursuant to Section 2.3.

2.2 Reformulation Standard

For purposes of this Agreement, "Reformulated Products" are defined as Products which, if they contain DEHP, contain such chemical in a maximum concentration of less than 0.1 percent (1,000 parts per million) when analyzed by a laboratory certified or accredited by the State of California, the United States Food and Drug Administration/Environmental Protection Agency, the National Environmental Laboratory Accreditation Program, or a member accreditation body of the International Laboratory Accreditation Cooperation. For purposes of compliance with this reformulation standard, testing samples shall be prepared and extracted using Consumer Product Safety Commission ("CPSC") methodology CPSC-CH-C1001.09.3 and analyzed using U.S. Environmental Protection Agency methodology 8270D, or

other methodologies utilized by federal or state government agencies to determine phthalate content in a solid substance.

2.3 Clear and Reasonable Warnings

Commencing by the Effective Date, CCS shall provide clear and reasonable warnings for all Products, that are not Reformulated Products, provided for sale to customers in or into the State of California in accordance with this Section pursuant to Title 27 California Code of Regulations § 25600, et seq. Each warning shall be prominently placed with such conspicuousness as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use and shall be provided in a manner such that it clearly associated with the specific Products to which the warning applies.

3.1 Civil Penalty

Pursuant to Health and Safety Code § 25249.7(b), CCS agrees to pay a civil penalty of \$2,500 within five (5) business days of the Effective Date. CCS's civil penalty payment will be allocated according to Health and Safety Code §§ 25249.12(c)(1) and (d), with seventy-five percent (75%) of the penalty paid to the California Office of Environmental Health Hazard Assessment (“**OEHHA**”), and the remaining twenty-five percent (25%) retained by BSF. CCS shall issue its payment in two checks made payable to: (a) “OEHHA” in the amount of \$1,875; and (b) “Seven Hills LLP in Trust for Blue Sky Forever” in the amount of \$625. BSF's counsel shall deliver to OEHHA and BSF their respective portion of the penalty payment.

3.2 Reimbursement of Attorneys' Fees and Costs

BSF and its counsel offered to resolve the allegations in the Notice without reaching terms on the amount of reimbursement of attorneys' fees and costs. Shortly after the Parties finalized the other material settlement terms, they negotiated and reached an accord on the amount of reimbursement to be paid to BSF's counsel, under general contract principles and the private attorney general doctrine, codified at California Code of Civil Procedure § 1021.5, for all work performed through the mutual execution and reporting of this Agreement to the Office of the California Attorney General.

CCS shall pay a total sum of \$16,000 for all fees and other costs incurred investigating, bringing this matter to CCS's attention, negotiating a settlement in the public interest, and reporting its terms to Office of the California Attorney General pursuant to Section 9. The

attorneys' fees and costs payments shall be made as detailed in subsection (a) and shall be deposited according to the schedule detailed there and subject to its terms.

(a) Attorneys' Fees & Costs: Installment Agreement Terms & Timing

CCS agrees to provide all attorneys' fees and costs payments due under this Agreement within five (5) business days of the Effective Date. The Parties agree the payment of attorneys' fees and costs, totaling \$16,000, shall be broken into four even installment payments of \$4,000. All payments under this Section shall be made in the form of individual checks payable to "Seven Hills LLP" and delivered to the address below, in Section 3.3. Seven Hills LLP will deposit the initial payment of \$4,000 upon receipt. Seven Hills LLP agrees to hold the remaining three installment payments of \$4,000 and deposit the second payment approximately 30 days after the first payment, the third payment approximately 30 days after the second payment, and the fourth payment approximately 30 days after the third payment.

CCS agrees and understands, should any installment payment due under this Section or this Agreement fail due to insufficient funds, BSF shall advise CCS in the manner set forth in Section 7, and will provide CCS ten (10) business days, calculated from the date notice is provided, to cure any non-compliance under this Agreement, pursuant to this Section, before any remaining payments become due and payable. In the event Seven Hills LLP incurs fees for any returned checks, CCS agrees to reimburse BSF's counsel for such fees.

CCS acknowledges that, until the last installment payment is deposited and clears with sufficient funds, BSF reserves the right to institute a proceeding under Proposition 65, including the filing of a complaint based on the allegations in the Notice, a suit based on breach of or failure to perform under a contract, or any other remedy allowable under law. In the event any such action is brought, CCS retains all defenses and does not hereby waive any potential defenses.

4. CLAIMS COVERED AND RELEASED

4.1 BSF's Release of CCS

This Agreement is a full, final and binding resolution between BSF, as an individual and *not* on behalf of the public, and CCS, of any violation of Proposition 65 that was or could have been asserted by BSF on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees, against CCS and each entity to whom CCS directly or indirectly distributes or sells Products, including, but not limited to, Daddies Board Shop, LLC, Orange Tape, LLC, downstream distributors, wholesalers, customers, retailers, franchisees, cooperative members, and licensees (collectively, "**Releasees**"), based on their failure to warn under Proposition 65 about alleged exposures to DEHP contained in the Products that were manufactured, distributed, sold and/or offered for sale by CCS in California before the Effective Date, as alleged in the Notice.

In further consideration of the promises and agreements herein contained, BSF as an individual and *not* on behalf of the public, on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives all of BSF's rights to institute or participate in, directly or indirectly, any form of legal action and releases all claims that BSF may have, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses including, but not exclusively, investigation fees, expert fees, and attorneys' fees arising under Proposition 65 with respect to DEHP in the Products manufactured, distributed, sold and/or offered for sale by CCS, before the Effective Date (collectively, "**Claims**"), against CCS and Releasees.

The Parties further understand and agree that this Section 4.1 release shall neither extend (a) upstream to any entities that manufactured the Products or any component parts thereof, or any distributors or suppliers who sold the Products or any component parts thereof to CCS, nor (b) to Releasees who have been instructed by CCS pursuant to Section 2.3(d) to provide a warning on Products that are not Reformulated Products and have failed to do so. Nothing in this Section affects BSF's right to commence or prosecute an action under Proposition 65 against a Releasee that does not involve CCS's Products.

4.2 CCS's Release of BSF

CCS, on behalf of itself, its past and current agents, representatives, attorneys, successors, and assignees, hereby waives any and all claims against BSF and its attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by BSF and its attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter with respect to the Products.
