

SETTLEMENT AGREEMENT

AG Notice No. 2026-00851

1. INTRODUCTION

1.1 Epps and Treasury Wine Estates Americas Company

This settlement agreement (Settlement Agreement) is entered into by and between Jay Epps and Treasury Wine Estates Americas Company (“Settling Entity” or “TWE”) with Epps and the Settling Entity referred to as the “Parties.”

Epps is an individual residing in California who seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer products. TWE employs ten or more persons. Epps alleges that TWE is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code §§25249.5, *et seq.* (Proposition 65).

1.2 General Allegations

Epps alleges that the Settling Entity distributes, retails, sells and/or otherwise facilitates for sale online in California the products defined in subsection 1.3 below, and that it does so without providing the online health hazard warning he contends is required by Proposition 65 for consumer exposures to ethyl alcohol in alcoholic beverages. Ethyl alcohol in alcoholic beverages is listed pursuant to Proposition 65 as a chemical known to the State of California to cause developmental harm.

1.3 Product Description

The products covered by this Settlement Agreement are alcoholic beverages, containing ethyl alcohol which were offered for sale or were shipped or made available for curbside pick-up

at a California retail location through bvwines.com and other e-commerce platforms under the control of TWE, hereinafter the “Product” or “Products.”

1.4 Notice of Violation

On February 23, 2026, Epps served the Settling Entity and certain requisite public enforcement agencies with a 60-Day Notice of Violation (Notice) alleging that TWE violated Proposition 65 when it failed to warn Customers that certain alcoholic beverages expose users to ethyl alcohol. To the best of the Parties’ knowledge, no public enforcer has commenced and is diligently prosecuting the allegations set forth in the Notice.

1.5 No Admission

The Settling Entity denies the material, factual and legal allegations contained in the Notice and maintains that all Products sold on bvwines.com and other e-commerce platforms under the control of TWE, have been and are in compliance with all laws. Nothing in this Settlement Agreement shall be construed as either a waiver or admission by the Settling Entity of any fact, finding, conclusion of law, issue of law, or violation of law, in this or any other matter, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by the Settling Entity of any fact, finding, conclusion of law, issue of law, or violation of law, the same being specifically denied by TWE. This Settlement Agreement is the product of negotiation and compromise and is accepted by Settling Entity solely for purposes of settling, compromising and resolving issues disputed in the Notice. This subsection shall not, however, diminish or otherwise affect the obligations, responsibilities, and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term “Effective Date” shall mean June 2, 2026. The term “Compliance Date” shall refer to September 30, 2026.

2. INJUNCTIVE RELIEF: WARNINGS

2.1 Injunctive Relief

Pursuant to the terms set forth below, with respect to Products sold in California, the Settling Entity, at its option, agrees to: (a) provide clear and reasonable Proposition 65 warnings for the Products as set forth in subsection 2.2; or (b) cease selling the Products for shipment to a California address or for curbside pick-up at a California retail location, and/or delist the Products from sale as set forth in Section 2.3. The Parties understand and agree that some Products may appear online that contain no warning, but are not available for sale to California consumers (i.e., sales cannot be completed) and that this complies with this subsection 2.1(b), so long as they are not shipped to a California address or made available for curbside pick-up at a California retail location.

2.2 Clear and Reasonable Warnings (Products Sold Online)

Each warning shall be prominently placed with such conspicuousness as compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase or use.

(a) Warning. The warning shall consist of the following or statement

(Warning):

WARNING: Drinking distilled spirits, beer, coolers, wine and other alcoholic beverages may increase cancer risk, and, during pregnancy, can cause birth defects. For more information go to www.P65Warnings.ca.gov/alcohol.

If any of the Products are offered for sale to California consumers after the Compliance Date, such Product listings shall contain a warning (as set forth above) which is displayed to the purchaser prior to completion of the transaction without requiring the potential buyer to use

considerable effort to be made aware of the health hazard advisory. The warning (or a clearly and reasonably marked hyperlink to the warning using the signal word “ Warning” or “ Product Warning”) given in conjunction with the online sale of the Products may appear either: (a) prominently placed on the page in which the Product’s image, price and add-to-cart are displayed; (b) on the same page as the order confirmation for the Products (e.g., review cart URL); or (c) on the page displayed to the purchaser during the checkout process prior-to-payment for any shipment to a California address or for curbside pick-up at a California retail location.

2.3 Option to Delist

On or before the Compliance Date, the Settling Entity may, at its option, comply with the injunctive commitments set forth in subsection 2.1 above by delisting a Product such that the item is then unavailable for online sale for shipment to a California address or for curbside pick-up at a California retail location. If it does so, the previously delisted product may be reinstated for sale online to California consumers if it complies with subsections 2.1 through 2.2 prior to the date of such relisting.

2.4 Foreign Language Requirement

The Settling Entity shall comply with the requirements set forth in 27 California Code of Regulations §25602(d).

2.5 Products in the Stream of Commerce

The Injunctive Relief requirements in this Section 2 shall not apply to Product in the stream of commerce as of the Compliance Date.

2.6 Right to Cure

As of the date of this Settlement Agreement, neither Epps nor his counsel have any

specific knowledge of the presence of any other Products listed to be sold and shipped to a California address or made available for curbside pick-up at a California retail location that, in their opinion and the model numbers previously disclosed, fail to comply with Proposition 65's warning requirement. Epps represents and warrants neither he nor his agents or attorneys have assigned or otherwise transferred, or attempted to assign, or transfer, any claim or claims against the Settling Entity. Epps further warrants that neither he nor his agents or attorneys are aware of any other potential private enforcer or attorney who intends to bring litigation based on the subject matter of the Settlement Agreement.

To the extent Epps, his agents, or his attorneys, identify any Products for sale and shipment to a California address or for curbside pick-up at a California retail location on bvwines.com and other e-commerce platforms under the control of TWE, to consumers in California in the future, which they believe are not in compliance with Settlement Agreement, Epps agrees to advise the Settling Entity of such potential violation in the manner set forth in Section 7, and provide the Settling Entity with 20 days (calculated from the date notice is provided electronically) to cure any alleged violation (pursuant to the applicable options set forth in Sections 2.1) (the "Notice to Cure"). Such Notice to Cure to TWE should contain information sufficient for TWE to identify the Product, including the name of the Product, a photograph of the Product, a screenshot of the online listing (also known as the product display page), and a less than two page summary as to why Epps believes the Product is not in compliance with this Settlement Agreement.

If the alleged non-compliance is cured, Epps shall take no further action to enforce Proposition 65 or this Settlement Agreement with respect to the alleged failure to comply with Proposition 65 or the terms of this Settlement Agreement, and the matter shall be deemed to be

resolved. Further, so long as the Settling Entity cures the alleged non-compliance relating to a Product subject to this Settlement Agreement within the 20 days of receiving the Notice to Cure, the Settling Entity shall not be in breach or violation of this Settlement Agreement in any respect and Settling Entity shall not be liable (whether for civil penalties, attorneys' fees or costs, or injunctive relief) for sales of such products referenced in the Notice to Cure occurring prior to the expiration of the twenty (20) day cure period.

3. MONETARY SETTLEMENT TERMS

3.1 Settlement Payment

The total amount paid by TWE for settlement of all claims alleged in the Notice and the Release in Section 4.1, below, shall be \$46,000 ("Total Settlement Payment"), which shall be comprised of a civil fine payment of \$7,200, and reimbursement of fees and costs of \$38,800, as set forth below:

3.1.1 Civil Fines

Pursuant to Health & Safety Code §25249.7(b), and in settlement of all claims alleged in the Notice, the Settling Entity agrees to pay a total of \$7,200 in civil fines ("Civil Fines"). This payment will be allocated in accordance with Health & Safety Code §25249.12(c)(1) and (d), with 75% of the Civil Fine amount paid to the Office of Environmental Health Hazard Assessment (OEHHA), and the remaining 25% of the Civil Fine amount paid to and retained by Epps.

3.1.2 Reimbursement of Attorneys' Fees and Costs

The Parties acknowledge that Epps and his counsel offered to resolve this dispute without reaching terms on the amount of fees and costs to be reimbursed to them, thereby leaving the issue to be resolved after the material terms of the agreement had been settled. Shortly after the

other settlement terms had been finalized, the Settling Entity expressed a desire to resolve Epps' fees and costs. The Parties then negotiated a resolution of the compensation due to Epps' counsel under general contract principles, Proposition 65 implementing regulation for fee awards at 11 California Code of Regulations §3201 and/or the private attorney general doctrine codified at California Code of Civil Procedure §1021.5. For all work performed in connection with the claims alleged in the Notice through the mutual execution of this agreement and to ensure compliance with this Agreement, the Settling Entity shall reimburse Epps' counsel \$38,800.

3.2 Payment Timing and Distribution

Within thirty (30) days after the Effective Date, TWE shall make an electronic payment (via ACH, EFT or wire transfer, at TWE's discretion) of the Total Settlement Amount to Epps' counsel's IOLTA account in accordance with the electronic payment instructions that have been provided by Epps' counsel to TWE's counsel prior to the Effective Date. Epps' counsel shall distribute to OEHHA \$5,400 (75% of the Civil Fine) and to Epps \$1,800 (25% of the Civil Fine).

4. CLAIMS COVERED AND RELEASED

4.1 Epps' Release of the Settling Entity and Releasees

This Settlement Agreement is a full, final and binding resolution between Epps, as an individual (and not on behalf of the public yet furthers its health interest), and the Settling Entity, of any violation of Proposition 65 that was or could have been asserted by Epps on behalf of himself, his past and current agents, representatives, attorneys, successors, and/or assignees, against the Settling Entity and each of its parents, subsidiaries, affiliated entities under common ownership, directors, officers, employees, attorneys, and each entity to whom TWE directly or indirectly distributes or sells the Products (Releasees), for failure to warn online about alleged exposures to ethyl alcohol in alcoholic beverages contained in the

Products sold on bvwines.com and other e-commerce platforms under the control of TWE. This release is expressly limited to Products sold and/or offered for sale for shipment to a California address or for curbside pick-up at a California retail location on bvwines.com and other e-commerce platforms under the control of TWE before the Compliance Date.

In further consideration of the promises and agreements herein contained, Epps as an individual and not on behalf of the public, on behalf of himself, his past and current agents, representatives, attorneys, successors, and/or assignees, hereby fully waives all of his rights to institute or participate in, directly or indirectly, any form of legal action, and releases all claims that he may have against TWE and Releasees, including without limitation all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses (including without limitation investigation fees, expert fees, and attorneys' fees), arising under Proposition 65 with respect to ethyl alcohol in alcoholic beverages in the Products. Nothing in this subsection shall affect Epps' right to commence an action under Proposition 65 against the Settling Entity and its Releasees that does not involve the Products covered by this Settlement Agreement.

4.2 The Settling Entity's Release of Epps

The Settling Entity, on behalf of itself, its past and current agents, representatives, attorneys, successors, and assignees, hereby waives any and all claims against Epps and his attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Epps and his attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 in connection with the Notice or Products.

4.3 California Civil Code Section 1542

It is possible that other claims not known to the Parties including those arising out of the facts alleged in the Notice relating to the Products sold by Settling Entity through the Effective Date will develop or be discovered. Epps, on behalf of himself, his past and current agents, representatives, attorneys, successors, and or assignees only, and Settling Entity acknowledge that this Settlement Agreement is expressly intended to cover and include: all such claims against Releasees for the Products sold by Settling Entity through the Effective Date. The Parties acknowledge that the claims released in §§ 4.1 and 4.2, above, may include unknown claims, and nevertheless waive California Civil Code § 1542 as to any such unknown claims related to the Covered Products. California Civil Code § 1542 reads, as follows:

“A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.”

Epps and Settling Entity each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

4.4 Representations

Epps’ counsel agrees that as of the Effective Date of this Agreement, they are not aware of, and have not been informed of, any other person, potential claimant, plaintiff, or attorney who, to their knowledge, intends to bring the same or similar claims against the Releasees, as defined above, that Epps has asserted in the Notice concerning the Products.

TWE’s counsel confirms that, on or before June 2, 2026, it transmitted pertinent sales data for the Products to Epps’ counsel. The civil fines assessed, as set forth in Section 3.1, are in a material way based on such information, and other pertinent information with regard to TWE’s

good faith and historical compliance with Proposition 65, and including issues related to TWE's mid-2025 update of its online sales website application.

4.5. Public Benefit

It is TWE's understanding that the commitments it has agreed to herein, and actions to be taken by TWE under this Settlement Agreement, would confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of TWE that to the extent any other private party initiates an action alleging a violation of Proposition 65 with respect to TWE's failure to provide a warning concerning exposure to ethyl alcohol in alcoholic beverages in Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Products addressed in this Settlement Agreement, provided that TWE is in material compliance with this Agreement.

5. SEVERABILITY

If, subsequent to its execution, any of the provisions of this Settlement Agreement are deemed by a court to be unenforceable, the validity of the enforceable provisions remaining shall not be adversely affected.

6. GOVERNING LAW & ENFORCEMENT

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California. In the event that Proposition 65 is repealed, preempted, or is otherwise amended or rendered inapplicable by reason of law generally, or as to any of the Products or any of the alleged violations set forth in any of the Notice, then TWE may seek modification of this Settlement Agreement pursuant to Section 11 below. Nothing in this

Settlement Agreement shall be interpreted to relieve the Settling Entity from any obligation to comply with any other applicable state or federal law or regulation.

The Parties agree that if the OEHHA changes any of its applicable regulations, including those relating to the online warning regulations, TWE may conform with the revised regulations by modifying the injunctive terms of this Settlement Agreement accordingly.

7. NOTICE

Unless specified herein, all correspondence, notices, and service of process required to be provided pursuant to this Settlement Agreement shall be in writing and: (a) personally delivered; (b) sent by first class (registered or certified mail) return receipt requested; or (c) sent by overnight courier; and (d) electronically transmitted to one party by the other party at the following addresses:

9. COMPLIANCE WITH HEALTH & SAFETY CODE § 25249.7(F)
