

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between CalSafe Research Center, Inc. ("CRC"), on the one hand, and American Naturavit, Inc. ("ANI") on the other hand, with CRC and ANI each individually referred to as a "Party" and collectively as the "Parties".

1.2 General Allegations

CRC alleges that ANI sells and/or distributes in California certain products, specified in Section 1.3 below, containing lead without a warning as required by Health and Safety Code §§ 25249.5 *et seq.* ("Proposition 65"). Lead is listed pursuant to Proposition 65 as a chemical known to cause cancer and birth defects or other reproductive harm. ANI denies these allegations.

1.3 Product Description

The product covered by this Settlement Agreement is defined as, and expressly limited to, "Sunshine Naturals, Moringa (Moringa Oleifera) 100% Pure (UPC# 789939101452)" (the "Product") that is manufactured, sold or distributed for sale in California by ANI.

1.4 Notice of Violation

On February 27, 2026, CRC served a 60-Day Notice of Violation ("the Notice") on ANI, the California Attorney General and the other requisite public enforcers, alleging that ANI and others violated Proposition 65 when they failed to warn consumers in California of the alleged exposures to lead from the Product.

To the best of the Parties' knowledge, no public enforcer has commenced and is diligently prosecuting an action to enforce the violations alleged in the Notice.

1.5 No Admission

ANI denies the material, factual and legal allegations in the Notice and maintains that all of the products it sold and/or distributed for sale in California, including the Product, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by ANI or any of its officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, customers, suppliers, distributors, wholesalers, or retailers of any fact, finding, conclusion, issue of law or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by ANI or any of its officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, customers, suppliers, distributors, wholesalers, or retailers of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by ANI. This Section shall not, however, diminish or otherwise affect ANI's obligations, responsibilities, and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

2. INJUNCTIVE RELIEF

2.1 Clear and Reasonable Warnings

Subject to Section 2.3, beginning on the applicable compliance date, ANI shall be permanently enjoined from manufacturing for sale in the State of California, "Distributing into the State of California," or directly selling in the State of California, Product that exposes a person to an exposure level of more than 0.5 micrograms of lead per maximum recommended daily serving of two (2) capsules, as stated on the Product label, unless it meets the warning requirements under Section 2.2.

As used in this Settlement Agreement, the term "Distributing into the State of California" shall mean to directly ship the Product into California for sale in California or to sell the Product to a distributor that ANI knows or has reason to know will sell the Products in California.

2.2 General Warning Requirements

ANI agrees that each warning shall be prominently placed with such conspicuousness, as compared with other words, statements, designs, or devices, as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user understands to which *specific* Product the warning applies, so as to minimize the risk of consumer confusion.

For the purposes of this Settlement Agreement, a clear and reasonable warning for the Product shall consist of a warning affixed to the packaging, label, tag, or directly to each Product sold or distributed in California by ANI that contains one of the following statements:

- 1) **WARNING:** Consuming this product can expose you to lead, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food.

ANI may, at its option, use the words "CA WARNING:" or "CALIFORNIA WARNING:" instead of the word "WARNING:".

- 2) **WARNING:** Risk of cancer and reproductive harm from exposure to lead. See www.P65Warnings.ca.gov/food.

or

WARNING: Can expose you to lead, a carcinogen and reproductive toxicant. See www.P65Warnings.ca.gov/food.

ANI may, at its option, use the words "CA WARNING:" or "CALIFORNIA WARNING:" instead of the word "WARNING:".

The warning shall be offset in a box with black outline.

For internet purchases, the warning must also be provided by including either the warning or a clearly marked hyperlink using the word "WARNING" or "CA WARNING" or "CALIFORNIA WARNING" on the Product display page, or by otherwise prominently displaying the warning to the purchaser prior to completing the purchase.

For Product that ANI provides for a downstream entity to sell on the internet, ANI shall include an instruction that the entity comply with the warning requirements of this section.

Where a consumer product sign, label or shelf tag used to provide a warning includes consumer information in language(s) other than English, the warning must also be provided in the other language(s) in addition to English.

(i) Changes in Warning Regulations or Statutes

In the event that the Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting warning text and/or methods of transmission different than those set forth above, ANI shall be entitled to use, at its discretion, such other warning text and/or method of transmission without being deemed in breach of this Settlement Agreement. If regulations or legislation are enacted or issued providing that a Proposition 65 warning for the Products is no longer required, a lack of warning will not thereafter be a breach of this Settlement Agreement.

2.3 Grace Period for Existing Inventory of Products

The injunctive requirements of Section 2 shall not apply to Product that is already in the stream of commerce as of the Effective Date, which Product is expressly subject to the releases provided in Section 4.1. ANI shall have sixty (60) days after the Effective Date to implement the internet warning requirements of Section 2.2 and ninety (90) days after the Effective Date to implement any packaging, label, tag, or Product warning required by Section 2.2 (the "Applicable Compliance Dates"). The injunctive requirements of Section 2 shall also not apply to Product manufactured, packaged, or labeled before the applicable compliance date, and all such Product shall be expressly subject to the releases provided in Section 4.1.

2.4 Notice and Opportunity to Cure

This Section 2.4 shall apply only to an alleged breach of Section 2 occurring within one (1) year after the Effective Date. Before CRC commences any action alleging a breach of Section 2, CRC shall provide ANI with written notice describing the alleged breach in reasonable detail and thirty (30) days to cure. If the alleged breach cannot reasonably be cured within thirty (30) days, ANI shall not be in breach if it commences the cure within that period and diligently completes the cure within a reasonable time. This Section shall not apply to an alleged breach that is incapable of cure.

3. MONETARY SETTLEMENT TERMS

3.1 Total Settlement Payment

In full satisfaction of all potential civil penalties, attorneys' fees, and costs, ANI shall make a total settlement payment of Fifteen Thousand Dollars (**\$15,000.00**) ("Total Settlement Amount"). The Total Settlement Amount shall be apportioned into a Civil Penalty and Attorney's Fees and Costs as set forth in Sections 3.2 and 3.3 below.

3.2 Civil Penalty Payment

Pursuant to Health and Safety Code§ 25249.7(b)(2), and in settlement of all claims alleged in the Notice or referred to in this Settlement Agreement, ANI agrees to pay One Thousand Five Hundred Dollars (**\$1,500.00**) in civil penalties. The penalty payment will be allocated in accordance with California Health and Safety Code §§ 25249.12(c)(1) & (d), with 75% of the penalty amount paid to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty amount

retained by CRC. Within ten (10) days after the later of the Effective Date and ANI's receipt of the requisite W-9 forms from CRC and Manning Law, ANI shall issue a check to "OEHHA" in the amount of One Thousand One Hundred and Twenty-Five Dollars **(\$1,125.00)** and shall, pursuant to the instructions below, wire to CRC the amount of Three Hundred and Seventy-Five Dollars **(\$375.00)**.

4. CLAIMS COVERED AND RELEASED

4.1 CRC's Release of ANI

CRC, acting on its own behalf and not on behalf of the public, fully releases and discharges ANI and its respective officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, customers, suppliers, distributors (the "ANI Releasees") and all entities to which ANI Releasees directly or indirectly distribute or sell the Product, and any other distributors, wholesalers, customers, retailers, franchisees, licensors, and licensees, (collectively, the "Released Parties" and individually, a "Released Party"). CRC, on behalf of itself and its officers, directors, shareholders, employees, agents, parent companies, subsidiaries and divisions, hereby fully releases and discharges the Released Parties from any and all claims, actions, causes of action, suits, demands, liabilities, damages, penalties, fees, costs, and expenses asserted, or that could have been asserted based on or related to the handling, use, sale, distribution or consumption of the Product in California, as to any alleged violation of Proposition 65 or its implementing regulations in relation to the Product, including without limitation any failure to provide Proposition 65 warnings on the Products with respect to exposures to lead.

4.2 ANI's Release of CRC

ANI, on behalf of its past and current agents, representatives, attorneys, successors and assignees hereby waives any and all claims against CRC and its attorneys and other representatives, for any and all actions taken, or statements made by CRC and its attorneys and other representatives, whether in the course of investigating claims, otherwise seeking to enforce Proposition 65 against it in this matter, or with respect to the Product. This release is limited to conduct occurring on or before the Effective Date.

4.3 California Civil Code Section 1542

It is possible that other claims not known to the Parties, arising out of the Notice or relating to the Products, will develop or be discovered. CRC on behalf of itself only, and ANI on behalf of itself only, acknowledge that this Settlement Agreement is expressly intended to cover and include all such claims up through and including the Effective Date, including all related rights of action. CRC and ANI acknowledge that the claims released in Sections 4.1 and 4.2 above may include unknown claims, and nevertheless waive California Civil Code section 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR

OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Nothing in this Section 4 releases or waives any claim arising from a breach of, or necessary to enforce, this Settlement Agreement.

4.4 Deemed Compliance and Covenant Not to Sue

Product manufactured, distributed, or sold in compliance with Section 2 shall be deemed compliant with Proposition 65 as between CRC and the Released Parties. CRC covenants that it will not serve any additional notice of violation or commence or maintain any action against a Released Party concerning alleged lead exposures from Product that complies with Section 2.

5. SEVERABILITY

In the event that any of the provisions of this Settlement Agreement are held by a court of competent jurisdiction to be unenforceable, the validity of the remaining enforceable provisions shall not be adversely affected.

6. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the laws of the State of California, without regard to its conflicts of law principles.

7. NOTICE

When any Party is entitled to receive any notice under this Settlement Agreement, the notice shall be sent by first class mail or electronic mail to the address set forth in this paragraph. Any Party may modify the person and address to whom the notice is to be sent by sending the other Party notice by certified mail, return receipt requested. Said change shall take effect on the date the return receipt is signed by the Party receiving the change.

Signatures by scanned and emailed image or facsimile transmission shall have the same force and effect as original signature and as an electronic record adopted and executed by a Party with the intent to sign the electronic record pursuant to Civil Code §§ 1633.1 *et seq.*

12. INTERPRETATION

No inference, assumption or presumption shall be drawn, and no provision of this Settlement Agreement shall be construed against any Party, based upon the fact that one of the Parties and/or their counsel prepared or drafted any portion of this Settlement Agreement. The Parties waive the provisions of Civil Code § 1654. It is conclusively presumed that the Parties participated equally in the drafting of this Settlement Agreement.
