**SETTLEMENT AGREEMENT BETWEEN MONARCH**  
**AND JOS. A. BANK CLOTHIERS, LLC**

Mothers Oversight Network for Actionable Response to Contaminant Harm [MONARCH], LLC (“MONARCH”) and Jos. A. Bank Clothiers, LLC (“Alleged Violator”) (collectively, the “Parties”) enter into this Settlement Agreement for the purpose of avoiding prolonged and costly litigation and settling MONARCH’s allegations that Alleged Violator violated California Health and Safety Code § 25249.6 *et seq.* (“Proposition 65”). The effective date of this Settlement Agreement shall be the date upon which it is fully executed by all Parties hereto (the “Effective Date”).

**I. RECITALS**

A. MONARCH is a California-based entity that seeks to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer and industrial products.

B. MONARCH alleges that Alleged Violator manufactures, imports, sells, or distributes for sale in the State of California Kits with PVC/Vinyl Bags that contain Di (2-ethylhexyl) phthalate (“DEHP”) without first providing a clear and reasonable warning as required by Proposition 65.

C. DEHP is listed pursuant to Proposition 65 as a chemical known to cause Reproductive Harm.

D. The product(s) covered by this Settlement Agreement are Kits with PVC/Vinyl Bags manufactured by or for Alleged Violator, imported by or for Alleged Violator, or distributed or sold by or for Alleged Violator to others, including, but not limited to, Walter's Leather Polish Kit (the “Covered Product(s)”).

E. On October 24, 2003, the Governor of California added DEHP to the list of chemicals known to the State to cause Reproductive Harm.

F. These additions took place more than twelve (12) months before MONARCH served its “60-Day Notice of Violation” which is further described below.

G. DEHP is referred to hereinafter as the “Listed Chemical.”

H. On April 7, 2026, MONARCH served Alleged Violator, as well as certain relevant public enforcement agencies, with a document entitled “60-Day Notice of Violation” (“Notice”), advising of its intent to sue for violations of Proposition 65 arising from or related to

the Covered Product containing the Listed Chemical. The Notice alleged that Alleged Violator violated Proposition 65 by failing to warn consumers in California that use of Covered Product exposed users to the Listed Chemical.

I. To the best of the Parties' knowledge, no public enforcer has commenced and is diligently prosecuting the same allegations against Alleged Violator.

J. Alleged Violator denies the material, factual, and legal allegations contained in the Notice and maintains that all the products it has sold and distributed in California, including the Covered Product, have complied with all laws.

K. The Parties enter into this Settlement Agreement to settle disputed claims between the Parties as alleged in the Notice and as set forth below concerning the Parties' and the Covered Product's compliance with Proposition 65 (the "Dispute").

L. By execution of this Settlement Agreement, the Parties do not admit any facts or conclusions of law, including, but not limited to, any facts or conclusions of law regarding any violation of Proposition 65, or any other statutory, regulatory, common law, or equitable doctrine.

M. Nothing in this Settlement Agreement shall be construed as an admission against interest by any Party of any fact, conclusion of law, issue of law, or violation of law.

N. Nothing in this Settlement Agreement, nor compliance with its terms, shall constitute or be construed, considered, offered, or admitted as evidence of an admission against interest or evidence of fault, wrongdoing, or liability by Alleged Violator, its officers, directors, employees, or parents, subsidiaries, or affiliated corporations, or any person acting for Alleged Violator, or any direct or indirect customer of Alleged Violator who sold or sells the Covered Product, in any administrative or judicial proceeding or litigation in any court, agency, or forum.

O. Except for the allegations settled and compromised, nothing in this Settlement Agreement shall prejudice, waive, or impair any right, remedy, argument, or defense that MONARCH or Alleged Violator may have against one another in any other legal proceeding as to allegations unrelated to the Dispute or claims released herein.

## **II. RELEASE**

A. This Settlement Agreement is a full, final, and binding resolution between MONARCH, individually and *not* in its representative capacity, and:

1. Alleged Violator, and its owners, parents, subsidiaries, affiliates, sister and related companies, employees, shareholders, members, officers, directors, insurers, agents, attorneys, predecessors, successors, and assigns (collectively the “Releasees”), and

2. All entities to whom Releasees directly or indirectly provide, distribute, or sell the Covered Product, including but not limited to distributors, wholesalers, customers, retailers, franchisees, cooperative members, and licensees (“Downstream Releasees”), on the other hand, of any violation(s) or claimed violation(s) of Proposition 65 or any statutory or common law claim that has been, could have been, or may in the future be asserted against the Releasees and/or Downstream Releasees regarding exposing persons or failing to warn persons about exposure to the Listed Chemical and the failure to warn about exposure to the Listed Chemical arising in connection with the Covered Product manufactured, shipped, and/or otherwise distributed prior to the Effective Date, even if sold by Downstream Releasees after the Effective Date.

3. This release applies to all Downstream Releasees up through the Effective Date and continues after the Effective Date as to liability for Downstream Releasees if and only if Alleged Violator provides notice of this Settlement and Release or has provided or thereafter provides notification of the responsibility of the Downstream Releasee to provide the warning as described in Section III (Duties) of this Agreement.

B. The Parties agree compliance with the terms of this Settlement Agreement by Alleged Violator shall be deemed to be compliance with Proposition 65 by Releasees and Downstream Releasees with respect to any exposures to the Listed Chemical in the Covered Product manufactured, distributed, or sold by Alleged Violator after the Effective Date.

C. The Covered Products subject to this Settlement Agreement are limited to those manufactured by or for Alleged Violator, imported by or for Alleged Violator, distributed by or for Alleged Violator, or sold by or for Alleged Violator.

D. MONARCH, on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees, but not in its capacity as representative of the public, hereby waives and releases with respect to the Covered Product all rights to institute or participate in, directly or indirectly, any form of legal action, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations,

damages, costs, fines, penalties, losses, or expenses (including, but not limited to, investigation fees, expert fees, and attorneys' fees) (collectively the "Claims"), against Releasees and/or Downstream Releasees that arise under Proposition 65 or any other statutory or common law claims that were or could have been asserted in respect of any Covered Product sold up to the Effective Date, including without limitation to the extent that such claims relate to Releasees' and/or Downstream Releasees' alleged exposure of persons to the Listed Chemical contained in the Covered Product or any failure by Releasees and Downstream Releasees to warn about exposures to the Listed Chemical contained in the Covered Product.

E. MONARCH acknowledges that it is familiar with Section 1542 of the Civil Code, which provides as follows:

**A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.**

MONARCH, its past and current agents, representatives, attorneys, successors, and/or assignees, in its individual and *not* representative capacity, expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of Civil Code § 1542, *only as it pertains to the Listed Chemical and the Covered Products*, as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters.

### **III. Alleged Violator's Duties**

A. Commencing on the Effective Date, Alleged Violator shall not manufacture, import, sell, or distribute for sale in the State of California any Covered Product unless it either:

1. contains the Listed Chemical in a concentration less than or equal to 1,000 parts per million ("ppm") (0.1%) when analyzed pursuant to a scientifically reliable application of any scientifically reliable methodology for determining the Listed Chemical content in a substance of the form of the Covered Products herein; **or**
2. exhibits a warning in compliance with this Settlement Agreement.

B. Whenever a clear and reasonable warning is required under Section III(A)(2) for the Covered Product offered for sale in the State of California, it shall state one of the warnings described in Section III(D) below in such a conspicuous and prominent manner as to be likely to be read and understood by the consumer prior to or at the time of sale or purchase.

C. Alleged Violator further agrees to send out instructions to all distributors and retailers, including third-party online vendors, regarding the display of a clear and reasonable warning at the time of purchase, if one is deemed required.

D. The Parties agree that any of the following warnings shall constitute a Compliant Warning for the Listed Chemical in the Covered Product:

1. the text, “**WARNING:** This product can expose you to chemicals including Di (2-ethylhexyl) phthalate (DEHP), which is known to the State of California to cause Reproductive Harm. For more information, go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).”

4. As of January 1, 2028, a short-form warning shall comply with the revised regulations.

a. The above short-form warning is only valid through December 31, 2027. Beginning on January 1, 2028, the following language must be used for the short form warning: “WARNING: Risk of reproductive harm from exposure to Di (2-ethylhexyl) phthalate (DEHP). See [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov).”

i. The triangular warning symbol specified in Section III(D)(4)(a) shall be in yellow with a black exclamation mark; *provided, however*, the symbol may be printed in black and white if the Covered Product label is not printed using the color yellow.

E. The Parties agree the specifications for Compliant Warnings in this Settlement Agreement comply with Proposition 65 and its regulations as of the Effective Date.

F. If modifications or amendments to Proposition 65 or its regulations after the Effective Date are inconsistent with, or provide warning specifications or options different from, the specifications in this Settlement Agreement, Alleged Violator may modify the content and delivery methods of its warnings to conform to the modified or amended provisions of Proposition 65 or its regulations.
