SARA HAMMOND

AND

SSCD LLC

Sara Hammond (“Hammond”) and SSCD LLC and related entities (herein collectively referred to as “SSCD”) (Hammond and SSCD are collectively referred to as the “Parties”), enter into this agreement (“Settlement Agreement”) for the purpose of avoiding prolonged and costly litigation to settle Hammond’s allegations that SSCD violated Proposition 65. The effective date of this Settlement Agreement shall be the date upon which it is fully executed by all Parties hereto (the “Effective Date”).

1. Introduction

1.1. Hammond alleges she is an individual who seeks to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer and industrial products.

1.2. SSCD previously either sold, offered for sale, imported, distributed, or manufactured gold accented bowls or planters; for example the Gold Bowl known as the Cream bronze Ceramic planter 7in, SKU 124412354, UPC 0191607379450 which ships as a set of two with the smaller 5in size nested

inside sku#125001395 and a second color set Ash Bronze skus 124409291 and 124409292. (referred to throughout as the “Covered Products”) .

- 1.3. Hammond alleges that the Covered Products contains lead, and that SSCD did not provide a required warning in compliance with the California Safe Drinking Water and Toxic Enforcement Act of 1986 (Cal. Health & Safety Code § 25249.5, *et seq.* (“Proposition 65”)).
- 1.4. On or about April 8, 2026 Hammond alleges she served At Home Stores, and SSCD as the vendor of the product, care of At Home Stores, and certain relevant public enforcement agencies with a Sixty-Day Notice of Violation that was sent pursuant to California Health & Safety Code § 25249.7(d) alleging the Covered Product contained lead (the “Notice”).
- 1.5. The Notice alleged that SSCD violated Proposition 65 by failing to warn consumers in California that use of the Covered Products exposed persons to lead.
- 1.6. The Parties enter into this Settlement Agreement to settle disputed claims between them concerning the Parties’ and the Covered Products’ compliance with Proposition 65 (the “Dispute”).
- 1.7. SSCD denies the material, factual, and legal allegations contained in the Notice and maintains that all of the products that it has sold and distributed in California, including the products, have been and are , in compliance with all laws. Nothing in this settlement agreement shall be construed as an

admission by SSCD of any fact finding, conclusion, issue of law or violation of law, such being specifically denied by SSCD. This Section shall not , however, diminish or otherwise affect SSCD's obligations, responsibilities and duties under this Settlement Agreement.

- 1.8. By execution of this Settlement Agreement, the Parties do not admit any facts or conclusions of law against interest, including, but not limited to, any facts or conclusions of law regarding any violation of Proposition 65, or any other statutory, regulatory, common law, or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission against interest by the Parties of any fact, conclusion of law, issue of law, or violation of law. Nothing in this Settlement Agreement, nor compliance with its terms, shall constitute or be construed, considered, offered, or admitted as evidence of an admission against interest or evidence of fault, wrongdoing, or liability by SSCD, its officers, directors, employees, or parents, subsidiaries or affiliated corporations, licensees, licensors, suppliers, manufacturers, importers, distributors or retailers of its products, in any administrative or judicial proceeding or litigation in any court, agency, or forum. Except for the allegations settled and compromised, nothing in this Settlement Agreement shall prejudice, waive, or impair any right, remedy, argument, or defense that Hammond or SSCD may have in any other legal proceeding as to allegations unrelated to the Dispute or claims released herein.

2. Release

2.1. This Settlement Agreement is a full, final, and binding resolution between Hammond, acting in her individual capacity, on the one hand, and (a) SSCD, and its owners, parents, subsidiaries, affiliates, sister and related companies, licensees, licensors, suppliers, manufacturers, importers, employees, shareholders, members, officers, directors, insurers, attorneys, predecessors, successors, and assigns (collectively “Releasees”) and (b) any retailers, and related entities and any additional entities to whom Releasees directly or indirectly provide, distribute, or sell the Covered Products (“Downstream Releasees”) including At Home Stores LLC, and all of its parents, subsidiaries, affiliated entities, under common ownership, directors, officers, employees, attorneys, successors and /or assignees on the other hand, of any violation(s) or claimed violation(s) of Proposition 65 or any statutory or common law claim that has been, could have been or may in the future be asserted against the Releasees and Downstream Releasees regarding exposing persons to any Proposition 65 listed chemical or the failure to warn about exposure to any Proposition 65 listed chemical arising in connection with the Covered Product sold, offered for sale, or otherwise distributed by SSCD up through and including the Effective Date, even if sold by Downstream Releasees after the Effective Date.

2.2. Hammond, on behalf of herself and her past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives and releases with respect to the Covered Products all rights to institute or participate in, directly or indirectly, any form of legal action, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses (including, but not limited to, investigation fees, expert fees, and attorneys' fees) (collectively "Claims"), against Releasees and the Downstream Releasees that arise under Proposition 65 or any other statutory or common law claims that were or could have been asserted in connection with the Covered Products sold or otherwise distributed by SSCD up to the Effective Date, including without limitation to the extent that such claims relate to Releasees' or Downstream Releasees' alleged exposure of persons to any Proposition 65 listed chemicals contained in the Covered Products or any failure by Releasees or Downstream Releasees to warn about exposures to any Proposition 65 listed chemical contained in the Covered Products up through and including the Effective Date.

2.3. Hammond acknowledges that she is familiar with Section 1542 of Civil Code, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO
CLAIMS THAT THE CREDITOR OR RELEASING
PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN

HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Hammond, on behalf of herself and her past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which she may have under, or which may be conferred on her by the provisions of California Civil Code § 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that she may lawfully waive such rights or benefits pertaining to the released matters up through and including the Effective Date. The release in this section shall have no force or effect until the full amount of payments set forth below are paid in full.

2.4. SS CD's release of Hammond

SSCD on its own behalf, and on behalf of its past and current agents, representatives, attorneys, successors and assignees, hereby waives any and all claims against Hammond and her attorneys and other representatives, whether in the course of investigating claims, seeking to enforce Proposition 65 against it in this matter, or with respect to the Covered Products up through and including the Effective Date.

3. SSCD's Duties

- 3.1. Effective on and after the Effective Date SSCD shall not sell the Covered Products for distribution in California unless the product is a "Reformulated Covered Product" as defined in Paragraph 3.2 or unless SSCD provides a Compliant Warning as defined in Paragraph 3.3 for any non-reformulated Covered Product that it sells in California. Compliance with this Settlement Agreement by SSCD shall constitute compliance under Proposition 65 with regard to Covered products sold, offered for sale, imported, manufactured or otherwise distributed after the Effective Date.
- 3.2. For purposes of this Settlement Agreement, "Reformulated Covered Products" are Covered Products (a) containing no more than 90 parts per million (0.009%) lead in any accessible component ("accessible component" is defined as any component that could be touched by a person during reasonably foreseeable use) analyzed pursuant to US Environmental Protection Agency (EPA) methodologies 3050B or 6010B, or (b) yield a results of less than 1.0 micrograms of lead when sampled according to NIOSH 9100 protocol and analyzed according to EPA 61010B. In addition to the above tests, SSCD may use equivalent methods utilized by any California or federal agency to determine the content in a solid substance or the amount of the bioavailability of the toxicant through a wipe test, respectively. In

order to determine compliance with this reformulation standard, SSCD may rely on third party testing from an accredited laboratory.

- 3.3. The Parties agree that should SSCD choose to provide a Prop 65 warning concerning the Covered Product rather than reformulate the Covered Product, any Covered Product sold in California shall contain a “clear and reasonable” Proposition 65 warning, within the meaning of Section 25249.6 of the Act. SSCD agrees that each warning shall be prominently placed with such conspicuousness, as compared with other words, statements, designs, or devices as to render it likely to be seen, read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user understands to which specific Covered Products the warning applies, and which listed chemical(s) is/are implicated, so as to minimize the risk of consumer confusion (subject to use of the short form warning for products manufactured and labeled prior to 1/1/2028, discussed below).

For purposes of this Settlement Agreement, a clear and reasonable warning for the Covered Products shall consist of a product-specific warning via one or more of the following methods: (1) A posted sign, shelf tag, or shelf sign for the consumer product at each point of display of the product; (2) Any electronic device or process that automatically provides the warning to the purchaser (not applicable to internet purchases, which are subject to the provisions of § 25602(b)); (3) A

warning directly affixed to the product’s label or tag; or (4) A short-form warning on the label that complies with the content requirements set forth in §§ 25603(b) and 25603(a). Specifically, pursuant to § 25603(a) – (d), one of the following statements must be utilized:

1)  **“WARNING:” [or] “CA WARNING:” [or] “CALIFORNIA WARNING:”** This product can expose you to lead which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.
OR

2)  **“WARNING:” [or] “CA WARNING:” [or] “CALIFORNIA WARNING:”** Risk of cancer and reproductive harm from exposure to lead. See www.P65Warnings.ca.gov.

OR

SHORT FORM

3)  **“WARNING:” [or] “CA WARNING:” [or] “CALIFORNIA WARNING:”** Can expose you to lead, a carcinogen and reproductive toxicant. See www.P65Warnings.ca.gov.

OR

**SHORT FORM ON A
PRODUCT
MANUFACTURED/LABELED
PRIOR TO 1/1/28,
REGARDLESS OF DATE OF
SALE**

4)  **WARNING:** Cancer and Reproductive Harm – www.P65Warnings.ca.gov.

The triangle above shall be yellow on the warning statement. Where the sign, label, or shelf tag for the product is not printed using the color yellow, the symbol may be printed in black and white. The symbol shall be placed to the left of the warning text, in a size no smaller than the height of the word, “WARNING.” A short-form warning must be provided on a product in a type size that complies with Cal. Code Regs. Tit. 27, § 25601(c). In no case shall a short-form

warning statement displayed on the Covered Products' packaging appear in a type size smaller than 6-point type. Where a sign, labeling, or label as defined in Section 256001.1 is used to provide a warning that includes consumer information about a product in a language other than English, the warning must also be provided in that language in addition to English.

As set forth in Cal. Code Regs. Tit. 27, § 25602(b), to the extent Covered Products are sold online, a warning that complies with the content requirements of Cal. Code Regs. Tit. 27, § 25603 must be provided via of the following methods: (1) A warning on the product display page; (2) A clearly marked hyperlink using the word "WARNING" or the words "CA WARNING" or "CALIFORNIA WARNING" on the product display page that links to the warning; or (3) An otherwise prominently displayed warning provided to the purchaser prior to completing the purchase. If a warning is provided using the short-form label content pursuant to Section 25602(a)(4), the warning provided on the website may use the same content. For purposes of this section, a warning is not prominently displayed if the purchaser must search for it in the general content of the website. For internet purchases made prior to 1/1/28, a retail seller is not responsible under Section 25600.2(e)(4) for conspicuously posting or displaying the new warning online until 60 calendar days after the retailer receives a warning or a written notice under Section 25600.2(b) and (c) which updates a short-form warning compliant with Section 25603(c) with content compliant with Section 25603(b). These requirements extend to any websites under the exclusive control of SSCD where Covered Products are sold into California. In addition, SSCD shall instruct any known third-party website to which it directly sells its

Covered Products to include the same online warning, as set forth above, as a condition of selling the Covered Products in California.

There shall be no obligation for SSCD to provide a warning for Covered Products that entered inventory or the stream of commerce prior to the Effective Date, and the Section 2 release applies to all such Covered Products.

The Parties agree that the specifications for Compliant Warnings in this Settlement Agreement comply with Proposition 65 and its regulations as of the date of this Settlement Agreement, and with regulations adopted on or about August 30, 2016 and which became effective August 30, 2018.

If modifications or amendments to Proposition 65 or its “safe harbor” regulations after the Effective Date are adopted as to what constitutes a “clear and reasonable warning,” SSCD may modify the content and delivery methods of its warnings to conform to the modified or amended provisions of Proposition 65 or its regulations.
