

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between Environmental Health Advocates, Inc. (“EHA”), on the one hand, and June Jacobs Labs LLC (“June Jacobs Labs”), on the other hand, with EHA and June Jacobs Labs each individually referred to as a “Party” and collectively as the “Parties.” EHA is a corporation in the State of California serving in the interest of the general public by seeking to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products. EHA alleges that June Jacobs Labs is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code § 25249.6 *et seq.* (“Proposition 65”).

1.2 General Allegations

EHA alleges that June Jacobs Labs manufactures, sells, and/or distributes for sale in California, face cream products that contain diethanolamine ("DEA") and that it does so without first providing the health hazard warning required by Proposition 65. DEA is listed pursuant to Proposition 65 as a chemical known to cause cancer.

1.3 Product Description

The products covered by this Settlement Agreement are defined as, and expressly limited to June Jacobs Age Defying Copper Complex (“Covered Products”), manufactured, sold and/or distributed for sale in California by June Jacobs Labs.

1.4 Notice of Violation

On or around December 17, 2024, EHA served June Jacobs Laboratories, LLC, the California Attorney General, and certain other public enforcement agencies with a 60-Day Notice of Violation of Proposition 65. This Notice was subsequently amended on April 10, 2026 to name June Jacobs Labs, LLC as an additional manufacturer and to recognize Fred Duran as a new responsible individual within EHA (the “Notice”). The Notice alleged that June Jacobs Labs had violated Proposition 65 by failing to sufficiently warn consumers in California of the health hazards associated with exposures

to DEA contained in Covered Products.

To the best of the parties' knowledge, no public enforcer has commenced or is otherwise prosecuting an action to enforce the violations alleged in the Notices.

1.5 No Admission

June Jacobs Labs denies the material, factual, and legal allegations in the Notices and maintains that all of the products it sold and/or distributed for sale in California, including Covered Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by June Jacobs Labs of any fact, finding, conclusion, issue of law or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by June Jacobs Labs of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by June Jacobs Labs. This Section shall not, however, diminish or otherwise affect June Jacobs Labs' obligations, responsibilities, and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is executed by the Parties.

2. INJUNCTIVE RELIEF

2.1 Reformulation Standard

Beginning thirty (30) days after the Effective Date, Defendant shall be permanently enjoined from manufacturing, distributing, or directly selling in the State of California any Covered Product that has a DEA content above the Reporting Limit of 10 mg/kg when analyzed pursuant to liquid chromatography/tandem mass spectrometry (LC/MS/MS), inductively coupled mass-spectroscopy (ICP-MS) or other method of analysis utilized by the International Organization for Standardization (ISO) for qualitative and quantitative screening of cosmetics and cosmetic raw materials.

2.2 General Warning Requirements

Commencing on the Effective Date, June Jacobs Labs agrees any Covered Product sold that was not reformulated pursuant to paragraph 2.1 shall contain a "clear and reasonable" Proposition 65 warning, within the meaning of Section 25249.6 of Proposition 65. June Jacobs Labs agrees that each

warning shall be prominently placed with such conspicuousness, as compared with other words, statements, designs, or devices as to render it likely to be seen, read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user understands to which specific Covered Products the warning applies, and which listed chemical(s) is/are implicated, so as to minimize the risk of consumer confusion.

For purposes of this Settlement Agreement, a clear and reasonable warning for the Covered Products shall consist of a product-specific warning via one or more of the following methods: (1) A posted sign, shelf tag, or shelf sign for the consumer product at each point of display of the product; (2) Any electronic device or process that automatically provides the warning to the purchaser (not applicable to internet purchases, which are subject to the provisions of § 25602(b) of Title 27 of the California Code of Regulations (“Title 27”)); (3) A warning directly affixed to the product’s label or tag; or (4) A short-form warning on the label that complies with the content requirements set forth in Sections 25603(a) and 25603(b) of Title 27 of the California Code of Regulations (“Title 27”). Specifically, pursuant to Section 25603(a) – (d) of Title 27, one of the following statements must be utilized:

- 1)  “WARNING:” [or] “CA WARNING:” [or] “CALIFORNIA WARNING:” This product can expose you to chemicals including diethanolamine ("DEA"), which is known to the State of California to cause cancer. For more information go to www.P65Warnings.ca.gov.

The triangle above shall be yellow on the warning statement. Where the sign, label, or shelf tag for the product is not printed using the color yellow, the symbol may be printed in black and white. The symbol shall be placed to the left of the warning text, in a size no smaller than the height of the word, “WARNING.” A short-form warning must be provided on a product in a type size that complies with Section 25601(c) of Title 27. In no case shall a warning statement displayed on the Covered Products’ packaging appear in a type size smaller than 6-point type. Where a sign, labeling, or label as defined in Section 256001.1 is used to provide a warning that includes consumer information about a product in a language other than English, the warning must also be provided in that language in addition to English.

As set forth in Section 25602(b) of Title 27, to the extent Covered Products are sold online, a warning that complies with the content requirements of Section 25603 of Title 27 must be provided via of the following methods: (1) A warning on the product display page; (2) A clearly marked hyperlink using the word “WARNING” or the words “CA WARNING” or “CALIFORNIA WARNING” on the product display page that links to the warning; or (3) An otherwise prominently displayed warning provided to the purchaser prior to completing the purchase. If a warning is provided using the short-form label content pursuant to Section 25602(a)(4), the warning provided on the website may use the same content. For purposes of this section, a warning is not prominently displayed if the purchaser must search for it in the general content of the website. For internet purchases made prior to January 1, 2028, a retail seller is not responsible under Section 25600.2(e)(4) of Title 27 for conspicuously posting or displaying the new warning online until 60 calendar days after the retailer receives a warning or a written notice under Section 25600.2(b) and (c) of Title 27 which updates a short-form warning compliant with Section 25603(c) of Title 27 with content compliant with Section 25603(b) of Title 27. These requirements extend to any websites under the exclusive control of June

Jacobs Labs where Covered Products are sold into California. In addition, June Jacobs Labs shall instruct any third-party website to which it directly sells its Covered Products to include the same online warning, as set forth above, as a condition of selling the Covered Products in California.

There shall be no obligation for June Jacobs Labs to provide a warning for Covered Products that entered the stream of commerce prior to the Effective Date, and the Section 4 release applies to all such Covered Products.

In the event that the Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting Proposition 65 warning text and/or methods of transmission applicable to the Covered Products and the chemical at issue that are different than those set forth above, June Jacobs Labs shall be entitled to use, at its discretion, such other warning text and/or method of transmission without being deemed in breach of this Agreement. If regulations or legislation are enacted providing that Proposition 65 warnings as to DEA in this product are no longer required, a lack of warning by June Jacobs Labs will not thereafter be a breach of this Agreement.

2.3 Grace Period for Existing Inventory of Covered Products

The injunctive requirements of Section 2 shall not apply to Covered Products that are already in the stream of commerce as of the Effective Date, which Covered Products are expressly subject to the releases provided in Section 4.1. For the avoidance of doubt, Covered Products in the stream of commerce specifically include, but are not limited to, Covered Products in the process of manufacture.

3. MONETARY SETTLEMENT TERMS

3.1 Civil Penalty Payment

Pursuant to § 25249.7(b)(2) of Proposition 65, and in settlement of all claims alleged in the Notices or referred to in this Settlement Agreement, June Jacobs Labs agrees to pay two thousand five hundred dollars (\$2,500.00) in civil penalties. The penalty payment will be allocated in accordance with Sections 25249.12(c)(1) and (d) of Proposition 65, with 75% of the penalty amount paid to the California Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty amount retained by EHA. 3.2 Attorney Fees and Costs

Under these legal principles, June Jacobs Labs agrees to pay twenty-two thousand five hundred dollars (\$22,500.00) to EHA and its counsel for all fees and costs incurred in investigating, bringing this matter to the attention of June Jacobs Labs, and negotiating a settlement. The twenty-two thousand five hundred dollars (\$22,500.00) in “Attorney’s Fees and Costs” shall be payable to Entorno Law, LLP as one payment of \$22,500.00, due fourteen (14) days after the Effective Date.

All payments required under this Section shall be payable to “Entorno Law, LLP” and delivered to:

3.3 Tax Documentation

June Jacobs Labs agrees to provide a completed IRS 1099 for its payments to, and EHA agrees to provide IRS W-9 forms for, each of the payees under this Settlement Agreement. The Parties acknowledge that June Jacobs Labs cannot issue any settlement payments pursuant to Section 3.1 and 3.2 until after June Jacobs Labs receives the requisite W-9 forms from EHA’s counsel.

4. CLAIMS COVERED AND RELEASED

4.1 EHA’s Release of June Jacobs Labs

This Settlement Agreement is a full, final, and binding resolution of all claims between EHA, on its own behalf, and June Jacobs Labs for all claims that can or could have been asserted by EHA, on its own behalf, on behalf of its past and current agents, representatives, attorneys, successors and assignees, against June Jacobs Labs and each of its respective parents, subsidiaries, affiliated entities under common ownership, directors, officers, members, employees, attorneys, and any entity, including, but not limited to each entity to whom June Jacobs Labs directly or indirectly distributes or sells the Covered Products, including, but not limited to, its upstream suppliers, downstream distributors, wholesalers, customers, retailers, franchisees, cooperative members and licensees (including but not limited to June Jacobs Laboratories, LLC) (“Releasees”), based on the alleged failure to warn about exposures to DEA required under Proposition 65 in the Covered Products manufactured, sold or distributed for sale in California by June Jacobs Labs before the Effective Date, as alleged in the Notices, or for any other reason.

In further consideration of the promises and agreements herein contained, EHA on its own behalf, on behalf of its past and current agents, representatives, attorneys, successors and assignees hereby waives any and all rights it may have to institute or participate in, directly or indirectly, any form of legal action and releases all claims against June Jacobs Labs and Releasees, including without

limitation, all actions and causes of action, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses or expenses including, but not exclusively, investigation fees, expert fees and attorney fees arising under Proposition 65 with respect to the alleged or actual failure to warn about exposures to DEA required under Proposition 65 in the Covered Products manufactured, distributed, sold or offered for sale by June Jacobs Labs, before the Effective Date.

4.2 June Jacobs Labs' Release of EHA

June Jacobs Labs, on its own behalf and on behalf of its past and current agents, representatives, attorneys, successors, and assignees, hereby waives any and all claims against EHA and its attorneys and other representatives, for any and all actions taken or statements made by EHA and its attorneys and other representatives, whether in the course of investigating claims, otherwise seeking to enforce Proposition 65 against it in this matter, or with respect to the Covered Products.

4.3 California Civil Code Section 1542

It is possible that other claims not known to the Parties arising out of the facts alleged in the Notices and relating to the Covered Products will develop or be discovered. EHA on behalf of itself only, on one hand, and June Jacobs Labs on behalf of itself only, on the other hand, acknowledge that this Settlement Agreement is expressly intended to cover and include all such claims up through the Effective Date. The Parties acknowledge that the claims released in Sections 4.1 and 4.2 may include unknown claims and nevertheless waive California Civil Code section 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

EHA and June Jacobs Labs each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

5. PUBLIC BENEFIT

It is June Jacobs Labs' understanding that the commitments it has agreed to herein, and actions to be taken by June Jacobs Labs under this Settlement Agreement confer a significant benefit to the general public, as set forth in Section 1021.5 of the California Code of Civil Procedure and Section 3201 of Title 11 of the California Code of Regulations. As such, it is the intent of June Jacobs Labs that to the extent any other private party serves a notice and/or initiates an action alleging a violation of Proposition 65 with respect to June Jacobs Labs' alleged failure to provide a warning concerning actual or alleged exposure to DEA prior to use of the Covered Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Covered Products addressed in this Settlement Agreement, provided that June Jacobs Labs is in material compliance with this Settlement Agreement.

6. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any provision of this Settlement Agreement is held by a court to be unenforceable, the validity of the remaining provisions shall not be adversely affected.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California.

8. ENFORCEMENT

In any action to enforce the terms of this Settlement Agreement, the prevailing party shall be entitled to its reasonable attorneys' fees and costs.

9. NOTICE

Unless specified herein, all correspondence and notice required to be provided pursuant to this Settlement Agreement shall be in writing and sent by: (a) personal delivery; (b) first-class, registered or certified mail, return receipt requested; or (c) a recognized overnight courier on any Party by the other at the following addresses:
