SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between Environmental Health Advocates, Inc. ("EHA"), on the one hand, and Rudi's Organic and Gluten Free Brands Inc. ("Rudi's"), on the other hand, with EHA and Rudi's each individually referred to as a "Party" and collectively as the "Parties." EHA is a corporation in the State of California. EHA alleges that Rudi's is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code § 25249.6 *et seq.* ("Proposition 65").

1.2 General Allegations

EHA alleges that Rudi's manufactures, sells, and/or distributes for sale in California, spinach tortilla products that contain lead and that it does so without first providing the health hazard warning required by Proposition 65. Lead is listed pursuant to Proposition 65 as a chemical known to cause reproductive toxicity.

1.3 Product Description

The products covered by this Settlement Agreement are defined as, and expressly limited to Rudi's Gluten Free Spinach Tortillas, UPC 5675000501 ("Covered Products"), that are manufactured, sold and/or distributed for sale in California by Rudi's.

1.4 Notice of Violation

On or around April 10, 2026, EHA served Rudi's, the California Attorney General, and certain other public enforcement agencies with a 60-Day Notice of Violation of Proposition 65 ("Notice"). The Notice alleged that Rudi's had violated Proposition 65 by failing to sufficiently warn consumers in California of the health hazards associated with exposures to lead contained in Covered Products.

To the best of the parties' knowledge, no public enforcer has commenced or is otherwise prosecuting an action to enforce the violations alleged in the Notice.

1.5 No Admission

Rudi's denies the material, factual, and legal allegations in the Notice and maintains that all of the products it sold and/or distributed for sale in California, including Covered Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Rudi's of any fact, finding, conclusion, issue of law or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Rudi's of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Rudi's. This Section shall not, however, diminish or otherwise affect Rudi's obligations, responsibilities, and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is executed by the Parties.

1.7 Compliance Date

For purposes of this Settlement, the term "Compliance Date" means 30 days from the Effective Date.

2. INJUNCTIVE RELIEF

2.1 Reformulation Standard

Beginning on or before the Compliance Date, and continuing thereafter, Rudi's shall be permanently enjoined from manufacturing, distributing, or directly selling in the State of California, any Covered Product that exposes a person to a "Daily Lead Exposure Level" of more than 0.5 micrograms of lead based on a single serving per day unless such Covered Products comply with the warning requirements of Section 2.2. The "Daily Lead Exposure Level" shall be calculated by multiplying the recommended serving size in Covered Product by the concentration of lead in Covered Products. As used in this Section 2, "distributed for sale in CA" means to directly ship Covered Products into California or to sell Covered Products to a distributor Defendant knows will sell Covered Products in California.

2.2 General Warning Requirements

Commencing on the Compliance Date, Rudi's agrees any Covered Product sold shall contain a Proposition 65 warning. Rudi's agrees that each warning shall be prominently placed with such conspicuousness, as compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use.

For purposes of this Settlement Agreement, a clear and reasonable warning for the Covered Products shall consist of a warning affixed to the packaging, label, tag, directly to each Covered Products sold in California by Rudi's. The warning shall consist of either the Warning or Alternative Warning descirbed in Sections 2.2(a) or (b), at Rudi's sole election, which election can change over time:

(a) **Warning.** The "Warning" shall consist of the statement:

> 1) **"WARNING:" [or] "CA WARNING:" [or] "CALIFORNIA WARNING:"**: Consuming this product can expose you to lead, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food.

(b) **Alternative Warning:** Rudi's may, but is not required to, use one of the three alternative short-form warnings[1] as set forth in this Section 2.2 (b) as follows:

[1] An **Alternative Warning** on a Product manufactured and labeled prior to January 1, 2028 may be provided using the form set forth in this Settlement Agreement or, as allowed under Title 27, California Code of Regulations, § 25603(c), in accordance with the previously applicable "safe harbor" short form of Warning; provided, however, use of the previously applicable "safe harbor" form of Warning as allowed under Section 25603(c) shall end for products manufactured on and after January 1, 2028. An **Alternative Warning** on a Product manufactured and labeled on or after January 1, 2028 shall be provided as allowed under Title 27, California Code of Regulations, § 25603(b).

2) **"WARNING:" [or] "CA WARNING:" [or] "CALIFORNIA WARNING**:" Risk of reproductive harm from exposure to lead. See www.P65Warnings.ca.gov/food.

OR

3) **"WARNING:" [or] "CA WARNING:" [or] "CALIFORNIA WARNING**:" Can expose you to lead, a reproductive toxicant. See www.P65Warnings.ca.gov/food.

OR

SHORT FORM ON A PRODUCT MANUFACTURED/ LABELED PRIOR TO 1/1/28, REGARDLESS OF DATE OF SALE

4) **WARNING**: Reproductive Harm – www.P65Warnings.ca.gov/food.

Pursuant to Section 25607.1, where the warning is provided on the food product label, it must be set off from other surrounding information and enclosed in a box. Where a specific food product sign, label, placard, or shelf tag is used to provide a warning, it must be displayed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual prior to sale. In no case shall a warning statement appear in a type size smaller than 6-point type. Where a sign, labeling, or label as defined in Section 25600.1 is used to provide a warning that includes consumer information about a product in a language other than English, the warning must also be provided in that language in addition to English.

As set forth in Cal. Code Regs. Tit. 27, § 25602(b), to the extent Covered Products are sold online, a warning that complies with the content requirements of Cal. Code Regs Tit. 27, § 25603 must be provided via of the following methods: (1) A warning on the product display page; (2) A

clearly marked hyperlink using the word “WARNING” or the words “CA WARNING” or “CALIFORNIA WARNING” on the product display page that links to the warning; or (3) An otherwise prominently displayed warning provided to the purchaser prior to completing the purchase. If a warning is provided using the short-form label content pursuant to Section 25602(a)(4), the warning provided on the website may use the same content. For purposes of this section, a warning is not prominently displayed if the purchaser must search for it in the general content of the website. For internet purchases made prior to 1/1/28, a retail seller is not responsible under Section 25600.2(e)(4) for conspicuously posting or displaying the new warning online until 60 calendar days after the retailer receives a warning or a written notice under Section 25600.2(b) and (c) which updates a short-form warning compliant with Section 25603(c) with content compliant with Section 25603(b). These requirements extend to any websites under the exclusive control of Rudi's where Covered Products are sold into California. In addition, Rudi's shall instruct any third-party website to which it directly sells its Covered Products to include the same online warning, as set forth above, as a condition of selling the Covered Products in California.

There shall be no obligation for Rudi's to provide a warning for Covered Products that entered the stream of commerce prior to the Effective Date, and the Section 4 release applies to all such Covered Products.

2.3 Compliance with Warning Regulations or Statutes

In the event that the Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting Proposition 65 warning text and/or methods of transmission applicable to the Covered Products and the chemical at issue, which are different than those set forth above, Rudi's shall be entitled to use, at its discretion, such other warning text and/or method of transmission without being deemed in breach of this Agreement. Rudi’s shall be entitled to use such other warning text and/or method of transmission without prior notice to EHA. If regulations or legislation are enacted providing that Proposition 65 warnings as to lead in this product are no longer required, a lack of warning by Rudi's will not thereafter be a breach of this Agreement.

2.3 Grace Period for Existing Inventory of Covered Products

The injunctive requirements of Section 2 shall not apply to Covered Products that are already in the stream of commerce as of the Effective Date, which Covered Products are expressly subject to the releases provided in Section 4.1. For the avoidance of doubt, Covered Products in the stream of commerce specifically include, but are not limited to, Covered Products in the process of manufacture.

3. MONETARY SETTLEMENT TERMS

3.1 Civil Penalty Payment

Pursuant to Health and Safety Code § 25249.7(b)(2), and in settlement of all claims alleged in the Notice or referred to in this Settlement Agreement, Rudi's agrees within thirty (30) days of the Effective Date, to pay two thousand dollars ($2,000.00) in civil penalties provided that Rudi's receives the W9s for the California Office of Environmental Health Hazard Assessment ("OEHHA") and EHA on or before the Effective Date. The Parties reached an accord on the compensation due to EHA and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, Rudi's agrees to pay eighteen thousand dollars ($18,000.00) to EHA and its counsel for all fees and costs incurred in investigating, bringing this matter to the attention of Rudi's, and negotiating a settlement. The eighteen thousand dollars ($18,000.00) is due thirty (30) days after the Effective Date and Rudi’s receipt of the W9s for EHA and Entorno Law.

All payments required under this Section shall be made payable to Entorno Law, LLP and delivered to:

The Parties acknowledge that Rudi's cannot issue any settlement payments pursuant to Section 3.1 and 3.2 above until after Rudi's receives the requisite W-9 forms from EHA's counsel.

4. CLAIMS COVERED AND RELEASED

4.1 EHA's Release of Rudi's

This Settlement Agreement is a full, final, and binding resolution of all claims between EHA, on its own behalf, and Rudi's for all claims that can or could have been asserted by EHA, on its own behalf, on behalf of its past and current agents, representatives, attorneys, successors and assignees ("releasing Parties") against Rudi's and each of its past, current, and future parents, subsidiaries, affiliated entities under common ownership, directors, officers, managers, representatives, members, employees, attorneys, (Rudi's Released Parties") and any entity, including, but not limited to each entity to whom Rudi's directly or indirectly distributes or sells the Covered Products, including, but not limited to, its downstream distributors, wholesalers, customers, retailers (including but not limited to Coronado Island Grocery Company dba Boney's Bayside Market), franchisees, cooperative members and licensees (" Downstream Released Parties"), as well as its upstream manufacturers, vendors, suppliers, distributors, wholesalers, and any other upstream entity in the distribution chain for the Covered Product ("Upstream Released Parties") (together with Rudi's Released Parties and Downstream Released Parties, the "Releasees") based on the failure to warn about exposures to lead required under Proposition 65 for the Covered Products manufactured, sold or distributed for sale in California by Rudi's before the Effective Date, as alleged in the Notice, or for any other reason.

In further consideration of the promises and agreements herein contained, EHA on its own behalf, on behalf of its past and current agents, representatives, attorneys, successors and assignees hereby waives any and all rights it may have to institute or participate in, directly or indirectly, any form of legal action and releases all claims against Rudi's and Releasees including, without

limitation, all actions and causes of action, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses or expenses including, but not exclusively, investigation fees, expert fees and attorney fees arising under Proposition 65 with respect to the alleged or actual failure to warn about exposures to lead required under Proposition 65 in the Covered Products manufactured, distributed, sold or offered for sale by Rudi's, before the Effective Date.

4.2 Rudi's Release of EHA

Rudi's, on its own behalf and on behalf of its past and current agents, representatives, attorneys, successors, and assignees, hereby waives any and all claims against EHA and its attorneys and other representatives, for any and all actions taken or statements made by EHA and its attorneys and other representatives, whether in the course of investigating claims, otherwise seeking to enforce Proposition 65 against it in this matter, or with respect to the Covered Products.

4.3 California Civil Code Section 1542

It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Covered Products will develop or be discovered. EHA on behalf of itself only, on one hand, and Rudi's on behalf of itself only, on the other hand, acknowledge that this Settlement Agreement is expressly intended to cover and include all such claims up through the Effective Date. The Parties acknowledge that the claims released in Sections 4.1 and 4.2 may include unknown claims, and nevertheless waive California Civil Code section 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

> **A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.**

EHA and Rudi's each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

4.4 Representation and Warranty

EHA represents and warrants that it has no intention to persuade, encourage, or convince others to assert or raise any claims against the Released Parties regarding the Covered Products.

5. PUBLIC BENEFIT

It is Rudi's understanding that the commitments it has agreed to herein, and actions to be taken by Rudi's under this Settlement Agreement confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of Rudi's that to the extent any other private party serves a notice and/or initiates an action alleging a violation of Proposition 65 with respect to Rudi's alleged failure to provide a warning concerning actual or alleged exposure to lead prior to use of the Covered Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Covered Products addressed in this Settlement Agreement, provided that Rudi's is in material compliance with this Settlement Agreement.

6. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any provision of this Settlement Agreement is held by a court to be unenforceable, the validity of the remaining provisions shall not be adversely affected.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California.

8. ENFORCEMENT

In any action to enforce the terms of this Settlement Agreement, the prevailing party shall be entitled to its reasonable attorneys' fees and costs.

9. NOTICE

Unless specified herein, all correspondence and notice required to be provided pursuant to this Settlement Agreement shall be in writing and sent by: (a) personal delivery; (b) first-class, registered or certified mail, return receipt requested; or (c) a recognized overnight courier on any Party by the other at the following addresses:

This Settlement Agreement may be executed in counterparts and by facsimile or portable document format (PDF) signature, each of which shall be deemed an original, and all of which, when taken together, shall constitute one and the same document.
