

SETTLEMENT AND RELEASE AGREEMENT

1. INTRODUCTION

1.1. Ecological Alliance, LLC and Wink Scrubs

This Settlement Agreement is entered into by and between Ecological Alliance, LLC ("Alliance"), on the one hand, and CID Resources, Inc. ("Wink"), on the other hand, with, Alliance and Wink collectively referred to as the "Parties."

1.2. General Allegations

Alliance alleges that Wink either imported, and/or manufactured and/or distributed and/or directly or indirectly sold or offered for sale in the State of California scrubs, that allegedly contain Perfluorooctanoic Acid ["PFOA"] and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* ("Proposition 65"). California has listed PFOA under Proposition 65 as a chemical known to the State of California to cause cancer, birth defects or other reproductive harm.

1.3. Product Description

The Products that are covered by this Settlement Agreement are defined as garments, textiles, or accessories that Wink, or its parent, subsidiaries, affiliates, related companies, or distributors have directly or indirectly (such as through wholesale or retailer customers) sold, offered for sale or distributed in California (the "Product").

1.4. Notice of Violation

On April 17, 2026, Alliance served Wink, Ross Stores, Inc., and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with documents entitled "60-Day Notice of Violation" ("Notice") that

provided Wink and such public enforcers with notice that Wink was allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Product exposed users in California to PFOA. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

1.5. No Admission

The Parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning Wink's compliance with Proposition 65. Specifically, Wink denies any and all factual and legal allegations contained in Alliance's Notice and maintains that all products that it has manufactured for sale and distribution in California, including the Products, have been and are in full compliance with uniform universally acceptable testing methods and with Proposition 65 or any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission against interest by Wink of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission against interest by Wink of any fact, finding, conclusion, issue of law, or violation of law, such being specifically strongly denied by Wink. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of Wink under this Settlement Agreement.

1.6. Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date that both Parties have notice that this Settlement Agreement is fully executed.

2. INJUNCTIVE RELIEF: REFORMULATION OR WARNINGS

2.1. Reformulation or Warnings

Within 30 days of the Effective Date, Wink shall refrain from manufacturing or causing to be manufactured any Product that will be sold or offered for sale to California consumers (the "Compliance Date") that contains (1) any added PFOA, or (2) any added fluorinated ingredient that causes PFOA to be in a Product, including but not limited to C9-15 fluoroalcohol phosphate, unless the Product has a Proposition 65 warning. Additionally, if Wink were to determine, or be advised by a supplier or other credible person, that PFOA is present in a Product, Wink shall not sell such Products without a Proposition 65 warning. Under the terms of this Settlement Agreement, no warnings shall be required for Products that were manufactured prior to the Compliance Date or that were already in the stream of commerce prior to the Compliance Date, regardless of the date such Products are sold or used in California.

2.2. Warning Language

If a warning is required for any Products pursuant to Section 2.1, Wink shall provide Proposition 65 warnings as follows:

(a) Wink may use any of the following warning statements in full compliance with this Section:

- (1)  **WARNING:** This product can expose you to chemicals including Perfluorooctanoic Acid [PFOA], which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

- (2)  **WARNING:** Risk of Cancer and Reproductive Harm from exposure to Perfluorooctanoic Acid [PFOA]. See www.P65Warnings.ca.gov.

Where the sign, label, hang tag, product packaging, or shelf tag for the Product is not printed using the color yellow, the symbol may be printed in black and white. The symbol shall be placed to the left of the text of the warning, in a size no smaller than the height of the word "WARNING".

(b) The requirements for warnings, set forth in subsection (a) above are imposed pursuant to the terms of this Settlement Agreement. The Parties recognize that these are not the exclusive methods of providing a legally compliant warning under Proposition 65 and its implementing regulations.

(c) Foreign Languages. Additionally, if "consumer information," as that term is defined in Title 27, California Code of Regulations, Section 25600.1(c) as it may be amended from time to time, is provided in a language other than English, the warning will be provided in that language in addition to English.

(d) Online Sales. If Wink sells Products via an internet website it controls to consumers located in California, the warning requirements of this section shall be satisfied if the foregoing warning appears either: (a) on the same web page on which a Product is displayed and/or described; (b) on the same page as the price for the Products; (c) on one or more web pages displayed to a California purchaser prior to completion of purchase during the checkout process; or (d) via a hyperlink taking the customer to a separate page containing the warning language, provided that the hyperlink appears on the same page as either the product description or product price are displayed, or appears

prior to completion of the sale at checkout. Alternatively, a symbol consisting of a black exclamation point in a yellow or white equilateral triangle may appear adjacent to or immediately following the display, description, price, or checkout listing of the Products; if the warning statement appears elsewhere on the same web page in a manner that clearly associates it with the product(s) to which the warning applies.

(e) If Proposition 65 warnings for PFOA should no longer be required for the Products, Wink shall have no further obligations pursuant to this Settlement Agreement.

3. **PENALTIES PURSUANT TO HEALTH & SAFETY CODE SECTION**

25249.7(b)

In settlement of all the claims referred to in this Settlement Agreement, Wink shall pay a total of \$100 in civil penalties in accordance with this Section. The penalty payment will be allocated in accordance with California Health & Safety Code section 25249.12(c)(1) & (d), with 75% of the funds remitted to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty remitted to Alliance. Alliance's counsel shall be solely responsible for distributing the civil penalty to OEHHA and Alliance as set forth in this agreement.

4. **REIMBURSEMENT OF FEES AND COSTS**

The Parties reached an accord on the compensation due to Alliance and its counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, Wink shall reimburse Alliance's counsel for fees and costs incurred because of investigating and bringing this matter to Wink's attention. Wink shall pay Alliance's counsel \$9,400 for all

attorneys' fees, expert and investigation fees, and related costs associated with this matter and the Notice.

5. PAYMENT INFORMATION

By August 16, 2026, Wink shall make a total payment of Nine Thousand Five Hundred Dollars (\$9,500) for the civil penalties and attorney's fees and costs by check payable to "Custodio & Dubey LLP, client trust account" and sent to: Custodio & Dubey LLP, c/o Vineet Dubey, 445 S. Figueroa St., Ste 2520, Los Angeles, CA 90071.

Custodio & Dubey LLP shall be solely responsible for allocating the payments to each payee pursuant to Sections 3 and 4 of this Settlement Agreement. Other than this payment, each side is to bear its own attorneys' fees and costs.

6. RELEASE OF ALL CLAIMS AND COVENANT NOT TO SUE

6.1. Covenant Not to Sue

Upon the date this Settlement Agreement is signed, Alliance hereby covenants, on behalf of itself and each and all of its former, current and futures successors, representatives, agents and assigns, and any other person or entity purporting to act on its behalf, that it will not, at any time hereafter, either directly or indirectly, initiate, assign, maintain or prosecute, or in any way aid or assist in the initiation, maintenance or prosecution of anything related to the general allegations described herein against Wink or the Releasees (defined below).

6.2. Release of Wink, Downstream Customers and Upstream Vendors

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to Sections 3 and 4 above, Alliance, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waive all rights to institute or participate in, directly or indirectly, any form of legal action and fully and

finally releases all claims relating to the Products allegedly distributed by Wink up through the Compliance Date, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses or expenses (including, but not limited to, investigation fees, expert fees and attorneys' fees) of any nature whatsoever, whether known or unknown, fixed or contingent, including but not limited to Proposition 65 claims (collectively "Claims"), against the following persons and entities (a) Wink and all of its subsidiaries and affiliates; and (b) each entity from whom Wink procures the Products, and each entity to whom Wink directly or indirectly formerly or currently distributes, sells, offers for sale or licenses Products, including, but not limited to, Ross Stores Inc., and their respective subsidiaries and affiliates, as well as any and all other distributors, wholesalers, vendors, licensors, licensees, auctioneers, retailers, franchisees, Wink's directors, shareholders, cooperative members, customers, owners, purchasers, users; and (c) in the case of both (a) and (b) herein, each of their respective parent companies, corporate affiliates, subsidiaries, divisions, related entities, predecessors, successors, and assigns, as well as their respective officers, directors, members, attorneys, representatives, shareholders, agents, and employees, and sister and parent entities (collectively "Releasees").

In further consideration of the promises and agreements herein contained, Alliance on its own behalf, on behalf of its past and current agents, representatives, attorneys, successors and assignees hereby waive any and all rights it may have to institute or participate in, directly or indirectly, any form of legal action and releases all claims against Wink and Releasees including, without limitation, all actions and causes of action, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses or expenses including, but not exclusively, investigation

fees, expert fees and attorney fees arising under Proposition 65 with respect to the alleged failure to warn under Proposition 65 related to the covered Product.

Alliance also, in its personal capacity, on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees and *not* in its representative capacity, provides a general release herein which shall be effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses, attorneys' fees, damages, losses, claims, liabilities and demands of any nature, character or kind, known or unknown, suspected or unsuspected up through the Compliance Date, against Wink and the Releasees. Alliance acknowledges that it is familiar with California Civil Code section 1542, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Alliance, in its personal capacity only, and on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of California Civil Code section 1542 as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters up through the Compliance Date.

6.3. Wink Release of Alliance

Wink waives any and all claims against Alliance, its attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Alliance and its attorneys and other representatives, whether in the course of investigating

claims or otherwise seeking enforcement of Proposition 65 against it in this matter, and/or with respect to the Products up through the Effective Date.

7. **Confidentiality and Non-Disparagement**

In the event any of the Parties make a permitted disclosure, the disclosing Party will take reasonable steps to ensure that any third party to whom disclosure is made protects the confidentiality of this Settlement Agreement. The Parties further agree that they will not make or cause to be made any statements to any individual or entity in any respect discussing the underlying non-public facts of the each Parties experiences relating to the Settlement Agreement, and the Parties will not make any statements that disparage, are inimical to, or damage the reputation of the other Party.
