

SETTLEMENT AND RELEASE AGREEMENT

1. GENERAL MATTERS

1.1. Parties

This Settlement Agreement is entered into by and between Public Protection Alliance, a California Limited Liability Company (“PPA”), and Prida Import & Export LLC, a Florida Company (“Prida”), with PPA and Prida each individually referred to as “Party” and collectively as the “Parties.”

1.2. General Allegations

PPA alleges that Prida manufactures, sells, and/or distributes for sale in the State of California certain products, specified in Section 1.3 below, containing lead without a warning as required in Health and Safety Code §§ 25249.5 *et seq.* (“Proposition 65”). Lead is listed pursuant to Proposition 65 as a chemical known to cause cancer and birth defects or other reproductive harm.

1.3. Product Description.

The products covered by this Agreement (the “Product”) are defined as cassava bread that Prida manufactured, sold, or distributed in California, including but not limited to Cassabito Cassava Bread as identified in the Notice.

1.4. Notice of Violation

On April 17, 2026, PPA served a 60-Day Notice of Violation (the “Notice”) on Prida, the California Attorney General, and other requisite public enforcers, alleging that Prida and others violated Proposition 65 when they failed to warn consumers in California of the alleged exposures to lead from the Product.

To the best of the Parties’ knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

1.5. No Admission.

Prida denies the material, factual, and legal allegations contained in the Notice and maintains that the units of Product have been, and are, in compliance with all laws. Nothing in this Agreement shall be construed as an admission by Prida or any of its agents of any fact, finding, conclusion, issue of law or violation of law, nor shall compliance with this Agreement constitute or be construed as an admission by Prida or any of its agents of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Prida. This Section shall not, however, diminish or otherwise affect Prida’s obligations, responsibilities, and duties under this Agreement.

1.6. Effective Date.

For the purposes of this Agreement, the term “Effective Date” shall mean the date that both Parties received the fully executed Agreement.

2. INJUNCTIVE RELIEF

2.1. Reformulation Standard

Beginning on or before the Effective Date, Prida shall be permanently enjoined from manufacturing, distributing, or directly selling in the State of California any units of the Product that expose a person to more than 0.5 micrograms of lead per serving with serving size measured by the serving size specified on the label of the Product, unless it meets the warning requirements under Section 2.2.

2.2. Clear and Reasonable Warning

As an alternative to Section 2.1, beginning on or before the Effective Date, Prida shall label all units of the Products manufactured for sale in California in compliance with the requirements of the California Code of Regulations, Title 27, Article 6, Clear and Reasonable Warning Requirements §§ 25601-25602, 25607.1 and 25607.2.

Prida agrees that each warning shall be prominently placed with such conspicuousness, as compared with other words, statements, designs, or devices, as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user understands to which specific Product the warning applies, so as to minimize the risk of consumer confusion.

For purposes of this Agreement, a clear and reasonable warning (“Warning”) for the Product shall consist of a warning that contains one of the following statements provided in the manner described in Sections 2.3 and 2.4 below:

- (1) **WARNING:** Consuming this product can expose you to chemicals including lead, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food.
- (2) **WARNING:** Risk of cancer or reproductive harm from exposure to lead. See www.P65Warnings.ca.gov/food.

OR

WARNING: Can expose you to lead, a carcinogen and reproductive toxicant. See www.P65Warnings.ca.gov/food.

Prida may, at its option, use the words “**CA WARNING:**” or “**CALIFORNIA WARNING:**” instead of the word “**WARNING:**”.

The warning shall be offset in a box with a black outline.

2.3. E-Commerce.

The warning shall be posted on websites where Prida offers Products for sale to consumers in California. This Section shall be satisfied if the Warning is prominently displayed to the purchaser prior to completing the purchase, including via a clearly marked hyperlink using the word “**WARNING**” or “**CA WARNING**” or “**CALIFORNIA WARNING.**” To comply with this Section, Prida shall (a) post the Warnings on its own U.S. website; and (b) if it has the ability to do so, post the Warnings on the websites of third-party internet sellers; or, if it does not have the ability to post the Warnings on the websites of its third-party internet sellers, provide such sellers with written notice as provided in California Health and Safety Code § 25600.2(b).

2.4. Packaging Requirements.

Prida shall print or affix the warning statements to the packaging of the products in accordance with Section 2.2. The Warnings shall be affixed to, displayed, or printed on the Products' packaging or labeling, or on a place card, shelf tag, sign or electronic device or automatic process. Where a consumer product sign, label or shelf tag used to provide a warning includes consumer information in language(s) other than English, the warning must also be provided in the other language(s) in addition to English.

2.5. Compliance with Warning Regulations.

Prida shall be deemed to be in compliance with Proposition 65 and this Agreement by either adhering to Section 2 of this Agreement or by complying with warning regulations adopted by the State of California's Office of Environmental Health Hazard Assessment ("OEHHA") applicable to the Product and the exposures at issue.

2.6. Grace Period for Existing Inventory of Products

The injunctive requirements of Section 2 shall not apply to Products that are already in the stream of commerce as of the Effective Date, which Products are expressly subject to the releases provided in Section 4 of this Settlement Agreement.

3. MONETARY SETTLEMENT TERMS

3.1. Total Settlement Payment

In settlement of all claims referred to in this Agreement, Prida shall pay a total of Twenty-Two Thousand Five Hundred Dollars (**\$22,500.00**) ("Total Settlement Amount"). 4. RELEASE OF ALL CLAIMS

4.1. Release of Prida

Upon completion of the monetary payments described in Section 3, PPA, for itself and its officers, directors, shareholders, employees, agents, parent companies, subsidiaries and divisions, releases and discharges Prida and its officers, directors, shareholders, members, owners, officers, insurers, agents, representatives, affiliates, subsidiaries, successors, assigns, distributors (collectively, "Releasees"), and entities to which Releasees directly or indirectly distribute or sell the Product in the distribution chain of the Product, of and from any and all claims, actions, causes of action, suits, demands, liabilities, damages, penalties, fees, costs, and expenses from the handling, use, or consumption of the Product in California, as to any alleged violation of Proposition 65 or its implementing regulations arising from the failure to provide Proposition 65 warnings on the Products with respect to exposures to lead up to and including the Effective Date ("Released Claims").

The Parties further understand and agree that this Section 4.1 release shall not extend upstream to any entities that manufactured the Product or any component parts thereof, or any distributors or suppliers who sold the Products or any component parts thereof to Prida.

Notwithstanding the foregoing, the Release does not relieve the Released Parties of their duty to fulfill their obligations, conditions, covenants, warranties, and representations under this Agreement and indemnification for claims asserted by third parties.

4.2. Release of PPA

Prida, on its own behalf, and on behalf of its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives any and all claims against PPA and its attorneys and other representatives, for any and all actions taken, or statements made by PPA and its attorneys and other representatives, whether in the course of investigating claims, otherwise seeking to enforce Proposition 65 against it in this matter, or with respect to the Product.

4.3. California Civil Code Section 1542

It is possible that other claims not known to the Parties, arising out of the Notice or relating to the Products, will develop or be discovered. PPA on behalf of itself only, and Prida on behalf of itself only, acknowledge that this Settlement Agreement is expressly intended to cover and include all such claims up through and including the Effective Date, including all rights of action therefore. PPA and Prida acknowledge that the claims released in Sections 4.1 and 4.2 above may include unknown claims, and nevertheless waive California Civil Code section 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

5. TOLLING

As between the Parties, and in relation to the Released Claims, in the event that Prida breaches its agreement to pay the Total Settlement Amount in full, the Parties agree that each and every: (a) time limit, statute of limitation, laches, statute of repose (of any kind or nature, including all statutes of limitations specified within and related to the Proposition 65 statute), (b) deadline and/or defense based in whole or in part upon the passage of time from certain events, and (c) contractual provision or deadline, if any, requiring the Parties to institute or assert any claim, right, objection, action, arbitration, administrative proceeding or legal proceeding, or take any step therein, within a specific period of time, are hereby tolled from the Effective Date until the date that PPA's counsel sends a Notice of Breach to Prida pursuant to the notice provisions herein.

6. GOVERNING LAW

The terms of this Agreement shall be governed by the law of the State of California and shall apply within the State of California.

10. MODIFICATION

This Settlement Agreement may be modified only by a written agreement signed by the Parties.

This Agreement may be executed in counterparts, each of which shall be deemed an original, but when taken together shall constitute one and the same agreement, with the same effect as if the signatures were placed on one original. The Parties waive the provisions of Civil Code § 1654. It is conclusively presumed that the Parties participated equally in the drafting of this Settlement Agreement.
