

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between CalSafe Research Center, Inc. ("CRC"), on the one hand, and Western Nut Company, Inc. ("Western Nut Company") on the other hand, with CRC and Western Nut Company each individually referred to as a "Party" and collectively as the "Parties."

1.2 General Allegations

CRC alleges that Western Nut Company sells and/or distributes in California certain products, specified in Section 1.3 below, containing lead without a warning as required by Health and Safety Code §§ 25249.5 *et seq.* ("Proposition 65"). Lead is listed pursuant to Proposition 65 as a chemical known to cause cancer and birth defects or other reproductive harm. Western Nut Company denies these allegations.

1.3 Product Descriptions

The products covered by this Settlement Agreement are defined as, and expressly limited to "Western Nut Company, Mango Spears (UPC# 087132007145)", "Western Nut Company, Diced Papaya (UPC# 087132004557)", and "Western Nut Company, Apricots (UPC# 087132003758)" (the "Products") that contain lead and that are manufactured, sold or distributed for sale in California by Western Nut Company.

1.4 Notice of Violation

On April 24, 2026, CRC served a 60-Day Notice of Violation ("the Notice") on Western Nut Company, the California Attorney General and the other requisite public enforcers, alleging that Western Nut Company and others violated Proposition 65 when they failed to warn consumers in California of the alleged exposures to lead from the Products.

To the best of the Parties' knowledge, no public enforcer has commenced and is diligently prosecuting an action to enforce the violations alleged in the Notice.

1.5 No Admission

Western Nut Company denies the material, factual and legal allegations in the Notice and maintains that all of the products it sold and/or distributed for sale in California, including the Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Western Nut Company or any of its officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, customers, suppliers, distributors, wholesalers, or retailers of any fact, finding, conclusion, issue of law or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Western Nut Company or any of its officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, customers, suppliers, distributors, wholesalers, or retailers of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Western Nut Company. This Section shall not, however, diminish or otherwise affect Western Nut Company's obligations, responsibilities, and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this

Settlement Agreement is fully executed by the Parties.

2. INJUNCTIVE RELIEF

2.1 **Clear and Reasonable Warnings**

Beginning on the Effective Date, Western Nut Company shall not manufacture for sale in the State of California, "Distribute into the State of California," or directly sell in the State of California, Products that expose a person to an exposure level of more than 0.5 micrograms of lead per serving, with serving size measured at 40 grams per serving, unless it meets the warning requirements under Section 2.2.

As used in this Settlement Agreement, the term "Distribute into the State of California" shall mean to directly ship the Products into California for sale in California or to sell the Products to a distributor that Western Nut Company knows or has reason to know will sell the Products in California.

2.2 **General Warning Requirements**

Western Nut Company agrees that each warning shall be prominently placed with such conspicuousness, as compared with other words, statements, designs, or devices, as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user understands to which *specific* Product the warning applies, so as to minimize the risk of consumer confusion.

For the purposes of this Settlement Agreement, a clear and reasonable warning for the Products shall consist of a warning affixed to the packaging, label, tag, or directly to each of the Products sold or distributed in California by Western Nut Company that contains one of the following statements:

- 1) **WARNING:** Consuming this product can expose you to lead, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food.

Western Nut Company may, at its option, use the words "**CA WARNING:**" or "**CALIFORNIA WARNING:**" instead of the word "**WARNING:**".

- 2) **WARNING:** Risk of cancer and reproductive harm from exposure to lead. See www.P65Warnings.ca.gov/food.

or

WARNING: Can expose you to lead, a carcinogen and reproductive toxicant. See www.P65Warnings.ca.gov/food.

Western Nut Company may, at its option, use the words "**CA WARNING:**" or "**CALIFORNIA WARNING:**" instead of the word "**WARNING:**".

The warning shall be offset in a box with black outline.

For internet purchases, the warning must also be provided by including either the warning or a clearly marked hyperlink using the word "**WARNING**" or "**CA WARNING**" or "**CALIFORNIA WARNING**" on the Product display page, or by otherwise prominently displaying the warning to the purchaser prior to completing the purchase.

For Products that Western Nut Company provides for a downstream entity to sell on the internet, Western Nut Company shall include an instruction that the entity comply with the warning requirements of this section.

Where a consumer product sign, label or shelf tag used to provide a warning includes consumer information in language(s) other than English, the warning must also be provided in the other language(s) in addition to English.

(i) Changes in Warning Regulations or Statutes

In the event that the Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting warning text and/or methods of transmission different than those set forth above, Western Nut Company shall be entitled to use, at its discretion, such other warning text and/or method of transmission without being deemed in breach of this Settlement Agreement. If regulations or legislation are enacted or issued providing that a Proposition 65 warning for the Products is no longer required, a lack of warning will not thereafter be a breach of this Settlement Agreement.

Western Nut Company also has no obligation to provide a Proposition 65 warning for Products sold in the State of California on or after the Effective Date if those products do not contain impermissible levels of lead regardless of any change in regulation or legislation.

2.3 Grace Period for Existing Inventory of Products

The injunctive requirements of Section 2 shall not apply to Products that are already in the stream of commerce as of the Effective Date, which Products are expressly subject to the releases provided in Section 4.1. For the avoidance of doubt, Products in the stream of commerce specifically include, but are not limited to, Products in the process of manufacture.

In full satisfaction of all potential civil penalties and attorneys' fees, and costs, Western Nut Company shall make a total settlement payment of Sixteen Thousand Dollars (**\$16,000.00**) ("Total Settlement Amount"). 4. CLAIMS COVERED AND RELEASED

4.1 CRC's Release of Western Nut Company

CRC, acting on its own behalf and not on behalf of the public, fully releases and discharges Western Nut Company and its respective officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, customers, suppliers, and distributors (the "Western Nut Company Releasees") and all entities to which Western Nut Company Releasees directly or indirectly distribute or sell the Products, and any other distributors, wholesalers, customers, retailers, franchisees, licensors, and licensees, (collectively, the "Released Parties" and individually, a "Released Party"). CRC, on behalf of itself and its officers, directors, shareholders, employees, agents, parent companies, subsidiaries and divisions hereby fully releases and discharges the Released Parties from any and all claims, actions, causes of action, suits, demands, liabilities, damages, penalties, fees, costs, and expenses of every nature, character, kind, and description, whether known or unknown, fixed or contingent, suspected or unsuspected, asserted or that could have been asserted, based on, arising out of, or related to the handling, use, sale, distribution or consumption of the Products in California, as to any alleged violation of Proposition 65 or its implementing regulations in relation to the Products, including without limitation any failure to provide Proposition 65 warnings on the Products with respect to exposures to lead, from the beginning of time to the Effective Date.

4.2 Western Nut Company's Release of CRC

Western Nut Company on behalf of its past and current agents, representatives, attorneys, successors and assignees hereby waives any and all claims against CRC and its attorneys and other representatives, for any and all actions taken, or statements made by CRC and its attorneys and other representatives, in the course of investigating the claims asserted in the Notice or otherwise seeking to enforce Proposition 65 against Western Nut Company with respect to the Products.

4.3 California Civil Code Section 1542

It is possible that other claims not known to the Parties, arising out of the Notice or relating to the Products, will develop or be discovered. CRC on behalf of itself only, and Western Nut Company on behalf of itself only, acknowledge that this Settlement Agreement is expressly intended to cover and include all such claims up through and including the Effective Date, including all rights of action therefore. CRC and Western Nut Company acknowledge that the claims released in Sections 4.1 and 4.2 above may include unknown claims, and nevertheless waive California Civil Code section 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

CRC and Western Nut Company each acknowledge and understand the significance and

consequences of this specific waiver of California Civil Code § 1542.

5. SEVERABILITY

In the event that any of the provisions of this Settlement Agreement are held by a court of competent jurisdiction to be unenforceable, the validity of the remaining enforceable provisions shall not be adversely affected.

6. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the laws of the State of California, without regard to its conflicts of law principals.

7. NOTICE

When any Party is entitled to receive any notice under this Settlement Agreement, the notice shall be sent by first class mail or electronic mail to the address set forth in this paragraph. Any Party may modify the person and address to whom the notice is to be sent by sending the other Party notice by certified mail, return receipt requested.
