

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between CalSafe Research Center, Inc. ("CRC"), on the one hand, and Wholistic Botanicals, LLC ("Wholistic Botanicals") on the other hand, with CRC and Wholistic Botanicals each a "Party" and collectively as the "Parties."

1.2 General Allegations

CRC alleges that Wholistic Botanicals sells and/or distributes in California certain products, specified in Section 1.3 below, containing lead without a warning as required by Health and Safety Code §§ 25249.5 *et seq.* ("Proposition 65"). Lead is listed pursuant to Proposition 65 as a chemical known to cause reproductive harm. Wholistic Botanicals denies these allegations.

1.3 Product Descriptions

The products covered by this Settlement Agreement are defined as:

- (a) Best Botanicals, Spirulina Powder (UPC# S01819-PO16), having a market-based serving size of 4 grams;
- (b) Best Botanicals, Turmeric Powder (UPC# T92104-P16), having a market-based serving size of 4.7 grams; and
- (c) Best Botanicals, Irish Moss Powder (UPC# I00801-P16), having a market-based serving size of 5.23 grams.

(collectively the "Products") that are directly or indirectly either manufactured, or sold, or distributed, or offered for sale, or some combination of the foregoing, in California by Wholistic Botanicals prior to and after the Effective Date. The serving sizes above are all based on an ingestion exposure scenario.

1.4 Amended Notice of Violation

On April 24, 2026, CRC served a 60-Day Amended Notice of Violation ("the Notice") on Wholistic Botanicals, the California Attorney General and the other requisite public enforcers, alleging that Wholistic Botanicals and others violated Proposition 65 when they failed to warn consumers in California of the alleged exposures to lead from the Products.

To the best of the Parties' knowledge, no public enforcer has commenced and is diligently prosecuting an action to enforce the violations alleged in the Amended Notice.

1.5 No Admission

Wholistic Botanicals denies the material, factual and legal allegations in the Amended Notice and maintains that all of the products it either directly or indirectly manufactured, and/or sold and/or distributed and/or offered for sale in California, including the Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission against interest by Wholistic Botanicals or any of its officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, customers, suppliers, distributors, wholesalers, or retailers of any fact, finding, conclusion, issue of law or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission against interest by Wholistic Botanicals or any of its officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, customers, suppliers, distributors, wholesalers, or retailers of any fact, finding,

conclusion, issue of law or violation of law, such being specifically denied by Wholistic Botanicals. This Section shall not, however, diminish or otherwise affect Wholistic Botanicals' obligations, responsibilities, and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed and both Parties have notification of such execution.

2. INJUNCTIVE RELIEF

2.1 Clear and Reasonable Warnings

Beginning on the Compliance Date, and Subject to Section 2.3, Wholistic Botanicals shall be permanently enjoined from manufacturing for sale in the State of California, "Distributing into the State of California," or directly selling to consumers in the State of California, Products that expose a person to an exposure level of more than 0.50 micrograms of lead per serving, with the serving size measured by the serving size specified above for ingestion of each of the Products, unless it meets the warning requirements under Section 2.2. The "Compliance Date" is ninety (90) days after the Effective Date.

As used in this Settlement Agreement, the term "Distributing into the State of California" shall mean to directly ship a Product into California for sale to a consumer in California or to sell the Product to a distributor or a retailer that Wholistic Botanicals knows will sell the Product in California.

2.2 General Warning Requirements

Wholistic Botanicals agrees that each warning shall be prominently provided with such conspicuousness, as compared with other words, statements, designs, or devices, as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user understands to which *specific* Product the warning applies, so as to minimize the risk of consumer confusion.

For the purposes of this Settlement Agreement, a clear and reasonable warning for the Products shall consist of a warning affixed to the packaging, label, tag, or directly to each unit of the Product subject to the warning obligations herein by Wholistic Botanicals that contains the following statement:

WARNING: Consuming this product can expose you to chemicals including lead, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food. OR

WARNING: Risk of cancer and reproductive harm from exposure to lead. See www.P65Warnings.ca.gov/food.

Wholistic Botanicals may, at its option, use the words "CALIFORNIA," "PROPOSITION 65," "PROP 65" or "CA PROP 65" in front of the word "WARNING:"

The warning shall be offset in a box with a black outline or an outline in the same color as the text of the warning that is being delivered.

For internet purchases from Wholistic Botanicals' proprietary website, for Products requiring a warning hereunder, the warning must also be provided by including either the warning or a clearly marked

hyperlink using the word "**WARNING**" on the Product display page, or by otherwise prominently displaying the warning to the purchaser prior to completing the purchase, including via a photo or image of the warning on the Product label.

For Products that Wholistic Botanicals provides for a downstream entity to sell on the internet, Wholistic Botanicals shall include an instruction that the entity comply with Proposition 65 warning requirements applicable to that downstream entity, but Wholistic Botanicals is not responsible hereunder for any actions or omissions of a third party downstream entity. This instruction can include filling out a form provided by the downstream entity specifying a Proposition 65 warning is required for the Product and/or otherwise advising the downstream entity that the warning is on a Product label.

Where a consumer product sign, label or shelf tag used to provide a warning includes consumer information in language(s) other than English, the warning must also be provided in the other language(s) in addition to English.

(i) Changes in Warning Regulations or Statutes

In the event that the Office of Environmental Health Hazard Assessment ("OEHHA") promulgates one or more regulations requiring or permitting warning text and/or methods of transmission different than those set forth above, Wholistic Botanicals shall be entitled to use, at its discretion, such other warning text and/or method of transmission without being deemed in breach of this Settlement Agreement. Wholistic Botanicals also shall be entitled, at its election, to provide warnings using any OEHHA "safe harbor" warning methods and content in effect and applicable to the Products when it manufactures a Product. If regulations or legislation are enacted or issued providing that a Proposition 65 warning for the Products is no longer required, or if Proposition 65 litigation concerning lead in any one or all of the Products determines that warnings are no longer required for products like the Products, or determines exposure methodologies as to lead in the Products that, when applied to the Products, support a conclusion that no warning is required, a lack of warning as to the affected Product, or all Products, as applicable, will not thereafter be a breach of this Settlement Agreement.

2.3 Grace Period for Existing Inventory of Products and Prior to the Compliance Date

The injunctive requirements of Section 2 shall not apply to any Products that are already manufactured prior to or on the Effective Date, nor to any Products which are manufactured prior to the Compliance Date, all of which Products are expressly subject to the releases provided in Section 4.1.

4. CLAIMS COVERED AND RELEASED

4.1 CRC's Release of Wholistic Botanicals

CRC, acting on its own behalf and not on behalf of the public, fully releases and discharges Wholistic Botanicals and its respective officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, customers, suppliers, distributors (the "Wholistic Botanicals Releasees") and all entities from whom Wholistic Botanicals Releasees source the Products or any ingredients therein and to which Wholistic Botanicals Releasees directly or indirectly distribute or sell the Products, and any other distributors, wholesalers, customers, retailers, franchisees, licensors, and licensees, and including all of their respective successors or assigns (collectively, the "Released Parties" and individually, a "Released Party"), from any and all claims, actions, causes of action, suits, demands, liabilities, damages, penalties, fees, costs, and expenses asserted, or that could have been asserted based on or related to the manufacture, handling, use, sale, offering for sale, distribution or consumption of the Products in California, as to any alleged violation of Proposition 65 or its implementing regulations, including without limitation any failure to provide Proposition 65 warnings on the Product with respect to exposures to lead up through and on the Compliance Date, including those Products subject to Section 2.3.

4.2 Wholistic Botanicals' Release of CRC

Wholistic Botanicals on behalf of its past and current agents, representatives, attorneys, successors and assignees hereby waives any and all claims against CRC and its attorneys and other representatives, for any and all actions taken, or statements made by CRC and its attorneys and other representatives, whether in the course of investigating claims, otherwise seeking to enforce Proposition 65 against it in this matter, or with respect to the Products up through and on the Effective Date.

4.3 California Civil Code Section 1542

It is possible that other claims not known to the Parties, arising out of the Amended Notice or relating to the Products, will develop or be discovered. CRC and Wholistic Botanicals acknowledge that the claims released in Sections 4.1 and 4.2 above may include unknown claims, and nevertheless waive California Civil Code section 1542 as to any such unknown claims up through and on the Effective Date. California Civil Code section 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

4.4 Compliance with Proposition 65

After the Effective Date, the Parties hereby agree that Wholistic Botanicals' compliance in all materials respects with this Settlement Agreement (including completion of the payments due hereunder) shall constitute compliance with Proposition 65 with regard to the Products. This Settlement Agreement does not govern Products which are not sold or distributed directly or indirectly by Wholistic Botanicals to California consumers.

5. SEVERABILITY

In the event that any of the provisions of this Settlement Agreement are held by a court of competent jurisdiction to be unenforceable, the validity of the remaining enforceable provisions shall not be adversely affected.

6. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the laws of the State of California, without regard to its conflicts of law principals.

Signatures by scanned and emailed image or facsimile transmission shall have the same force and effect as original signature and as an electronic record adopted and executed by a Party with the intent to sign the electronic record pursuant to Civil Code §§ 1633.1 *et seq.*

CRC and its attorneys agree to comply with the reporting form requirements referenced in California Health and Safety Code §25249.7(f).

10. MODIFICATION

The Settlement Agreement may be modified only by written agreement of the Parties. This Settlement Agreement is enforceable solely by the Parties hereto. If a dispute arises under this Settlement Agreement, the aggrieved Party shall first send notice to the allegedly breaching Party and the Parties shall meet and confer in good faith in an effort amicably to resolve the allegation. If Proposition 65 is repealed generally, or as to the Products specifically, then Wholistic Botanicals shall have no further obligations hereunder. This Settlement Agreement shall be binding upon and shall ensure to the benefit of the Parties and their respective owners, principals, shareholders, members, managers, officers, directors, employees, servants, heirs, executors, predecessors, successors and assigns.

11. ENTIRE AGREEMENT

This Settlement Agreement contains the sole and entire agreement and understanding of the Parties and any and all prior negotiations and understandings related hereto shall be deemed to have been merged within it. No representations or terms of agreement other than those contained herein exist or have been made by any Party with respect to the other Party or the subject matter hereof. No representations, oral or otherwise, express or implied, other than those specifically referred to in this Settlement Agreement have been made by, or relied on, any Party.

12. INTERPRETATION

No inference, assumption or presumption shall be drawn, and no provision of this Agreement shall be construed against any Party, based upon the fact that one of the Parties and/or their counsel prepared or drafted any portion of this Agreement. The Parties waive the provisions of Civil Code § 1654. It is conclusively presumed that the Parties participated equally in the drafting of this Settlement Agreement.

13. PUBLIC BENEFIT

It is the Parties' understanding that the commitments Wholistic Botanicals has agreed to herein, and the actions to be taken by Wholistic Botanicals hereunder, including payment of a Civil Penalty to the State of California, would confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of the Parties that, to the extent any other private party initiates an action alleging a violation of Proposition 65 with respect to any failure to provide a warning concerning exposure to lead prior to use of the Products prior to the Effective Date, or with respect to Products subject to this Settlement Agreement on and after the Effective Date, such private party action would not confer a significant benefit on the general public as to those Products addressed in this Settlement Agreement, provided that Wholistic Botanicals complies in all material respects with this Settlement Agreement.

14. **AUTHORIZATION**

The undersigned are authorized to execute this Settlement Agreement on behalf of their respective Parties and have read, understood, and agree to all of the terms and conditions of this Settlement Agreement.
