SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 The Parties. This Settlement Agreement is entered into by and between Gabriel Espinoza ("Espinoza") and Creta SRLS ("Creta"). Together, Espinoza and Creta are collectively referred to as the "Parties." Espinoza is an individual who resides in the State of California, and seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer products. Espinoza alleges that Creta is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, Health & Safety Code § 25249.6, et seq. ("Proposition 65").

1.2 General Allegations. Espinoza alleges that Creta has exposed individuals to lead from its sales of La Tavola hand painted olive tabletops, # 31335607 without first providing users and consumers of the product with a clear and reasonable health hazard exposure warning as required pursuant to Proposition 65. Lead is listed pursuant to Proposition 65 as a chemical known to the State of California to cause cancer and birth defects or other reproductive harm.

1.3 Product Description. The products covered by this Settlement Agreement are La Tavola hand painted olive tabletops, # 31335607 (the "Products") that have been imported, distributed, offered for sale and/or sold in California by Creta that expose users to lead.

1.4 Notice of Violation. On December 15, 2025, Espinoza served The TJX Companies, Inc., HomeGoods, LLC (collectively, "TJX"), and various public enforcement agencies with a document entitled "Notice of Violation of California Health & Safety Code § 25249.6, et seq." (the "December Notice"). The December Notice provided TJX and such others, including public enforcers, with notice that alleged that TJX was in violation of California Health & Safety Code § 25249.6, for failing to warn California consumers and customers that use of the Products will expose them to lead. No public enforcer has diligently prosecuted the allegations set forth in the December Notice.

On May 1, 2026, Espinoza served TJX, Creta and various public enforcement agencies with a document entitled "Notice of Violation of California Health & Safety Code § 25249.6, et seq." (the "May Notice"). The May Notice provided Creta and such others, including public enforcers, with

notice that alleged that Creta was in violation of California Health & Safety Code § 25249.6, for failing to warn California consumers and customers that use of the Products will expose them to lead. No public enforcer has diligently prosecuted the allegations set forth in the May Notice.

The December Notice and May Notice are collectively referred to herein as, the "Notices."

1.5 No Admission. Creta denies the material factual and legal allegations contained in the Notices and maintains that, to the best of its knowledge, all products that are or have been sold and distributed in California, including the Products, have been and are in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Creta of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Creta of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Creta. However, this § 1.5 shall not diminish or otherwise affect the obligations, responsibilities and duties under this Settlement Agreement. Notwithstanding the allegations in the Notices, Creta maintains that it has not knowingly manufactured, or caused to be manufactured, the Products for sale in California in violation of Proposition 65.

1.6 Effective Date. For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Agreement is last executed by the Parties.

2. INJUNCTIVE RELIEF: REFORMULATION AND/OR WARNINGS

2.1 Reformulation of Products. Commencing within sixty (60) days after the Effective Date, and continuing thereafter, Products that Creta directly manufactures, imports, distributes, sells, or offers for sale in California shall either be: (a) reformulated Products pursuant to § 2.2, below; or (b) labeled with a clear and reasonable exposure warning pursuant to §§ 2.3 - 2.4, below. For purposes of this Settlement Agreement, a "Reformulated Product" is a Product that is in compliance with the standard set forth in § 2.2, below. The warning requirement set forth in §§ 2.3 - 2.4 shall not apply to any Reformulated Product.

2.2 Reformulation Standard. "Reformulated Products" shall mean Products that (a) produce a wipe test result no higher than 1 microgram (µg) of lead when analyzed pursuant to NIOSH method no. 9100, and (b) contain no more than 90 parts per million ("ppm") lead in any decoration,

colored artwork, designs and/or marking on the surface of the Covered Products when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3050B or equivalent methodologies utilized by federal or state agencies for the purpose of determining lead content in a solid substance.

2.3 Clear and Reasonable Warning. Commencing within 60 days after the Effective Date, and continuing thereafter, a clear and reasonable exposure warning as set forth in this §§ 2.3 and 2.4 must be provided for all Products that Creta manufacturers, imports, distributes, sells, or offers for sale in California that is not a Reformulated Product. There shall be no obligation for Creta to provide an exposure warning for Products that entered the stream of commerce within 60 days after the Effective Date. The warning shall consist of either the **Warning** or **Alternative Warning** described in §§ 2.3(a) or (b), respectively:

(a) **Warning**. The "Warning" shall consist of the statement:

> ⚠ **WARNING**: This product can expose you to chemicals including lead, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

(b) **Alternative Warning**: Creta may, but is not required to, use the alternative short-form warning as set forth in this § 2.3(b) ("**Alternative Warning**") as follows:

> ⚠ **WARNING**: Cancer and Reproductive Harm - www.P65Warnings.ca.gov.

2.4 A **Warning** or **Alternative Warning** provided pursuant to § 2.3 must print the word "**WARNING:**" in all capital letters and in bold font, followed by a colon. The warning symbol to the left of the word "**WARNING:**" must be a black exclamation point in a yellow equilateral triangle with a black outline, except that if the sign or label for the Products does not use the color yellow, the symbol may be in black and white. The symbol must be in a size no smaller than the height of the word "**WARNING:**". The **Warning** or **Alternative Warning** shall be affixed to or printed on the Products' packaging or labeling, or on a placard, shelf tag, sign or electronic device or automatic process only if such electronic device or automatic process provides the **Warning** or **Alternative Warning** without the purchaser having to seek it out, provided that the **Warning** or **Alternative Warning** is displayed with such conspicuousness, as compared with other words, statements, or

designs as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase or use. A **Warning** or **Alternative Warning** provided via an electronic device or automatic process does not apply to internet purchases, which are subject to the provisions of Section 25602(b). The **Warning** or **Alternative Warning** may be contained in the same section of the packaging, labeling, or instruction booklet that states other safety warnings, if any, concerning the use of the Product and shall be at least the same size as those other safety warnings. If "consumer information," as that term is defined in Title 27, California Code of Regulations, Section 25600.1(c) as it may be amended from time to time, is provided in a foreign language, Creta shall provide the **Warning** or **Alternative Warning** in the foreign language in accordance with applicable warning regulations adopted by the State of California's Office of Environmental Health Hazard Assessment ("OEHHA"). An **Alternative Warning** on a Product manufactured and labeled after January 1, 2028 shall be provided in accordance with Title 27, California Code of Regulations, § 25603(b).

In addition to affixing the **Warning** or **Alternative Warning** to the Product's packaging or labeling, the **Warning** or **Alternative Warning** shall be posted on websites where Creta offers Products for sale to consumers in California. The requirements of this Section shall be satisfied if the **Warning** or **Alternative Warning**, or a clearly marked hyperlink using the word "**WARNING**," appears on the product display page, or by otherwise prominently displaying the warning to the purchaser prior to completing the purchase. To comply with this Section, Creta shall (a) post the **Warning** or **Alternative Warning** on its own website and, if it has the ability to do so, on the websites of its third-party internet sellers; and (b) if it does not have the ability to post the **Warning** or **Alternative Warning** on the websites of its third-party internet sellers, provide such sellers with written notice in accordance with Title 27, California Code of Regulations, Section 25600.2. Third-party internet sellers of the Product that have been provided with written notice in accordance with Title 27, California Code of Regulations, Section 25600.2 are not released in Section 5 of this Agreement if they fail to meet the warning requirements of this Section.

2.5 Compliance with Warning Regulations. The Parties agree that Creta shall be deemed to be in compliance with this Settlement Agreement by either adhering to § 2 of this Settlement

Agreement or by complying with warning regulations adopted by the State of California's OEHHA applicable to the Product and the exposure at issue.

3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE § 25249.7(b)

In settlement of all the claims referred to in this Settlement Agreement, Creta shall pay $500.00 as a Civil Penalty in accordance with this Section. The Civil Penalty payment shall be allocated in accordance with California Health & Safety Code §§ 25249.12(c)(1) and (d), with 75% of the Penalty remitted to OEHHA and the remaining 25% of the Penalty remitted to Espinoza. 4. REIMBURSEMENT OF FEES AND COSTS

The Parties acknowledge that Espinoza and his counsel offered to reach preliminary agreement on the material terms of this dispute before reaching terms on the amount of fees and costs to be reimbursed to them. The Parties thereafter reached an accord on the compensation due to Espinoza and his counsel under general contract principles and the private attorney general doctrine and principles codified at California Code of Civil Procedure § 1021.5, for all work performed through the mutual execution of this agreement. Under these legal principles, Creta shall reimburse Espinoza's counsel $12,000.00 for fees and costs incurred as a result of investigating and bringing this matter to the attention of Creta, and negotiating a settlement in the public interest.

The final settlement check of $2,000.00 shall be dated for deposit on March 21, 2027. Total payment pursuant to this Section shall equal $12,000.00.

5. RELEASE OF ALL CLAIMS

5.1 Release of Creta and Downstream Customers and Entities. This Settlement Agreement is a full, final and binding resolution between Espinoza, acting on his own behalf, and Creta, of any violation of Proposition 65 that was or could have been asserted by Espinoza or on behalf of his past and current agents, representatives, attorneys, successors, and/or assigns ("Releasors") for failure to provide warnings for alleged exposures to lead from use of the Products, and Releasors hereby release any such claims against Creta and its parents, subsidiaries, affiliated entities, shareholders, marketplaces, directors, officers, agents, employees, attorneys, successors and assignees, and each entity to whom Creta directly or indirectly distributes or sells the Products, including but not limited to, downstream distributors, wholesalers, customers, retailers, including but not limited to TJX, its respective subsidiaries, affiliates and parents, franchisees, cooperative members and licensees (collectively, the "Releasees"), from all claims for violations of Proposition 65 within 60 days after the Effective Date based on exposure to lead from use of the Products.

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to §§ 3 and 4 above, Espinoza, on behalf of himself, his past and current agents, representatives, attorneys, successors and/or assignees, hereby covenants not to sue and waives any right to institute, participate in, directly or indirectly, any form of legal action and releases all claims that he may have, including without limitation, all actions and causes of action in law and in equity, all obligations, expenses (including without limitation all attorneys' fees, expert fees, and investigation fees, and costs), damages, losses, liabilities and demands against any of the Releasees of

any nature, character, or kind, whether known or unknown, suspected or unsuspected, limited to and arising out of the alleged or actual exposure to lead from use of the Products.

5.2 Creta's Release of Espinoza. Creta, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waives any and all claims against Espinoza, his attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Espinoza and/or his attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter or with respect to exposure to lead from the Products.

5.3 California Civil Code § 1542. It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Products will develop or be discovered. Espinoza on behalf of himself only, on one hand, and Creta, on the other hand, acknowledge that this Agreement is expressly intended to cover and include all such claims up through 60 days after the Effective Date, including all rights of action therefor. The Parties acknowledge that the claims released in §§ 5.1 and 5.2, above, may include unknown claims, and nevertheless waive California Civil Code § 1542 as to any such unknown claims. California Civil Code § 1542 reads as follows:

> A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HER OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HER OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Espinoza and Creta each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

5.4 Deemed Compliance with Proposition 65. The Parties agree that compliance by Creta with this Settlement Agreement constitutes compliance by Creta with Proposition 65 with respect to exposure to lead from use of the Products.

5.5. Public Benefit. It is Creta's understanding that the commitments it has agreed to herein, and actions to be taken by Creta under this Settlement Agreement, would confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code

tit. 11, § 3201. As such, it is the intent of Creta that to the extent any other private party initiates an action alleging a violation of Proposition 65 with respect to Creta's failure to provide a warning concerning exposure to lead prior to use of the Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Products addressed in this Settlement Agreement, provided that Creta is in material compliance with this Settlement Agreement.

6. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any of the provisions of this Settlement Agreement are deemed by a court to be unenforceable, the validity of the enforceable provisions remaining shall not be adversely affected but only to the extent the deletion of the provision deemed unenforceable does not materially affect, or otherwise result in the effect of the Settlement Agreement being contrary to the intent of the Parties in entering into this Settlement Agreement.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the law of the State of California and apply within the State of California.
