

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 The Parties. This Settlement Agreement is entered into by and between Ema Bell (“Bell”) and Slab, LLC (“Slab”). Together, Bell and Slab are collectively referred to as the “Parties.” Bell is an individual who resides in the State of California, and seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer products. Bell alleges that Slab is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, Health & Safety Code § 25249.6, et seq. (“Proposition 65”).

1.2 General Allegations. Bell alleges that Slab has exposed individuals to di(2-ethylhexyl) phthalate (DEHP) from its sales of StorageLab storage containers, # 461284744545 without first providing users and consumers of the product with a clear and reasonable health hazard exposure warning as required pursuant to Proposition 65. DEHP is listed pursuant to Proposition 65 as a chemical known to the State of California to cause cancer and birth defects or other reproductive harm.

1.3 Product Description. The products covered by this Settlement Agreement are StorageLab storage containers, # 461284744545 (the “Products”) that have been imported, distributed, offered for sale and/or sold in California by Slab that are alleged to expose users to DEHP.

1.4 Notices of Violation. On November 17, 2025, Bell served Walmart Inc. (“Walmart”) and various public enforcement agencies with a document entitled “Notice of Violation of California Health & Safety Code § 25249.6, et seq.” (the “November Notice”). The November Notice provided Walmart and such others, including public enforcers, with notice that alleged that Walmart was in violation of California Health & Safety Code § 25249.6, for failing to warn California consumers and customers that use of the Products will expose them to DEHP. No public enforcer has diligently prosecuted the allegations set forth in the November Notice.

On February 12, 2026, Bell served Walmart and various public enforcement agencies with a document entitled “Notice of Violation of California Health & Safety Code § 25249.6, et seq.” (the

“February Notice”). The February Notice provided Walmart and such others, including public enforcers, with notice that alleged that Walmart was in violation of California Health & Safety Code § 25249.6, for failing to warn California consumers and customers that use of the Products will expose them to DEHP. No public enforcer has diligently prosecuted the allegations set forth in the February Notice.

On May 6, 2026, Bell served Walmart, Slab, and various public enforcement agencies with a document entitled “Notice of Violation of California Health & Safety Code § 25249.6, et seq.” (the “May Notice”). The May Notice provided Slab and such others, including public enforcers, with notice that alleged that Slab was in violation of California Health & Safety Code § 25249.6, for failing to warn California consumers and customers that use of the Products will expose them to DEHP. No public enforcer has diligently prosecuted the allegations set forth in the May Notice.

The November Notice, February Notice, and May Notice are collectively referred to herein as, the “Notices.”

1.5 No Admission. Slab denies the material factual and legal allegations contained in the Notices and maintains that, to the best of its knowledge, all products that are or have been sold and distributed in California, including the Products, have been and are in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Slab of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Slab of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Slab. However, this § 1.5 shall not diminish or otherwise affect the obligations, responsibilities and duties under this Settlement Agreement. Notwithstanding the allegations in the Notices, Slab maintains that it has not knowingly manufactured, or caused to be manufactured, the Products for sale in California in violation of Proposition 65.

1.6 Effective Date. For purposes of this Settlement Agreement, the term “Effective Date” shall mean the date this Agreement is last executed by the Parties.

2. INJUNCTIVE RELIEF: COMMITMENT NOT TO SELL

2.1 Commitment Not to Sell. Commencing within sixty (60) days after the Effective Date, and continuing thereafter, Slab agrees that it shall not manufacture, distribute, sell, or offer the Products for sale in California. The Products that have been manufactured, packaged, or put into commerce within 60 days after the Effective Date, shall be subject to the release of liability pursuant to this Settlement Agreement without regarding to when such Products were distributed or sold to customers.

3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE § 25249.7(b)

In settlement of all the claims referred to in this Settlement Agreement, Slab shall pay \$500.00 as a Civil Penalty in accordance with this Section. The Civil Penalty payment shall be allocated in accordance with California Health & Safety Code §§ 25249.12(c)(1) and (d), with 75% of the Penalty remitted to OEHHA and the remaining 25% of the Penalty remitted to Bell. The Civil Penalty payment(s) shall be delivered to the addresses identified in § 3.2, below.

3.1 Civil Penalty. Within thirty (30) days of the Effective Date, Slab shall issue two (2) separate checks for the Civil Penalty payment to (a) “OEHHA” in the amount of \$375.00; and to (b) “Ema Bell” in the amount of \$125.00. The Civil Penalty payment(s) shall be delivered to the addresses identified in § 3.2, below.

Within five (5) days of the Effective Date, Brotsky Smith shall make the wire instructions available to Slab.

4. REIMBURSEMENT OF FEES AND COSTS

The Parties acknowledge that Bell and her counsel offered to reach preliminary agreement on the material terms of this dispute before reaching terms on the amount of fees and costs to be reimbursed to them. The Parties thereafter reached an accord on the compensation due to Bell and her counsel under general contract principles and the private attorney general doctrine and principles codified at California Code of Civil Procedure § 1021.5, for all work performed through the mutual execution of this agreement. Under these legal principles, Slab shall reimburse Bell's counsel for fees and costs incurred as a result of investigating and bringing this matter to the attention of Slab, and negotiating a settlement in the public interest. Within thirty (30) days of the Effective Date, Slab shall issue a check payable to "Brodsky Smith" in the amount of \$7,000.00 for delivery to the address identified in § 3.2(a)(i), above. The payment of fees and costs set forth in this Section represents full and final satisfaction of all attorney fees, costs, and expenses incurred by Bell and her counsel in connection with this matter, and no additional fees, costs, or expenses shall be sought or owed.

5. RELEASE OF ALL CLAIMS

5.1 Release of Slab and Downstream Customers and Entities. This Settlement Agreement is a full, final and binding resolution between Bell, acting on her own behalf, and Slab, of any violation of Proposition 65 that was or could have been asserted by Bell or on behalf of her past and current agents, representatives, attorneys, successors, and/or assigns ("Releasors") for failure to provide warnings for alleged exposures to DEHP from use of the Products, and Releasors hereby release any such claims against Slab and its parents, subsidiaries, affiliated entities, shareholders, marketplaces, directors, officers, agents, employees, attorneys, successors and assignees, and each entity to whom Slab directly or indirectly distributes or sells the Products, including but not limited to, downstream distributors, wholesalers, customers, retailers, including but not limited to Walmart, and its respective subsidiaries, affiliates and parents, franchisees, cooperative members and licensees (collectively, the "Releasees"), from all claims for violations of Proposition 65 through 60 days after the Effective Date based on alleged or actual exposure to DEHP from use of the Products.

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to §§ 3 and 4 above, Bell, on behalf of herself, her past and current agents, representatives, attorneys, successors and/or assignees, hereby covenants not to sue and waives any right to institute, participate in, directly or indirectly, any form of legal action and releases all claims that she may have, including without limitation, all actions and causes of action in law and in equity, all obligations, expenses (including without limitation all attorneys' fees, expert fees, and investigation fees, and costs), damages, losses, liabilities and demands against any of the Releasees of any nature, character, or kind, whether known or unknown, suspected or unsuspected, limited to and arising out of the alleged or actual exposure to DEHP from use of the Products.

5.2 Slab's Release of Bell. Slab, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waives any and all claims against Bell, her attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Bell and/or her attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter or with respect to exposure to DEHP from use of the Products.

5.3 California Civil Code § 1542. It is possible that other claims not known to the Parties arising out of the facts alleged in the Notices and relating to the Products will develop or be discovered. Bell on behalf of herself only, on one hand, and Slab, on the other hand, acknowledge that this Agreement is expressly intended to cover and include all such claims up through 60 days after the Effective Date, including all rights of action therefor. The Parties acknowledge that the claims released in §§ 5.1 and 5.2, above, may include unknown claims, and nevertheless waive California Civil Code § 1542 as to any such unknown claims. California Civil Code § 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Bell and Slab each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

5.4 Deemed Compliance with Proposition 65. The Parties agree that substantial compliance by Slab with this Settlement Agreement constitutes compliance by Slab with Proposition 65 with respect to exposure to DEHP from use of the Products.

5.5. Public Benefit. It is the Parties' understanding that the commitments Slab has agreed to herein, and actions to be taken by Slab under this Settlement Agreement, would confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of the Parties that to the extent any other private party initiates an action alleging a violation of Proposition 65 with respect to Slab's failure to provide a warning concerning exposure to DEHP prior to use of the Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Products addressed in this Settlement Agreement, provided that Slab is in material compliance with this Settlement Agreement.

6. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any of the provisions of this Settlement Agreement are deemed by a court to be unenforceable, the validity of the enforceable provisions remaining shall not be adversely affected but only to the extent the deletion of the provision deemed unenforceable does not materially affect, or otherwise result in the effect of the Settlement Agreement being contrary to the intent of the Parties in entering into this Settlement Agreement.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the law of the State of California and apply within the State of California.

8. NOTICES

Bell agrees to comply with the reporting requirements referenced in Health & Safety Code § 25249.7(f).

11. MISCELLANEOUS

This Settlement Agreement may be modified only by a written agreement of the Parties.

Notwithstanding any other provision of this Settlement Agreement, no Party shall be deemed in breach of this Settlement Agreement unless and until the other Party provides written notice specifying the alleged breach and the breaching Party fails to cure such breach within thirty (30) days of receiving such written notice (or, if the breach cannot reasonably be cured within such period, the breaching Party fails to commence efforts to cure within such period and diligently pursue cure to completion).

In the event that Proposition 65 is repealed or is otherwise rendered inapplicable or limited by reason of law generally, or as to the Products, Slab shall provide written notice to Bell of any asserted change in the law, and shall have no further prospective obligations pursuant to this Settlement Agreement with respect to, and to the extent that, a Product is so affected.

12. ENTIRE AGREEMENT

This Settlement Agreement contains the sole and entire agreement of the Parties and any and all prior negotiations and understandings related hereto shall be deemed to have been merged within it.
