

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between CalSafe Research Center, Inc. ("CRC"), on the one hand, and McEvoy of Marin, LLC ("McEvoy") on the other hand, with CRC and McEvoy each individually referred to as a "Party" and collectively as the "Parties."

1.2 General Allegations

CRC alleges that McEvoy sells and/or distributes in California certain products, specified in Section 1.3 below, containing lead without a warning as required by Health and Safety Code §§ 25249.5 *et seq.* ("Proposition 65"). Lead is listed pursuant to Proposition 65 as a chemical known to cause cancer and birth defects or other reproductive harm. McEvoy denies these allegations.

1.3 Product Descriptions

The products covered by this Settlement Agreement are defined as, and expressly limited to "McEvoy Ranch, Green Olive Tapenade (UPC# 634832021805)" and "McEvoy Ranch, Black Olive Tapenade (UPC# 634832019567)" (the "Products") that are manufactured for, sold by, or distributed for sale in California by McEvoy.

1.4 Notice of Violation

On May 7, 2026, CRC served a 60-Day Notice of Violation ("the Notice") on McEvoy, the California Attorney General and the other requisite public enforcers, alleging that McEvoy and others violated Proposition 65 when they failed to warn consumers in California of the alleged exposures to lead from the Products.

To the best of the Parties' knowledge, no public enforcer has commenced and is diligently prosecuting an action to enforce the violations alleged in the Notice.

1.5 No Admission

McEvoy denies the material, factual and legal allegations in the Notice and maintains that all of the products it sold and/or distributed for sale in California, including the Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by McEvoy or any of its officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, customers, suppliers, distributors, wholesalers, or retailers of any fact, finding, conclusion, issue of law or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by McEvoy or any of its officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, customers, suppliers, distributors, wholesalers, or retailers of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by McEvoy. This Section shall not, however, diminish or otherwise affect McEvoy's obligations, responsibilities, and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

2. INJUNCTIVE RELIEF

2.1 Clear and Reasonable Warnings

Beginning on the Effective Date, McEvoy shall be permanently enjoined from manufacturing for sale in the State of California, "Distributing into the State of California," or directly selling in the State of California, Products that expose a person to an exposure level of more than 0.5 micrograms of lead per serving, with serving size measured by serving size specified on the label of the Products, unless it meets the warning requirements under Section 2.2. Nothing in this Section shall constitute an admission that any Product exposes consumers to lead in excess of 0.5 micrograms per day or otherwise requires a Proposition 65 warning. McEvoy may comply with this Section by providing warnings as set forth in Section 2.2.

As used in this Settlement Agreement, the term "Distributing into the State of California" shall mean to directly ship the Products into California for sale in California or to sell the Products to a distributor that McEvoy knows or has reason to know will sell the Products in California.

2.2 General Warning Requirements

McEvoy agrees that each warning shall be prominently placed with such conspicuousness, as compared with other words, statements, designs, or devices, as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user understands to which *specific* Product the warning applies, so as to minimize the risk of consumer confusion.

For the purposes of this Settlement Agreement, a clear and reasonable warning for the Products shall consist of a warning affixed to the packaging, label, tag, or directly to each of the Products sold or distributed in California by McEvoy that contains one of the following statements:

- 1) **WARNING:** Consuming this product can expose you to lead, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food.

or

- 2) **WARNING:** Risk of cancer and reproductive harm from exposure to lead. See www.P65Warnings.ca.gov/food.

or

WARNING: Can expose you to lead, a carcinogen and reproductive toxicant. See www.P65Warnings.ca.gov/food.

In each of the above formulations, McEvoy may, at its option, use the words "CA WARNING:" or "CALIFORNIA WARNING:" instead of the word "WARNING:".

Where the warning is provided on the Product label, the warning shall be set off from other surrounding information and enclosed in a box.

For internet purchases, the warning must also be provided by including either the warning or a clearly marked hyperlink using the word "WARNING" or "CA WARNING" or "CALIFORNIA

WARNING” on the Product display page, or by otherwise prominently displaying the warning to the purchaser prior to completing the purchase.

For Products that McEvoy sells or distributes to a downstream entity that McEvoy knows or has reason to know will sell the Products online to California consumers, McEvoy shall provide written notice of the warning requirement and warning language to that downstream entity. McEvoy shall not be responsible for a downstream entity’s failure to post or maintain the warning after McEvoy has provided such notice. Any downstream entity that receives the aforementioned written notice but fails to provide the required warning, is not released from liability under this Settlement Agreement.

To the extent required by then-current Proposition 65 regulations, if a warning is provided on a consumer product sign, label, shelf tag, website, or catalog that includes consumer information in language(s) other than English, the warning must also be provided in the other language(s) in addition to English.

(i) Changes in Warning Regulations or Statutes

In the event that the Office of Environmental Health Hazard Assessment promulgates one or more regulations requiring or permitting warning text and/or methods of transmission different than those set forth above, McEvoy shall be entitled to use, at its discretion, such other warning text and/or method of transmission without being deemed in breach of this Settlement Agreement. If regulations or legislation are enacted or issued providing that a Proposition 65 warning for the Products is no longer required, a lack of warning will not thereafter be a breach of this Settlement Agreement.

2.3 Grace Period for Existing Inventory of Products

The injunctive requirements of Section 2 shall not apply to Products manufactured, labeled, packaged, shipped, distributed, or sold by McEvoy before the Effective Date. Such Products are expressly subject to the releases provided in Section 4.1.

3. MONETARY SETTLEMENT TERMS

3.1 Total Settlement Payment

In full satisfaction of all potential civil penalties, attorneys’ fees, and costs, McEvoy shall make a total settlement payment of Fifteen Thousand Dollars **(\$15,000.00)** (“Total Settlement Amount”). The Total Settlement Amount shall be apportioned into a Civil Penalty and Attorney’s Fees and Costs as set forth in Sections 3.2 and 3.3 below.

3.2 Civil Penalty Payment

Pursuant to Health and Safety Code§ 25249.7(b)(2), and in settlement of all claims alleged in the Notice or referred to in this Settlement Agreement, McEvoy agrees to pay One Thousand Five Hundred Dollars **(\$1,500.00)** in civil penalties. The penalty payment will be allocated in accordance with California Health and Safety Code§§ 25249.12(c)(1) & (d), with 75% of the penalty amount paid to the California Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty amount retained by CRC. Within ten (10) business days after the Effective Date and receipt of completed W-9 forms from CRC and Manning Law, whichever is later, McEvoy shall issue a check to “OEHHA” in the amount of One Thousand One Hundred and Twenty-Five Dollars **(\$1,125.00)** and shall, pursuant to the instructions below, wire to CRC the amount of Three Hundred and Seventy-Five Dollars **(\$375.00)**.

All payments owed to OEHHA (EIN: 68-0284486) pursuant to this Section shall be delivered directly to OEHHA (Memo Line "Prop 65 Penalties") at the following addresses:

The Parties acknowledge that McEvoy cannot issue any settlement payments pursuant to Section 3 above until after McEvoy receives the requisite W-9 forms from CRC's counsel.

4. CLAIMS COVERED AND RELEASED

4.1 CRC's Release of McEvoy

CRC, acting on its own behalf and not on behalf of the public, fully releases and discharges McEvoy and its respective officers, directors, shareholders, employees, agents, parent companies, subsidiaries, divisions, affiliates, franchisees, licensees, customers, suppliers, distributors, wholesalers, retailers (the "McEvoy Releasees") and all entities to which McEvoy Releasees directly or indirectly distribute or sell the Product, and any other distributors, wholesalers, customers, retailers, franchisees, licensors, and licensees (collectively, the "Released Parties" and individually, a "Released Party"). CRC, on behalf of itself and its officers, directors, shareholders, employees, agents, parent companies, subsidiaries and divisions hereby fully releases and discharges the Released Parties from any and all claims, actions, causes of action, suits, demands, liabilities, damages, penalties, fees, costs, and expenses asserted, or that could have been asserted based on or related to the handling, use, sale, distribution or consumption of the Product in California, as to any alleged violation of Proposition 65 or its implementing regulations in relation to the Product manufactured, distributed, sold, or offered for sale in California before the Effective Date, and after the Effective Date to the extent the Product is sold in compliance with Section 2, including without limitation any failure to provide Proposition 65 warnings on the Products with respect to exposures to lead. For avoidance of doubt, the release in this Section applies to alleged exposures to lead from the Products and to alleged failures to provide Proposition 65 warnings for the Products, including warnings for internet, catalog, and retail sales, for conduct occurring before the Effective Date and for post-Effective Date sales made in compliance with Section 2.

4.2 McEvoy's Release of CRC

McEvoy on behalf of its past and current agents, representatives, attorneys, successors and assignees hereby waives any and all claims against CRC and its attorneys and other representatives, for any and all actions taken, or statements made by CRC and its attorneys and other representatives, whether in the course of investigating claims, otherwise seeking to enforce Proposition 65 against it in this matter, or with respect to the Products, except for claims arising from a breach of this Settlement Agreement.

4.3 California Civil Code Section 1542

It is possible that other claims not known to the Parties, arising out of the Notice or relating to the Products, will develop or be discovered. CRC on behalf of itself only, and McEvoy on behalf of itself only, acknowledge that this Settlement Agreement is expressly intended to cover and include all such claims up through and including the Effective Date, including all rights of action therefore. CRC and McEvoy acknowledge that the claims released in Sections 4.1 and 4.2 above may include unknown claims, and nevertheless waive California Civil Code section 1542 as to any such unknown claims. California Civil Code section 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR

OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

5. SEVERABILITY

In the event that any of the provisions of this Settlement Agreement are held by a court of competent jurisdiction to be unenforceable, the validity of the remaining enforceable provisions shall not be adversely affected.

6. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the laws of the State of California, without regard to its conflicts of law principles.

7. NOTICE

When any Party is entitled to receive any notice under this Settlement Agreement, the notice shall be sent by first class mail or electronic mail to the address set forth in this paragraph. Any Party may modify the person and address to whom the notice is to be sent by sending the other Party notice by certified mail, return receipt requested. Said change shall take effect on the date the return receipt is signed by the Party receiving the change.

Except as required by law, regulation, court rule, subpoena, or applicable reporting obligations under Proposition 65, neither Party shall issue a press release announcing this Settlement Agreement without the other Party's prior written consent. No representations, oral or otherwise, express or implied, other than those specifically referred to in this Settlement Agreement have been made by, or relied on, any Party.

13. INTERPRETATION

No inference, assumption or presumption shall be drawn, and no provision of this Settlement Agreement shall be construed against any Party, based upon the fact that one of the Parties and/or their counsel prepared or drafted any portion of this Settlement Agreement. The Parties waive the provisions of Civil Code § 1654. It is conclusively presumed that the Parties participated equally in the drafting of this Settlement Agreement.

14. AUTHORIZATION

The undersigned are authorized to execute this Settlement Agreement on behalf of their respective Parties and have read, understood, and agree to all of the terms and conditions of this Settlement Agreement.
