

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 The Parties. This Settlement Agreement is entered into by and between Gabriel Espinoza ("Espinoza") and Dalla Costa Alimentare SRL ("Dalla Costa"). Together, Espinoza and Dalla Costa are collectively referred to as the "Parties." Espinoza is an individual who resides in the State of California, and seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer products. Espinoza alleges that Dalla Costa is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, Health & Safety Code § 25249.6, et seq. ("Proposition 65").

1.2 General Allegations. Espinoza alleges that Dalla Costa has exposed individuals to lead from its sales of Italian Journey monuments multicolor pasta without first providing users and consumers of the product with a clear and reasonable health hazard exposure warning as required pursuant to Proposition 65. Lead is listed pursuant to Proposition 65 as a chemical known to the State of California to cause cancer and birth defects or other reproductive harm. Dalla Costa denies these allegations.

1.3 Product Description. The products covered by this Settlement Agreement are Italian Journey monuments multicolor pasta (the "Products") that have been imported, distributed, offered for sale and/or sold in California by Dalla Costa that expose consumers to lead.

1.4 Notice of Violation. On May 11, 2026, Espinoza served World Market, LLC, Cost Plus World Market, LLC, World Market Management Services, LLC (collectively "World Market"), Dalla Costa, and various public enforcement agencies with a document entitled "Notice of Violation of California Health & Safety Code § 25249.6, et seq." (the "Notice"). The Notice provided Dalla Costa, and such others, including public enforcers, with notice that alleged that Dalla Costa was in violation of California Health & Safety Code § 25249.6, for failing to warn California consumers and customers that use of the Products will expose them to lead. No public enforcer has diligently prosecuted the allegations set forth in the Notice.

1.5 No Admission. Dalla Costa denies the material factual and legal allegations contained in the Notices and maintains that, to the best of its knowledge, all products that are or have been sold and distributed in California, including the Products, have been and are in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Dalla Costa of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Dalla Costa of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Dalla Costa. However, this § 1.5 shall not diminish or otherwise affect the obligations, responsibilities and duties under this Settlement Agreement. Notwithstanding the allegations in the Notices, Dalla Costa maintains that it has not knowingly manufactured, or caused to be manufactured, the Products for sale in California in violation of Proposition 65.

1.6 Effective Date. For purposes of this Settlement Agreement, the term “Effective Date” shall mean the date this Agreement is last executed by the Parties.

2. INJUNCTIVE RELIEF: WARNINGS

2.1 Clear and Reasonable Warning. Commencing within ninety (90) days after the Effective Date, and continuing thereafter, a clear and reasonable exposure warning as set forth in this §§ 2.3 and 2.4 must be provided for all Products that Dalla Costa manufactures, imports, distributes, sells, or offers for sale in California. There shall be no obligation for Dalla Costa to provide an exposure warning for Products that entered the stream of commerce within ninety (90) days after the Effective Date. The warning shall consist of either the **Warning** or **Alternative Warning** described in §§ 2.3(a) or (b), respectively:

(a) **Warning.** The “Warning” shall consist of the statement:

CA WARNING: Consuming this product can expose you to chemicals including lead, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov/food.

(b) **Alternative Warning:** Dalla Costa may, but is not required to, use the alternative short-form warning as set forth in this § 2.3(b) (“**Alternative Warning**”) as follows:

CA WARNING: Risk of cancer and reproductive harm from exposure to lead. See www.P65Warnings.ca.gov/food.

2.2 A **Warning** or **Alternative Warning** provided pursuant to § 2.3 must print the word “**WARNING:**” in all capital letters and in bold font, followed by a colon. The **Warning** or **Alternative Warning** shall be affixed to or printed on the Products’ packaging or labeling, or on a placard, shelf tag, sign or electronic device or automatic process only if such electronic device or automatic process provides the **Warning** or **Alternative Warning** without the purchaser having to seek it out, provided that the **Warning** or **Alternative Warning** is displayed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase or use. A **Warning** or **Alternative Warning** provided via an electronic device or automatic process does not apply to internet purchases, which are subject to the provisions of Section 25602(b). The **Warning** or **Alternative Warning** may be contained in the same section of the packaging, labeling, or instruction booklet that states other safety warnings, if any, concerning the use of the Product and shall be at least the same size as those other safety warnings. Where the **Warning** or **Alternative Warning** is provided on the food product label, it must be set off from other surrounding information, and Dalla Costa shall enclose the **Warning** or **Alternative Warning** in a black box and comply with the content requirements specified in Section 25607.2. If “consumer information,” as that term is defined in Title 27, California Code of Regulations, Section 25600.1(c) as it may be amended from time to time, is provided in a foreign language, Dalla Costa shall provide the **Warning** or **Alternative Warning** in the foreign language in accordance with applicable warning regulations adopted by the State of California’s Office of Environmental Health Hazard Assessment (“OEHHA”).

In addition to affixing the **Warning** or **Alternative Warning** to the Product’s packaging or labeling, the **Warning** or **Alternative Warning** shall be posted on websites where Dalla Costa offers Products for sale to consumers in California. The requirements of this Section shall be satisfied if the **Warning** or **Alternative Warning**, or a clearly marked hyperlink using the word “**WARNING,**” appears on the product display page, or by otherwise prominently displaying the warning to the

purchaser prior to completing the purchase. To comply with this Section, Dalla Costa shall (a) post the **Warning** or **Alternative Warning** on its own website and, if it has the ability to do so, on the websites of its third-party internet sellers that Dalla Costa has a direct business relationship with; and (b) if it does not have the ability to post the **Warning** or **Alternative Warning** on the websites of its third-party internet sellers that Dalla Costa has a direct business relationship with, provide such sellers with written notice in accordance with Title 27, California Code of Regulations, Section 25600.2. Third-party internet sellers of the Product that have been provided with written notice in accordance with Title 27, California Code of Regulations, Section 25600.2 are not released in Section 5 of this Agreement if they fail to meet the warning requirements of this Section.

2.3 Compliance with Warning Regulations. The Parties agree that Dalla Costa shall be deemed to be in compliance with this Settlement Agreement by either adhering to § 2 of this Settlement Agreement or by complying with warning regulations adopted by the State of California's OEHHA applicable to the Product and the exposure at issue.

2.4 Grace Period for Existing Inventory of Products. The injunctive requirements for Section 2 shall not apply to Product that is already in the stream of commerce as of the Effective Date or to Product that is supplied or contracted to be supplied to third parties within, or prior to, ninety (90) days after the Effective Date, which Product is expressly subject to the releases provided herein.

The Civil Penalty payment(s) shall be delivered to the addresses identified in § 3.2, below

5. **RELEASE OF ALL CLAIMS**

5.1 Release of Dalla Costa and Downstream Customers and Entities. This Settlement Agreement is a full, final and binding resolution between Espinoza, acting on his own behalf, and Dalla Costa, of any violation of Proposition 65 that was or could have been asserted by Espinoza or on behalf of his past and current agents, representatives, attorneys, successors, and/or assigns ("Releasors") for failure to provide warnings for alleged exposures to lead from use of the Products, and Releasors hereby release any such claims against Dalla Costa and its parents, subsidiaries, affiliated entities, shareholders, marketplaces, directors, officers, agents, employees, attorneys, successors and assignees, and each entity to whom Dalla Costa directly or indirectly distributes or sells the Products, including but not limited to, World Market, downstream distributors, wholesalers, customers, retailers, including but not limited to World Market, its respective subsidiaries, affiliates and parents, franchisees, cooperative members and licensees (collectively, the "Releasees"), from all claims for violations of Proposition 65 before the Effective Date or within 60 days after the Effective Date based on exposure to lead from use of the Products.

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to §§ 3 and 4 above, Espinoza, on behalf of himself, his past and current agents, representatives, attorneys, successors and/or assignees, hereby covenants not to sue and waives any right to institute, participate in, directly or indirectly, any form of legal action and releases all claims that he may have, including without limitation, all actions and causes of action in law and in equity, all obligations, expenses (including without limitation all attorneys' fees, expert fees, and investigation fees, and costs), damages, losses, liabilities and demands against any of the Releasees of any nature, character, or kind, whether known or unknown, suspected or unsuspected, limited to and arising out of the alleged or actual exposure to lead from use of the Products.

5.2 Dalla Costa's Release of Espinoza. Dalla Costa, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waives any and all claims against Espinoza, his attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Espinoza and/or his attorneys and other

representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter or with respect to exposure to lead from the Products.

5.3 California Civil Code § 1542. It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Products will develop or be discovered. Espinoza on behalf of himself only, on one hand, and Dalla Costa, on the other hand, acknowledge that this Agreement is expressly intended to cover and include all such claims up through 60 days after the Effective Date, including all rights of action therefor. The Parties acknowledge that the claims released in §§ 5.1 and 5.2, above, may include unknown claims, and nevertheless waive California Civil Code § 1542 as to any such unknown claims. California Civil Code § 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HER OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HER OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Espinoza and Dalla Costa each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

5.4 Deemed Compliance with Proposition 65. The Parties agree that compliance by Dalla Costa with this Settlement Agreement constitutes compliance with Proposition 65 with respect to exposure to lead from use of the Products.

6. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any of the provisions of this Settlement Agreement are deemed by a court to be unenforceable, the validity of the enforceable provisions remaining shall not be adversely affected but only to the extent the deletion of the provision deemed unenforceable does not materially affect, or otherwise result in the effect of the Settlement Agreement being contrary to the intent of the Parties in entering into this Settlement Agreement.
