

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 The Parties. This Settlement Agreement is entered into by and between Precila Balabbo (“Balabbo”) and Nova Fashion Limited (“Nova Fashion”). Together, Balabbo and Nova Fashion are collectively referred to as the “Parties.” Balabbo is an individual who resides in the State of California, and seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer products. Balabbo alleges that Nova Fashion is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, Health & Safety Code § 25249.6, et seq. (“Proposition 65”).

1.2 General Allegations. Balabbo alleges that Nova Fashion has exposed individuals to lead from its sales of floral print fox mugs, #400286488743 without first providing users and consumers of the product with a clear and reasonable health hazard exposure warning as required pursuant to Proposition 65. Lead is listed pursuant to Proposition 65 as a chemical known to the State of California to cause cancer and birth defects or other reproductive harm.

1.3 Product Description. The products covered by this Settlement Agreement are floral print fox mugs, #400286488743 (the “Products”) that have been imported, distributed, offered for sale and/or sold in California by Nova Fashion.

1.4 Notices of Violation. On March 30, 2026, Balabbo served Ross Stores, Inc. (“Ross”) and various public enforcement agencies with a document entitled “Notice of Violation of California Health & Safety Code § 25249.6, et seq.” (the “March Notice”). The March Notice provided Ross and such others, including public enforcers, with notice that alleged that Ross was in violation of California Health & Safety Code § 25249.6, for failing to warn California consumers and customers that use of the Products will expose them to lead. No public enforcer has diligently prosecuted the allegations set forth in the March Notice.

On May 28, 2026, Balabbo served Ross, Nova Fashion, and various public enforcement agencies with a document entitled “Notice of Violation of California Health & Safety Code § 25249.6,

et seq.” (the “May Notice”). The May Notice provided Nova Fashion and such others, including public enforcers, with notice that alleged that Nova Fashion was in violation of California Health & Safety Code § 25249.6, for failing to warn California consumers and customers that use of the Products will expose them to lead. No public enforcer has diligently prosecuted the allegations set forth in the May Notice.

The March Notice and May Notice are collectively referred to herein as, the “Notices.”

1.5 No Admission. Nova Fashion denies the material factual and legal allegations contained in the Notices and maintains that, to the best of its knowledge, all products that are or have been sold and distributed in California, including the Products, have been and are in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Nova Fashion of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Nova Fashion of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Nova Fashion. However, this § 1.5 shall not diminish or otherwise affect the obligations, responsibilities and duties under this Settlement Agreement. Notwithstanding the allegations in the Notices, Nova Fashion maintains that it has not knowingly manufactured, or caused to be manufactured, the Products for sale in California in violation of Proposition 65.

1.6 Effective Date. For purposes of this Settlement Agreement, the term “Effective Date” shall mean the date this Agreement is last executed by the Parties.

2. INJUNCTIVE RELIEF: WARNINGS

2.1 Products Sold After the Effective Date. Commencing within 60 days after the Effective Date, and continuing thereafter, Products that Nova Fashion directly manufactures, imports, distributes, sells, or offers for sale in California shall be labeled with a clear and reasonable exposure warning pursuant to §§ 2.2 - 2.3, below, provided that Products sold or distributed by Nova Fashion, prior to 60 days after the Effective Date, shall be deemed exempted from the requirements of this Section 2 and expressly subject to the releases provided in § 5. All such Products sold or distributed

by Nova Fashion prior to 60 days after the Effective Date shall be permitted to be sold through as previously manufactured, packaged, and labeled.

2.2 Clear and Reasonable Warning. Commencing within 60 days after the Effective Date, and continuing thereafter, a clear and reasonable exposure warning as set forth in this §§ 2.2 and 2.5 must be provided for all Products that Nova Fashion manufacturers, imports, distributes, sells, or offers for sale in California. There shall be no obligation for Nova Fashion to provide an exposure warning for Products that entered the stream of commerce within 60 days after the Effective Date. The warning shall consist of either the **Warning** or **Alternative Warning** described in §§ 2.4(a) or (b)¹, respectively:

(a) **Warning.** The “Warning” shall consist of the statement:

 **WARNING:** This product can expose you to chemicals including lead, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

(b) **Alternative Warning:** Nova Fashion may, but is not required to, use the alternative short-form warning as set forth in this § 2.2(b) (“**Alternative Warning**”) as follows:

 **WARNING:** Cancer and Reproductive Harm - www.P65Warnings.ca.gov.

2.3 A Warning or Alternative Warning provided pursuant to § 2.2 must print the word “**WARNING:**” in all capital letters and in bold font, followed by a colon. The warning symbol to the left of the word “**WARNING:**” must be a black exclamation point in a yellow equilateral triangle with a black outline, except that if the sign or label for the Products does not use the color yellow, the symbol may be in black and white. The symbol must be in a size no smaller than the height of the word “**WARNING:**”. The **Warning** or **Alternative Warning** shall be affixed to or printed on the Products’ packaging or labeling, or on a placard, shelf tag, sign or electronic device or automatic process only if such electronic device or automatic process provides the **Warning** or **Alternative Warning** without the purchaser having to seek it out, provided that the **Warning** or **Alternative Warning** is displayed with such conspicuousness, as compared with other words, statements, or

¹ Nova Fashion also may elect to provide a warning that complies with the revised short form warning requirements set forth in Title 27, California Code of Regulations, § 25603(b), which went into effect on January 1, 2025.

designs as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase or use. A **Warning** or **Alternative Warning** provided via an electronic device or automatic process does not apply to internet purchases, which are subject to the provisions of Section 25602(b). The **Warning** or **Alternative Warning** may be contained in the same section of the packaging, labeling, or instruction booklet that states other safety warnings, if any, concerning the use of the Product and shall be at least the same size as those other safety warnings. If “consumer information,” as that term is defined in Title 27, California Code of Regulations, Section 25600.1(c) as it may be amended from time to time, is provided in a foreign language, Nova Fashion shall provide the **Warning** or **Alternative Warning** in the foreign language in accordance with applicable warning regulations adopted by the State of California’s Office of Environmental Health Hazard Assessment (“OEHHA”). An **Alternative Warning** on a Product manufactured and labeled after January 1, 2028 shall be provided in accordance with Title 27, California Code of Regulations, § 25603(b).

In addition to affixing the **Warning** or **Alternative Warning** to the Product’s packaging or labeling, the **Warning** or **Alternative Warning** shall be posted on websites where Nova Fashion offers Products for sale to consumers in California. The requirements of this Section shall be satisfied if the **Warning** or **Alternative Warning**, or a clearly marked hyperlink using the word “**WARNING**,” appears on the product display page, or by otherwise prominently displaying the warning to the purchaser prior to completing the purchase. To comply with this Section, Nova Fashion shall (a) post the **Warning** or **Alternative Warning** on its own website and, if it has the ability to do so, on the websites of its third-party internet sellers; and (b) if it does not have the ability to post the **Warning** or **Alternative Warning** on the websites of its third-party internet sellers, provide such sellers with written notice in accordance with Title 27, California Code of Regulations, Section 25600.2. Third-party internet sellers of the Product that have been provided with written notice in accordance with Title 27, California Code of Regulations, Section 25600.2 are not released in Section 5 of this Agreement if they fail to meet the warning requirements of this Section.

2.4 Compliance with Warning Regulations. The Parties agree that Nova Fashion shall be deemed to be in compliance with this Settlement Agreement by either adhering to § 2 of this

Settlement Agreement or by complying with warning regulations adopted by the State of California's OEHHA applicable to the Product and the exposure at issue.

3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE § 25249.7(b)

In settlement of all the claims referred to in this Settlement Agreement, Nova Fashion shall pay \$500.00 as a Civil Penalty in accordance with this Section. The Civil Penalty payment shall be allocated in accordance with California Health & Safety Code §§ 25249.12(c)(1) and (d), with 75% of the Penalty remitted to OEHHA and the remaining 25% of the Penalty remitted to Balabbo. 4. **REIMBURSEMENT OF FEES AND COSTS**

The Parties acknowledge that Balabbo and her counsel offered to reach preliminary agreement on the material terms of this dispute before reaching terms on the amount of fees and costs to be reimbursed to them. The Parties thereafter reached an accord on the compensation due to Balabbo and her counsel under general contract principles and the private attorney general doctrine and principles codified at California Code of Civil Procedure § 1021.5, for all work performed through the mutual execution of this agreement. Under these legal principles, Nova Fashion shall reimburse Balabbo's counsel for fees and costs incurred as a result of investigating and bringing this matter to the attention of Nova Fashion, and negotiating a settlement in the public interest. Within fifteen (15) business days

of the Effective Date, Nova Fashion shall issue a check payable to “Brodsky Smith” in the amount of \$15,000.00 for delivery to the address identified in § 3.2(a)(i), above.

5. RELEASE OF ALL CLAIMS

5.1 Release of Nova Fashion, Downstream and Upstream Customers and Entities.

This Settlement Agreement is a full, final and binding resolution between Balabbo, acting on her own behalf, and Nova Fashion, of any violation of Proposition 65 that was or could have been asserted by Balabbo or on behalf of her past and current agents, representatives, attorneys, successors, and/or assigns (“Releasers”) for failure to provide warnings for alleged exposures to lead from use of the Products, and Releasers hereby release any such claims against Nova Fashion and its parents, subsidiaries, affiliated entities, shareholders, marketplaces, directors, officers, agents, employees, attorneys, successors and assignees, and each entity to whom Nova Fashion directly or indirectly distributes or sells the Products, including but not limited to, upstream and downstream distributors, wholesalers, customers, retailers, including but not limited to Ross, Nova Fashion, and its respective subsidiaries, affiliates and parents, franchisees, cooperative members and licensees (collectively, the “Releasees”), from all claims for violations of Proposition 65 for Products sold by Nova Fashion prior to 60 days after the Effective Date based on exposure to lead from use of the Products.

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to §§ 3 and 4 above, Balabbo, on behalf of herself, her past and current agents, representatives, attorneys, successors and/or assignees, hereby covenants not to sue and waives any right to institute, participate in, directly or indirectly, any form of legal action and releases all claims that she may have, including without limitation, all actions and causes of action in law and in equity, all obligations, expenses (including without limitation all attorneys’ fees, expert fees, and investigation fees, and costs), damages, losses, liabilities and demands against any of the Releasees of any nature, character, or kind, whether known or unknown, suspected or unsuspected, limited to and arising out of the alleged or actual exposure to lead from use of the Products.

5.2 Nova Fashion’s Release of Balabbo. Nova Fashion, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waives any and all

claims against Balabbo, her attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Balabbo and/or her attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter or with respect to exposure to lead from the Products.

5.3 California Civil Code § 1542. It is possible that other claims not known to the Parties arising out of the facts alleged in the Notices and relating to the Products will develop or be discovered. Balabbo on behalf of herself only, on one hand, and Nova Fashion, on the other hand, acknowledge that this Agreement is expressly intended to cover and include all such claims up through 60 days after the Effective Date, including all rights of action therefor. The Parties acknowledge that the claims released in §§ 5.1 and 5.2, above, may include unknown claims, and nevertheless waive California Civil Code § 1542 as to any such unknown claims. California Civil Code § 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HER OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HER OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Balabbo and Nova Fashion each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

5.4. Representation of No Other Potential Claimant or Private Enforcer. Balabbo and her counsel represent that neither of them is aware of any potential claimant or potential private enforcer other than Balabbo, or any attorney other than Balabbo's counsel, who intends to make demands or bring litigation against the Releasees based on the subject matter of the Notices. Balabbo and her counsel each further represent and warrant that neither of them has been notified or otherwise informed of any such intention or consideration thereof.

5.5. Deemed Compliance with Proposition 65. The Parties agree that compliance by Nova Fashion with this Settlement Agreement constitutes compliance by Nova Fashion and Releasees with Proposition 65 with respect to exposure to lead from use of the Products.

5.6. Public Benefit. It is Nova Fashion's understanding that the commitments it has agreed to herein, and actions to be taken by Nova Fashion under this Settlement Agreement, would confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of Nova Fashion that to the extent any other private party initiates an action alleging a violation of Proposition 65 with respect to Nova Fashion's failure to provide a warning concerning exposure to lead prior to use of the Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as to those Products addressed in this Settlement Agreement, provided that Nova Fashion is in material compliance with this Settlement Agreement.

6. NON-DISPARAGEMENT

Balabbo agrees that she shall not communicate directly or indirectly, orally, in writing, by gesture, inference or otherwise, any negative, disparaging, misleading, or false remarks about the Releasees or the Products, nor will Balabbo attempt to dissuade others from purchasing or using any of the Products. If asked about her alleged claims against Nova Fashion, Balabbo covenants and agrees that she will respond that all such claims have been resolved and nothing further. Should Balabbo breach this provision of the Settlement Agreement, she agrees that she will have materially breached the Settlement Agreement.

7. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any of the provisions of this Settlement Agreement are deemed by a court to be unenforceable, the validity of the enforceable provisions remaining shall not be adversely affected but only to the extent the deletion of the provision deemed unenforceable does not materially affect, or otherwise result in the effect of the Settlement Agreement being contrary to the intent of the Parties in entering into this Settlement Agreement.

8. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the law of the State of California and apply within the State of California.
