

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 The Parties. This Settlement Agreement is entered into by and between Ema Bell (“Bell”) and Coastline Imports, Inc. (“Coastline”). Together, Bell and Coastline are collectively referred to as the “Parties” and each a “Party.” Bell is an individual who resides in the State of California, and seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer products. Bell alleges that Coastline is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, Health & Safety Code § 25249.6, et seq. (“Proposition 65”).

1.2 General Allegations. Bell alleges that Coastline has exposed individuals to lead from its sales of birds and flowers lidded tabletops, # 313423791 without first providing users and consumers of the product with a clear and reasonable health hazard exposure warning as required pursuant to Proposition 65. Lead is listed pursuant to Proposition 65 as a chemical known to the State of California to cause cancer and birth defects or other reproductive harm.

1.3 Product Description. The product covered by this Settlement Agreement are birds and flowers lidded tabletops, # 313423791 (the “Products”) that has been imported, distributed, offered for sale and/or sold in California by Coastline that expose users to lead.

1.4 Notices of Violation. On October 23, 2025, Bell served The TJX Companies, Inc., HomeGoods, LLC (collectively, “TJX”), and various public enforcement agencies with a document entitled “Notice of Violation of California Health & Safety Code § 25249.6, et seq.” (the “October Notice”). The October Notice provided TJX and such others, including public Bell, with notice that alleged that TJX was in violation of California Health & Safety Code § 25249.6, for failing to warn California consumers and customers that use of the Products will expose them to lead. No public enforcer has diligently prosecuted the allegations set forth in the October Notice.

On June 2, 2026, Bell served TJX, Coastline, and various public enforcement agencies with a document entitled “Notice of Violation of California Health & Safety Code § 25249.6, et seq.” (the “June Notice”). The June Notice provided Coastline and such others, including public Bell, with notice that alleged that Coastline was in violation of California Health & Safety Code § 25249.6, for failing

to warn California consumers and customers that use of the Products will expose them to lead. No public enforcer has diligently prosecuted the allegations set forth in the June Notice.

The October Notice and June Notice are collectively referred to herein as, the “Notices.”

1.5 No Admission. Coastline denies the material factual and legal allegations contained in the Notices and maintains that, to the best of its knowledge, all products that are or have been sold and distributed in California, including the Products, have been and are in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Coastline of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Coastline of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Coastline. However, this § 1.5 shall not diminish or otherwise affect the obligations, responsibilities and duties under this Settlement Agreement. Notwithstanding the allegations in the Notices, Coastline maintains that it has not knowingly manufactured, or caused to be manufactured, the Products for sale in California in violation of Proposition 65.

1.6 Effective Date. For purposes of this Settlement Agreement, the term “Effective Date” shall mean the date this Agreement is last executed by the Parties.

2. INJUNCTIVE RELIEF: REFORMULATION AND/OR WARNINGS

2.1 Reformulation of Products. Commencing within sixty (60) days after the Effective Date, and continuing thereafter, Products that Coastline directly manufactures, imports, distributes, sells, or offers for sale in California shall either be: (a) reformulated Products pursuant to §§ 2.2 below; or (b) labeled with a clear and reasonable exposure warning pursuant to §§ 2.3 - 2.4, below. For purposes of this Settlement Agreement, a “Reformulated Product” is a Product that is in compliance with the standard set forth in § 2.2, below. The warning requirement set forth in §§ 2.4 - 2.5 shall not apply to any Reformulated Product. There shall be no obligation for Coastline to reformulate any Products that entered the stream of commerce, were imported, ordered, manufactured, or otherwise in the process of sale and distribution, within 60 days after the Effective Date.

2.2 Reformulation Standard. “Reformulated Products” shall mean Products that produce a wipe test result no higher than 1 microgram (µg) of lead when analyzed pursuant to NIOSH method

no. 9100 and (b) contain no more than 90 parts per million (“ppm”) lead in any decoration, colored artwork, designs and/or marking on the surface of the Covered Products when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3050B or equivalent methodologies utilized by federal or state agencies for the purpose of determining lead content in a solid substance.

2.3 Clear and Reasonable Warning. Commencing within 60 days after the Effective Date, and continuing thereafter, a clear and reasonable exposure warning as set forth in this §§ 2.3 and 2.4 must be provided for all Products that Coastline manufacturers, imports, distributes, sells, or offers for sale in California that is not a Reformulated Product. There shall be no obligation for Coastline to provide an exposure warning for Products that entered the stream of commerce, were imported, ordered, manufactured, or otherwise in the process of sale and distribution, within 60 days after the Effective Date. The warning shall consist of either the **Warning** or **Alternative Warning** described in §§ 2.3(a) or (b), respectively:

(a) **Warning.** The “Warning” shall consist of the statement:

 **WARNING:** This product can expose you to chemicals including lead, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

Instead of “WARNING” Coastline has the option of using “CALIFORNIA WARNING” or “CA WARNING”

(b) **Alternative Warning:** Coastline may, but is not required to, use the alternative short-form warning as set forth in this § 2.3(b) (“**Alternative Warning**”) as follows:

 **WARNING:** Cancer and Reproductive Harm - www.P65Warnings.ca.gov.

2.4 A **Warning** or **Alternative Warning** provided pursuant to § 2.3 must print the word “**WARNING:**” in all capital letters and in bold font, followed by a colon. The warning symbol to the left of the word “**WARNING:**” must be a black exclamation point in a yellow equilateral triangle with a black outline, except that if the sign or label for the Products does not use the color yellow, the symbol may be in black and white. The symbol must be in a size no smaller than the height of the word “**WARNING:**”. The **Warning** or **Alternative Warning** shall be affixed to or printed on the Products’ packaging or labeling, or on a placard, shelf tag, sign or electronic device or automatic process only if such electronic device or automatic process provides the **Warning** or **Alternative**

Warning without the purchaser having to seek it out, provided that the **Warning** or **Alternative Warning** is displayed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase or use. A **Warning** or **Alternative Warning** provided via an electronic device or automatic process does not apply to internet purchases, which are subject to the provisions of Section 25602(b). The **Warning** or **Alternative Warning** may be contained in the same section of the packaging, labeling, or instruction booklet that states other safety warnings, if any, concerning the use of the Product and shall be at least the same size as those other safety warnings. If “consumer information,” as that term is defined in Title 27, California Code of Regulations, Section 25600.1(c) as it may be amended from time to time, is provided in a foreign language, Coastline shall provide the **Warning** or **Alternative Warning** in the foreign language in accordance with applicable warning regulations adopted by the State of California’s Office of Environmental Health Hazard Assessment (“OEHHA”). An **Alternative Warning** on a Product manufactured and labeled after January 1, 2028 shall be provided in accordance with Title 27, California Code of Regulations, § 25603(b).

In addition to affixing the **Warning** or **Alternative Warning** to the Product’s packaging or labeling, the **Warning** or **Alternative Warning** shall be posted on websites where Coastline offers Products for sale to consumers in California. The requirements of this Section shall be satisfied if the **Warning** or **Alternative Warning**, or a clearly marked hyperlink appears on the product display page, or by otherwise prominently displaying the warning to the purchaser prior to completing the purchase. If providing the **Warning**, Coastline may use one of these three options: “CA WARNING,” “CALIFORNIA WARNING”, or “WARNING,” and the sole option of “WARNING” if providing the **Alternative Warning**. To comply with this Section, Coastline shall (a) post the **Warning** or **Alternative Warning** on its own website and, if it has the ability to do so, on the websites of its third-party internet sellers; and (b) if it does not have the ability to post the **Warning** or **Alternative Warning** on the websites of its third-party internet sellers, provide such sellers with written notice in accordance with Title 27, California Code of Regulations, Section 25600.2. Third-party internet sellers of the Product that have been provided with written notice in accordance with Title 27,

California Code of Regulations, Section 25600.2 are not released in Section 5 of this Agreement if they fail to meet the warning requirements of this Section.

2.5 Compliance with Warning Regulations. The Parties agree that Coastline shall be deemed to be in compliance with this Settlement Agreement by either adhering to § 2 of this Settlement Agreement or by complying with warning regulations adopted by the State of California's OEHHA applicable to the Product and the exposure at issue.

3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE § 25249.7(b)

In settlement of all the claims referred to in this Settlement Agreement, Coastline shall pay \$500.00 as a Civil Penalty in accordance with this Section. The Civil Penalty payment shall be allocated in accordance with California Health & Safety Code §§ 25249.12(c)(1) and (d), with 75% of the Penalty remitted to OEHHA and the remaining 25% of the Penalty remitted to Bell. The Civil Penalty payment(s) shall be delivered to the addresses identified in § 3.2, below

3.1 Civil Penalty. Within fifteen (15) business days of the Effective Date, Coastline shall issue two (2) separate checks for the Civil Penalty payment to (a) "OEHHA" in the amount of \$375.00; and to (b) "Ema Bell" in the amount of \$125.00. The Civil Penalty payment(s) shall be delivered to the addresses identified in § 3.2, below.

3.2 Payment Procedures.

(a) Issuance of Payments. Payments shall be delivered as follows:

(i) All payments owed to Bell, pursuant to § 3.1 shall be delivered to the following payment address:

Evan J. Smith, Esquire
Brodsky Smith
Two Bala Plaza, Suite 805
Bala Cynwyd, PA 19004

(ii) All payments owed to OEHHA (EIN: 68-0284486), pursuant to § 3.1 shall be delivered directly to OEHHA (Memo Line "Prop 65 Penalties") at the following addresses:

For United States Postal Service Delivery:

Mike Gyurics

Fiscal Operations Branch Chief
Office of Environmental Health Hazard Assessment
P.O. Box 4010
Sacramento, CA 95812-4010

For Non-United States Postal Service Delivery:

Mike Gyurics
Fiscal Operations Branch Chief
Office of Environmental Health Hazard Assessment
1001 I Street
Sacramento, CA 95814

(b) **Copy of Payments to OEHHA.** Coastline agrees to provide Bell's counsel with a copy of the checks payable to OEHHA, simultaneous with its penalty payments to Bell, to be delivered to the address provided in § 3.2(a)(i), as proof of payment to OEHHA.

(c) **Tax Documentation.** Coastline agrees to provide a completed IRS 1099 for its payments to, and Bell agrees to provide IRS W-9 forms for, each of the following payees under this Settlement Agreement:

(i) "Ema Bell" whose address and tax identification number shall be provided within five (5) days after this Settlement Agreement is fully executed by the Parties;

(ii) "Brodsky Smith" (EIN: 23-2971061) at the address provided in Section 3.2(a)(i); and

(iii) "Office of Environmental Health Hazard Assessment" 1001 I Street, Sacramento, CA 95814.

4. **REIMBURSEMENT OF FEES AND COSTS**

The Parties acknowledge that Bell and her counsel offered to reach preliminary agreement on the material terms of this dispute before reaching terms on the amount of fees and costs to be reimbursed to them. The Parties thereafter reached an accord on the compensation due to Bell and her counsel under general contract principles and the private attorney general doctrine and principles codified at California Code of Civil Procedure § 1021.5, for all work performed through the mutual execution of this agreement. Under these legal principles, Coastline shall reimburse Bell's counsel for fees and costs incurred as a result of investigating and bringing this matter to the attention of Coastline,

and negotiating a settlement in the public interest. Within fifteen (15) business days of the Effective Date, Coastline shall issue a check payable to “Brodsky Smith” in the amount of \$9,000.00 for delivery to the address identified in § 3.2(a)(i), above.

5. RELEASE OF ALL CLAIMS

5.1 Release of Coastline and Downstream Customers and Entities. This Settlement Agreement is a full, final and binding resolution between Bell, acting on her own behalf, and Coastline, of any violation of Proposition 65 that was or could have been asserted by Bell or on behalf of her past and current agents, representatives, attorneys, successors, and/or assigns (“Releasors”) for failure to provide warnings for alleged exposures to lead from use of the Products, and Releasors hereby release any such claims against Coastline and its parents, subsidiaries, affiliated entities, shareholders, marketplaces, directors, officers, agents, employees, attorneys, successors and assignees, and each entity to whom Coastline directly or indirectly distributes or sells the Products, including but not limited to, downstream distributors, wholesalers, customers, retailers, including but not limited to TJX, its respective subsidiaries, including Homegoods, affiliates and parents, franchisees, cooperative members and licensees (collectively, the “Releasees”), from all claims for violations of Proposition 65 within 60 days after the Effective Date based on exposure to lead from use of the Products.

In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to §§ 3 and 4 above, Bell, on behalf of herself, her past and current agents, representatives, attorneys, successors and/or assignees, hereby covenants not to sue and waives any right to institute, participate in, directly or indirectly, any form of legal action and releases all claims that she may have, including without limitation, all actions and causes of action in law and in equity, all obligations, expenses (including without limitation all attorneys’ fees, expert fees, and investigation fees, and costs), damages, losses, liabilities and demands against any of the Releasees of any nature, character, or kind, whether known or unknown, suspected or unsuspected, limited to and arising out of the alleged or actual exposure to lead from use of the Products.

5.2 Coastline’s Release of Bell. Coastline, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waives any and all claims against Bell,

her attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Bell and/or her attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter or with respect to exposure to lead from the Products.

5.3 California Civil Code § 1542. It is possible that other claims not known to the Parties arising out of the facts alleged in the Notices and relating to the Products will develop or be discovered. Bell on behalf of herself only, on one hand, and Coastline, on the other hand, acknowledge that this Agreement is expressly intended to cover and include all such claims up through 60 days after the Effective Date, including all rights of action therefor. The Parties acknowledge that the claims released in §§ 5.1 and 5.2, above, may include unknown claims, and nevertheless waive California Civil Code § 1542 as to any such unknown claims. California Civil Code § 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HER OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HER OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Bell and Coastline each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542.

5.4 Deemed Compliance with Proposition 65. The Parties agree that compliance by Coastline with this Settlement Agreement constitutes compliance by Coastline with Proposition 65 with respect to exposure to lead from use of the Products.

5.5. Public Benefit. It is Coastline's understanding that the commitments it has agreed to herein, and actions to be taken by Coastline under this Settlement Agreement, would confer a significant benefit to the general public, as set forth in Code of Civil Procedure § 1021.5 and Cal. Admin. Code tit. 11, § 3201. As such, it is the intent of Coastline that to the extent any other private party initiates an action alleging a violation of Proposition 65 with respect to Coastline's failure to provide a warning concerning exposure to lead prior to use of the Products it has manufactured, distributed, sold, or offered for sale in California, or will manufacture, distribute, sell, or offer for sale in California, such private party action would not confer a significant benefit on the general public as

to those Products addressed in this Settlement Agreement, provided that Coastline is in material compliance with this Settlement Agreement.

6. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any of the provisions of this Settlement Agreement are deemed by a court to be unenforceable, the validity of the enforceable provisions remaining shall not be adversely affected but only to the extent the deletion of the provision deemed unenforceable does not materially affect, or otherwise result in the effect of the Settlement Agreement being contrary to the intent of the Parties in entering into this Settlement Agreement.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the law of the State of California and apply within the State of California.

8. NOTICES

Unless specified herein, all correspondence and notices required to be provided pursuant to this Settlement Agreement shall be in writing and personally delivered or sent by: (i) first-class (registered or certified mail) return receipt requested; or (ii) overnight or two-day courier on any party by the other party to the following addresses:

For Coastline:

Grace Ma
Coastline Imports, Inc.
15302 Nelson Ave.,
City of Industry, CA 91744

For Bell:

Evan J. Smith
Brodsky Smith
Two Bala Plaza, Suite 805
Bala Cynwyd, PA 19004

Either party, from time to time, may specify in writing to the other party a change of address to which all notices and other communications shall be sent.

9. COUNTERPARTS: SIGNATURES

This Settlement Agreement may be executed in counterparts and by facsimile or .pdf signature, each of which shall be deemed an original, and all of which, when taken together, shall constitute one and the same document.

10. COMPLIANCE WITH HEALTH & SAFETY CODE § 25249.7(f)

Bell agree to comply with the reporting requirements referenced in Health & Safety Code § 25249.7(f).

11. MODIFICATION

This Settlement Agreement may be modified only by a written agreement of the Parties.

12. ENTIRE AGREEMENT

This Settlement Agreement contains the sole and entire agreement of the Parties and any and all prior negotiations and understandings related hereto shall be deemed to have been merged within it. No representations or terms of agreement other than those contained herein exist or have been made by any Party with respect to the other Party or the subject matter hereof.

13. NOTICE AND OPPORTUNITY TO CURE

13.1 A Party may enforce any of the terms and conditions of this Settlement Agreement only for Product that Coastline and/or Releasees directly manufactures, imports, distributes, sells, or offers for sale in California 60 days after the Effective Date that Bell or their representatives have tested and certified that the Products do not comply with Reformulation and/or Warnings pursuant to Section 2 of this Settlement Agreement only after that Party first provides sixty (60) days written notice to the Party allegedly failing to comply with the terms and conditions of this Settlement Agreement and attempts to resolve such Party's failure to comply in an open and good faith manner without the alleged non-complying Party having to pay any settlement amount.

13.2 Notice of Violation. Prior to bringing any proceeding to enforce the terms of this Settlement Agreement only for Products that Coastline and/or Releasees directly manufactures, imports, distributes, sells, or offers for sale in California 60 days after the Effective Date that Bell or their representatives have tested and certified that the Products do not comply with Reformulation and/or Warnings pursuant to Section 2 of this Settlement Agreement, Bell shall provide a written

notice of violation (“NOV”) to Coastline that includes information sufficient for them to be able to understand and correct the violation without payment of any settlement amount or monetary payment, including but not limited to: (a) the name of the product, (b) specific dates when the product was sold in California, (c) the store, website, or other place at which the product was available for sale to California consumers, and (d) any other evidence or other support for the allegations in the NOV, including all test data obtained by Bell regarding the Products.

13.3 Determining Date of Sale. Within thirty (30) days of receipt of the NOV with the above information, Coastline shall first provide information showing whether the Products were shipped by Coastline for sale in California before 60 days after the Effective Date. If so, then no further action will be taken by the Bell.

13.4 Contesting the NOV. If the Products were shipped after 60 days from the Effective Date Coastline will have two options should it contest the NOV. The first option is for Products that Coastline asserts qualify as “Reformulated Products” in Section 2. In such an instance, Coastline shall either 1) provide to the Bell any existing test results it has of the Products that it claims shows they meet the definition of “Reformulated Product” based on the methodology above, or 2) retain a testing laboratory accredited to undertake such testing of the Product and produce the test results, along with any additional information it believes supports its position. The second option involves compliance with the warnings requirements in Section 2. In such an instance, Coastline shall produce information supporting compliance with the applicable warnings sections of this Agreement. Coastline will provide documentation it asserts show it did not knowingly and intentionally sell the Products in California without warnings.

13.5 Non-Contest and Corrective Action. If Coastline elects not to contest the NOV, or if the Bell, based on the Parties’ good faith meet and confer attempts, do not agree Coastline has met its burden to successfully contest the NOV, the Parties shall then meet and confer on any corrective action by Coastline. Coastline shall then confirm to the Enforcer all steps it will take to ensure the Products comply with the terms of this Settlement Agreement.

Upon receiving such notification from Coastline confirming the corrective action, Bell shall take no further action regarding the alleged violation against Coastline including, without limitation, requiring a monetary payment.

14. AUTHORIZATION

The undersigned are authorized to execute this Settlement Agreement and have read, understood and agree to all of the terms and conditions contained of this Settlement Agreement.
