

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between Dennis Johnson (“Johnson”) and Uncommon Goods, LLC. (“Uncommon Goods”), with Johnson and Uncommon Goods each individually referred to as a “Party” and collectively as the “Parties.” Johnson is an individual residing in the State of California who seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances used in consumer products. Johnson alleges that Uncommon Goods is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code section 25249.6 *et seq.* (“Proposition 65”).

1.2 General Allegations

Johnson alleges that Uncommon Goods manufactures, sells, and/or distributes for sale in California, bowls with exterior designs containing lead. Lead is listed pursuant to Proposition 65 as a chemical known to cause birth defects and other reproductive harm. Johnson alleges that Uncommon Goods failed to provide the health hazard warning required by Proposition 65 for exposures to lead.

1.3 Product Description

The products covered by this Settlement Agreement are specifically defined as, and limited to, the *MLB Sundae Slugger Ice Cream Bowl Set; Item#:5978608*, that are manufactured, sold, or distributed for sale in California by Uncommon Goods (hereinafter referred to as “Products”).

1.4 Notice of Violation

On July 21, 2026, Johnson served Uncommon Goods and the requisite public enforcement agencies with a 60-Day Notice of Violation, alleging that the notice recipients violated Proposition 65 by failing to warn customers and consumers in

California of the health hazards associated with exposures to lead from the Products. No public enforcer has commenced and is diligently prosecuting the allegations set forth in the Notice.

1.5 No Admission

Uncommon Goods denies the material, factual, and legal allegations contained in the Notice and maintains that all of the products that it has sold and distributed in California, including the Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Uncommon Goods of any fact, finding, conclusion, issue of law, or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Uncommon Goods of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Uncommon Goods. This Section shall not, however, diminish or otherwise affect Uncommon Goods' obligations, responsibilities, and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean September 28, 2026.

2. INJUNCTIVE RELIEF

2.1 Reformulation/Warning Commitment

As of the Effective Date, Uncommon Goods shall not manufacture, import, distribute, sell or offer the Products for sale in the State of California unless: (i) the Products are Reformulated Products pursuant to Section 2.2; or (ii) Uncommon Goods provides a clear and reasonable warning pursuant to Section 2.3. The Parties agree and intend that Uncommon Goods' compliance with the terms of this Settlement Agreement shall constitute compliance by Uncommon Goods with Proposition 65 with respect to exposures to Lead from the Products.

2.2 Reformulated Products.

“Reformulated Products” are defined as those Products that: (a) contain no more than 90 parts per million (“ppm”) lead in any decoration, colored artwork, designs and/or marking on the surface of the Products when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3050B or equivalent methodologies utilized by federal or state agencies for the purpose of determining lead content in a solid substance; and (b) yield no more than 1.0 microgram of lead on any surface sampled and analyzed pursuant to the NIOSH 9100 testing protocol or equivalent methodologies used by state and federal agencies to determine lead content on a solid substance.

If the decoration is tested after it is affixed to the Product, the percentage of the lead by weight must relate only to the decorating materials and must not include any quantity attributable to non-decorating material (e.g., ceramic substrate).

2.3 Warnings.

To the extent that Products manufactured, imported, or otherwise acquired by Uncommon Goods after the Effective Date do not meet the standard for Reformulated Products, a clear and reasonable warning shall be provided, as set forth herein.

2.3.1 Warning Content. For purposes of this Settlement Agreement, the parties agree that a clear and reasonable warning shall consist of one of the following warning statements:

 **WARNING:** Risk of cancer and reproductive harm from exposure to lead.
See www.P65Warnings.ca.gov

OR

 **WARNING:** Can expose you to lead, a carcinogen and reproductive toxicant.
See www.P65Warnings.ca.gov

OR

 **WARNING:** This product can expose you to chemicals including lead, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov

The above warning statements must print the word “**WARNING:**” in all capital letters and in bold font, followed by a colon. The warning symbol to the left of the word “**WARNING:**” must be a black exclamation point in a yellow equilateral triangle with a black outline, except that if the sign or label for the Products does not use the color yellow, the symbol may be in black and white. The symbol must be in a size no smaller than the height of the word “**WARNING:**”.

2.3.2 Method of Transmission

Product Labeling. Uncommon Goods shall affix one of the foregoing warning statements to the packaging, labeling or directly to a specific Product. The warning statement shall be affixed to the Product, Products’ packaging or labeling and placed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase or use. Where the short-form warning statement is provided on the label, the entire warning must be in a type size no smaller than the largest type size used for other consumer information on the product label. In no case shall the short-form warning statement appear in a type size smaller than six-point type.

Internet. In addition to the product labeling, where Uncommon Goods offers Products to California customers via its own proprietary internet website or any third-party website over which Uncommon Goods has control, Uncommon Goods shall provide a clear and reasonable internet web page warning to customers located in California. The warning statement shall appear either: (i) on the same web page on which a Product is displayed and/or described; (ii) on the same page as the price for the Product; or (iii) on one or more web pages displayed to a California purchaser prior to completion of the checkout process. Alternatively, the warning statement shall be provided using a clearly marked hyperlink using the word “WARNING” on the product display page, or by otherwise prominently displaying the warning to the purchaser prior to completing the purchase. If the product label warning is provided

using the short-form warning statement, the warning provided on the website may use the same content. A warning is not prominently displayed if the purchaser must search for it in the general content of the website. Where Uncommon Goods does not have control over the content of third-party internet sellers, Uncommon Goods shall provide such sellers with written notice, in accordance with Title 27, California Code of Regulation, Section 25600.2, of their warning obligations. Third-party internet sellers who receive notice pursuant to Section 25600.2 and fail to provide a clear and reasonable Proposition 65 warning pursuant to this section, shall not be deemed in compliance with this Settlement Agreement and shall not receive any benefit or protection afforded hereunder.

Catalog. In addition to the product labeling, if Uncommon Goods sells Products via its own proprietary catalog or any third-party catalogue over which Uncommon Goods has control, to customers located in California, one of the foregoing warnings statements must also be provided in the catalog in a manner that clearly associates it with the *specific* item being purchased. The catalog warning statement shall be placed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase. If a short-form warning is being provided on the label, the warning provided in the catalog may use the same content. Where Uncommon Goods does not have control over the content of third-party catalog sellers, Uncommon Goods shall provide such sellers with written notice, in accordance with Title 27, California Code of Regulation, Section 25600.2, of their warning obligations. Third-party catalog sellers who receive notice pursuant to Section 25600.2 and fail to provide a clear and reasonable Proposition 65 warning pursuant to this section, shall not be deemed in compliance with this Settlement Agreement and shall not receive any benefit or protection afforded hereunder.

Languages. Where a label or tag used to provide a warning statement includes consumer information about a product in a language other than English, the warning must also be provided in that language in addition to English.

2.3.3 Safe Harbor Warnings. The parties acknowledge that the warnings required by this section are not the exclusive methods of providing Proposition 65 warnings and agree that Uncommon Goods may utilize “safe harbor” warning language and methods promulgated by the Office of Environmental Health Hazard Assessment and contained in 27 CCR §§ 25602-25603, applicable to lead and the Products, in effect on or after the Effective Date, without being deemed in breach of this Settlement Agreement.

3. MONETARY SETTLEMENT TERMS

3.1 Civil Penalty Payment

Pursuant to Health and Safety Code section 25249.7(b)(2), and as consideration for the releases contained in Sections 4.1 and 4.2 below, Uncommon Goods agrees to pay \$800 in civil penalties no later than the Effective Date. The penalty payment will be allocated in accordance with California Health and Safety Code section 25249.12(c)(1) & (d), with 75% of the penalty amount remitted to the California Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty amount paid to Johnson. Uncommon Goods shall make its payment in two checks, delivered to the address in section 3.3, as follows: (1) “OEHHA” in the amount of \$600; and (2) “Dennis Johnson” in the amount of \$200.

3.2 Attorneys’ Fees and Costs

The Parties acknowledge that Johnson and his counsel offered to resolve this dispute without reaching terms on the amount of fees and costs to be reimbursed to his counsel, thereby leaving the issue to be resolved after the material terms of the agreement had been settled. Shortly after the other settlement terms had been reached, Uncommon Goods expressed a desire to resolve Johnson’s fees and costs. The Parties reached an

accord on the compensation due to Johnson's counsel under general contract principles and the private attorney general doctrine codified at Code of Civil Procedure section 1021.5 for all work performed in this matter. Under these legal principles, Uncommon Goods agrees to pay, no later than the Effective Date, \$14,200, in the form of a check made payable to "Voorhees & Bailey, LLP," for all fees and costs incurred investigating, bringing this matter to the attention of Uncommon Goods' management, and negotiating a settlement.

3.3 Payment Address and Tax Documentation

All checks under this Settlement Agreement shall be delivered to the following address and shall, thereafter, be delivered by Johnson to the respective payees:

Voorhees & Bailey, LLP
27 Pine Street; Suite 50
New Canaan, CT 06840

Johnson shall provide IRS W-9 forms for: (i) "Office of Environmental Health Hazard Assessment", (ii) Dennis Johnson, and (iii) Voorhees & Bailey, LLP. Uncommon Goods shall issue complete IRS 1099 forms to each payee for their respective payment amount, including an IRS 1099-MISC form to Johnson.

4. CLAIMS COVERED AND RELEASED

4.1 Johnson's Release of Proposition 65 Claims

Johnson acting on his own behalf, and not on behalf of the public, releases Uncommon Goods, its parents, subsidiaries, affiliated entities under common ownership, directors, officers, agents employees, attorneys, and each entity to whom Uncommon Goods directly or indirectly distributes or sells the Products, including, but not limited, to downstream distributors, wholesalers, customers, retailers, franchisees, cooperative members, importers, and licensees (collectively, "Releasees"), from all claims for violations of Proposition 65 through the Effective Date based on unwarned exposures to lead in the Products. The Parties understand and agree that this Section 4.1 release shall not extend upstream to any entities that manufactured the Products or any component

parts thereof, or any distributors or suppliers who sold the Products or any component parts thereof to Uncommon Goods.

4.2 Johnson's Individual Release of Claims

Johnson, in his individual capacity only and not in his representative capacity, provides a release herein which shall be effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses, attorneys' fees, damages, losses, claims, liabilities, and demands of Johnson of any nature, character, or kind, whether known or unknown, suspected or unsuspected, including but not limited to all failure to warn claims, arising out of alleged or actual exposures to lead in the Products manufactured, imported, distributed, or sold by Uncommon Goods prior to the Effective Date. The Parties understand and agree that this Section 4.2 release shall not extend upstream to any entities that manufactured the Products, or any component parts thereof, or any distributors or suppliers who sold the Products, or any component parts thereof to Uncommon Goods. Nothing in this Section affects Johnson's right to commence or prosecute an action under Proposition 65 against a Releasee that does not involve Uncommon Goods' Products.

4.3 Uncommon Goods' Release of Johnson

Uncommon Goods, on its own behalf, and on behalf of its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives any and all claims against Johnson and his attorneys and other representatives, for any and all actions taken or statements made by Johnson and his attorneys and other representatives, whether in the course of investigating claims, seeking to enforce Proposition 65 against it in this matter, or with respect to the Products.

5. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any provision of this Settlement Agreement is deemed by a court to be unenforceable, the validity of the remaining provisions shall not be adversely affected.

6. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable by reason of law generally, or as to the Products, then Uncommon Goods may provide written notice to Johnson of any asserted change in the law and shall have no further injunctive obligations pursuant to this Settlement Agreement with respect to, and to the extent that, the Products are so affected.
