

SETTLEMENT AND RELEASE AGREEMENT

1. INTRODUCTION

1.1. Clean Products Advocates, LLC and Hikari Miso International

This Settlement Agreement is entered into by and between Clean Products Advocates, LLC ("CPA"), on the one hand, and Hikari Miso International ("Hikari"), on the other hand, with CPA and Hikari collectively referred to as the "Parties."

1.2. General Allegations

CPA alleges that Hikari manufactured, distributed, and offered for sale in the State of California "Hikari Spicy Shirataki Ramen" (Covered Product(s)) containing Lead, and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* and its implementing regulations ("Proposition 65"). California has identified and listed Lead under Proposition 65 as a chemical known to the State of California to cause cancer and birth defects or other reproductive harm.

1.3. Product Description

The products that are covered by this Settlement Agreement are defined as Hikari Spicy Shirataki Ramen that Hikari has manufactured, imported, sold, offered for sale or distributed in California. All such items shall be referred to herein as the "Products."

1.4. Notice of Violation

On 08/04/2026 CPA served Hikari Miso International, Inc., H Mart Los Angeles, LLC, and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled "60-Day Notice of Violation" ("Notice") that provided Hikari and such public enforcers with notice that Hikari was allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Products exposed users in California to Lead. To the best of the Parties' knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

1.5. No Admission

The Parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning Hikari's compliance with Proposition 65. Hikari denies the material factual and legal allegations contained in CPA's Notice and maintains that all products that it has manufactured for sale and distribution in California, including the Products, have been and are in compliance with Proposition 65 or any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by Hikari of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Hikari of any fact,

finding, conclusion, issue of law, or violation of law, such being specifically denied by Hikari on its behalf. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of Hikari under this Settlement Agreement.

1.6. Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed.

2. INJUNCTIVE RELIEF: REFORMULATION AND WARNINGS

As of the Effective Date, Hikari, at its sole discretion, agrees to either (a) cease selling, offering for sale or distributing the Products in California, (b) manufacture, import, or otherwise source for authorized sale in California only Reformulated Products, as defined pursuant to Section 2.1 below, or (c) provide a clear and reasonable Proposition 65 warning on the Products pursuant to Section 2.2 below.

2.1. Reformulation Standards

The Products shall be deemed to comply with Proposition 65 with regard to Lead and be exempt from any Proposition 65 warning requirements for Lead in the Products if the exposure does not exceed 0.5 micrograms of Lead per day as calculated below ("Reformulated Products").

For the purpose of this Agreement, the amount of Lead a person is exposed to from the Covered Product shall be calculated using the following formula: micrograms of Lead per gram of product, multiplied by grams of product per serving of the product (using the largest serving size appearing on the product label), multiplied by servings of the product per day (using the largest number of servings in recommended dosage appearing on the product label), which equals micrograms of Lead exposure per day. All testing pursuant to this Settlement Agreement shall be performed using a laboratory method that complies with the performance and quality control factors appropriate for the method used, including limit of detection and limit of quantification, sensitivity, accuracy and precision that meets the following criteria: Inductively Coupled Plasma-Mass Spectrometry ("ICP-MS") achieving a limit of quantification of less than or equal to 0.005 mg/kg.

Products that were supplied or contracted to be supplied to third parties by Hikari prior to 6 months after the Effective Date shall be deemed exempt from the requirements of this Section 2 and shall be permitted to be sold through as previously manufactured, packaged and labeled.

2.2. Warning Option

Products that do not meet the warning exemption standard set forth in Section 2.1 above shall be accompanied by a warning as described in Section 2.3 below. This warning requirement shall only be required as to Products that are manufactured, distributed, marketed, imported, sold, shipped for sale or offered for sale to consumers by Hikari in the State of California. No

Proposition 65 warning shall be required for any Products that are supplied or contracted to be supplied to third parties by Hikari prior to 6 months after the Effective Date (the “Compliance Date”), and all such Products are hereby deemed to be exempt from Proposition 65 enforcement.

2.3. Warning Language

The font size of the Short-Form warning must be a minimum of 6 points, and it cannot be smaller than the largest size font used for Consumer Information.

2.3.2. Print Warning. Standard Warning or Short-Form Warning provided pursuant to Section 2.3 in print form must:

- a. contain the word “WARNING:” in all capital letters, in bold font, followed by a colon;
- b. be affixed to or printed on the Products’ label, or on a placard, shelf tag, sign or electronic device;
- c. be displayed with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase or use;
- d. be set off from other surrounding information;
- e. be enclosed in a box with a black, bold border.

2.3.3. Online/Internet Warning. If Hikari Miso International or a Distributor sell(s) Covered Product via internet websites to customers located in California, a warning meets the requirements of this subarticle if it complies with the content requirements of Section 25603 and the warning must also be provided using one or more of the following methods:

(a) a warning on the product display page, or

(b) a clearly marked hyperlink using the word “**WARNING**” or the words “**CA WARNING**” or “**CALIFORNIA WARNING**” on the product display page that links to the warning, or

(c) an otherwise prominently displayed warning provided to the purchaser prior to completing the purchase. If the warning is provided using the short-form warning label content pursuant to Section 25602(a)(4), the warning provided on the website may use the same content. For purposes of this subsection, the warning is not prominently displayed if the purchaser must search for it in the general content of the website.

2.3.4. For internet purchases made before January 1, 2028, a retail seller is not responsible under Section 25600.2(e)(4) for conspicuously posting or displaying the new warning online until 60 calendar days after the retailer receives a warning or a written notice under Section 25600.2(b) and (c) which updates a short-form warning compliant with Section 25603(c) with content compliant with Section 25603(b).

2.3.5 FOREIGN LANGUAGE - Where a sign, labeling, or label, as defined in Section 25600.1, is used to provide a warning that includes consumer information about a product in a language other than English, the warning must also be provided in that language in addition to English.

CPA also, on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees and *not* in its representative capacity, provides a general release herein which shall be

effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses, attorneys' fees, damages, losses, claims, liabilities and demands of any nature, character or kind, known or unknown, suspected or unsuspected, against Hikari and the Releasees.

5.2 Hikari's Release of CPA

Hikari, on behalf of itself, its past and current agents, representatives, attorneys, successors and/or assignees, hereby waives any and all claims against CPA, its attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by CPA and/or her attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter or with respect to the Products.

5.3 California Civil Code § 1542.

It is possible that other claims not known to the Parties arising out of the facts alleged in the Notice and relating to the Products will develop or be discovered. CPA on behalf of itself only, on one hand, and Hikari, on the other hand, acknowledge that this Agreement is expressly intended to cover and include all such claims up through the Effective Date, including all rights of action thereof. The Parties acknowledge that the claims released in §§ 5.1 and 5.2, above, may include unknown claims, and nevertheless waive California Civil Code § 1542 as to any such unknown claims. California Civil Code § 1542 reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

CPA and Hikari each acknowledge and understand the significance and consequences of this specific waiver of California Civil Code § 1542. The Parties agree that compliance with the terms of this Settlement Agreement shall constitute compliance by any Releasee with Proposition 65.

6. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California. In the event that (a) the Office of Environmental Health Hazard Assessment ("OEHHA") or another authorized agency promulgates one or more regulations, (b) legislation is enacted by the California legislature, United States Congress, or the voters, or (c) a published opinion is issued by a court of competent jurisdiction, requiring, permitting, or establishing a warning text and/or methods of transmission different than those set forth above or an alternative means of calculating exposure for purposes of Proposition 65 other than that set forth herein, Hikari shall be entitled to use, at its discretion, such other warning text, method of transmission, or means of calculating exposure without being deemed in breach of this

Settlement Agreement. If regulations, legislation, or judicial rulings are enacted or issued providing that a Proposition 65 warning for the Covered Product is no longer required, a lack of warning will not thereafter be a breach of this Settlement Agreement.
