SETTLEMENT AND RELEASE AGREEMENT

1. INTRODUCTION

1.1. Clean Product Advocates, LLC and Harvest Food Group, LLC

This Settlement Agreement is entered into by and between Clean Products Advocates, LLC ("CPA"), on the one hand, and Harvest Food Group, LLC ("HFG"), on the other hand, with CPA and HFG each individually referred to as a "Party" and collectively as the "Parties."

1.2. General Allegations

CPA alleges that HFG manufactured, distributed, and offered for sale in the State of California "Path of Life Quinoa & Kale, with Garlic, Olive Oil & Sea Salt" containing Lead, and that such sales have not included warnings pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code sections 25249.6 *et seq.* and its implementing regulations ("Proposition 65"). California has identified and listed Lead under Proposition 65 as a chemical known to the State of California to cause cancer and birth defects or other reproductive harm.

1.3. Product Description

The products that are covered by this Settlement Agreement are defined as Path of Life Quinoa & Kale, with Garlic, Olive Oil & Sea Salt ("Covered Products") that HFG has manufactured, imported, sold, offered for sale and/or distributed in California.

1.4. Notice of Violation

On September 12, 2026, CPA served Harvest Food Group, LLC dba Path of Life Brand; Raley's and the requisite public enforcement agencies eligible to initiate Proposition 65 actions on behalf of the People of the State of California with a document entitled "60-Day Notice of Violation" ("Notice") that provided HFG and such public enforcers with notice that HFG was allegedly in violation of California Health & Safety Code section 25249.6 for failing to warn consumers and customers that the Covered Products exposed users in California to Lead. To the best of the Parties' knowledge, no public enforcer has commenced or is otherwise diligently prosecuting an action to enforce the allegations set forth in the Notice.

1.5. No Admission

The Parties enter into this Settlement Agreement to settle disputed claims between them as set forth herein and in the Notice concerning HFG's compliance with Proposition 65. HFG denies the material, factual, and legal allegations contained in CPA's Notice and maintains that all of the products that it has manufactured for sale and distribution in California, including the Covered

Products, have been and are in compliance with Proposition 65 or any other statutory, regulatory, common law or equitable doctrine. Nothing in this Settlement Agreement shall be construed as an admission by HFG of any fact, finding, issue of law, or violation of law, such being specifically denied by HFG; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by HFG of any fact, binding, conclusion, issue of law, or violation of law, such being specifically denied by HFG on its behalf. However, nothing in this section shall diminish or otherwise affect the obligations, responsibilities, and duties of HFG under this Settlement Agreement.

1.6. Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean the date this Settlement Agreement is fully executed by the Parties.

1.7 Compliance Date

For purposes of this Settlement, the term "Compliance Date" means six (6) months from the Effective Date.

2. INJUNCTIVE RELIEF: REFORMULATION AND WARNINGS

As of the Compliance Date, HFG, at its sole discretion, agrees to either (a) cease selling, offering for sale or distributing the Covered Products in California, (b) manufacture, import, or otherwise source for authorized sale in California only Reformulated Products, as defined pursuant to Section 2.1 below, or (c) provide a clear and reasonable Proposition 65 warning on the Covered Products pursuant to Section 2.2 below.

2.1. Reformulation Standards

The Covered Products shall be deemed to comply with Proposition 65 with regard to Lead and be exempt from any Proposition 65 warning requirements for Lead in the Covered Products if the exposure does not exceed 0.5 micrograms of Lead per day as calculated below ("Reformulated Products").

For the Purpose of this Agreement, the amount of Lead a person is exposed to from the Covered Product shall be calculated using the following formula: micrograms of Lead per gram of product, multiplied by grams of product per serving of the product (using the largest serving size appearing on the product label), multiplied by servings of the product per day (using the largest number of servings recommended on the product label), which equals micrograms of Lead exposure per day.

Covered Products that were supplied or contracted to be supplied to third parties by HFG prior to the Compliance Date shall be deemed exempted from the requirements of this Section 2 and shall be permitted to be sold through as previously manufactured, packaged and labeled.

2.2. Warning Option

Covered Products that do not meet the warning exemption standard set forth in Section 2.1 above shall be accompanied by a warning as described in Section 2.3 below. This warning requirement shall only be required as to Covered Products that are manufactured, distributed, marketed, imported, sold, shipped for sale or offered for sale to consumers by HFG in the State of California. No Proposition 65 warning shall be required for any Covered Products that are supplied or contracted to be supplied to third parties by HFG prior to the Compliance Date, and all such Covered Products that are supplied or contracted to be supplied to third parties by HFG prior to the Compliance Date are hereby deemed to be exempt from the warning requirements and from Proposition 65 enforcement.

2.3. Warning Language

2.3.1. A clear and reasonable exposure Proposition 65 Warning must be provided for Covered Product(s) that do not qualify as Reformulated Products under Section 2.1 and that HFG distributes into the State of California after the Compliance Date. c. The font size of the warning must be a minimum of 6 points, and it cannot be smaller than the largest size font used for other consumer information. Warning language on Covered Products manufactured on or after **January 1, 2028** must include at least one chemical name for each applicable endpoint (cancer and/or reproductive toxicity), consistent with changes to Cal. Code Regs., Tit. 27, § 25607.2 (b) by California's Office of Environmental Health Hazard

2.3.3. Online/Internet Warning. If Harvest Food Group, LLC or a Distributor sell(s) Covered Product via internet websites to customers located in California, a warning meets the requirements of this subarticle if it complies with the content requirements of Section 25603 and the warning must also be provided using one or more of the following methods:

For purposes of this subsection, the warning is not prominently displayed if the purchaser must search for it in the general content of the website.

2.3.4. For internet purchases made before January 1, 2028, a retail seller is not responsible under Section 25600.2(e)(4) for conspicuously posting or displaying the new warning online until 60 calendar days after the retailer receives a warning or a written notice under Section 25600.2(b) and (c) which updates a short-form warning compliant with Section 25603(c) with content compliant with Section 25603(b).
