Re: Proposition 65 Amended Notice of Violation

To Whom It May Concern:

This notice amends the original notice AG 2017-02714 dated August 21, 2017. This amendment corrects the manufacturer to Bay Valley Foods, LLC.

We represent Kim Embry, a citizen of the State of California acting in the interest of the general public. This letter serves as notice that the parties listed above are in violation of Proposition 65, the Safe Drinking Water and Toxic Enforcement Act, commencing with section 25249.5 of the Health and Safety Code ("Proposition 65"). In particular, the violations alleged by this notice consist of types of harm that may potentially result from exposures to the toxic chemical Acrylamide. This chemical was listed as known to cause cancer on January 1, 1990 and listed as known to cause developmental/reproductive toxicity in February of 2011.

The specific type of products that are causing exposures in violation of Proposition 65 is detailed below:

	<u>Product Name</u>	<u>Manufacturer</u>	<u>Retailer/ Distributor</u>	<u>Item Number / UPC</u>

Amended Notice of Proposition 65 Violation

Page 2

The routes of exposure to the chemical(s) in violation include dermal absorption, ingestion, and inhalation by consumers. These exposures occur through the reasonably foreseeable use of the products. The sales of this product have been occurring since at least July of 2017, is continuing to this day and will continue to occur as long as the product subject to this notice is sold to and used by consumers.

Proposition 65 requires that a clear and reasonable warning is provided with these products regarding the exposures to Acrylamide caused by ordinary use of the product. The Parties are in violation of Proposition 65 by failing to provide such warning to consumers and as a result of the sales of these products, exposures to Acrylamide have been occurring without proper warnings.

Pursuant to Proposition 65, notice and intent to sue shall be provided to violators 60 days before filing a complaint. This letter provides notice of the alleged violation to the parties listed above and the appropriate governmental authorities. A summary of Proposition 65 is attached.

If you have any questions or wish to discuss any of the above, please contact me.

Sincerely,

A handwritten signature in blue ink that reads "Noam Glick". The signature is fluid and cursive, with the first name "Noam" and last name "Glick" clearly distinguishable.
