Re: Proposition 65 Notice of Violation

To Whom It May Concern:

We represent Environmental Health Advocates, Inc., an organization in the State of California acting in the interest of the general public. This letter serves as notice that the parties listed above are in violation of Proposition 65, the Safe Drinking Water and Toxic Enforcement Act, commencing with section 25249.5 of the Health and Safety Code ("Proposition 65"). In particular, the violations alleged by this notice consist of types of harm that may potentially result from exposures to the toxic chemical Marijuana (Cannabis) smoke. Marijuana smoke has been listed as a developmental toxin on January 3, 2020 and a carcinogen on June 19, 2009.

The specific type of product that is causing exposures in violation of Proposition 65 is detailed below:

| | <u>Product Name</u> | <u>Manufacturer</u> | <u>Distributor/Retailer</u> | <u>Item Number/SKU</u> |
|----|---|----------------------------|------------------------------------|-------------------------------|
| 1. | Greenco Science Higher Standards Heavy Duty Rig | Greenlane Holdings, Inc. | Greenlane Holdings, Inc. | Order # 564982 |

The route of exposure for the violation is inhalation by consumers. This exposure occurs through the reasonably foreseeable use of the product. The sales of this product have been occurring since at least May 2020, are continuing to this day and will continue to occur as long as the product subject to this notice is sold to and used by consumers.

Proposition 65 requires that a clear and reasonable warning is provided with these products regarding the exposure to Marijuana smoke caused by ordinary use of the product. The Parties are in violation of Proposition 65 by failing to provide such warning to consumers purchasing this product online. As a result of the sales of this product, exposures to Marijuana smoke have been occurring without proper warnings to online consumers.

Pursuant to Proposition 65, notice and intent to sue shall be provided to violators 60-days before filing a complaint. This letter provides notice of the alleged violation to the parties listed above and the appropriate governmental authorities. A summary of Proposition 65 is attached.

If you have any questions or wish to discuss any of the above, please contact me.

Sincerely,
