RE: Notice of Violation by Environmental Research Center, Inc. against Sneakz, LLC,  
individually and dba Sneakz Organic  
AG numbers 2021-00752 and 2021-00836

Dear Prop 65 Coordinator:

On March 25, 2021 and April 6, 2021, Environmental Research Center, Inc. (ERC) filed Notices of Violation against Sneakz, LLC, individually and dba Sneakz Organic, for alleged violations involving lead contamination of multiple nutritional supplement products. The AG numbers are 2021-0752 and 2021-00836. ERC agreed to drop this matter and now wishes to have the Attorney General officially notate on its website that the Notices have been withdrawn.

Thank you for your assistance.

Sincerely,

Chris Heptinstall  
Executive Director  
Environmental Research Center, Inc.
