RE: Notice of Violation by Environmental Research Center, Inc. against Baker's Best Health Products, Inc.
AG numbers 2021-02422 and 2021-02487

Dear Prop 65 Coordinator:

On September 30, 2021 and October 7, 2021, Environmental Research Center, Inc. (ERC) filed Notices of Violation against Baker's Best Health Products, Inc., for alleged violations involving lead contamination of multiple nutritional supplement products. The AG numbers are 2021-02422 and 2021-02487. ERC agreed to drop these matters and now wishes to have the Attorney General officially notate on its website that the Notices have been withdrawn.

Thank you for your assistance.

Sincerely,

Chris Heptinstall
Executive Director
Environmental Research Center, Inc.
