*Re: Withdrawal of Notice No. 2025-00534*

Dear Ms. Fiering,

Keep America Safe and Beautiful ("KASB") withdraws Notice # 2025-00534, served on Belden, Inc., alleging violations of Proposition 65 based on elevated levels of di-isodecyl phthalate ("DIDP") in cables. In addition, we will inform the alleged violator the notice has been withdrawn by U.S.P.S. First-Class mail. Nothing in this letter is intended to, or should be interpreted to, construe that the above-referenced 60-Day Notice of Violation, or the violations alleged therein, lacked merit or otherwise failed to comply with Health & Safety Code § 25249.6, et seq. requirements.

If there is anything additional we can provide at this time, please do not hesitate to contact me.

Sincerely,

SEVEN HILLS LLP
