California Attorney General's Office
Prop 65 Enforcement

**RE: CALIFORNIA OFFICE OF THE ATTORNEY GENERAL
NOTICE OF VIOLATION #2025-00624**

To Whom it May Concern:

My client, Mothers Oversight Network for Actionable Response to Contaminant Harm [MONARCH], LLC, hereby withdraws its Notice of Violation of Proposition 65 as Noticed in the February 27, 2025 Sixty Day Notice of Violation referenced above.

This withdrawal is done without prejudice to the filing of a second notice and pertains to a consent judgment previously entered into by the Alleged Violator concerning an adjacent product.

Note that the adjacent product in the prior consent judgment was not issued a No Merit Letter. Our client doubts the Attorney General's Office would enter a binding consent judgment for a product that was meritless; therefore, our client, once again, requests information for the scientific or legal basis for which their claim is deemed meritless.

If you have any questions, please feel free to contact me.

Regards,

Daniel Greenbaum
